Pep Up Your Garden With Pre-tested Seed!

Why gamble with the results? Why work long hours in your garden and plant seeds that are not pre-tested?

We asked ourselves those questions year ago and then decided that we would sell only "pre-tested" seeds—seeds that had been tested by the growers to assure satisfied customers.

We've sold nothing but pre-tested seed for years. And each year our list of seed customers grows larger.

Doesn't that convince you that there's a reason, and that the reason is that more and more customers prefer pre-tested seeds?

Join our customer list for satisfaction.

PROGRESS REPORT
TO RURAL CUSTOMERS
WHO HAVE APPLIED FOR
ELECTRIC SERVICE

OUR program to bring electricity to the remaining 15 per cent of the farms in the areas where we operate is well underway.

THE scarcity of essential equipment and materials, however, has made our daily progress much slower than we had hoped for.

AUTOMOBILE manufacturers have been unable to deliver the many heavy trucks and cars on order. And large quantities of electrical equipment and materials ordered over a year ago are still undelivered.

EVEN if conditions improve within the next few weeks this delay will interrupt our schedule so that many folks will have to wait several months longer before getting service.

IF you are one of the many farmers who have applied for service, we want you to know that everything possible is being done to speed electric service to your farm.

What Makes Good Dry Cleaning

Dry cleaning in crystal clear solvent, free from all impurities, and followed by thorough extraction.

Dry cleaning that includes spotting by an expert who knows how to remove the spot without harming color or fabric.

Pressing and restyling the garment into the smartness it had when new.

In other words, dry cleaning that gives you maximum wear and smartness from your garments.

We'd like to demonstrate this kind of dry cleaning to you; we will, if you'll send us your garments.

DIXIE GAS

And Our Service Is The Answer

The war may be over but it is as difficult—or more so—to get a new car today than it was even in the middle of the war.

THE CONCLUSION IS—YOUR CAR MUST SERVE YOU—not only this month and this summer, but maybe for another year or more.

KEEP IT IN CONDITION. Bring it to us for service—service that satisfies. And burn DIXIE GAS exclusively.

DIXIE GAS is jammed with power, it's free-burning, high octane, smooth running. It's just the gas for your old car, to make it operate more evenly.

TRY IT IN YOUR OWN CAR. A tank full will convince you as it has hundreds of others.

Wheat Pours In For War Hungry

MORE THAN 2,000 BUSHELS BROUGHT TO HAYDENS, TUESDAY PRICE $2.21

With the recent advance in the wheat ceiling price of 15 cents a bushel, farmers are now receiving a total of $2.21 for wheat grading No. 2 that is brought to the Hayden Flour Mills here to be processed into flour for the war-hungry. The mill starting grinding wheat for the government last week and on Tuesday of this week alone, more than 2,000 bushels were delivered to the mill. Wheat producers from as far away as Albion are bringing the grain to Tecumseh, where the price is several cents a bushel higher than that being paid in areas north and west of here, it was said. The Hayden Mills need 12,000 bushels of the wheat to fill the government's order for 554,000 pounds of flour.

Perry Hayden, president of the mill, said that the $2.21 price includes a 30-cen-a-bushel bonus, being paid by the government for wheat delivered by Saturday, May 25. The ceiling price on the wheat is $1.91 a bushel, apart from the bonus. Payments for the wheat, which is merely being delivered to the mill for the government, are made by the various county committees of the AAA.

Commenting upon the possibility of a flour shortage locally, Mr. Hayden declared that his firm would do all in its power to see that "the home folks" are taken care of."

"If we had the wheat and the capacity to grind," Hayden said, "we could be milling a thousand barrels of flour a day." He added that the demand for flour is terrific, and he expressed the opinion that in view of the world-wide shortage and starvation in the war-torn areas, it is everybody's patriotic duty "to conserve every crumb of bread."

All of the flour that is being milled locally for the government will be immediately dispatched to the eastern seaboard for shipment to starving areas. Mill feeds, some 80 tons of it, obtained in the processing of the grain will remain in Tecumseh to be sold to local farmers for stock feed. This feed, Hayden said, it badly needed on most of the farms.

Judge Rathbun Speaks At F.O.E. Program Here

At the Mother and Daughter program held Sunday in the F.O.E. hall a corsage was presented to Mrs. Minnie Raymond, aged 77 years, of Osseo, mother of Ervie Raymond of Tecumseh, the oldest mother present, and also to Mrs. Loretta Eishenhaur of Adrian, daughter of Mr. and Mrs. George Milosh, who was the youngest mother present. The Aerie also sent flowers to mothers at Tecumseh hospital, also to Mrs. Ed Everetts and Lafayette Stevenson who are ill.

G. Arthur Rathbun gave the address of the afternoon. The members of the Aerie attended morning services at the Baptist church.

RIDGEWAY GARDEN CLUB TO BE GUESTS HERE

The Ridgeway Garden Club will be guests of Tecumseh Garden Club at the home of Mrs. Guy Pocklington on Friday, May 17.

High School Seniors Enjoying Trip To Soo

Thirty members of the senior class of Tecumseh High School and their chaperones, Mr. and Mrs. Fred Dickinson and David Dick, left Tuesday morning for Detroit, where they boarded a boat for Mackinaw City, Sault Ste. Marie and through the locks into Lake Superior. They will return over the same route, docking in Detroit at noon on Friday.

The seniors will be back in Tecumseh Friday evening in time for the annual Junior-Senior reception, to be staged in the school gymnasium.

The annual commencement program for the seniors is scheduled for June 6.

Discussion Club Invites Public

COMMUNITY ASKED TO HEAR NORMAL PROFESSOR DISCUSS RUSSIA, SUNDAY

Edgar W. Waugh, assistant professor of political science at Michigan State Normal College, Ypsilanti, will speak on "Russia" at the Tecumseh Methodist church next Sunday evening, May 19, at 7:30.

The community is invited to attend this meeting which is a part of the state's program on adult education and is sponsored locally by the Sunday Evening Club, a discussional group of the local Methodist church. There will be no charge. Prof. Waugh spoke on "Who's Who Internationally" here in January and many who heard him will welcome the opportunity to hear him again.

He is well qualified to discuss the problems of Russia as he has visited that country and other European nations for the purpose of observing political and social conditions. He has done a large amount of lecturing on political and educational problems and is the author of a political satire entitled "Heaven Speaks American," which has received favorable comment from many sources.

Awards Made By Club In Bird House Contest

Awards in the recent bird house contest sponsored by the Tecumseh Garden Club were made Monday afternoon at the school by Mrs. L. W. Larsen. First prize winners were Henry and Dick McCarbery of the sixth grade for a pair of wren houses, Lorissa Peotter, fifth grade and Barbara Campbell, fourth grade, for single house. Second prize winners were Robert Marsh of the sixth grade, Orendale Murphy, fifth grade and Melvin Boltz, fourth grade. Mrs. Thos. O'Hara, Mrs. Leon Rosacrans and Mrs. Clarence Beach were the committee in charge of the awards.

The completed bird houses will be on display at the local D & C store.

DR. MARSH DISCUSSES HEARING LOSS, REMEDY

The cause of deafness and the several types of hearing aids offered as a remedy were discussed by Dr. R. G. B. Marsh when he spoke to the Tecumseh Rotary Club, Tuesday evening at Brees House. The physician explained many of the causes for loss of hearing and declared that not all styles of hearing aids are suitable for all persons. He urged that schools pay special attention to students and check them early to determine if there is hearing loss, because, he said, the earlier such discovery is made the more easily it is corrected. Dr. Marsh's talk was a part of the club's vocational service program and was greatly enjoyed because of its educational value.

Lt. John Thompson of the Army Medical Corps, was the guest of his father at the meeting. Lt. Thompson is home on leave, awaiting orders for service in Europe.

CHILD STUDY CLUB

The Child Study Club held its final meeting Monday evening at Brees House with dinner served to 25 preceding the meeting. Annual reports were given and new officers were installed. The program consisted of group singing, readings by Mrs. Bert Kopka and accordion selections by Robert Hadley.

TO WED IN CALIFORNIA

The wedding of Miss June Irwin, daughter of Mrs. Lillie Irwin of Tecumseh, and David Siefert of Roswell Field, N. Mexico, will be held Friday, May 17, at the Mission Inn in Riverside, Calf. Miss Irwin recently left Tecumseh for Riverside. Mrs. Irwin left last week for her former home in Brinkley, Ark.

CALVIN CLUB

The Calvin Club will meet Thursday evening, May 23 at the Presbyterian church when the men will have charge of the program.

ARE BREAD LINES JUST AHEAD?

Bread, Meat, Butter Scarce, But Flour is Still Available

If you go home to dinner some night this week and find that there's a lack of bread, butter and meat, don't blame your wife—or the cook.

The facts are that bread, meat and butter are scarce, and, according to some reports, they may become even more scarce.

Tecumseh merchants said this week that bread shipments have been reduced from 25 to 33 per cent of normal. Stores that generally had bread on their shelves at all times are now selling out by noon or early afternoon. Late shoppers find themselves out of luck.

"The supply is dwindling every day, so it's hard to say how much bread we will be receiving in another week," one grocer said.

Butter? Don't ask your grocer or butcher for it, unless you expect him to laugh. There isn't any butter—maybe he gets a pound now where he used to get a case. And oleo, that's gone with the butter.

Meat, too, is about as scarce as butter and bread. Some shops have a small supply of fresh meat, but it doesn't last long. Luncheon meats are a bit more plentiful.

Flour is still available, although one grocer reported that he had had difficulty in building up his stock. Of course, the fact that flour is short is the reason that bread is short, and the reason that meat is short is because grain is short to feed the stock, and the reason that flour is short is because there's a shortage of wheat. And so it goes.

"I've seen nylon lines, shirt lines, pillow case and bed sheet lines, and now maybe we'll see bread lines," one clerk remarked.

Mr. and Mrs. K. F. Snedecor Injured In Accident

Mr. and Mrs. Kenneth F. Snedecor of Coldwater were both seriously injured in an automobile accident near Jonesville, May 5. Mrs. Snedecor is in a critical condition at University hospital in Ann Arbor with a broken back. An operation was performed last week and two inches of the spine removed.

Mr. Snedecor, who is the son of Frank E. Snedecor of Tecumseh, it at Hillsdale hospital. He suffered a broken collar bone, two broken ribs and a splintered spine. Mr. Snedecor had broken his neck in an accident several years ago, but had recovered.

Hayden Flour Mills Win Grinding Honors

The Hayden Flour Mill, Inc., Tecumseh, has won recognition for the accuracy and uniformity of its custom grinding and maxing service. The local firm recently received a Certificate of Mixing Accuracy for 1946 following analysis at the Ralston Purina Company, St. Louis, Mo., of samples taken from regular mixes prepared for customers of the mill.

With the decreased supply of grains for feeding livestock and poultry, proper mixing of ingredients has become an increasingly important factor in feeding efficiently. Ralston Purina requires that all samples vary not more than one-half of one per cent to qualify for the certificate. The Hayden Flour Mill, Inc., showed only the slight variation of .31 hundredths per cent protein in the samples tested.

The certificate will be posted in a prominent place at the Hayden mill, as evidence of the ability of the local equipment to service farmers with custom mixing that will help them achieve maximum production from their grains.

COUNTY NURSE HURT IN FALL IN ADRIAN

Mrs. Clark Rathbun of Tecumseh, county tuberculosis nurse, suffered a compound fracture of the right arm and a badly bruised right leg in a fall through a porch floor in Adrian, where she was making a professional call, last week. She was brought to Tecumseh hospital where her arm was operated on and a silver plate placed.

Farm Bureau Is Divided on OPA

SOME FAVOR CONTINUANCE, OTHERS DIFFER; LOAN TO ENGLAND FROWNED ON

The Tecumseh-Raisin Farm Bureau group met Monday evening at the home of Mr. and Mrs. O. L. Feight with James Feight as host and with 23 in attendance.

Raynor VanValkenburg presided and Mary Lou Boyd, secretary, read the minutes of the last meeting. James Feight then led the discussion on the topic "Government Control." This led to a very heated argument as to whether or not the OPA should be allowed to continue. Some thought that it should be discontinued at once while others favored a slow death for the agency.

The gift loan to England was also discussed and a definite opinion reached that—"God helps them who help themselves" and that the people of America must look out for America, first, or they will not be able to help the others.

The next meeting will be held June 10 at the home of Mr. and Mrs. Lawrence Boyd.

Mrs. Helen C. Jones Buried In Brookside

Mrs. Helen C. Jones, aged 50 years, wife of Charles F. Jones, local barber, died Thursday night at Tecumseh hospital. Mrs. Jones, who had been ill for three years, died soon after entering the hospital.

Deceased was formerly Helen Rehfuss of Manchester and was born in Ann Arbor, February 21, 1896. She had lived in Tecumseh 29 years and was a member of St. Peter's Episcopal church, also of the Arbeiter Soociety of Manchester.

Besides her husband she leaves a daughter Mrs. Eleanor Horine of Bloomington, Ill., a son Neil Jones of Clinton; a sister Mrs. Moore Gates of Ann Arbor; two brothers, Fred A. Rehfuss of Lakewood, O., and Wm. J. Rehfuss of Manchester; two nieces, Miss Ola M. Gates of Ann Arbor and Mrs. Walter Carey of Lakewood, O., and a nephew Captain Wm. M. Gates of Selfridge Field.

Funeral services were held Monday afternoon at the Collins Funeral Home. Rev. Allan L. Ramsay officiated and burial was in Brookside cemetery.

Bearers were Russell Thurlby, Carl Thompson, P. C. Satterthwaite, E. C. Heilman, B. W. Mominee and Jack W. Smith. Relatives and friends from Bloomington, Ill., Chillicothe, Toledo and Lakewood, O., Selfridge Field, Ann Arbor, Manchester, Brooklyn, Onsted, Clinton and Tecumseh and a large group of Arbieters from Manchester attended the services.

Mrs. Ina Cummings Is Buried In Brookside

Mrs. Ina M. Cummings, aged 70 years, wife of Ralph Cummings, died Saturday night at her home northwest of town after a long illness.

Besides her husband she leaves a daughter Mrs. Ferris Cleveland of Tecumseh and two sons Merle of Tecumseh and Marvin of Manchester, also seven grandchildren.

Funeral services were held Wednesday afternoon at Green Funeral Home with Rev. Edward Escolme officiating and burial was in Brookside cemetery.

Emmett McCollum, 77, Is Buried at Clinton

Emmett McCollum, aged 77 years, died Sunday afternoon at his home in Clinton after several months illness. Mr. McCollum was a retired carpenter.

He leaves the widow, Mary, a daughter Mrs. Gerald Ogden, a brother Charles McCollum, a sister Mrs. Bert Rogers and two grandchildren Mrs. W. P. Rogers and Shirley Ogden, all of Clinton.

Funeral services were held Wednesday afternoon at Hause Funeral Home in Clinton and burial was in Riverside cemetery.

TECUMSEH CONTINUES ITS BASEBALL WINNING

Tecumseh continued its baseball winning streak on Monday by defeating Manchester high school by a score of 10-0. Tom Judd pitched the no-hit-no-run game and Duane Murphy was behind the plate, substituting for the regular catcher, Ben Hammack, who was ill.

Monday's win was the ninth straight game won by the Indians. Last week Friday, the Railsmen won their eighth game from Clinton by a score of 2 to 0.

The next game on the schedule is here next Monday with Hudson and the final game of the season is with Morenci, May 24.

Tecumseh is now in top position in the league.

Mother's Day Service Is Largely Attended

Mother's Day was observed at the Baptist church Sunday morning by a congregation which exceeded the Easter attendance and was the largest attendance in many years at the morning service. Each mother was presented with a corsage of garden flowers.

Rev. B. O. Bashore delivered the sermon "Mother" and the senior choir sang "Life a Mother Comforteth" with Miss Jenny Bird as soloist. Members of the local F.O.E. were special guests at the service.

Following the services the new bulletin board was dedicated with appropriate services out of doors. The board was given as a memorial to the late Mrs. Mary Ellen Brooks by her family composed of Ralph Brooks of Yonkers, N. Y., Howard Brooks, Mrs. Roscoe Hewlett, Mrs. Marian Harrington, Mrs. Mildred Gove, John Brooks and Mrs. Gertrude Stevenson, all of Tecumseh.

Furry of Toledo, two half-brothers, Ray H. Gorsuch of Tiffin, O., and Ross E. Gorsuch of Philadelphia, Pa., and an aunt Mrs. Clara House of Phoenix, N. Y.

Funeral services will be held this afternoon at 2 o'clock at the Hause Funeral Home in Clinton. The Rev. O. E. Priest will officiate and burial will be in Riverside cemetery in Clinton.

Mrs. Susan L. Kennedy Is Buried on Monday

Funeral services were held Monday afternoon at the Rollin Friends church for Mrs. Susan L. Kennedy, who died Thursday night at her home in Three Rivers. The Rev. Edward Escolme officiated.

Mrs. Kennedy, wife of Rev. Wm. J. Kennedy, was formerly Susan L. Knowles, daughter of Mr. and Mrs. Frank Knowles and was born in Lenawee county June 18, 1893. She taught in the rural schools of the county and later was ordained a minister of the Ohio Yearly Meeting of Friends. She was a member of the Rollin Friends church. On October 21, 1924, she was married to Mr. Kennedy, pastor of the Three Rivers Methodist Protestant church now known as the Ninth Avenue Methodist church. They lived in Lenawee county for seven years and later returned to Three Rivers.

Survivors are the husband, three daughters, Mrs. Roland Mohr of Tecumseh, Mrs. Chester Neaman of Three Rivers and Mrs. James Thornton of Rollin; one sister Mrs. Clifford Ford of Rollin and eight grandchildren.

Services were held Saturday afternoon in Three Rivers and the body was brought to the homestead in Rollin until Monday. Burial was in Green's Lakeside cemetery at Manitou Beach. Bearers were Roland Moore, Chester Neamen, James Thornton, Francis Knowles, Milton Knowles and Nathan Knowles. Relatives and friends from Three Rivers, Hillsdale, Charlotte, Adrian, Palmyra, Britton, Pontiac, Clinton, Tipton and Tecumseh attended the services.

Poppy Day Will Be Sat. May 25

SALE OF FLOWERS, MADE BY HAND, WILL AID DISABLED VETERANS AND FAMILIES

Poppy Day will be observed in Tecumseh and throughout the United States on Saturday, May 25, Mrs. Helen Mix, president of Underwood-Orr Unit of the American Legion Auxiliary, has announced. Extensive preparations are being made by the local unit under the direction of Mrs. Alta Thompson, Poppy Day chairman. Volunteer workers will be organized into teams and assigned to locations in the downtown area, Residence and factory areas will also be covered.

Poppies this year are made by disabled veterans of both World Wars and as they are made by hand, no two flowers are exactly alike. Some come from the hands of men hurt 28 years ago in the battles of the first World War. Others have been shaped by young veterans, injured in Europe or in the Pacific in the second conflict, who made poppies this year for the first time. Making the poppies benefits the veterans first by enabling them to earn money. Second, the work is valuable as occupational therapy, occupying their hands and minds.

No price will be asked for the poppies, and contributions received will be used for the benefit of disabled veterans and their families. "If we could know the stories of all those veterans they would make an epic of service and suffering for the security of America," Mrs. Thompson said.

House and Barn Near Clinton Razed By Fire

A two-story house on the Chas. Geiger farm northeast of Clinton and a large barn on the Pardee farm east of Clinton, last week were destroyed by fire of unknown origin.

Fire at the Geiger farm was discovered by a neighbor who saw the blaze on the roof. The Clinton fire department was called but the blaze fanned by the high wind, was out of control when they arrived. First floor furnishings were saved.

During the Geiger fire a call came from the Pardee farm occupied by Mr. and Mrs. Cland Creger where a large barn 36 x 80 feet was destroyed, also a hay loader, a quantity of hay and straw, and a brooder house and 500 chickens. The Clinton department sent one truck which returned to the Geiger fire when Tecumseh and Saline fire departments arrived. It is thought possible that sparks may have been carried from the Geiger fire by the heavy wind, causing the Pardee fire.

Both losses were covered by insurance.

Officers Are Elected By The Baptist Church

At the annual meeting of the Baptist church held in the church parlors last week, these officers were elected: Paul Sheldon and Herbert Hoag, deacons for three years; Charles Beland and Conrad Fosbender, junior deacons for one year; Mrs. Joe Springer and Mrs. Paul Sheldon, deaconesses for three years; Evelyn and Marlys Arnold, junior deaconesses for one year; N. C. McConnell and W. L. Zecker, trustees for three years; Miss Elizabeth Chase, church clerk; Mrs. E. H. VanVleet, financial secretary; E. H. VanVleet, treasurer; Mrs. Bertha Hoag, benevolent treasurer; Faye Van Valkenburg, Sunday school superintendent; Miss Dorothy Schumm, publicity chairman; Mrs. Phoebe Bryan, trustee for Myrtle Robinson fund for another year; Rev. and Mrs. B. O. Bashore and Mrs. Naomi Williamson, delegates to state Baptist convention in Grand Rapids, May 21-25.

It was voted to give Rev. Bashore a $300 car allowance for the coming year. Mr. and Mrs. Wm. Hazard were given a vote of thanks for their work with the choir and were also presented with a gift from the choir and the Happy Home Builders' class.

Potluck supper preceded the meeting.

POLITICS vs SENSE

A reader of the Chicago Journal of Commerce who is president of a milling company in a mid-western state recently made an interesting suggestion to the publication for getting to market whatever supplies of wheat are being held on the farms for higher prices.

"If the powers that be in Washington really want to get farmers to market the wheat they are supposed to be hoarding on the farms", the miller writes, "just let them announce that wheat ceilings will be reduced five cents per bushel on April 15 and an additional five cents per bushel on May 1.

"If there is any surplus of wheat on farms, it will come pouring into the hoppers so fast that it will quickly fill up the world feeding commitments made by our State Department."

"Our correspondent has something in his last sentence," comments the newspaper. "Political considerations still play a mighty part in decisions made at Washington, even though the United States fell more than 1,000,000 bushels behind in the first three months of this year in fulfilling commitments of wheat to the hunger areas."

And how right the Chicago paper is in its observations. And how surprised some congressmen may be after the next election.

Why Paint Your House

When Sidewall Shingles Are Available

Why worry about a paint shortage? Why worry about doing a job this year that will have to be repeated in three or four years—when you can apply sidewall shingles to your home and forget all of your worries for many years to come?

Sidewall shingles are now available in our yards, and they are being installed in dozens of homes in this area. Sidewalls, you know, streamline your home—make it warmer in winter, cooler in summer, because of the added insulation.

And contrary to many opinions, sidewalls are now inexpensive. They cost but little more than two coats of paint. Think of it! Compare! When you compare you'll understand that sidewalls are the answer to your paint problems.

Prielipp—Hartman

At the home of Mr. and Mrs. Walter Prielipp Saturday evening at 8 o'clock their daughter Wanda became the bride of Ray K. Hartman, son of Mrs. Ethel Hartman of Blissfield. The single ring ceremony was read by the Rev. William Weihlander before an improvised altar flanked with baskets of lilacs, iris and other spring flowers.

The bride wore a powder blue suit with white accessories and a corsage of white rosebuds. The bride's sister, Frances Prielipp, was her only attendant and wore a cerese dress with white accessories and wore a corsage of white daisies and lily of the valley. The bridegroom was attended by his brother Richard Hartman. Mrs. Prielipp, mother of the bride and Mrs. Hartman, mother of the groom each wore navy blue and corsages of gardenias.

After the ceremony a reception was held and refreshments were served to guests of the immediate families. A lovely 3-tiered wedding cake topped by the traditional bridal couple in miniature centered the lace covered table. The cake was a gift and made by Mrs. Forest Hardesty and Miss Gertrude Baker of Ridgeway Two lovely angel food cakes were made by the bridegroom's grandmother, Mrs. Irene Kendrick of Macon. Those who helped in serving were Miss Marie Bohlka of Ardian and Miss Dorothy Roberts of Blissfield.

Mr. and Mrs. Hartman left on a wedding trip to Northern Michigan and on their return will make their home in Blissfield. The bride has been employed at the Tecumseh Hospital for 5½ years. The bridegroom who had been in service the last 4 years in the Southwest Pacific with the 41st Division received his discharge last October and is now employed at the Co-ops at Blissfield.

Our dealers join us in making this frank report to

THE FARMERS OF AMERICA

INTERNATIONAL Harvester is getting back into production with all possible speed. Extra shifts are being employed wherever conditions permit, to try to overcome the production losses of the recent strike. Everything is being done to get parts and machines to you.

While we and our dealers would like to tell you that this means an immediate end to the shortage of service parts and machines, it is more accurate to say that it means the beginning of the end of it. If illness or bad weather delays you seriously in the Spring, you know how much it throws you off your schedule. The strike has thrown our schedules off balance, too. There are many "chores" we must do before your machines reach you.

Material shortages

The preliminary chores of getting our plants back into shape for full production are finished. But disturbances in other industries and resulting material shortages may affect our plans. Light gauge steel sheets, brass and copper, fractional horse power motors, and many other items are all very short. *The coal situation may also prove serious—we hope not.*

Refilling the well

Both our dealers and our branches have run dry on parts and new machines. So the biggest chore is to get their working stocks back to normal. It will take time to fill the pipeline to dealers—just as it takes time for you to refill a well or cistern after it has run dry.

Stock and display rooms of our dealers represent not one, but ten thousand reservoirs which must be refilled. The most heroic production efforts will mean that your local dealer can expect only a small number of parts and machines at a time. Since we must play fair with all our customers, there will be a sprinkle of parts and machines all over the country—not a downpour in any one section.

You will be glad to know that *all repair parts production schedules are far beyond normal.*

No hoarding

You may be sure that every machine will be shipped to dealers as soon as completed. *We do not and will not hold machines off the market.*

At the start of the strike we had on hand at all our factories and branches just 83 tractors of all kinds—less than two days' production—and 405 of these were not completed. Many of those on hand had one or more important parts missing—principally radiator cores. Most of the rest represented the normal daily "float" between the end of the assembly line and the shipping platform. Naturally no tractors were made during the strike.

What dealers may have for you

We can report to you that our current production on TRACTORS is good and we are shipping at a normal rate. Even so, there will not be enough to go around. The situation on PLOWS and DISK HARROWS is reasonably good. On COMBINES, MOWERS, HAY RAKES, ONE-MAN HAY BALERS, CORN PICKERS and many other items, our schedules have been seriously disrupted. We must in fairness say that many of our customers are likely to be disappointed on delivery of these machines. On MILKING MACHINES, STATIONARY ENGINES, and some other small units we are hopeful of making practically normal delivery.

We know you will understand the reasons why your dealer cannot fill your orders overnight. He would like to give you the kind of delivery on machines you would like to get, but his situation is a result of his own making. He is doing the best he can.

No cutting corners on quality

There is one thing you can be absolutely certain about: We *will NOT cut corners on quality in order to increase production in this emergency.* For years we have said: "QUALITY IS THE FOUNDATION OF OUR BUSINESS." Today we say it—and mean it—as much as ever.

We know you need new machines—and need them badly. But we believe it will pay you to wait just a little while longer if you cannot get all you want immediately. By waiting you can be sure your new equipment will have the quality so rightly associated with INTERNATIONAL HARVESTER for so many years.

There's Danger in Under-Insurance of Both Real and Personal Property
Would You Sell Your Property For It's Insured Value?
The average owner in this area today, is lulled into a sense of security by the fact that he has an insurance policy covering fire, theft or other losses.
He forgets that he established the amount of his insurance coverage back in 1940 or earlier and has failed to keep his insurance abreast of the steadily rising values and replacement costs.
Home owners should ask themselves this question: "Would I sell my home or belongings today for the amount of insurance I carry?"
Another way to visualize this danger of under-insurance is to consider the replacement costs in dollars and cents and not in percentages.
For example, a home that was worth $7,000 in 1939 is worth over $11,000 today in most cases. The 1939 insurance coverage no longer is adequate to do the job.
Don't delay increasing your coverage—tomorrow may be too late.

You Can Brag About Your Garden, too

If You Plant Pre-tested Seeds

Yes, you really can brag about the garden you plant—about how fast your corn grows, how tender your carrots are, how many peas there are in a pod, if your plant pre-tested seeds and give them the proper care.

Why gamble with your time, your labor, your next fall's food supply, by planting anything but seeds that have been tested by the grower? They cost no more than ordinary seeds—they do give you unlimited satisfaction.

We carry one of the largest seed stocks in Lenawee county. We have done so for years. And each year our repeat orders get larger.

When you need seeds, see us. We know you'll be very satisfied.

50th Wedding Anniversary

Mr. and Mrs. Orrel Harmon observed the 50th anniversary of their wedding on Sunday. Included with other guests fere their daughters Miss Ervinia Harmon of Lansing and Mrs. Jacey Leech and Mr. Leech and their two daughters, all of Kalamazoo.

The Macon Woman's Club

The May meeting of the Womans Club was held Thursday at the Schoolmaster-Pilbeam home. Numbers on the afternoon's program were furnished by guests of the club. A humorous reading entitled "Is Marriage a Failure" was given by Mrs. Mabel Kinletz of Clinton and a comical skit entitled "A Discussion of Psychology" was given by Mrs. Kinletz and Mrs. Harry Kellogg, also of Clinton. Preceding the program a co-operative dinner was served by the hostess, Mrs. host's parents Mr. and Mrs. Ray-Ronald Pilbeam and her committee, to a group of thirty members and their guests. Following the program a business session was held with the president, Mrs. Effie Gibson, in charge. Arrangements were completed for entertaining the Washtenaw County Federation of Woman's Clubs which is to held in the Macon Methodist church, Saturday, May 18, with the day's activities beginning at 10 o'clock a. m., and a co-operative dinner which will be served at one o'clock. There will be an out-of-town guest speaker. The day's pianist was Mrs. Helen Thomas. Mrs. Ralph Halladay conducted the devotions and Mrs. Wilma Briggs was the chairman of the program committee. The month's birthday anniversaries of Mrs. Ella Pennington, Mrs. Mae Morgan and Mrs. Claudyne Swick were remembered. Mrs. Mae Morgan, Mrs. Carl McClue and Mrs. Arlene Papp were appointed as a nominating committee for the election of officers at the June meeting.

Mr. and Mrs. Wade Scudder entertained with a chicken dinner Sunday honoring Mr. Scudder's grandmother, Mrs. Abbie Snauble, whose 88th birthday anniversary occurred the preceding day. The occasion was also in observance of Mother's Day remembering Mrs. Hazel Scudder the host's mother and Mrs. Ralph Walker, the hostess's mother. Seated at the dining table were the hostess's grandfather Mr. Claude West and the hostess's parents Mr. and Mrs. Ralph Walker, all of Dansville, the nor Scudder, Mr. and Mrs. Carroll Kuder, Fred Snauble, all of near Macon, and the host's honored grandmother. A special feature of the dinner was the birthday cake. Mrs. Snauble received cards and gifts.

Miss Gertrude Scudder returned Monday from a weekend and Sunday visit with Miss Idell Griffith in Detroit.

Mrs. Caroline Beal is ill in the home of her sster Mrs. Lena Sevrance in Adrian.

Mr. and Mrs. Carl Bartels and daughter are visiting relatives in Oklahoma City and Edmond, Oklahoma.

Mrs. Grace Bartels who has been visiting her son Carl Bartels and family is now visiting relatives in Pennsylvania.

Miss Clara Hendershot s slowly recovering from a very severe cold.

Mother's Day was remembered by the children of Mr. and Mrs. Burt Bruder. Their weekend and Sunday guests were Mr. and Mrs. Gerald Carey and family, Mr. and Mrs. Edward Furlong and Delmar Bruder, all of Ypsilanti. Additional guests on Sunday were Mr. and Mrs. H. F. Moore and sons of Macon.

No Two Other Words in the English Language Pack So Much Punch--Have a Greater Meaning

PLAY BALL!

No two other words in the English language pack more punch or carry a greater meaning.

They seem to be magic words—words understood by all ages and by folk in every walk of life.

We like the words "play ball" because they do pack such a punch; because they are so full of meaning. We like to think of them as the Golden Rule of our store, the yardstick by which we measure our service to our customers.

In other words we like to "play ball" with the folk who "play ball" with us. We believe that never before in the history of merchandise is it more important for merchant and customer to "play ball" together.

We like to "play ball" on prices. We like to keep our prices as low as existing markets will permit.

We like to "play ball" on distribution. Sometimes we are forced to limit quantities, but we do this only to make our stock serve the greatest number.

We like to "play ball" on service. We like to treat everybody the same—everybody who comes into our store. It matters not to us whether they are "old" customers or not, they are "our customers" when they enter our store.

If you'd like to "play ball" with us, now that you know the rules under which we play the game, we'd like to play with you. If you are not now one of our customers, feel free to come in and ask for what you want. If we have it, you'll get it. Everything we have is for sale to our customers.

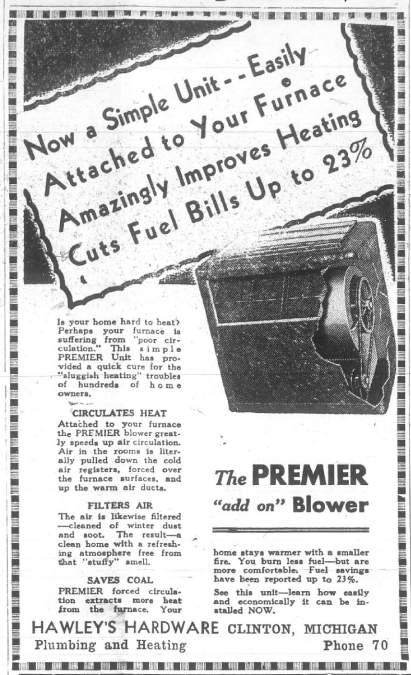
LIFE INSURANCE IS A SAVINGS, NOT AN EXPENSE



Is your home hard to heat? Perhaps your furnace is suffering from "poor circulation." This simple PREMIER Unit has provided a quick cure for the "sluggish heating" troubles of hundreds of home owners.

CIRCULATES HEAT
Attached to your furnace the PREMIER blower greatly speeds up air circulation. Air in the rooms is literally pulled down the cold air registers, forced over the furnace surfaces, and up the warm air ducts.

FILTERS AIR
The air is likewise filtered—cleaned of winter dust and soot. The result—a clean home with a refreshing atmosphere free from that "stuffy" smell.

SAVES COAL
PREMIER forced circulation extracts more heat from the furnace. Your home stays warmer with a smaller fire. You burn less fuel—but are more comfortable. Fuel savings have been reported up to 23%.

The PREMIER "add on" Blower

See this unit—learn how easily and economically it can be installed NOW.

Hayden Mills Out of Flour

FLOUR FOR DOMESTIC CONSUMPTION NOT AVAILABLE FOR ABOUT FIVE WEEKS

The Hayden Flour Mills, Inc., have scraped the bottom of the bin for flour and Tuesday afternoon Perry M. Hayden, president, announced that his mill was "out of flour for domestic consumption," and that it would be at least five weeks before any flour would be offered to the local trade.

"Many folk do not realize the seriousness of the situation as it exists today," Mr. Hayden said. "We are without 'free' wheat—wheat that the government does not own—and we have nothing more to mill into flour. Our mill is running 24-hours a day, but we are making flour for the government, to be shipped to war-starved Europe and Asia.

"It will be June 20 before any of the 'free' wheat again comes to the mill. Then we will be making flour for local consumption, but we then are limited to 75 per cent of our quota in the same period of 1945. Because our exports in 1945 were heavy, actually only about 20 per cent of the flour we mill next month will be for domestic sales, and none of that will be available until after June 20."

Hayden said that by the forepart of June, 94 per cent of the mills in the nation will be closed, insofar as flour making for the U. S. is concerned.

"The government is determined to feed these starving nations, and the only way that we can do it is to deny ourselves of the grain. We are grinding wheat for the government because we feel that it is our duty, too, we feel that we are aiding farmers in this area at the same time because all of the millfeeds from the government wheat is left here for sale to farmers. There is a terrific demand for this livestock feed, and unless we ground the government wheat we would be unable to furnish farmers with any stock feed."

Hayden said that he did not believe the shortage of flour here would be felt too severely. He is of the opinion that there has been considerable hoarding of flour over the past few months.

New Infant Incubator Purchased For Hospital

Tecumseh Hospital Auxiliary has purchased a new Gordon Armstrong infant incubator which has been received at Tecumseh hospital to replace one loaned from the Michigan Department of Health.

Because the hospital has cared for so many premature babies the past few years the state department loaned the new type incubator in which oxygen can be safely used. It has been in use almost constantly for two years and has been most satisfactory.

The new incubator purchased by the auxiliary may be seen at the nursery window in the hospital.

2 CARS, MOTORCYCLE INVOLVED IN MISHAP

Two automobiles and a motorcycle and five or six persons were involved in a peculiar accident on M-50, about 1 o'clock Tuesday morning, near the MCoil farm. A motorcycle ridden by Rex Snellenberger and Carl Schwab had broken down and the men were attempting to make repairs. A passing motorist, noticing the trouble, halted his car so that the lights would aid in the repair. A third car, operated by Franklin Shea and in which Mary Shea and Ann Rogers were passengers, struck the parked car.

Snellenberger was taken to Tecumseh hospital by a motorist, suffering from cuts and bruises. He was released Tuesday. Franklin Shea and Schwab were taken to the hospital in an ambulance for treatment and released. Others in the accident were said not to have been seriously hurt.

HURT BY TRACTOR

Addison Merriweather, 48, who operates a farm on the North Adrian Road south and west of Clinton, suffered painful injuries to his left leg about noon, Tuesday, when the tractor he was driving while plowing, overturned. One wheel passed over his leg, but it was not broken. He was removed to Tecumseh Hospital in an ambulance.

TUESDAY PAPER

Because Decoration Day this year falls on Thursday, The Herald will follow its usual custom and publish next week on Tuesday. News and advertisements MUST be in The Herald office not later than noon on Monday. Thursday publication, as usual, will be resumed the following week.

Mr. and Mrs. Lewis Coller Wed Forty-nine Years

Mr. and Mrs. Lewis W. Coller of Macon celebrated their 49th wedding anniversary Monday evening in their home.

Twenty-five relatives and friends brought potluck supper in honor of this occasion and Mr. Coller's birthday which is on the same date. Their children, grandchildren, and only great grandchild were present except one grandchild, Earl Bilby, who was ill.

The honored couple was presented with a gift from the group.

Federation Is Guest at Macon

MACON WOMEN'S CLUB IS HOST AT MEETING AND PROGRAM ON SATURDAY

The annual meeting of the Washtenaw County Federation of Women's Clubs was held at the Macon Methodist church, Saturday, May 18, with the Macon Women's Club as hostess club. Mrs. Laurel Bailey was registrar and Mrs. Wm. Gibson president of the Macon club and Mrs. Blanche Travis welcomed the guests. Mrs. Geo. Nichols of Manchester presided at the business session.

Dr. Engelke of the Washtenaw County Health Unit, addressed the Federation on "Milk Problems" at the morning session and answered questions from the audience. At 12:30 potluck luncheon was served by the church dining room by a committee from the Macon club under the direction of Mrs. Carl McClue. While still seated, Mrs. Clarence Starkweather of Ypsilanti, federation secretary, called roll of club presidents, who responded with reports of their club activities for the year.

At the afternoon session, the following program was presented with Mrs. Clayton Bigelow as chairman; vocal numbers by a group of Britton high school girls directed by Mrs. Belva Weichner and accompanied by Mrs. Geo. Beal; an address "Education for Reconversion" by Don Currie, superintendent of Macon Twp. schools and piano duets by Mrs. Bessie Collins and Mrs. Merritt Martin of Saline.

Among the officers elected for the coming year, Mrs. Mills Swick of Macon was chosen treasurer.

Four Cadet Nurses at Graduation In Detroit

Four senior cadet nurses from Grace Hospital, Detroit, who are now receiving a three months' period of experience at Tecumseh hospital, attended their graduation exercises at Masonic Temple in Detroit, Thursday evening, May 16. A reception was held at Grace Hospital nurses' residence following the exercises.

Those from Tecumseh hospital who graduated were Miss Diane Holtland of Detroit, Miss Margaret Welch of Romeo, Miss Elsie Briscoe of Trenton and Miss Dorothy Roberts of Elkton.

TELLS OF CRIMINAL WORK IN THE ARMY

Marvin Krans, a member of the Michigan State Police attached to the Clinton post, and who, during the war, was a member of the Army's criminal investigation department, spoke interestingly when he addressed the Tecumseh Rotary Club, Tuesday evening at Brees House. He was the guest of C. A. Barber.

Mr. Krans told of his work while in the European theater and declared [illegible] was ably represented by many American magazines and newspapers. The average GI, he said, was a swell fellow, who did nothing away from home that he would not have done at home.

Lt. John Thompson and Max Brandt were guests at the meeting.

RECRUITING SERVICE OFFERED TO TECUMSEH

Corp. W. J. Allan, formerly with the 63rd Infantry Division, now of the U. S. Army Recruiting Service, will be at the post office in Tecumseh every Monday from 10 a.m. till 12 noon for recruiting purposes.

Those enlisting before June 30 are eligible for dependency allotments and those enlisting before October 6 will be eligible under the GI bill of rights for education and other projects.

BEASLEY—TESKE

Miss Helen Teske, daughter of Mr. and Mrs. Otto Teske, of Tecumseh, and Roy Beasley, son of Mr. and Mrs. Leon Beasley of Monroe, were married Friday afternoon at the parsonage of Grace Lutheran church by the Rev. J. A. de Rutter. They were attended by Mr. and Mrs. Richard Beasley.

They will make their home here.

School Honors Its War Dead

MEMORIAL SERVICE HONORING NINE HIGH SCHOOL GRADS HELD, WEDNESDAY

Nine graduates of Tecumseh high school who lost their lives during World War II were honored at a memorial service, held yesterday at the high school.

The program opened with the band playing the "Star Spangled Banner" and the students then pledged allegiance to the flag. The invocation was by the Rev. Edward Escolme of the Friends church and the band played "Onward Christian Soldiers."

The address was made by Wm. L. Berkhof, superintendent of schools, and the school chorus sang the "Battle Hymn of the Republic."

Roll call of the former graduates who made the supreme sacrifice was by Mrs. Ayesha Laidlaw and as this was done a group of girls placed roses in a bowl in their memory. The assisting girls were Elizabeth Escolme, Nadine Covell, Lucille Murdoch, Joan Church, Mary Horak, Dorothy Higgins, Lenore Mohr, Barbara Humble and Janet Galloway.

Marda Jean Duncan then dedicated the senior class annual to the memory of the departed graduates and taps were sounded by David Lott and Gerald VanValkenburg.

These graduates of the school made the supreme sacrifice: Edward Brazee, class of 1934; Orville Gove, class of 1931; Jack Hammel, class of 1939; Nelson Hoekstra, class of 1939; James O'Neil, class of 1942; Gale Taylor, class of 1943; Lester Wahl, class of 1938; Donald White, class of 1937; Charles Wilson, class of 1933.

Next of kin of all of the war victims were invited to attend the service.

Mrs. Luella Everett, 68, Dies at Home of Sister

Mrs. Luella Everett, aged 68 years, wife of Edward Everett, died Thursday evening at the home of her sister, Mrs. Alta Lidke on North Democrat street, after a long illness. She had been moved from her home on East Kilbuck street to the home of her sister several weeks ago. Mrs. Everett was a member of the Methodist church, also of the Pythian Sisters, the Lady Eagles Auxiliary and the Maccabees and was active in all until her illness. She was born in Franklin township, April 15, 1878, and was a daughter of Mr. and Mrs. Wm. H. Powell, and had spent her entire life in this community.

Survivors are the husband, the parents, the sister and a brother-in-law Arthur Everett, all of Tecumseh.

Funeral services were held Monday afternoon at the Green Funeral Home. Dr. Norman MacNaughton officiated and burial was in Brookside cemetery. Bearers were Alfred Beckman, Duncan Oliphant, Lynn Hubbard, Ed Lowry, Bert Folk and Ray Waters. Relatives and friends from Defiance, O., Eaton Rapids, Edwardsburg, Adrian, Jackson, Milan, Ann Arbor, Clinton, Macon, Tipton and Onsted attended the service and members of the Pythian Sisters and Lady Eagles attended in a body.

LYSTER LEAGUE TO AID St. PETER'S ALTAR FUND

The Lyster League met last Wednesday evening at the home of Mrs. Wallace Rutherford when it was voted to give money to the Altar Guild toward the purchase of new altar hangings. The league has purchased new dishes for the church. The canned food drive is in charge of Mrs. Rutherford and Mrs. Beth Ripley who may be called by anyone having food to donate for European countries.

The next meeting will be held June 12 when a picnic supper will be held at the parish house with members of the Presbyterian Westminster League as guests. Mrs. W. A. Wright and Mrs. Clyde Mitchell will have charge of the program.

WELCOME CLASS

The Welcome class of the Friends church met Thursday evening with Mrs. James Harsh for a potluck supper, business meeting and a social hour. Fifteen members attended.

HEADS BOWLING ASSN.

Paul Breitenwischer of Tecumseh was elected president of the Adrian Bowling Association at the annual meeting, held Thursday evening.

Word has been received here of the death of Frank J. Lewis, which occurred recently in Riverside, Calif. Mr. Lewis formerly resided in Tecumseh and was manager of Prairie Side Celery Farm.

Richard Pearson Wins University Scholarship

Richard Pearson, son of Mr. and Mrs. Neil Pearson, and a member of this year's graduating class of Tecumseh high school, has been awarded the 1946 Regents-Alumni Scholarship for Tecumseh by the University of Michigan. Richard received the announcement of the award Monday from Clark Tibbets, the University's administrator of the scholarship program. It is one of the highest the University confers on graduates of Michigan high schools.

Richard who stands third in his class received the award for his academic record in high school, and it may be renewed for the sophomore, junior and senior years if his academic record in Ann Arbor is satisfactory. The award last year was won by Miss Winona Waldron of Tecumseh.

Tecumseh Wins 10 th. Straight

INDIAN BASEBALL TEAM SHOOTING FOR NO-DEFEAT CHAMPIONSHIP OF LEAGUE

A win from Hudson high school here Monday afternoon for their tenth straight victory in the local baseball schedule, the Tecumseh high school Indians are now hoping for a victory over Morenci on Friday to make their league championship a no-defeat affair. Not since 1921 has the local school held such an honor.

Tommy Judd pitched the game on Monday and held Hudson to four hits, one run and made no errors. Duane Murphy was behind the plate, catching for Ben Hammack, who has been ill for a couple of weeks.

Poley was the star of the game, making two runs at two times at bat and Hayden scored two runs at four times at bat.

In the game tomorrow at Morenci, Coach Fred Raizk is expected to pitch Spreeman, a left-hander, and Murphy will again be behind the plate.

If Tecumseh succeeds in defeating Morenci they will have won eleven straight games in a row, and will have gone through the season undefeated.

"We've got a great ball club," Coach Raizk said. "The boys are really working and I just hope that we can play the same brand of ball tomorrow that we have throughout the season."

Mother and Daughter Breakfast Is Popular

A large group attended the Mother and Daughter breakfast, held Saturday morning at the Baptist church. Mrs. Howard Matthews was in charge of the menu and Mrs. James Clymer and Mrs. Lyle Grigg were in charge of the program following breakfast.

Mrs. Llewellyn Sisson was toastmistress and the program included; "Welcome" by Linda Sisson; "Tribute to Mothers," Mrs. Paul Sheldon; vocal solo by Mrs. Murray Day; recitation by Norma Bilby; piano duet by Marlys and Evelyn Arnold; "Tribute to Daughters," Mrs. Norman McConnell; vocal duet by Mrs. Clymer and Mrs. Day.

Mrs. Carl Kempf presented plants to Mrs. Sybil McConnell, the youngest mother; to Mrs. B. J. Roberts the oldest mother and to Mrs. Jenny Bird, with four daughters present.

SURPRISE SHOWER

The World Wide Guild and True Blue class of the Baptist Sunday school met Thursday evening at the home of Dorothy Schumm, when in place of the usual program, a surprise bridal shower was held for Kathleen Powell. PROGRESSIVE PARTY

The Baptist Youth Fellowship is planning for a progressive party for next Sunday evening, the group to meet at the church at 5:30 p.m.

Albert Schumm was leader of this week's meeting and his topic was "How to Live." Rev. B. O. Bashore assisted with the devotions.

Farm Bureau Opposes Tax on Farm Machinery

The May meeting of the Tipton Community Farm Bureau was held at the home of Mr. and Mrs. Herman Titley.

The group went on record as opposing a sales tax on farm machinery and equipment on the grounds that sales tax on items used in processing a finished product is equivalent to double taxation. Fruit products and Farm Bureau canners were discussed and Ivan Hunt reported on his visit to the opening of the Kalamazoo Branch store of Farm Bureau Services on May 11.

The June meeting will be held at the home of Mr. and Mrs. John Keeney.

Poppies Go On Sale Saturday

WILL BE TRIBUTE TO THE WAR DEAD, HELP TO AID WAR'S LIVING VICTIMS

Saturday will be Poppy Day in Tecumseh and in thousands of other cities and towns throughout the United States. Millions of Americans will pay tribute to the nation's war dead by wearing memorial poppies thereby making contributions to aid war's living victims, and disabled veterans, and the families of the dead and disabled.

Preparations for the observance of Poppy Day here have been completed under the leadership of Mrs. Carl Thompson, Poppy Chairman of Underwood-Orr Unit of the American Legion Auxiliary. Volunteers from the Auxiliary will be on the streets early Saturday morning with baskets of poppies which they will offer to be be worn in honor of the dead of both world wars. They will continue to distribute the little red flowers throughout the day, endeavoring to give everyone in the city an opportunity to wear a poppy in memory of those who gave their lives for America.

No price will be asked for the poppies, but contributions will be solicited for the welfare and rehabilitation funds of the Legion and Auxiliary. All money received will be used for the benefit of disabled veterans and families of veterans. It will be expended largely in aid to needy veterans and families in Tecumseh during the coming year.

The local pappy workers will be part of an army of more than 100,000 volunteers which will distribute poppies in the United States tomorrow. All will donate their services for the day without pay. The only paid workers in the poppy program are the disabled veterans who make the flowers. The poppies to be distributed here tomorrow have been made by disabled veterans of both wars at Veterans Hospital in Battle Creek.

LADIES' AID MEEETS

Mrs. James C. Murdoch, Mrs. Lawrence Price and Mrs. Virgil Tucker were hostesses for the Presbyterian Ladies' Aid, meeting held last Wednesday at the manse. Mrs. W. J. Penman conducted devotions and new programs were distributed.

A Mothers' Day program was presented under the direction of Mrs. Robert Gillespie and included readings by Mrs. John Lott and Mrs. Margaret Kidman and a playlet by several members. Refreshments were served.

PAST CHIEFS ENTERTAINED

The Pythian Past Chiefs Club was entertained Monday evening in the home of Mrs. Alfred Beckman with Mrs. B. E. Brees assisting. A business meeting was followed by games with prizes won by Mrs. Rose Schreder, Mrs. Guy Belding, Mrs. Lynn Harris and Mrs. Ervie Raymond.

The June meeting will be held in the home of Mrs. Schreder with Mrs. Myrtle Broiller assisting.

R. N. A. TO MEET

The Royal Neighbors will meet Monday evening, May 27 in the I.O.O.F. hall with potluck supper at 6:30 preceding the meeting.

Members will meet at the Odd Fellow hall Sunday morning at 9 o'clock to decorate graves of deceased members.

CALVIN CLUB MEETS TONIGHT

The Calvin Club will meet tonight at 6:30 in the Presbyterian church parlors for a family fellowship potluck supper. Members are to bring food low in wheat products to help conserve wheat for starving fillions abroad. The men will have charge of the supper and program.

TO BUY NEW CHAIRS

The Methodist Guild has voted to buy a table and new chairs for the beginners department of the Sunday school at the church. Members of the Guild met Tuesday evening with Mrs. Edward Beal to sew for children in the Philippines.

Tecumseh Will Honor War Dead

PARADE AND PROGRAM HERE NEXT THURSDAY WILL MARK MEMORIAL DAY

Tecumseh will pay an appropriate tribute to all of its war dead next Thursday, Memorial Day, with a parade through the business and residential districts and a program in Brookside Cemetery. Captain Lawrence Leaver of Ann Arbor, a member of the United States Navy, will be the speaker and the prayer, preceding the program, will be offered by the Rev. Allan Ramsay, rector of St. Peter's Episcopal church.

The parade will start to form on Ottawa street, just north of Chicago boulevard, at 9:15, Louis Schneider, marshal of the day, has announced. It will move promptly at 10 o'clock westward on the boulevard to Union street, halt briefly at Evans Creek while a wreath is placed upon the water in memory of fallen naval heroes, and then continue to the cemetery where the program will take place. During the service, a plane will fly overhead and drop flowers on the graves and taps will be sounded and there will be a volley by a firing squad. Loud speakers will carry the program to the crowds.

In the parade will be the colors, a car for Civil War veterans and flag and flowers, the speaker's car, firing squad, ministers' car, Spanish American war veterans, colors and guard, high school band, American Legion, colors and guard, firing squad, a car with wreaths, Auxiliary, Spanish American war, mounted delegation, Legion Auxiliary, Boy and Girl Scouts, flower truck, cars and marchers.

Several mounted riders will take part in the parade, Mr. Schneider said, and he requested that all persons who intend to ride horses, assemble with their mounts about 9 o'clock, Thursday, at Monument Park.

In Tecumseh, the day will be observed as a holiday, stores and most business being closed.

Operate School In Brownville

BERKHOF SAYS HE EXPECTS SCHOOL THERE WILL BE TURNED OVER BY FORD

The Tecumseh School District has been given Edison Institute assurance that the Ford-Brownville school will be turned over to Tecumseh for continued operation in the fall, W. L. Berkhof, superintendent, said today. Mr. Berkhof said that he was given this assurance by Paul Jones, director of the Institute, who also urged that this district continue the operation of Green Lane Academy, a pre-age school for children, just southeast of here.

"Formal transfer of the property has not yet been made," Berkhof said, "and neither has the board made up its mind on the Green Lane proposal. However, it might be possible for the district to operate the Academy, in view of crowded conditions in local buildings."

The board, in meeting this week, delayed plans for a proposed enlargement of the West Branch building, pending a decision on the Ford proposal. What type of school will be operated in Brownville, Berkhof said, will depend upon further study.

The board also approved the establishment of a Veterans' Institute in Tecumseh, to be operated in connection with on-the-job and veterans' training programs.

Mrs. Mildred Russell was employed to take the school census at a cost of $60. Mr. Berkhof was given a new one-year contract as superintendent at a salary of $4,400.

BOX SOCIAL PLANNED BY WANDERERS CLUB

The Wanderers Club, local branch of the Nomads, were guests Friday evening of The Tiger Club, local branch of the D.O.K.K., in the K. of P. hall. Luther Wood presided at the business session and a box social was planned for the evening of May 28, with all members of the Knights of Pythias and the Pythian Sisters of the Southeastern Area invited.

The D.O.K.K. will entertain the Nomads at dinner June 14 to climax a membership contest.

A ceremonial meeting will be held in Detroit, May 25.

"to have and to hold"

THE reason for so many parallels of this nature as used in the English language, dates back to the year 1200, when the French speaking Norman conquerors recognized that, in order to enforce the law one must first know English. Thus in making themselves more fully understood, they developed a certain bilingual situation which explains the large number of word pairings in our common law today.

SOWING THE SEEDS

No one knows when he demoralization caused by the present situation in the United States as the result of the disrespect for most laws, will end. Money losses to workmen caused by strikes is incalculable, but they are the least of plenty we are paying for the inability of American citizens to settle their grievances without industrial warfare.

The goal of this labor movement seems to be unbridled power. It is already a monopoly that can strangle a nation at will and defy the awards of duly appointed arbitrators. Unless people awaken and deal with his monopoly, the same as they have with industrial monopolies, and make them respect laws and courts, we will in a short time find ourselves under as ruthless dictatorship as did the German people.

In the publicly-expressed opinion of the late President Roosevelt, as well as President Truman, if workers can strike against government, there in no government.

To Keep Well
Doctors Seldom
Prescribe for Themselves

Yes, strange as it may seem, a doctor seldom prescribes for himself. He consults another doctor, for he knows that one should not leave matters of health to one's own judgment.

Why, then, should you prescribe for yourself when you feel badly? It's quite all right, of course, to take the usual home remedies but if the illness continues, don't neglect it.

See your doctor. He has spent years in training, given hundreds of hours of his time and experience, that you might keep well.

Your doctor is the man to consult when you feel "off key."

Would You Sell Your Home For It's Insured Value?

After you read this advertisement, check over your insurance policies and then ask yourself this question: "Could I afford to sell my home and it's contents for the amount of the insurance I have on it?"

What loss, then, would you be suffering if fire should destroy it? How much of YOUR money would you have to add to your insurance payment to rebuild it and refurnish it?

If your insurance would not give you complete protection, then you are UNDER-INSURED. See us at once for COMPLETE COVERAGE.

CURTAINS!
CURTAINS!

This is the time of year to replace those worn out window curtains or to select new ones for that recently completed home. Dress up your windows while you are in the midst of housecleaning activities and applying finishing touches to other parts of your home.

The Rosacrans Store is now in a position to display the largest stock of fine curtains available since pre-war times. Tailored panels in cotton or fine rayon marquisettes, plain or fancy figured laces, Brussels net, and dotted Swiss materials in widths of 32 in. to 48 in. and from 72 in. to 90 in. long—from $4.00 pr.

Ruffled priscillas in the same materials and dimensions in shades of white, egg shell, ecru, or pink and white dotted Swiss.—flowing priscillas, the favorite of so many for criss-cross styling with tie-backs to match—from $4.50 pr.

Cottage Sets in an array of summer color combinations and patterns, both matching and contrasting sashes, to lend that desired dash of color to your kitchen or pantry—from $3.25 pr.

Bathroom shower and window curtains in matching shades of green, rose, maize, peach and white. These perfectly styled ensembles have been produced in the finest plastic fabric obtainable with a view to resist normal wear and assure long life.

Window Shades

Another hard-to-get item—window shades—we have the genuine Columbia Mills shade in widths of 36 in., 42 in., 48 in. and 54 in. and lengths of 6 ft. to 8 ft.—colors—strained honey or canton jade—from 89c. We'll trim them to meet your requirements, too.

You Don't Need to Worry If You Have Your Own Garden!

There's genuine satisfaction in a garden of your own—a place where you can go and get fresh vegetables in season. And this year, with most everything "short," there'll be more satisfaction.

We'd like to give you a word of advice about planting your garden. Sow only pre-tested seeds—the kind of seeds that have been tested by the producer; seeds that are certain to grow and produce a bumper crop.

That is the kind of seed that we sell. We have all varieties in quantity. So, when you need seeds for your garden, call on us for service.

AUTO INSURERS SAFETY ASSOCIATION

Why There Is No Flour!!!!!!

Because so many of our friends do not understand just why there is no flour either at our mill or in the stores, we want to make this public explanation:

1—UNCLE SAM HAS DIRECTED that no flour mill shall grind in any one month for "domestic" use more than 75% of the amount of "domestic" flour ground in the corresponding month of last year. Because our mill and many other mills in 1945 turned over a large proportion of our capacity to sell flour to the government (which was for feeding our boys in the armed services in the far corners of the world) we did not produce for "domestic" use in 1945 only about 50% of our normal grind. When this is reduced by another 25%, it means that IF WE HAD FREE WHEAT TO GRIND, we would only be able to grind 37½% of our last year's domestic grind.

2—BUT SINCE UNCLE SAM HAS BOUGHT ALL OF THE WHEAT, SOLD IN THE PAST FEW WEEKS at 30c per bushel bonus over the regular ceiling price, and since this wheat is all for export—there just is no "free" wheat to grind. As a result, the only alternative for a mill who wants to keep their employees at work and to get millfeed for local feeding, is to grind some of this "bonus" wheat and ship it out as flour. That is what we have done. We have been operating as a receiving warehouse for the Commodity Credit Corporation for the past few weeks. Now at least until June 20, we will be grinding this wheat for export shipment. In other words, we positively will not have a pound of local flour for about 5 weeks. We trust that our friends will be patient. We still have a nice supply of potatoes, that make good cooking, we can supply our stores with Quaker Macaroni and Spaghetti, and Purina Rolled Oats. Personally some of us do not regard this going without flour as too much of a hardship, when we realize that our sacrificing in Tecumseh may be and actually is, saving lives in the famine areas of Europe and Asia.

Your patience will be deeply appreciated.

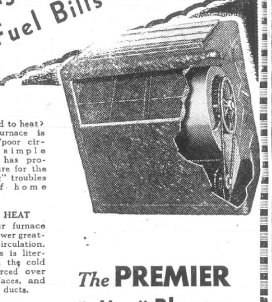
Now a Simple Unit - - Easily Attached to Your Furnace Amazingly Improves Heating Cuts Fuel Bills Up to 23%



Is your home hard to heat? Perhaps your furnace is suffering from "poor circulation." This simple PREMIER Unit has provided a quick cure for the "sluggish heating" troubles of hundreds of home owners.

CIRCULATES HEAT

Attached to your furnace the PREMIER blower greatly speeds up air circulation. Air in the rooms is literally pulled down the cold air registers, forced over the furnace surfaces, and up the warm air ducts.

FILTERS AIR

The air is likewise filtered —cleaned of winter dust and soot. The result—a clean home with a refreshing atmosphere free from that "stuffy" smell.

SAVES COAL

PREMIER forced circulation extracts more heat from the furnace. Your home stays warmer with a smaller fire. You burn less fuel—but are more comfortable. Fuel savings have been reported up to 23%.

See this unit—learn how easily and economically it can be installed NOW.

Do you know the answers?

A QUIZ BASED ON THE ANNUAL REPORT JUST ISSUED BY THE STANDARD OIL COMPANY (INDIANA)

Most of you may know little about us except that nearly everywhere you ordinarily drive your car you can roll up to a Standard Oil pump and say "Fill 'er up!" But, because what we do affects your life in so many other ways, we'd like to take you behind the scenes to see some of the things we've been doing of late. We think it might prove more interesting to do it in the form of a quiz—which won't be any great brain-twister, as the answers are directly below the questions.

1. In how much of the United States does Standard Oil (Indiana) operate?

Like most of the rest of you, Mr. & Mrs. Mid-America, we were "born and raised" in these north central states. From them we have spread out either directly or through subsidiary companies until now we market in 40 of the 48 states. We market in 15 of these states under the Standard Oil name.

2. How does Standard of Indiana compare in size with other oil companies?

There are larger oil companies and smaller ones, but it's generally known, of course, that ours is one of the largest. To bring you high grade petroleum products, wherever and whenever you want them, takes almost limitless facilities and equipment, and the skill and experience of many people. America needs big business as well as small, so long as competition is fair. We think ours has been fair. It must have been, for there are many more small competing companies in our territory, doing very nicely, than there were earlier in our history.

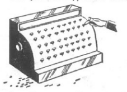
3. Just how large is Standard of Indiana's business?

In terms of crude oil and refined products sold in 1945, it totaled 215,000,000 barrels. Transportation of this made a lot of business for pipe line men, railway men and truckers. And it provided the stock in trade for 27,765 small businessmen, the independent operators of service stations handling our products. Similarly, our payments, in connection with crude oil produced and purchased, were a source of income to thousands of land owners and independent oil producers.

4. Is Standard of Indiana active in the discovery of new oil fields?

Our search is never-ending. We have drilled wells in 19 different states. Last year, our drilling was carried on in such varied places as West Texas, the Gulf Coast, and Northwest Colorado. To those distant areas, we also extended our pipe lines to bring the crude oil to our refineries. Such operations are necessary if we are to continue to deliver gasoline in Sault Ste. Marie, Kokomo, and thousands of other towns and cities. If we hadn't operated on a big, efficient, and economical scale, you wouldn't have been able to buy that gallon of gasoline for about the price of a pack of cigarettes.

5. What was the income of Standard Oil (Indiana), and what was done with it?



In 1945, we received for crude oil, products, etc., $627,626,612. Out of each dollar, the owners of the business—the stockholders—received only 3.7 cents. It took 57 cents of each Standard Oil (Indiana) dollar to pay for materials, transportation, and operating costs; 19.2 cents were paid to employees (including employee benefits); 15.5 cents went for taxes, depreciation and other costs; and 4.4 cents were retained for development of the business.

6. Why was more money retained in the business than was paid out in dividends?

Because we must spend about $150,000,000, this year if possible, to make improvements we couldn't make during the war and to build new equipment needed to keep pace with technological progress. Such expenditures give the public better products and service, support the jobs of employees, and make investments in our business more secure.

7. How many people own Standard Oil (Indiana)?

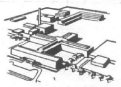
97,166 stockholders own our $819,659,938 of net assets. No individual among them owns as much as 1 per cent of the stock. The largest stockholder is not a person, but an institution for the public welfare, and it owns between 4 and 5 per cent. Among the stockholders are 684 charities, churches, educational institutions, etc.; 10,296 other corporations, insurance companies, protective organizations, etc.; and 39,631 women.

8. How many people are in the employ of Standard Oil (Indiana) and how do they get along together?

There are 36,332 men and women employed in the various departments and subsidiaries of the company. Long-established plans for vacations with pay, sickness and disability compensation, and old-age retirement have helped stabilize our relations with employees.

We have striven for and believe we have achieved good relations and mutual understanding with our employees, both non-union and union. We have entered into contracts with 108 separate union organizations.

9. What is Standard of Indiana doing in research?



Our research expenditures last year were $3,700,000. New research laboratories, now under construction near the refinery at Whiting, Indiana, will enable us to double our present research staff there to number some 420 scientists and 800 assistants and technicians. The primary aim of this research is to give you constantly more and better products; however, our researchers will follow up their more promising discoveries wherever they may lead.

10. And what makes "the wheels go 'round"?

We continue in business to make money. The stockholders, who invest their savings in our tools and equipment, are entitled to a reasonable return. So are the employees, who do the work. We make money for many of you when we supply you energy-packed products for profitable use at little cost. The hope of profit has resulted in the production in America of more of the good things of life—for more people—than any other nation has produced at any time in history.

Our hope of benefit, for all concerned, causes us to seek new ways to serve you, to build new research laboratories, to improve our properties in your communities, and to keep in mind always that we must treat you—our customers—the way you want to be treated.

There's Danger in Under-Insurance of Both Real and Personal Property

Would You Sell Your Property For It's Insured Value?

The average owner in this area today, is lulled into a sense of security by the fact that he has an insurance policy covering fire, theft or other losses.

He forgets that he established the amount of his insurance coverage back in 1940 or earlier and has failed to keep his insurance abreast of the steadily rising values and replacement costs.

Home owners should ask themselves this question: "Would I sell my home or belongings today for the amount of insurance I carry?"

Another way to visualize this danger of under-insurance is to consider the replacement costs in dollars and cents and not in percentages.

For example, a home that was worth $7,000 in 1939 is worth over $11,000 today in most cases. The 1939 insurance coverage no longer is adequate to do the job.

Don't delay increasing your coverage—tomorrow may be too late.

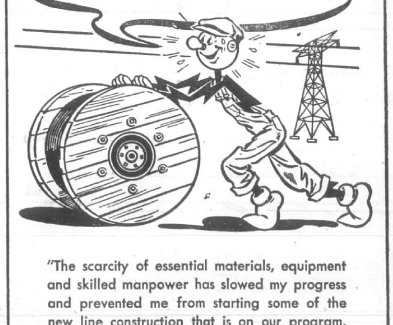
"We're Building Rural Lines Again... BUT IT'S STILL TOUGH GOING"



"The scarcity of essential materials, equipment and skilled manpower has slowed my progress and prevented me from starting some of the new line construction that is on our program.

"If you happen to be one of the hundreds of farmers who have applied for service and are wondering what is being done about it, the facts I have mentioned here will, I'm sure, answer your question. You can be sure of one thing, I'll do everything possible to speed the line to you, but with conditions as they are, it will still take quite a while to build all the lines that we plan to build.

"I want to thank you for the patience you have shown and assure you that I'll get to your farm just as soon as possible. I'm serving more than 80,000 Michigan farms already, and I expect to get about 9,000 more this year."

THE TECUMSEH HERALD

NINETY-SIXTH YEAR—NUMBER TWENTY-SEVEN | TECUMSEH, MICHIGAN, TUESDAY, MAY 28, 1946 | FIVE CENTS PER COPY

Memorial Day Plans Complete

PARADE IN MORNING TO MOVE AT 10 O'CLOCK; CAPT. LEEVER TO SPEAK

Captain Lawrence Leever of Ann Arbor, recently discharged from the United States Navy, will deliver the Memorial Day address at Brookside Cemetery here on Thursday, Louis Schneider, marshal of the day, has announced.

Capt. Leever served as the beachmaster at Normandy and Okinawa, and has received a citation from the Secretary of the Navy for his services. He wears the Silver Star medal, the Croix de Guerre with a silver star, the Croix de Gurre with a palm leaf, the Army's distinguished service medal of World War I, and the Distinguished Service Medal with a star. He has been a member of the Navy Reserve since 1917, is a member of the American Legion, Veterans of Foreign Wars and the Disabled American Veterans.

The Memorial Day program will get under way at 10 o'clock Thursday morning with a parade, moving westward from Ottawa street on Chicago boulevard to Union street, and then to the cemetery. Complete plans for this part of the program were announced last week by The Herald.

At the cemetery, the Rev. Allan Ramsay, rector of St. Peter's Episcopal church, will offer the prayer, preceding Capt. Leever's address. This part of the program will be carried to the crowd over loud speakers.

The Legion has requested that all veterans of World War II, discharged or home on furlough, report at the Legion hall at 9 o'clock on Thursday morning, in uniform, to participate in the parade.

Generally speaking, Memorial Day in Tecumseh will be observed as a holiday. Stores and offices will be closed.

Betty Jeanne Purkey Weds Robert Williamson

At a single ring service, held Sunday afternoon at 3 o'clock in the Presbyterian church, Miss Bette Jeanne Purkey, daughter of Mr. and Mrs. Leno L. Purkey, became the bride of Robert N. Williamson, son of Mr. and Mrs. L. P. Williamson. The Rev. James Cameron Murdoch read the marriage service. Mrs. F. C. Dickinson was organist and Mr. Dickinson sang "I Love You Truly," preceding the ceremony.

The attendants were Miss Mary Lou Boyd, as maid of honor; Miss Lois Purkey, sister of the bride, as bridesmaid; Howard Dawson of Ypsilanti, brother-in-law of the groom, as best man and Robert and Richard Purkey, brothers of the bride, as ushers.

The bride wore a gown of white crepe with a short train and a fingertip veil with orange blossoms and carried a bouquet of gardenias and sweetpeas. Miss Boyd wore yellow and carried yellow roses, pink sweetpeas and blue daisies, and the bridesmaid wore blue and carried pink, white and blue flowers.

Following the ceremony a reception for 115 guests was held in the church parlors, where refreshments were served by the Ladies Aid Society. Guests attended from Toledo and Sylvania, O., Jackson, Bloomfield Hills, Ypsilanti, Kalamazoo, Ann Arbor, Quincy, Coldwater, Morenci, Monroe, Detroit, Adrian and Tecumseh.

Mr. and Mrs. Williamson left later to spend a month in Northern Canada and on their return will make their home temporarily with her parents.

The bride is a graduate of Tecumseh high school, class of 1943, and has been employed as secretary in the law office of Roe & French until recently. Mr. Williamson left school in 1942 to enter the navy. He served in the European and Pacific areas until his discharge. He is now employed by Mastercraft Products Co.

TO COLLECT PAPERS

Members of the 9th grade citizenship class of the public schools will collect old newspapers and magazines this afternoon, which will be sold and the funds used to send a shipment of head rice to a Greek family.

GETS A. B. DEGREE

Miss Mary Wickwire, daughter of Mr. and Mrs. Earl Wickwire, will receive her Bachelor of Arts degree at Adrian College, at the commencement exercises to be held there, Sunday afternoon.

TUESDAY PAPER

In accordance with custom, The Herald this week is printed on Tuesday instead of Thursday, because of the Decoration Day holiday. Thursday publication will be resumed next week, as usual.

Robt. Wilson To Graduate From Annapolis, June 5

Robert Wilson, son of Mr. and Mrs. M. W. Wilson of 209 East Logan street, will graduate from the United States Naval Academy at Annapolis, Md., on Wednesday, June 5.

Robert is a graduate of Tecumseh high school, and won a marine appointment to the Academy. He will be commissioned as a second lieutenant in the Marine Corps upon graduation.

Mr. and Mrs. Wilson and daughter, Patsy, and son, James, left Sunday to attend the graduation exercises.

Baseball Game Here Thursday

LEAGUE-WINNING INDIANS TO PLAY ADRIAN HIGH SCHOOL AT RECREATION PARK

The league-winning Tecumseh high school Indians will play the Adrian high school baseball team here Thursday, Memorial Day, at 3 p.m., in Recreation Park, it was announced today by Fred Raizk, high school coach. Tommy Judd, crack Indian pitcher, will be on the mound and Ben Hammack will catch.

"There has been considerable demand for a game with Adrian," Coach Raizk said, "and we have arranged the contest. We expect, weather permitting, to attract a large crowd."

Tecumseh won its eleventh straight game on the Lenawee County Association schedule last Friday by defeating Morenci, there, by a score of 8 to 6. It was the final game of the season the Indians having been victorious in every contest played.

Tommy Judd opened the game for Tecumseh and after pitching three innings was replaced by Spreeman, a left-hander. Hammack, ill for the two previous games, was behind the plate. Morenci succeeded in making only four hits.

Records show that it was 25 years ago, in 1921, that a Tecumseh high school team won every baseball game on its schedule.

The trophy, awarded by the Lenawee County Athletic Association, is expected to be presented to the school before the end of the school year.

Miss Betty Lou Jewell Bride of Carl W. Faust

Miss Betty Lou Jewell, daughter of Mr. and Mrs. Wm. M. Jewell of Tecumseh and Carl W. Faust, son of Otto Faust of Britton, were married Saturday afternoon at Grace Evangelical Lutheran church by the Rev. J. de Ruiter. The double ring ceremony was read before the altar banked with gladioluses, carnations and fever few, with lighted tapers at either side.

Preceding the ceremony, Norma and Marion Comfort, twin cousins of the bride, sang "I Love You Truly" and "O Perfect Love." Mrs. de Ruiter, at the organ also played the wedding march.

The bride, who was given in marriage by her father, wore white jacquard satin with a train and veil and carried a nosegay of white roses, pink carnations and lilies-of-the-valley. Jean Leonard, maid of honor, wore blue net over satin and carried a nosegay of pink and white carnations and sweetpeas. Naomi Faust and LaVonne Perin, bridesmaids, were both in pink with colonial bouquets of pink and white carnations. Donald Brosamer of Britton attended the groom as best man and Edward Marine of Britton and Dermont Poley were the ushers.

A three course wedding dinner was served to 100 guests in the church dining room with Mrs. Dorothy Filter as hostess, assisted by the ladies of the church and school friends of the bride. Guests attended from Hamler and Sylvania, O., Dundee, Saline, Sturgis, Willis, Monroe, Adrian, Britton and Tecumseh. Following the reception the wedding party visited Mrs. Albert Faust, sister-in-law of the groom, who is a patient at Tecumseh hospital and later went to Ottawa Lake where another reception was held in their honor. They left later on a trip to Wisconsin and Upper Michigan and on their return will live on a farm east of Holloway.

The bride graduated from Tecumseh high school in 1945, from Cleary College in Ypsilanti in 1946.

TO GET DEGREE

Miss Barbara Helen Dannells, daughter of Mr. and Mrs. M. L. Dannells, will receive her A.B. degree from Albion College on June 3, as well as her state teacher's certificate.

TO MEET FRIDAY

The Presbyterian Missionary Circle will meet Friday afternoon at the home of Mrs. J. F. Rector.

An Editorial

Born and raised in the country, in one of the richest agricultural counties in the nation, among folk who were taught that it was wise to be thrifty and who taught their children likewise, it is, indeed, difficult to understand conditions as they exist today.

How many residents of Tecumseh, even a year ago, would have believed that the time would come when they would be forced to hunt the town over for a loaf of bread?

How many residents of Lenawee county in 1940 would have believed that the time would come when they could not buy butter or oleomargarine?

How many of these same residents would have believed that within a decade they would be unable to buy fresh meat of any kind, or that their flour bins would be empty?

Nevertheless, these conditions do exist.

Whether we like it or not, the time has arrived when, in the land of plenty, with out pockets bulging with money, we can no longer supply ourselves with the staff of life unless we hunt for it or patronize the black market.

We do not care to argue the immediate cause of this condition. We do remember, however, that, as a nation, we shot the little pigs, plowed under the cotton and burned the wheat, and that we paid farmers for not raising this or that crop.

For nearly a decade and a half we have been living under a "planned economy." We remember the so-called "Hoover depression" that these early planners helped to perpetuate. We remember the Blue Eagle's NRA that didn't work. We remember the CCC and the NYA and all of the other alphabets.

What made this alphabetical stew possible, anyway?

Just one thing made it possible: The apathy of the American public.

At the time the stew was mixed up, folk everywhere were confused. We'd been living fast. We'd had a swell party in that year of 1929. The sky was the limit, economically. We had plenty of money, plenty of everything. We bought until our money was gone and we kept on buying—on credit. Everything was "jake"—good times couldn't end.

But they did. The balloon blew up and with it went most of the public's confidence. Everybody was jittery—they doubted their own judgment. They didn't know who to trust. They looked for leadership.

It was then that the alphabetical stew started simmering. Folk were told that there'd be two chickens in every pot, and maybe there were, but the broth was watered. The guest list of those who wanted to dip their ladels full became too long and the broth had to be stretched. Everybody wanted something for nothing. And as long as the stew tasted good and looked like chicken—who cared. There was security in knowing that there was broth to be had—for nothing. You didn't even have to work for it!

Plainly speaking, nobody gave a whoop where the chicken came from or the water that was used to make the soup. So long as it was available, why worry? Wasn't it free?

Elections came and went. Nation-wide we stayed away from the polls. The cooks were dishing up a good-tasting soup. It was satisfying, wasn't it? Why should we bother our heads about what it was costing or where it was coming from? Wasn't our credit good?

To be sure it was good—too good. We kept on spending like drunken men and the world heard about it. We invited them over to join the party. It didn't take any coaxing.

But try as we might to spend ourselves into prosperity there was a sag in the economic line that was noticable to everybody, including the planners. Had something gone wrong with the plan?

Then the war broke out. We were attacked. Rules and regulations that before had been questioned in the courts became directives and laws of the land. The old NRA was dusted off and dressed in new clothes. It was the OPA. More alphabetical noodles were poured into the broth.

Years and months rolled by. We licked the world and don't let anybody doubt it. We saved everybody's bacon—even Russia's. Everybody had a job, in or out of uniform. Housewives who couldn't boil water at home were making $100 a week doing nothing in war plants. Second rate mechanics who had no ambition to work were drawing just as much money as skilled men who gave an honest day's labor. Pay checks were exhorbitant.

Maybe the war was over but weren't we doing all right? Weren't Washington and the union leaders looking after everything? Why should we change the stew-makers? The broth had even more chicken in it.

Certainly, this was not the time for a change. Couldn't we strike, demand higher wages and get them? Couldn't we tell the boss where to go and make him like it? Couldn't we picket the home or factory and get away with it? Couldn't we demand membership in our union and make 'em like it? Doesn't government, state and national—even local—tremble when we speak?

What do we care if prices do go higher? We'll just demand more pay and get it, then prices will jump again.

Black markets? We know they exist and so does the government but again, who cares?

Maybe Capone and Dillinger did have their rackets—the pikers. They didn't know the score. Just small-time stuff.

This is America—twentieth century, streamlined. A new America! Isn't that the attitude of Lewis, Whitney and others?

Today, when we are forced to patronize black markets or go without; when we can't buy bread, meat and butter for our families; when we can't buy feed for our stock, points for our plows or coal for our stoves, we wonder if this really is America.

Is this the kind of America we fought for in 1775 and again in 1865? Is this the America and the democracy we fought to preserve in 1918? Is this the America, the Four Freedoms, we fought for in World War II?

Here at home we sit around and sob about our representatives, our senators, our governors and our mayors. Why don't they do something about this condition? Such things just can't happen in America! But they have, haven't they?

Maybe our officials have permitted these conditions to exist, but THINK! Who permitted these officials to remain in office? This is a democracy. We hold regular elections. We have the right of ballot. We can kick a man out of office if we don't like his style.

Who's to blame? NOBODY BUT OURSELVES. When we should have been thinking and voting we were too busy eating alphabetical stew. We were getting along all right, why change?

After a decade and a half of bungling the chickens are coming home to roost. Now we want to blame everybody but ourselves.

Think, America! Another election is just around the corner. If we're ever going to preserve democracy we must do it NOW. Shake off the apathy. Weigh your choice of man for public office carefully. Vote your convictions.

American voters must decide between democracy and national socialism.

The time for that decision has arrived.

Macon Seniors To Give Vesper Service on Sunday

A vesper service, presented annually by the senior class of Macon high school, will be held in the Martha-Mary chapel in Macon, Sunday afternoon, June 2 at 4 o'clock.

The program will be given entirely by members of the graduating class with Donald M. Currie, principal of Macon high school, speaking briefly.

The program is open to the public.

New Baseball Club Organized

LEGION AND BUTLER MOTOR SALES SPONSOR PROGRAM FOR JUNIOR BOYS

Underwood-Orr Post, No. 34, American Legion, and Chas. O. Butler of Butler Motor Sales are co-sponsoring an American Junior Baseball Team this year for the enjoyment of all youngsters in this vicinity. Boys, who had not attained their 17th birthday by January 1, 1946, are eligible to play, and all boys in this group who are interested, and who reside in this vicinity, are requested to report at Recreation Park on Tuesday, May 28, (today), at 5:30 p.m.

Uniforms for members of the team are being supplied by Butler Motor sales and other necessary equipment is being purchased by the Legion. Trophies, prizes, etc., are furnished by the Ford Motor Company.

Already several outstanding junior baseball players from Clinton, Britton, Tecumseh and many other communities have been contacted to play on the team. The county eliminations are to take place during the month of June, with the district play-offs of teams from Washtenaw, Lenawee, Jackson and Monroe counties in July. Following these contests, a regular schedule has been worked out for a league to be composed of two teams from Jackson, Ann Arbor, Ypsilanti, Monroe, Adrian and Tecumseh.

Several of the more prominent members of this year's high school team, which came through the season undefeated, have expressed a desire to play on the ball club.

Admission to the games is free, and all local contests will be at Recreation Center. A complete schedule will be announced soon.

Mrs. Nettie Miller, 73, Dies Suddenly on Sunday

Mrs. Nettie M. Miller, aged 73 years, wife of Edward Miller, died suddenly Sunday afternoon at the home of her sister, Miss Addie Crittenden in Macon. Mrs. Miller was born July 18, 1872 in Saline township and was a daughter of the late William H. and Rosetta Morgan Crittenden. Are You From Dixie?

IF you are unable to buy a house, you might have to move to Dixie when the house you are renting is sold from under your feet.

Make plans for the future. Start saving now for the down payment on that new home, or if you plan to build at a later date, now is the time to select your lot while you still have a choice.

If you are in a position to buy, I have:

A desirable eight room house, unoccupied, on the west side which could easily be converted to income property.

Also

Nine acres in Ridgeway with ten room house, barn, garage and chicken coop. Could be converted to two family.

SLEEP-WALKING

Every dream must end. The American dream of coming out of the worst war in history better off than at the time the war started, is being dispelled. It was an unhealthy dream in which public debt was called savings, wages were unrelated to prices, and profits were evil.

One-sided labor laws, prejudicial wage and price tinkering, constant vilification of private enterprises, over-riding of property rights, general derision of the efforts of business men to keep solvent and maintain private employment—these were all part of the dream, inspired by high-riding public servants and labor leaders who seemed not to care what happened so long as they remained in the good graces of their followers.

Well, the dream is ending. It now remains to be seen whether the American people can get the sleep out of their eyes before the right of private property and personal liberty is a thing of the past. The miners' demands, if acceded to, can control management and confiscate earnings. They would set a like pattern in every industry.

Is America awake or sleep-walking?

Do You Know Where Your Money Goes?

* * *

How many friends have you heard say, "I don't know where my money goes?" We've heard lots of folk make the remark, and we know that they are honest when they say it.

There is a way, however, of knowing when, and for what, you spend your money. That way is through a checking account.

Your check stub will tell you the date that you spent it, the amount that you spent and to whom it was paid. Your cancelled check is a permanent receipt.

If you are working on a budget, we strongly advise that you operate on the checking account system.

Now's The Time To Insulate For Summer Coolness

If you would enjoy the coolness of summer, NOW is the time to insulate your home. The work can be done quickly and, when the hot summer days come, you'll notice the several degrees of coolness in your upstairs rooms.

And next winter, when coal may be difficult to obtain, you'll start paying for the cost of the work through fuel savings. Insulation, you know, works for you all year 'round.

Contrary to some opinion, insulation IS NOT EXPENSIVE. See us, we'll cheerfully give you an estimate.

There's Danger in Under-Insurance of Both Real and Personal Property
Would You Sell Your Property For It's Insured Value?
The average owner in this area today, is lulled into a sense of security by the fact that he has an insurance policy covering fire, theft or other losses.
He forgets that he established the amount of his insurance coverage back in 1940 or earlier and has failed to keep his insurance abreast of the steadily rising values and replacement costs.
Home owners should ask themselves this question: "Would I sell my home or belongings today for the amount of insurance I carry?"
Another way to visualize this danger of under-insurance is to consider the replacement costs in dollars and cents and not in percentages.
For example, a home that was worth $7,000 in 1939 is worth over $11,000 today in most cases. The 1939 insurance coverage no longer is adequate to do the job.
Don't delay increasing your coverage—tomorrow may be too late.

We Write All Kinds of Insurance--to Fit Your Needs

Regardless of your insurance needs—fire, wind, accident, automobile—we are in a position to write it for you and to service your policy.

Today, we cannot stress too strongly the need for ADEQUATE insurance. All policies should be carefully checked, to determine if there is sufficient coverage.

FOR EXAMPLE: Building costs have risen sharply in the past two years. So have repair costs. Determine for yourself whether the insurance you carry on your home or its contents would replace them in event of a complete loss. If it wouldn't, then you are under-insured.

Diphtheria In 8th Place As Children's Death Cause

Diphtheria rose to 8th place among the leading causes of death for children between the ages of one and five in Michigan in 1945.

"This fact should remind parents that the simple, sure protection of diphtheria toxoid should be given to every child before his first birth day," says Dr. William DeKleine, state commissioner of health. "Diphtheria increased in Michigan during the war and immunization is the only way to stop its continued rise."

During May, health departments and physicians are stressing the importance of protecting children against preventable diseases. Injections of diphtheria toxoid are recommended for the child at 9 to 10 months and again at school age.

Between January 1 and May 1 a total of 187 diphtheria cases was reported to the Michigan Department of Health. This is more than twice the number of cases for the same period of 1942, the year when diphtheria began to rise. Of the 1946 diphtheria cases three were from Lenawee county.

Marking 50 YEARS of FORD Progress

1896 - 1946

Just fifty years ago, on a quiet, rainy day in June, the first practical Ford car chugged erratically along a Detroit street. It was powered by a small, two-cylinder engine, steered with a tiller and looked like a buggy with bicycle wheels. It was the forerunner of all the many millions of Ford cars that have contributed so greatly to the steady development of individual transportation and to the growth of a nation.

In these fifty years, the basic Ford policy has never varied—to build through constant research and refinement an ever better product at the lowest possible price. The results of this policy are ever greater economy, comfort, reliability and value.

We are proud of our association with the creation of this great industry, and proud to join with the thousands of Ford people all over the world in celebrating this milestone of automotive history—the Golden Anniversary of the Ford Car.

"Fifty Years of Ford Progress"—an illustrated history of automotive development—is yours for the asking. Get your free copy of this colorful story at our salesroom, with our compliments.

OHIO M34

OHIO M34 (26 x 51) x (40B x 02) is a high-yielding early hybrid. Three years testing in Michigan and five years testing in Ohio have proven M34 to be the outstanding early hybrid. M34 is yielding more corn per acre than M15. Withstands the corn borer better. Plants are highly resistant to blight. Plants are dark green, holding their greenness well, giving an appearance of lateness even though ears are well matured. Medium size, thick ears with deep kernels. Maturity 90 days. Per Bu. $8

OHIO K24

Ohio K24 (51A x WF9) x (33 x 40B) produces leafy, dark green plants of medium height. Very high in yield. The ears are of good size, small cob with large, deep richly colored grains. Corn borer resistant. More formers are changing to K24 than any other hybrid. Maturing in about 100 days. Per Bu. $8

Special Hybrid Ensilage Corn

For tonnage—economy—better silage—more grain. Save acres of your corn by using Hybrid Seed for your silage. It not only resists lodging a great deal better than the open pollinated kinds, but produces more and richer silage. Per Bu. $6

Seeds and Plants For Your Post-War Garden

If you are in the market for seeds and plants for your post-war garden, we invite you, for a minute, to consider the value of the pre-tested seeds that we sell.

All of our seed stock has been tested by the growers to determine its value. When you plant our seed, you are assured of a strong, sturdy crop. Give your garden the proper care and the guesswork has been removed

For years we have been one of the largest handlers of seeds in the county. It was because folk knew that they could depend on our value that they returned, year after year, for their seed needs.

DECORATION DAY

On this Memorial Day we pay tribute to our War Dead. Especially do we honor those who gave their lives during the conflict so recently ended—the stalwart heroes of World War II whose supreme sacrifice brought Victory and the promise of permanent peace to a bleeding and suffering world.

In memory of these brave men and the brave men of previous wars let us bow our heads in silent meditation.

an EXTRA HAND for spring planting

Years ago the farmer discovered that at spring planting time the use of a telephone is almost like having an extra hired hand. The farmer knows that during his hectic spring planting days his telephone saves him priceless hours in town buying supplies and equipment. That is why a telephone is part of the future plans of most progressive farmers. That, too, is why our future plans include modern rural telephone service for every farmer who desires it.

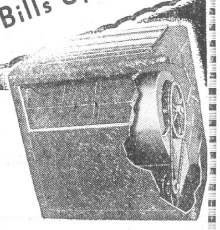
Now a Simple Unit - - Easily Attached to Your Furnace Amazingly Improves Heating Cuts Fuel Bills Up to 23%



Is your home hard to heat? Perhaps your furnace is suffering from "poor circulation." This simple PREMIER Unit has provided a quick cure for the "sluggish heating" troubles of hundreds of home owners.

CIRCULATES HEAT
Attached to your furnace the PREMIER blower greatly speeds up air circulation. Air in the rooms is literally pulled down the cold air registers, forced over the furnace surfaces, and up the warm air ducts.

FILTERS AIR
The air is likewise filtered—cleaned of winter dust and soot. The result—a clean home with a refreshing atmosphere free from that "stuffy" smell.

SAVES COAL
PREMIER forced circulation extracts more heat from the furnace. Your home stays warmer with a smaller fire. You burn less fuel—but are more comfortable. Fuel savings have been reported up to 23%.

See this unit—learn how easily and economically it can be installed NOW.

Hayden Flour Mills Win Grinding Honors

The Hayden Flour Mill, Inc., Tecumseh, has won recognition for the accuracy and uniformity of its custom grinding and maxing service. The local firm recently received a Certificate of Mixing Accuracy for 1946 following analysis at the Ralston Purina Company, St. Louis, Mo., of samples taken from regular mixes prepared for customers of the mill.

With the decreased supply of grains for feeding livestock and poultry, proper mixing of ingredients has become an increasingly important factor in feeding efficiently. Ralston Purina requires that all samples vary not more than one-half of one per cent to qualify for the certificate. The Hayden Flour Mill, Inc., showed only the slight variation of .31 hundredths per cent protein in the samples tested.

The certificate will be posted in a prominent place at the Hayden mill, as evidence of the ability of the local equipment to service farmers with custom mixing that will help them achieve maximum production from their grains.

YES, THEY HAD COAL STRIKES 50 YEARS AGO

William Jewell recently found two issues of the Detroit Evening News, dated September 24, 1884, and February 9, 1885, in the house he occupies which formerly belonged to George Washington, a resident of Tecumseh for many years.

An interesting item in the September issue tells of striking coal miners of Fremont county, Williamsburg, Colorado, and also in southern California, resolving to stay out until their demands are met. One of the main topics of news for discussion in Detroit was the building of a bridge to Belle Isle.

MINUTES OF THE BOARD OF EDUCATION
May 14, 1946

The meeting was called to order by the president, Mr. Touborg. Members present were Mr. Touborg, Mr. Spafford, Mr. Satterthwaite, Mr. Lindsley and Dr. Brown.

The minutes of the last meeting were read and, following a correction ordered by the President inserting into the motion of the appointment of Mr. Johnson the $3,000 contractual salary which was offered, approved.

Upon motion made by Mr. Satterthwaite and seconded by Mr. Spafford, the bills, as incorporated into the minutes and amounting to $1,560.48, were approved and ordered paid.

It was moved by Dr. Brown and seconded by Mr. Satterthwaite that the list of seniors presented by the superintendent be approved for graduation, and that diplomas be awarded upon the successful completion of their work during the current semester. The motion was carried.

The following resolution to establish a Veterans' Institute was, upon motion made by Mr. Satterthwaite and seconded by Mr. Spafford, adoped.

Resolution to Establish a Veterans' Institute as a separate department of the Tecumseh Public Schools as provided by Public Act 182 of the 1945 Session of the Legislature.

WHEREAS, the Tecumseh Board of Education desires to give special consideration to the educational needs of veterans of World War II, and

WHEREAS, the Federal and State governments have enacted legislation which entitles such veterans to certain educational opportunities, and

WHEREAS, the educational needs of such veterans differ in type, content, methods of presentation and time allotments from those which are characteristic of the regular day school program.

THEREFORE BE IT RESOLVED, First, that the Tecumseh Board of Education establish a Veterans' Institute as a separate department of the school system to provide, primarily, for the training desired by veterans, either resident or non-resident, who are interested in completing their formal high school course or in meeting the requirements for related work in training or apprenticeship programs under Public Acts 16, 113, and 346 as enacted by the 78th Congress.

Second, that the Superintendent of schools be and hereby is authorized to make proper application to the Department of Public Instruction and the Veterans' Administration for the establishment and approval of such a Veterans' Institute.

Third, that since reimbursement for certain Veterans' Institute costs will be made by the Veterans' administration at the end of each three months' period, the Board of Education agrees to underwrite and provide funds to carry on the activities of said Institute until such reimbursement is received.

Fourth, that the use of all school facilities be permitted in the conduct of the program which will utilize such correspondence courses as may be needed and approved by the Department of Public Instruction and also such other appropriate educational services as may be deemed desirable.

The proposed plan for the Tecumseh Veterans' Institute and budget, as presented by the superintendent, were reviewed and approved.

It was moved by Dr. Brown and seconded by Mr. Satterthwaite that bids be requested for the installation of the elecrical service equipment in the Central Building as recommended by Consumers Power Company engineers. The motion was carried.

Comparative estimates on the cost of the construction of a new room at the West Branch building and the expenditures which would be necessary to make two more rooms available at the East Branch building were next considered by the Board. In view of the fact that no definite information had as yet been received regarding the acquisition of the Brownville school, it was moved by Dr. Brown and seconded by Mr. Lindsley that the question be tabled until the June meeting of the Board of Education. The motion was carried.

A motion was made by Dr. Brown and seconded by Mr. Spafford that Mrs. Mildred Russell be employed as census enumerator at a salary of 60.00. The motion was carried.

It was moved by Mr. Satterthwaite and seconded by Mr. Spafford that 50.00 be appropriated by the Board as a contribution toward the expenses of the Annual May Party. The motion was carried.

It was moved by Mr. Lindsley and seconded by Mr. Satterthwaite that a contract be extended to Mr. Berkhof to serve as superintendent of schools for the next school year at a salary of $4400. The motion was carried.

Upon motion made by Dr. Brown and seconded by Mr. Lindsley, the meeting was adjourned.

P. C. Sattertwaite, Secretary.

PROPOSED PLAN FOR TECUMSEH VETERANS' INSTITUTE

1. Organization and Administration—The Veterans' Institute of Tecumseh shall be conducted as a unit of the public school system udner the direction of the superintendent of schools

2. Housing—The Veterans' Institute shall be housed in the High School and in such other public buildings as shall be available and needed.

3. Staff—There shall be a part-time coordinator of academic and related training with on-the-job apprenticeship and cooperative training, and such instructors as enrollment and budget shall justify.

4. Cooperative Agencies — The program and activities of the Veterans' Institute will be carried on in cooperation with the Veterans' Administration, State Department of Public Insruction, State Board of Control for Vocational Education, the United States Employment Service, the local Veterans' Agencies, and all other agencies interested in the education and training of Veterans.

5. Admission Requirements—The Veterans' Institute will be open to all qualified veterans of World War II and such others as may benefit by its services. All veterans enrolling under Public Acts 16 and 346 will be required to present "Certificates of Eligibility."

6. Time of Admission and Rate of Progress—Students will be permitted to enroll at any time and to carry on their work at their own best rate of progress.

7. Course Offerings — Courses which are to be offered will be determined by the demand of the students enrolled. Courses which are to be pursued to meet requirements for graduation will be selected with the assistance of the instructor in charge. Work related to apprenticeship and occupational training will be selected with the assistance of the employer and the coordinator.

8. Credits—Full credit will be allowed upon the successful completion of work which is taken as a requirement for graduation, provided the work is of the kind and quality customarily required for graduation.

9. Instructional Methods — Instruction will, of necessity, be largely on an individual basis. Supervised correspondence study course materials will be utilized to a large extent, supplemented by class organization and instruction when warranted.

10. Time Schedule—The hours of operation for the Institute will be determined by the number and desires of the students who enroll. The hours of four to six, two evenings a week, are suggested as a tentative schedule.

11. Budget—Costs of instruction and operation will be met through tuition charges which are to be determined by the actual expense involved, and through such shop and laboratory fees as the Board deems necessary. Charges for veterans whop resent a "Certificate of Eligibility" will be made directly to the Veterans' Administration with billings at frequent periods based upon hours of attendance. The cost of the project will be underwritten by the local Board of Education until such reimbursement is received from the Veterans' Administration.

The attached proposed budget is an attempt to arrive at reasonable costs on the basis of enrollment. Estimates of receipts are based on the hourly rate of 58.8 cents per pupil hour of instruction for a 42 week year with four hours of instruction per week.

NINETY-SIXTH YEAR—NUMBER TWENTY-EIGHT | TECUMSEH, MICHIGAN, THURSDAY, JUNE 6, 1946 | FIVE CENTS PER COPY

Cabin Drive Is Begun by Scouts

WILL SEEK TO RAISE $5,000 TO BUILD AND EQUIP CABIN IN ELLIOTT PARK

The Boy Scouts of Tecumseh, members of the Wolverine Council of Lenawee and Monroe, Monday evening launched a $5,000 campaign for the building and equipping of a new Scout cabin in Tecumseh. The structure will be built in Elliott park, the village council having given the nod of approval.

Members of the Scout committee here were optimistic today in making public the plans for the financial campaign. At the present, it was said, the organization has on hand in cash about $500. At Monday's session, two more gifts were announced, one of $100 from E. M. Campbell and another of $106 from the SPEBSQSA. The latter amount was the proceeds of the recent Barbershop Parade.

"We believe that we can raise the needed funds between now and July 15," J. W. Spafford, a member of the Scout council, said. "As quickly as the funds are available, we will start construction and we hope that the building will be in use by fall." Just what type of campaign would be launched, other than direct solicitation, has not been announced.

The building program was made known at a Court of Honor, held Monday evening in the parish house of St. Peter's church. More than 80 persons attended. Awards were made as follows:

Tenderfoot to Scouts Collins, Patton, Marsh and Ashley. Second class awards to Scouts Rohweder, Hubbard, O'Brien, D. Maves. First class awards to Scouts Hay and Campbell. Star rank (five merit badges) to Scouts Rentschler and Keyser. Merit badges were issued as follows: Campbell, 1, D. Maves, 5, Rohweder, 2, Hay, 2, B. Martin, 1, Keyser, 5, Rumler, 1. The Scout citizenship award went to Gordon Keyser.

Paul Maves, chairman of the local council, received the War Service Certificate of Merit and Citation from the Wolverine Counil. The Barberaires furnished music. Members of the Scout board are James Freckleton, J. Hartsell, C. Dolan, J. W. Spafford and the Rev. Allan Ramsay.

Tecumseh Pays Tribute To Its Dead of All Wars

Tecumseh paid a fitting tribute to its war dead last Thursday, Memorial Day, with a parade through the business and residential districts and a program at Brookside Cemetery. The parade was one of the largest staged here in recent years, many service men from World War II participating.

Capt. Lawrence Leever of Ann Arbor, recently discharged from the United States Navy, delivered the address at Brookside. Capt. Leever warned his listeners that the same spirit of cooperation that made possible the winning of the war must be manifest if we are to win and preserve the peace.

Generally speaking, Memorial Day was observed here as a holiday. Stores, offices and business institutions were closed and many of the industrial plants observed a three-day holiday week-end. The public schools also were closed on Thursday and Friday.

Knights Templar held their annual memorial services here on Sunday, the commandry attending services in a body at the Presbyterian church. Later memorial services were conducted at the grave of the late Joseph H. Smith in Brookside cemetery after which the group and their wives returned to the church where dinner was served in the church parlors.

ADRIAN PASTOR SPEAKS

The Rev. John P. Emig, pastor of the Presbyterian church, Adrian, was the speaker at the regular meeting of the Tecumseh Rotary Club, Tuesday evening at Brees House. He was the guest of the Rev. James Cameron Murdoch. The Rev. Mr. Emig discussed life and conditions in Columbia, S. A., where he spent several years.

A short note from Wade L. Jones, vice president of the club, was read. Mr. Jones is attending the international convention of Rotary in Atlantic City. Others from here in attendance are Mr. and Mrs. Lester Rogers and Mr. and Mrs. George E. Green, sr.

New Company Formed Here

TECUMSEH PLATING COMPANY, E. LOGAN ST., INCORPORATED AT $50,000

The formation of the Tecumseh Plating Co., with a capital stock of $50,000, was announced today by Ben Bartenslager, its president. The new concern, located on East Logan street near Evans, does plating, buffing and polishing, and within a week or two it will be employing some 40 persons.

Associated with Mr. Bartenslager in the new enterprise is Thomas Thomely of Ann Arbor, who is vice-president, and Elmir O. Baldwin of Adrian, secretary-treasurer.

Mr. Bartenslager, discussing the business, said that his firm has many contracts and that the outlook for the future is bright. At the present time, about 15 men are being employed and he hopes that this number will be increased to 40 by mid-June. The company now is advertising for men.

The Plating company is located in the building purchased by Mr. Bartenslager about a year ago. The structure has been remodeled to suit the needs of the business and new machines are being installed to permit increased production. The president was in St. Louis this week in an effort to speed up the shipment of machines, and to make contacts for other equipment.

Mr. Bartenslager moved to Tecumseh about two years ago, and at one time operated a gasoline service station on North Evans street. Later, he moved his business to its present location.

WHAT IS THE ANSWER

The nation has learned the hard way that it has a vital stake in its basic industries. The coal strikes have demonstrated this with disastrous finality. The political and legislative trend in this country, weighted heavily in favor of monopolistic labor practices, can have but one end—chaos and eventual destruction of private management and representative government.

Repeatedly, even in war, the miners have struck. Each time a settlement was forced in favor of the miners. Strikes are encouraged as long as the law permits one party to do as it pleases while restricting the action of the other.

The coal miners newest demands amounted to union taxation of industry and union control of management.

The people of this country—people in towns the size of Tecumseh and folk on the farms and in the cities—must realize soon that labor and industry must be treated equally under the law or we are headed for government by pressure groups on a scale that will destroy opportunity and personal liberty.

One of the best ways to correct present conditions is to take an active interest in politics through the ballot box. Vote at every election. But, before you vote, study your choice for public office carefully.

Roof or Sidewall Shingles Available For Your NEEDS!

Don't Neglect Your Roof

If you have been waiting for the war's end to re-roof your home, you need not wait longer. We now have available, shingles for either roof or sidewall—shingles of guaranteed quality—shingles that will give you long years of satisfaction.

DON'T NEGLECT YOUR ROOF. The roof of your home is the most important part of the building. And, if your house needs painting, consider using sidewall shingles instead. Sidewalls, you know, give you a permanent job, cost little more than two coats of paint, and, in addition, furnish you needed insulation both summer and winter. We will be glad to give you a cost estimate.

There's Danger in Under-Insurance of Both Real and Personal Property.

Would You Sell Your Property For It's Insured Value?

The average owner in this area today, is lulled into a sense of security by the fact that he has an insurance policy covering fire, theft or other losses.

He forgets that he established the amount of his insurance coverage back in 1940 or earlier and has failed to keep his insurance abreast of the steadily rising values and replacement costs.

Home owners should ask themselves this question: "Would I sell my home or belongings today for the amount of insurance I carry?"

Another way to visualize this danger of under-insurance is to consider the replacement costs in dollars and cents and not in percentages.

For example, a home that was worth $7,000 in 1939 is worth over $11,000 today in most cases. The 1939 insurance coverage no longer is adequate to do the job.

Don't delay increasing your coverage—tomorrow may be too late.

THIRTY YEARS OF SERVICE TO MILK PRODUCERS and CONSUMERS

This week the Michigan Milk Producers Association rounds out 30 years of service to milk producers and consumers in the Detroit milk shed.

The organization got its start on June 3, 1916, when a small group of far-sighted dairy farmers recognized co-operative marketing as the one best guarantee of an assured minimum milk supply for Detroit and of price stabilization at a favorable level for milk producers.

So sound was this conception that the Association grew from its original membership of 22 dairy farmers to more than 14,000 in 1945.

The value of milk shipments during the first year amounted to a few thousand dollars as compared with 1945 when the dollar volume of sales by association members was $41,602,144.00.

This consistent growth through the years has been paralleled by improved quality and production methods under Association sponsorship; protection for members against bad credit risks, herd failure and market uncertainties (by operation of our own processing and distributing facilities where independent outlets are deemed inadequate). Every member's share in the assets of this Association is substantial—a factor of great importance in these days of unbalanced economic forces.

The Association's growth has likewise been paralleled by constantly increasing safeguards for the protection of the public health.

Throughout the years, this organization has held to the belief that its own best interests are inseparably interwoven with the best interests of the milk consuming public.

From its inception, this organization has always adhered to a policy of promising only what it could deliver, and of delivering what it promised.

So well have these basic principles served the very great majority of producers and consumers that we pledge continuance of them in the conviction that they will prove as satisfactory in the future as they have for 30 years.

Don't Take Chances With a Common Cold

Some folk feel that a common cold means nothing and therefore requires no attention.

Statistics show, however, that the common cold is the cause of more lost time from work than any other disease.

Check a cold when it starts. We have all of the needed home remedies. If it does not respond promptly to treatment, call your physician.

The common cold should not be ignored.

Is your home hard to heat? Perhaps your furnace is suffering from "poor circulation." This simple PREMIER Unit has provided a quick cure for the "sluggish heating" troubles of hundreds of home owners.

CIRCULATES HEAT
Attached to your furnace the PREMIER blower greatly speeds up air circulation. Air in the rooms is literally pulled down the cold air registers, forced over the furnace surfaces, and up the warm air ducts.

FILTERS AIR
The air is likewise filtered—cleaned of winter dust and soot. The result—a clean home with a refreshing atmosphere free from that "stuffy" smell.

SAVES COAL
PREMIER forced circulation extracts more heat from the furnace. Your home stays warmer with a smaller fire. You burn less fuel—but are more comfortable. Fuel savings have been reported up to 23%.

See this unit—learn how easily and economically it can be installed NOW.

THE TALE OF A COW

Did you know that Michigan has 1,027,000 cows, producing 5.7 billion pounds of milk in 1945?

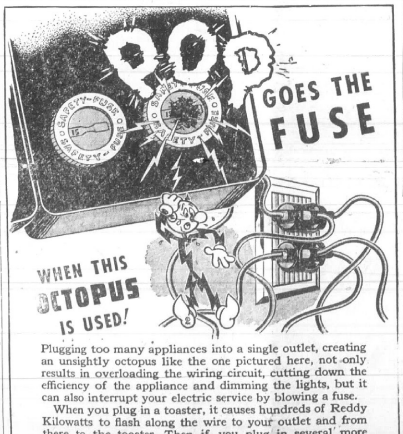
And that the revenue from the sale of this milk and dairy animals was well over $200,000,000?

That the investment of modern equipment in Michigan dairy plants is for your protection and service?

Dairy products are first as vital food. For your good health, drink milk daily and use dairy products often.

The dairy cow provides a steady income for 80% of Michigan's 179,000 farms . . . jobs for 1 out of 15 people . . . and a health-giving vital food for everyone. Michigan cow — take a bow!

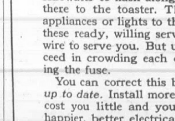
JUNE DAIRY MONTH COMMITTEE



Plugging too many appliances into a single outlet, creating an unsightly octopus like the one pictured here, not only results in overloading the wiring circuit, cutting down the efficiency of the appliance and dimming the lights, but it can also interrupt your electric service by blowing a fuse.

When you plug in a toaster, it causes hundreds of Reddy Kilowatts to flash along the wire to your outlet and from there to the toaster. Then if you plug in several more appliances or lights to this same outlet, thousands more of these ready, willing servants are crowded along the same wire to serve you. But under this condition they only succeed in crowding each other, heating the wire and blowing the fuse.

You can correct this bottleneck by bringing your wiring *up to date*. Install more outlets and heavier wiring. It will cost you little and you will enjoy greater efficiency and happier, better electrical living.



If you plan to build or remodel, provide adequate wiring and plenty of convenient outlets. Your new home will be only as modern as its electrical wiring. We'll gladly assist you with suggestions regarding your wiring.

Children's Day and Father's Day

Children's Day will be observed next Sunday, June 9, with a program of songs and recitations at the Methodist church at 10:30 a.m.

Father's Day will also be observed at the Methodist church the same day, that is Sunday, June 9, with a potluck family dinner in the dining room of the church following the exercises by the children. All are welcome—fathers, mothers, sons and daughters.

Vesper Services

The annual Senior Vesper Service was presented by the graduating class of Macon high school, Sunday, at the Martha-Mary chapel at 4 p.m. with Miss Mary Jane Prichard, organist, and Harold Kopka, leader. The program included the following numbers: organ prelude, "Quietude," Mallard; the doxology; hymn, "Faith of Our Fathers;" the Lord's Prayer; welcome, Eleanor Cadmus, class president; responsive reading, "The One Hundredth Psalm;" hymn, "Fairest Lord Jesus;" reading of the scripture, Robert Bachtal; vocal duet, "Piolet of Galilee," Clara and Louis Rebottaro; recitation, "Worth While," Ella Wheeler Wilcox, Ruth Howell; hymn, "The Old Rugged Cross;" comments, Donald M. Currie; hymn, "Now the Day is Over;" organ postlude, "Onward, Christian Soldiers," Sullivan.

Mrs. Elizabeth Healey of Jackson returned to her home Sunday following a week's visit with her sister Mrs. Effie Kuder and other relatives.

Mr. and Mrs. R. A. Halladay have returned after spending several days with their daughter and husband at Dimondale and with Mr. and Mrs. L. C. House and family at St. Louis, Michigan.

Mr. and Mrs. Glen Pennington and Mr. and Mrs. LaVern Pennington visited Thursday with Mr. and Mrs. Joseph Dryer at Chelsea.

Miss Thelma Howell and Miss Jeanette Morden spent Wednesday and Thursday of this week at Lansing.

Mr. and Mrs. John Ambler of Brooklyn were guests Sunday afternoon of Mr. and Mrs. Ralph Halladay.

Why Not Wear GOOD LOOKING CLOTHES

It's very easy and more economical to wear good-looking clothes—clothes that are carefully cleaned and pressed—than it is to wear them otherwise.

We have customers, many of them, who get eight or 10 years of wear out of their suits. The reason is that these customers take care of their clothes—they have them cleaned regularly.

Statistics prove that garments that are given the proper cleaning service wear twice as long as garments neglected. And they always look good, too.

Wear good looking clothes, economically, by sending them to us for scientific cleaning.

THE TECUMSEH HERALD

NINETY-SIXTH YEAR—NUMBER TWENTY-NINE | TECUMSEH, MICHIGAN, THURSDAY, JUNE 13, 1946 | FIVE CENTS PER COPY

An Editorial

The United States is at the cross-roads.

Government by union leaders or government by ALL of the people is the issue.

Today, a mere handful of unscrupulous, unpatriotic men, directing the activities of some six or seven million persons who are labeled as union workers, are attempting to do the thinking for 133,000,000 other Americans.

And, peculiar as it may seem, they're getting away with it.

How are they doing it? They've thrown a scare into our members of Congress. They've told them that they (the members of Congress) must go along with their views "or else." The "or else" means that they'll be opposed for re-election; that the strength of the unions, both physical and financial, will be used to defeat them at the polls.

Have you seen any of these so-called Washington statesmen rise up to say, "my country, right or wrong?" No, instead they cringe, hide behind some newly created bureau, voiceless. Are their minds on the good of the country or are they thinking about votes and salaries?

You know the answer and so do we.

Today, America's living standards are slipping rapidly. Every day we get less and less of the things to eat. We can't buy clothes, we can't buy lumber, we can't buy plumbing and heating. New cars, new electrical appliances are just something to talk about.

Industry is in a bad way, too. No materials to be fabricated. There are strikes and strike threats. Labor refuses to give an honest day's work. Everything is confusion

Whether we like it or not, this great nation of ours—winner of two World Wars—is staggering from repeated below-the-belt blows. Hitler couldn't do it from without but these labor leaders are doing it from within.

THESE MEN COULD NOT ACCOMPLISH THEIR DESIRES IF IT WERE NOT FOR OUR TIMID MEMBERS OF THE HOUSE AND THE SENATE.

What America needs today is more Patrick Henrys, men who dare to lift their voices, men in whom this nation can place its confidence for leadership. The labor unions should welcome this kind of leadership, too, because, unless it is found all of us are headed for chaos—unions and the nation alike. Wouldn't we, then, be easy prey in the event of a Third World War? Couldn't Russia win it, hands down?

Somewhere in America there are such men. If they are in the House or the Senate at the present time, let them lift their voices. If they're running for public office, let them be fearless to speak their mind. If they're not seeking office, let their friends and neighbors draft them for public service. They're needed in an hour of despair.

Yes, America is standing at the cross-roads. WE, AS VOTERS, MUST THINK because, by our votes, we will decide whether we are to live under a democratic or a socialistic form of government.

When things got bad enough, Hitler took over. He, too, was a labor leader. Mussolini rode to power on the shoulders of so-called union labor.

Are we going the way of Germany and Italy? Are we willing to sell our freedom, our liberty, our country for promises from the mouths of the unscrupulous? Don't say it can't happen—think how your life's pattern has changed in the past five years.

It's time for action. Let's remember it when we cast our ballots in future elections.

Miss Kathleen Powell Bride of Wm. H. Osburn

At a wedding of attractive appointments held Sunday afternoon at 4 o'clock in the Baptist church, Kathleen R. Powell, daughter of Mr. and Mrs. O. M. Powell, became the bride of William H. Osburn, son of Mr. and Mrs. Garland Osburn. Preceding the ceremony Mrs. Richard Carter sang "I Love You Truly" and "Because," accompanied by Mrs. Kenton Hunt.

The double ring service was read by the Rev. Blair O. Bashore, before a background of garden flowers and candelabra. The bride who was given in marriage by her father, was attended by her sister Mrs. Raynor VanValkenburg as matron of honor. The bridesmaids were Josephine Powell, also a sister, of the bride and Margaret Osburn, sister of the groom, Bruce Osburn was his brother's best man and little Mary Manchester, the bridegroom's niece, was flower girl and strewed rose petals from a white crocheted basket. David VanValkenburg carried the rings on a satin pillow. Ushers were Richard Carter, Robert Manchester, George Kaltenbach and Raynor VanValkenburg.

Following the ceremony a reception was held at the home of the bride's parents for 60 guests from Fostoria, Fremont and Toledo, O., Los Angeles, Calif., Jackson, Ypsilanti, Ann Arbor, Hudson and Tecumseh. Mrs. W. C. Kaltenbach was assisted in serving by Priscilla Sisson, Dorothy Schumm and Jane Hoekstra. The lace covered table was arranged with a centerpiece of white roses and carnations, white candles and a large wedding cake. The bridesmaids had charge of the guest book.

Mr. and Mrs. Osburn left later on a trip through northern Michigan and on their return will be at home in the Thompson apartments on East Chicago Boulevard.

Both are graduates of Tecumseh high school. The bride was employed for a time at the Cameron Drug Store and recently has been employed in the A. & P. store. Mr. Osburn received his discharge from the Army Air Corps in November, 1945, after overseas service and is now employed at Tecumseh Products Company.

Closing Exercises Held At Brownville School

Closing exercises were held at the Ford Brownville school Friday evening, with a potluck supper for pupils and their parents and a program by the pupils. Glenn Driscoll, teacher during the school's operation here, was presented with gifts from the group. He has accepted a position in the Ridgeway school for the coming year.

Previous to the closing of the school the pupils were entertained with trips to the Toledo Zoo, Greenfield Village at Dearborn and attended a ball game in Detroit.

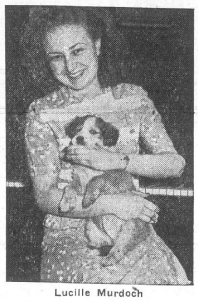
Local Girl Wins Award of $500

MISS LUCILLE MURDOCH WINNER OF INA H. BUTLER CITIZENSHIP AWARD

Announcement was made this week that Miss Lucille Grace Murdoch, daughter of the Rev. and Mrs. James Cameron Murdoch, has won the Ina H. Butler Citizenship Award, presented for the first time this year by Burridge D. Butler, publisher of the Prairie Farmer and president of Radio Station WLS, in honor of his wife. Similar winners also were announced in the states of Indiana, Wisconsin and Illinois.

The award, a $500 scholarship certificate, was offered this year to senior girls where total high school enrollment is under 300, and was given to one girl in each of the four states. Each girl competing was required to write the story of her life, including the community activities in which she actively participated, her ambitions



Lucille Murdoch

and how the Ina H. Butler award would help her in realizing her ambitions. The girls were scored by high school principals and ministers on scholarship, leadership, personality, community activities sports and church activities.

Miss Murdoch is a member of the class that graduated from Tecumseh high school last week. Although she is slightly older than some of the girls with whom she graduated, because she gave up two years of her schooling for work, the various types of jobs that she held in the interim made her soon realize that school was vitally important. During her junior and senior years in school she worked as a file clerk one hour a day, and this turned into a full-time job during the summer vacation months. In her senior year she was active in many extra, curricular activities. "Although Lucille is not a straight A student, she knows the value of education and has the ability to plan for success," W. L. Berkhof, superintendent, advised the Butler committee.

In her junior year in high school, Miss Murdoch was president of her class and took part in several school plays. She was a member of the staff of the annual in her senior year. She also sang in the Presbyterian church choir and taught a Sunday School class of 21 girls, as well as being the president of the Young People's Society.

Miss Murdoch will use her $500 to get started in college on a study course aimed at psychology and religious education.

The Butler award will open again for high school senior girls along about October, 1946. Girls in schools with an enrollment under 200 may apply now, or wait until the fall announcement. Applicants must be seniors.

Garden Club Plans For Flower Show on June 21

The Tecumseh Garden Club is making plans for a Flower Show to be held Friday, June 21, on the lawn at the home of Mrs. R. S. Moore on West Chicago Blvd. Franklin Garden Club and Ridgeway Garden Club have been invited to bring exhibits.

The exhibits will be judged in two classes: for arrangements, modern, Victorian and miniature; and for two specimen blooms.

The program will be in charge of Mrs. Moore.

The show is open to the general public. Refreshments will be charged for and the receipts added to the memorial fund.

SCRAP BOOKS FINISHED

A group of 15 Brownie Scouts have completed scrap books which have been donated to Tecumseh Hospital and also placed in waiting rooms of local doctors and dentists. The group is composed of Barbara Ousterhout, Waneta Cleveland, Anita Dickinson, Martha McKenzie, Shirley Larned, Francis LeBaron, Ruth Ann Coates, Mary Lou Partridge, Juanita Downard, Sylvia Helzerman, Elizabeth McKenzie, Shirley Watson, Theresa Cornell, Doris Phillips and Jane Smith.

192 Are Enrolled at Bible School

One hundred and ninety-two children have enrolled for the Vacation Bible School, which opened Monday, June 10, and will continue through June 21. The first day's enrollment was 167, and the age range is from 4 to 14 years. Sessions are held in the high school gym from 9 till 11:30 Monday through Friday mornings for the two weeks period. The daily schedule includes chapel service, Bible study period, music, handwork, play and Bible story with pictures.

Sessions will close with a demonstration Friday evening, June 21, in the gymnasium for parents and friends.

The school is sponsored by the Friends, Baptist, Methodist, Presbyterian and St. Peter's Episcopal churches.

Candidates Initiated by Wyandotte I.O.O.F. Team

A large group of members from Wyandotte Lodge, I.O.O.F., were guests Saturday evening of Tecumseh Odd Fellows and the Wyandotte degree team conferred the initiatory degree on a class of five candidates. Music was furnished by the Wyandotte lodge quartet and a choir of 40 voices. Lunch was served to 82 members and guests at the close of the meeting.

On Tuesday evening, June 18, Dearborn Lodge will be entertained and will confer the first and second degrees.

MISSIONARY TO SPEAK

Everett L. Cattell D.D. the chairman of the American Friends Mission, Bundelkhand, Central India, will be the speaker at the worship service Sunday morning at 10 o'clock at the Tecumseh Friends Church. Mr. Cattell is home on furlough after nearly nine years of service in India. He plans to return to India this fall. He has had a wide ministry in India, having addressed some of the largest Christian gatherings in that land. He has a wide knowledge of the religious, social, economic, and political factors as they affect the life of the people of India in general and as they affect the work of the Christian church in particular.

AWAIT ARRAINGMENT

Clayton Thompson, 54, and Robert Staulter, 32, Tecumseh, will be arraigned in Adrian Justice court today on a charge of resisting an officer, after their arrest here, Tuesday night. The men are said to have battled Officer Wilson when he attempted to make the arrest in the downtown area, and to have struck Mayor J. Floyd Elliott when he attempted to help the officer take them to the jail. Elliott suffered cuts and bruises to his head, Wilson's arm was cut. The men had been drinking, police say. Cletus Nichols, also of Tecumseh, was bound over to circuit court yesterday, charged with a similar offense. He battled Officer Bert Tate here on June 3, when he attempted to arrest him, and injured the officer's arm.

Light Vote Is Seen, Tuesday

PRIMARY ELECTION TO BE HELD THROUGHOUT STATE; CONTESTS SPIRITED

Although there are some spirited contests in the state for nominations to the office of governor and lieutenant governor, voting locally and throughout Lenawee county is expected to be "comparatively light" at the primary election, to be held next Tuesday. Voting locally will be in the council building, and the polls will be open from 7 a.m., until 8 p.m.

In the contest for governor on the Republican ticket there is Vernon Brown, present lieutenant governor, Kim Sigler, the dynamic grand jury prosecutor, Edward Jeffries, mayor of Detroit, and Ray W. Kelly, Ann Arbor war veteran. On the Democrat ticket, former governor Murray D. VanWagoner is being opposed by W. J. Cody.

In the race for lieutenant governor on the Republican ticket are Owen J. Cleary of Ypsilanti, Geo. N. Higgins, Dr. Eugene C. Keyes and Howard Nugent. Osmond Kelly is the only Democrat.

Congressman Earl C. Michener is being opposed for the Republican nomination to succeed himself by H. S. VanderVelde of Ann Arbor. W. R. Kelley and Wayne Sarri are the Democrat nominees for the congressional seat. In the senatorial race, Homer Ferguson, Republican incumbent, is unopposed on his ticket. On the Democrat ticket the nominee is James H. Lee.

For state offices, Senator Elmer Porter, Republican is unopposed on his ticket and there is no Democrat nominee. R. G. Conlin, state representative, is unopposed on the Republican ticket. The Democratic nominee for the office is H. I. Bourns of Adrian.

In the county, Rex Martin of Adrian is the Republican nominee for prosecutor, and he is unopposed. There is no Democratic nominee. Elmer Bringman, Republican, is seeking nomination to succeed himself as sheriff and he is opposed by Lloyd Van Etten. Earl Dryer is the Democratic nominee. Robert King, county clerk, is the only Republican seeking that office and Ralph Seward of Manitou Beach is the Democrat choice. Harry Bradley, Republican, treasurer, is unopposed on his ticket, the Democratic choice being Richard J. Guss of Hudson. Leonard Warner, Republican, register of deeds, is opposed on his ticket by Norman Trada of Adrian. The Democratic nominee is Leella G. Rorick of Morenci. Other unopposed Republicans, and who likewise have no Democratic opposition are, Archie Brice for drain commissioner, Walter Frazier for surveyor, and Paul Mott and Ed Braun for coroners.

CHILDREN'S DAY OBSERVED AT ST. PETER'S CHURCH

Children's Day was observed at St. Peter's Episcopal church with special presentations by members of the Sunday school. Irma Broillier, Mary Lou Alderdyce and Nancy Lee Randall dramatized the parable "The Prodigal Son." The Psalm was read by John Kopke, the lesson by Russell Hubbard. During the offering, instrumental music by Sally Brown, Marilyn Lindsley and Robert Hadley was played.

Awards for regular attendance were given to Dale and Fred Lewis, Nancy Randall and Mary Lou Alderdyce. Perfect attendance awards were given to Richard and Russell Hubbard, John Kopka, Sally Brown and Irma Broillier. In the primary department, awards were given to Rita Kay Richardson, Ross Hadley, Nell O'Hara, Sarah Wright, Dee Ann Dunbar, Priscilla Ramsay, Janet and Joyce Brollier, Russell Hyatt, Mary Lee Packard, Shirley Raizk and Mary Colgrove for attendance.

Vacation Schedule Is Offered By Library

Miss Ruth Harding, librarian, announces that Tecumseh Public Library is again offering vacationists the privilege of taking books for the summer, returning them in September. Hundreds of desirable books are being circulated under this plan although the latest books and those most in demand are not cluded.

The Library this week received a check for $123.69, from the state board of public libraries as final payment of the general library fund grant. This makes a total of $182.17 received. The local library qualified this year by meeting provisions of the state law and the funds may be used for books, periodicals, rebinding and other necessities.

Children Hurt In Gun Mishap

BOTH REMOVED TO TECUMSEH HOSPITAL FOR TREATMENT OF WOUNDS

Two children, both of the Clinton area, were hurt during the past week in accidents involving guns.

Nicholas Nilsen, nine year old son of Mr. and Mrs. T. B. Nilsen of Clinton was shot in the left arm last Wednesday when a .32 calibre revolver was accidently discharged in the hands of Marjorie Tirb, who was showing the gun to her playmates. The bullet nicked the wrist and lodged in the elbow. He was brought to Tecumseh Hospital for X-ray and removal of the bullet. No bones were broken.

Harold Gage, 13 year old son of Mr. and Mrs. Clande Gage of near Clinton was brought to Tecumseh Hospital last Wednesday afternoon after a bullet from a rifle in the hands of Norman Fielder, pierced his throat and lodged in his shoulder while he was cultivating corn with a tractor. The Fielder boy was shooting crows in a nearby field. Harold was later moved to University Hospital in Ann Arbor where the bullet was removed and at last reports his condition was favorable.

Funeral Services Held For Mrs. Jennie Hurlbut

Funeral services were held in Adrian Saturday for Mrs. Jennie M. Hurlbut aged 77 years, widow of the late Wm. N. Hurlbut, who died last Wednesday at her home in that city after a three month's illness. Mrs. Hurlbut was formerly Jennie Heck, a daughter of Mr. and Mrs. William Heck of Tecumseh and spent her early life here, moving to Adrian after her marriage in 1891.

She leaves a daughter Glendora at home, two sons Maurice and Douglas both of Adrian, a brother Charles Heck of Ann Arbor and several grandchildren.

Burial was in Oakwood cemetery in Adrian.

JONES GIVES REPORT ON ROTARY SESSIONS

Wade L. Jones, president-elect of the Tecumseh Rotary club and who returned Saturday from the international convention of Rotary in Atlantic City, made an excellent report of the sessions when he spoke before the local club at its regular meeting, Tuesday evening at Brees House. Mr. Jones was the club's delegate with credentials to the convention. Mr. and Mrs. Lester Rogers and Mr. and Mrs. Geo. Green, sr., also attended the meeting.

MACCABEES TO MEET

Alumni Banquet Attended By 350

FIRST MEETING IN FOUR YEARS ATTRACT RECORD ATTENDANCE HERE

Three hundred and fifty members and guests were seated for the Tecumseh high school alumni banquet held Friday evening at the school. Tables laid in the gymnasium were centered with floating bowls of spring flowers and large baskets of flowers were also placed around the gym. Preceding the banquet a reception was held in the assembly after which Mrs. Kenton Hunt played for the grand march to the gym where the dinner was served by 24 members of the junior class.

Ferry Hayden, class of 1919, gave the invocation and Ray W. Binns, 1912, of Ypsilanti as master of ceremonies announced the program. Bernice Austin Duncan, 1932, welcomed the guests and her daughter Marda Gene, 1946, responded for the seniors. The program included tap dancing directed by Rae Nita Larsen, 1940, quartet selection by the "Barber-Aires" led by F. C. Dickinson, 1907; selections by the high school male quartet composed of Dermont Poley, Fred Ward and Kenneth Maves, all 1946, and Wilfred Waldron Jr., 1947. The program closed with a songfest led by the "Barber-Aires" with Betty Green Miller, 1940, at the piano.

Leon F. Rosacrans then showed movies of "Main Street" which were very much enjoyed. The remainder of the evening was spent dancing with music by Driscoll's orchestra.

Gibbs Barber was elected president of the alumni association for the coming year to succeed William A. Wright. Other officers chosen are Frederick Dickinson and Margaret Gove Campbell, vice presidents; Myrna VanVleet Tingley, recording secretary; Margaret a Gibson Brisbin and Barbara Humble, corresponding secretaries; Charles Bancroft, treasurer.

The last alumni reunion was held in 1942 and since that date 29 names have been added to the list of deceased members. Nine others have been placed on the Gold Star Honor Roll having lost their lives in World War II.

Members attending from out of town were Blanch Colson Hull, '20, Blanch Vogel Hanke, '20, Roger E. Van Valkenburg, '35, June La-Bounty Pichler, '37, of Adrian; William Hunt, '27 of Brooklyn; Norma Moody Housner, '16, Brighton; Lloyd Wagner, '32, Helen Claus Carter, '42, Margaret Forgacs, '43; Earl Pennington, '23; Frances Tallman Pennington, '25, of Britton; Muza Rice Grove, '17, of Curtice, O.; Frances Wilson Collins, '24, Clyde Burleson, '36, Dorothy Van Gieson, '44, Alberta Williams Finkbeiner, '44, Mary Waring Steffens, '28, Eva Murphy VanDeMark, '25, and Jennie Burleson Hellman, '24 of Clinton; Virginia Collins Manso, '44, Metta Steward Bilger, '16, Lucille Conlin Hoefer, '17, and Genevieve Austin Rogers, '27, of Detroit; Dorothy Saum Dove of Bradenton, Fla.; Rae Nita Larsen, '40, of Jackson; Nellie Burleson Furgason, '36, of Jonesville; Russell McConnell, '29, Lucille Packard McConnell, '31 of Otsego Pt., Maine; Lt. Robert Wilson, '42, of Quantico, Va.; Eva Mark Smith, '27, of Rochester; Flora Rentschler Berry, '25, of Riga; Ethel Bishop Towler, '24 and Lee Robison, '29, of Saline; Beatrice Munger Daniels, '25, Carolyn Baker, '45, Norma Reinhart, '43, Raynor Hardy, '37, Garrett Linger, '39, Imobelle Spaulding Kahle, '25, Eleanor Norcross Claus, '03, Neoma Kuhl Wilson, '32, Woodrow Hunt, '31, George Mattis, 31, of Tipton; Bettie Williamson Dawson, '38, Florence Beevers Omar, '38, of Ypsilanti; Wm. Lenardson, '41, of Harlem College, O., and John R. Price, '46, of Oak Ridge, Tenn.

Diplomas were presented Thursday evening to 41 seniors with F. Elmer Marshall of Indianapolis giving the commencement address. Janet Galloway was salutatorian and Marjorie Wickwire valedictorian and members of the class were introduced by James McDowell. Martha Hewlett and Dermont Poley sang "Serenade" by Toselli and the high school chorus sang selections. Wilfred Waldron played the processional and Rev. Alvin Brazee gave the invocation and benediction.

BARN DESTROYED

The rural fire department answered a call to the Clyde Burleson farm north of town Monday shortly after one o'clock where fire of unknown origin destroyed a barn and adjoining building, a quantity of baled hay and farm machinery.

MONEY FOR WHAT?

Despite the country's great wealth of men, machines and natural resources and technical ability, we are headed for trouble. The principle reason for the trouble is that in the wake of the war there is a crying need for everybody to work harder and longer than ever before and perhaps suffer a decline in living standards to boot, but nobody seems to be willing to do so. The theme song is shorter hours, higher wages, lower taxes.

However, unless more work and higher production accompanies wage raises, nothing has been gained. Bernard Baruch said, "To make the take-home worth while, more things at lower prices must be produced. This is up to labor more than management. Unless each man produces more for what he receives, increases his output, there will be less for him and all the others. Each one will receive more money but have fewer things . . . Who gets any advantage if goods are not produced faster than wages are advanced and money is printed?"

There is a lot of common sense in what Mr. Baruch says. It would be well if some of the labor union heads and political-minded Washington office holders would study his statement carefully. And, unless they begin to study and think very soon, what occurs will indeed be lamentable.

There's a Ford in your future!

Are You Plagued By Shortages?

* * *

We know lots of folks who complain about shortages in foods, clothing, automobiles and many other things and their attention on these matters tends to make them forget that in times such as these, when there is little to buy, is the time to lay away a part of their earnings.

We'd suggest that during this "shortages" period folk budget their income and save a portion of it for future spending—when things become far more plentiful.

Open a savings account in this bank and save regularly. Then, when new electrical appliances, cars, etc., return to the market, you'll be in a position to buy them and have money left.

For Post-war Remodeling Use Sidewall Shingles

If you have been wondering just what to do to make your home look brighter, give it that smart, post-war appearance, we'd suggest the application of sidewall shingles.

Sidewalls—proof shows—are not expensive. They cost, including installation, about the same as two coats of paint. They are easy to apply and, once installed, afford years and years of satisfactory service.

Why don't you install sidewalls this year instead of paint. We have the shingles for your job, and the labor also is available.

Don't Neglect the Roof of Your Home

The roof of your home, too, is very important. Don't negect it. If a new roof is needed, we can supply either asbestos or wood shingles.

4-H and FFA Steers Inspected By State

Under the guidance of the county agricultural agent, the county 4-H Club leader and the local high school agricultural department, several hundred baby beef calves were purchased during the past year and sold to FFA and 4-H Club boys for feeding. At intervals, tours were arranged whereby the boys feeding steers could compare their skill with others in the county.

The last of such tours was held last Saturday, under the immediate direction of George Freeman, extension specialist of the animal husbandry department of Michigan State College. Mr. Freeman inspected each animal raised and gave many valuable feeding suggestions to the boys.

The following places were visited in this area: Ned Swift, Robert Irwin, Stanley Frost, Roger Williams, Carl Woodward, Clinton, and Wesley and Joan Whelan. Mr. Freeman complimented the group as a whole on the appearance of their animals and indicated that several of them looked very promising to place well in county fair competition. Probably the most outstanding gain was made by the two steers owned by Roger Williams. Estimates of the weight of his animals varied from 800 to 900 pounds. This is Roger's second year in a feeding project and from the appearance of his animals he profited well by his experience of a year ago.

Mr. and Mrs. House are spending two weeks with his parents and will return to Memphis where he is stationed.

Miss Margaret L. Zick Weds G. S. Heimerdinger

Miss Margaret L. Zick, daughter of Mr. and Mrs. Walter Zick, and George Stanley Heimerdinger, son of Mr. and Mrs. Clarence Heimerdinger of Clinton were married Saturday evening at a candlelight ceremony held in First Congregational church in Clinton. The double ring service was performed by Rev. O. E. Priest assisted by Rev. H. G. Kellogg. Mrs. Audrey MacDonald of Centerline was matron of honor and bridesmaids were Beverly Eurek of Saginaw, Lois Heimerdinger and Margaret Garrison of Clinton. Little Joan Lemm of Onsted was flower girl. James Heimerdinger of Clinton was his brother's best man and the ushers were Charles Greenfield, Samuel Baird and Junior Feldkamp.

Mrs. Mahlon Sebring played a short program of organ music and the wedding march; Miss Phoebe Butterfield of Almont gave "Because" as a violin solo and Miss Vivian Moats of Clinton sang "I Love You Truly" preceding the ceremony.

A reception for 100 guests was held in the church social room and later the couple left on a trip through the southern states. On their return they will live south of Clinton on M-52.

The bride is a graduate of Tecumseh high and will graduate in February from Michigan State Normal College in Ypsilanti. The groom is a graduate of Clinton high school and attended Ford Trade School for 19 months. He has served 39 months with the navy in the Pacific and plans to enter Michigan State Normal in Ypsilanti this fall.

Who'd Pay the Loss If Fire Damaged Your Home?

Probably, nine out of ten persons, if asked who would pay the loss if fire should damage their home would answer, "the insurance company." But would it?

Do you have sufficient insurance on your home to cover ALL LOSSES? Ten chances to one, if the policy was written four or five years ago, it would not, because prices have risen sharply in the last five years.

We'd advise that you check your policy carefully and determine whether or not you are UNDER-INSURED. Your findings may surprise you.

JUNE 30 A BIG DATE FOR ARMY MEN!

If you have been discharged from the Army—if you held a grade and wish to retain it—if you have dependents—then act now. . . . June 30, 1946, is the last day on which you can enlist in the Regular Army and still take advantage of two important benefits . . . retention of your old grade and family allowances.

Family allowances for your dependents will be continued throughout your enlistment only if you enter the Regular Army before July 1, 1946.

If you have been discharged from the Army and wish to reenlist at your old grade, you must enlist within 90 days after your discharge. And before July 1, 1946. Think it over. Act now.

There Still is Time To Plant Your Garden--

Don't be too discouraged if you still have garden to plant, there still is time to do it—and to raise a profitable crop, too

Our part in your gardening comes in the supplying of the seed. For years, we have been one of the largest dealers in seeds in the county. We built our business on the sale of pre-tested seed—seed that is certain to grow.

Our sales this year have been large, but we still can supply late gardeners. If there are certain seeds that you need, call on us to furnish it. We know that once you buy pre-tested seed you'll be a steady customer, too.

Is your home hard to heat? Perhaps your furnace is suffering from "poor circulation." This simple PREMIER Unit has provided a quick cure for the "sluggish heating" troubles of hundreds of home owners.

CIRCULATES HEAT
Attached to your furnace the PREMIER blower greatly speeds up air circulation. Air in the rooms is literally pulled down the cold air registers, forced over the furnace surfaces, and up the warm air ducts.

FILTERS AIR
The air is likewise filtered—cleaned of winter dust and soot. The result—a clean home with a refreshing atmosphere free from that "stuffy" smell.

SAVES COAL
PREMIER forced circulation extracts more heat from the furnace. Your home stays warmer with a smaller fire. You burn less fuel—but are more comfortable. Fuel savings have been reported up to 23%.

See this unit—learn how easily and economically it can be installed NOW.

Barnes, or their unknown heirs, devisees, legatees and assigns and successors,

Defendants.

At a session of said court held at the Court House in the City of Adrian, in said county, on the 6th day of May, A. D. 1946.

Present: Honorable G. Arthur Rathbun, Circuit Judge.

On reading and filing the Bill of Complaint in said cause and the Affidavit of Robert L. French attached thereto, from which it satisfactorily appears to the Court that the defendants above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause; and

It further appearing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said defendants are living or dead, or where any of them may reside if living, and, if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry;

On motion of Robert L. French, attorney for plaintiffs, it is ordered that said defendants and their unknown heirs, devisees, legatees and assigns, cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said Bill of Complaint be taken as confessed by the said defendants, their unknown heirs, devisees, legatees and assigns.

It is further ordered that this order be published or served according to law.

G. ARTHUR RATHBUN,
Circuit Judge

Countersigned:
R. B. KING, Clerk of the Court

TAKE NOTICE, that this suit, in which the foregoing order was duly made, involves and is brought to quiet title to the following described piece or parcel of land situate and being in the Township of Ridgeway, County of Lenawee and State of Michigan, described as follows, to-wit:

Lots Number Sixty-eight (68) and Sixty-nine (69), excepting the East Seventy-six (E 76) feet of Lot Number Sixty-nine (69), on the Supervisor's Plat of the Township of Ridgeway.

PRIMARY ELECTION

To the qualified electors of the Township of Tecumseh, County of Lenawee, Michigan. Notice is hereby given, that a General Primary Election will be held on

Tuesday, the 18th day of June, 1946

at the respective polling places in the council Building for the purpose of placing in nomination by all Political Parties participating therein, candidates for the following offices, viz:

State and District — Governor, Lieutenant Governor, United States Senator, Representative in Congress, State Senator, Representative in State Legislature.

County — Prosecuting Attorney, Sheriff, County Clerk, County Treasurer, Register of Deeds, Circuit Court Commissioner, Drain Commissioner, Coroner, Surveyor.

Delegates to County Conventions

There shall also be elected as many DELEGATES to the County Convention of the several political parties as said ward, precinct or district is entitled to under the call of the county committees of said political parties, which number will be indicated by the number of blank lines printed on the official primary ballots used at said election, under the heading "Delegates to County Conventions."

The Board of Primary Election Inspectors shall certify to the County Clerk the names of the electors so elected as delegates, naming the political party upon whose ballots such electors were elected. The County Clerk shall notify by mail each person elected as such delegate.

The name of the candidate for delegate to the county convention shall not be printed upon the official primary election ballot, but one or more such names may be placed on such ballot by printed or written slips pasted thereon by the voter, or the names may be written in by the voter.

Relative to Opening and Closing of the Polls

Act 72—Public Acts of 1943

Section 1. On the day of any election the polls shall be opened at 7 o'clock in the forenoon and shall be continued open until 8 o'clock in the afternoon and no longer. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

H. H. HANNA,
June 6-13 Township Clerk

Order of Hearing—Appointment Administrator

STATE OF MICHIGAN, County of Lenawee, ss. Probate Court for the County of Lenawee.

At a session of the probate court for the county of Lenawee, holden at the probate office in the city of Adrian on the 3rd day of June in the year one thousand nine hundred and forty-six.

Present, HON. MAURICE E. TRIPP, Judge of Probate.

In the matter of the estate of JOSEPH REICHENBAUGH, Deceased.

On reading and filing the petition, duly verified, of Clara Reichenbaugh, widow and heir at law of said deceased, praying that administration of said estate may be granted to John Reichenbaugh, or some other suitable person.

It is ordered, that Monday, the 24th day of June next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it is further ordered that a copy of this order be published in The Tecumseh Herald, a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks previous to said day of hearing.

There's Danger in Under-Insurance of Both Real and Personal Property

Would You Sell Your Property For It's Insured Value?

The average owner in this area today, is lulled into a sense of security by the fact that he has an insurance policy covering fire, theft or other losses.

He forgets that he established the amount of his insurance coverage back in 1940 or earlier and has failed to keep his insurance abreast of the steadily rising values and replacement costs.

Home owners should ask themselves this question: "Would I sell my home or belongings today for the amount of insurance I carry?"

Another way to visualize this danger of under-insurance is to consider the replacement costs in dollars and cents and not in percentages.

For example, a home that was worth $7,000 in 1939 is worth over $11,000 today in most cases. The 1939 insurance coverage no longer is adequate to do the job.

Don't delay increasing your coverage—tomorrow may be too late.

East Branch to Be Repaired

BROWNVILLE SCHOOL TO BE OPERATED BY DISTRICT, BERKHOF SAYS

Repairs to the East Branch school building, if materials are available, and the operation of the Brownville school by the district, effective in the fall, were announced today by W. L. Berkhof, superintendent of schools. The Brownville school formerly was operated by Ford's Edison Institute, and was abandoned by the Institute with the closing of school this month.

The present plan, Mr. Berkhof said, calls for making available at least one more room at the East Branch through repairs and decoration and probably the installation of a fire escape. This building has not been used extensively for years, although the crowded condition of other buildings during the war years made the use of two rooms there necessary.

"We have not reached a positive decision on the operation of Green Lane Academy, (formerly a Ford-Edison school), but if the repairs can be made to the East Branch it is quite likely that we will not attempt to operate the Academy," Berkhof said. He pointed out that theb oard felt that operation of this school would be expensive, inasmuch as it is nearly two miles southeast of the village, that bus service would have to be maintained, and janior service, too, especially in winter, would be a problem.

Paul Jones, director of Edison Institute, conferred with Berkhof last week on turning over the Brownville school to the district. Legal papers are now in process and probably will be signed soon, it was said.

Mr. Berkhof expects that Tecumseh's total school enrollment in the fall will be 60 to 75 greater than it was a year ago. This is due to the closing of the Brownville school, and the decision of the Waring district to send its students here. Other rural districts also are making early enrollments in the school here, Berkhof said.

"It might be well for rural students who plan to attend Tecumseh schools next fall to register now, or as early as it can conveniently be done," the superintendent said. "In this way we will know more about what our school population will be next fall and we can make our plans accordingly."

Daughters Are Married By Father at Clinton

At a double wedding ceremony performed Saturday afternoon in the Clinton Congregational church Anita June Priest, daughter of Rev. and Mrs. O. E. Priest, became the bride of Theodore J. McNamara, son of Mrs. Hazel McNamara of Howell, and her sister Shirley Ann was united in marriage with John F. Robison, son of Mr. and Mrs. Samuel Robison of Clinton.

Preceding the service Mrs. Hope Stadler played a short program of organ music and the wedding marches and Miss Vivian Moats sang "Because," "Through the Years" and "Always." The guests were seated by George Simons, James Mathews, Delmar Richards, Temple Metz and Edward Robison.

The single ring ceremonies were performed by Rev. Priest, father of the brides, former pastor of the church, assisted by the Rev. Harry G. Kellogg. Anita was given in marriage by her brother Douglas B. Priest of Phoenix, Ariz., and Shirley was given in marriage by Thomas Wilford of Detroit.

The brides were dressed in identical gowns of white satin, with fingertip veils held in place by wreaths of orange blossom petals, and carried calla lilies.

Mrs. Phyllis Saltz of Ypsilanti and Mrs. Dorothy Tucker of Macon were matrons of honor; Carol Priest and Mrs. Mary Austin, sisters of the brides, were bridesmaids; Judy Perry and Sally Semark were flower girls and Danny Semark and Bradley Johnston, ring bearers. Jack Weimeister of Howell was Mr. McNamara's best man and Mrs. Robison was attended by his brother Robert.

Following the ceremony a reception for 200 guests was held in the church parlors. Later Mr. and Mrs. Robison left on a week's trip and on their return will live in the Moats apartment in Clinton. Mr. and Mrs. McNbmara will take a trip through northern Michigan and spend the summer at Pleasant Lake.

Mr. Robison was discharged in November from the Army Air Forces after 18 months service. Mr. McNamara served in the Coast Guard three years and also received his discharge in November.

NOTICE

Effective July 15, I will again be available for house calls.

Former President of Gideons To Speak Here

SAMUEL A. FULTON

Samuel A. Fulton, three times president of Gideons international, and now the treasurer of this Christian business men's organization, will speak in Tecumseh, Sunday morning, June 23.

Mr. Fulton will be in the Tecumseh Friends church at the 10 a.m. worship service to speak very briefly, and will then be the speaker of the morning in the First Presbyterian church.

Mr. Fulton is the president of the Fulton Company, of Milwaukee, Wis. manufacturers of automotive equipment. He will be the principal speaker at the annual Gideon banquet for Lenawee county to be held at the Methodist church Saturday night, June 22.

Perry Hayden will speak for the Gideons in the First Baptist church in Tecumseh at their 11 a.m., worship service.

It is impossible at this time to name what other churches in this general area are to have Gideons in the pulpits, Sunday.

Flower Show Here, Friday

WILL BE HELD ON THE LAWN OF MRS. R. S. MOORE ON W. CHICAGO BOULEVARD

Tecumseh Garden Club has completed arrangements for the Flower Show to be held Friday afternoon on the lawn at the home of Mrs. R. S. Moore on West Chicago Blvd. The Ridgeway and Franklin Garden Clubs have been invited to participate and also to bring exhibits which will be judged in two classes: for arrangements, modern, Victorian and miniature; and for two specimen blooms.

Mrs. Moore is in charge of the program which will be presented in the Robert H. Moore garden by a group of local children under the direction of Rae Nita Larsen. Goodacres orchestra will play and Mrs. Glenn Driscoll will act as piano accompanist for the dances. Robert Hadley will give acordion selections.

Children taking part in the dance revue are: Acrobatic dance—Grace Elizbeth Moore and Patsy Purcell; Happy New Year—Barbara Ann Folk, Patsy Purcell, Grace Moore, Judy Sisson, Garnet Drouillard, Mary Lue Burleson, Dulcie Bowen, Diane Winfield, Polly and Patsy Eberhardt and Judith Knifen; Ironing Day—Patsy Eberhardt, Priscilla Jean Ramsay and Sharon Gallant; Irish Swing — Bruce Packard, Nancy Randall, Sylvia Helzerman, Rita Kay Richardson, Ardyth Eaton, Jean Conlin and Betty Barton; Toy Soldiers—Judy Haines, Lynn VanWinkle, Lois Ann Wilt, Marilyn Helzerman, Diane Skinner, Barry Packard, Tommy Tressler, Patricia Davis, Joan Wing, Mary Ellen Folk, Carolyn Mueller, Carol Sue Rutherford, Gregg Mason and Karen Beach.

Refreshments will be served at a slight charge and the receipts will be added to the memorial fund.

In case of rain Friday, the show will be held Saturday afternoon.

The show and program are open to the general public.

BRIDE HONORED

Mrs. Robert Williamson, formerly Bette Purkey, was honored at a miscellaneous shower in the home of Mary Lou Boyd last Wednesday evening. The time was spent socially and a scrapbook was made, which provided much amusement.

Mrs. Leroy Feldkamp of Saline assisted in serving the refreshments of ice cream and cake from a lace covered table decorated in pink and white and centered with spring flowers.

The honored guest received many lovely gifts.

WNS AT SHOW

Mrs. Lee Irelan of Tecumseh won first place in the working stock horse class at the Horse Show in Marne, near Grand Rapids Sunday, and was awarded $100 and a bronze trophy of a horse and rider. The show was given by the Grand Rapids Riding Club.

Mr. and Mrs. Irelan and Mr. and Mrs. Wyman Service attended from Tecumseh.

The 26th annual reunion of the Murphy family will be held Sunday, June 30 at the home of Mr. and Mrs. Earl Murphy, notrh of Britton. Potluck dinner will be served at 1 o'clock.

Dr. Brown's office will be closed from June 23 to July 14, inclusive.—adv. July 3.

Village Tax Rate Boosted

COUNCIL VOTES 15-MILL ASSESSMENT, A ONE MILL INCREASE FROM YEAR AGO

The village council, in adjourned session on Monday evening, approved a 15-mill tax rate for Tecumseh this summer, an increase of one mill over the rate of a year ago, and the maximum rate that can be established under Michigan law. The collection of taxes by K. D. Hall, treasurer, will begin next month.

The new $15-a-thousand rate will raise $39,507 by direct taxation. Of this amount, 7 mills or $1,436.60 will go into the general fund, three mills or $7,901.40 into the highway fund, three mills or $7,901.40 into the sewer fund and one mill each or $2,633.80 into the cemetery and highway funds.

Tecumseh's assessed valuation has been fixed as $2,241,000 real estate and $392,100 personal properly. This amount is $118,800 more than it was a year ago.

Rising costs of operation are accountable, it was said, for the necessity of adding one mill to the tax rate.

The council also voted to assess through taxes some $60 in unpaid water bills throughout the village. Under an ordinance passed several years ago, delinquent water bills may be assessed against property and collected the same as other taxes.

Miss Betty Kruger Weds Robert Pelkey

At a candlelight ceremony held Saturday evening at St. George Evangelical Lutheran church in Brighton, Miss Betty Kruger, daughter of Mrs. Hazel Kruger and Otto Kruger of Tecumseh, became the bride of Robert Pelkey, son of Mr. and Mrs. Louis Pelkey of Brighton. The double ring service was read by the Rev. Paul W. Geigar.

The bride who was given in marriage by her brother Earl Kruger, wore white embroidered net with fingertip veil and long train and carried a white prayer book and an orchid. Miss Doris Kruger, in baby blue, with a corsage of roses and sweetpeas, was her sister's only attendant. John Pelkey was his brother's best man. Preceding the ceremony a soloist from Ypsilanti sang "Because" and "My Hero" and played the wedding march from Lohengrin.

A reception for 150 guests was held at the Brighton Club following the ceremony. Mr. and Mrs. Pelkey left later on a trip through northern Michigan and on their return will reside in Brighton.

The bride is a graduate of Tecumseh high school and of Cleary College in Ypsilanti and since her graduation in 1942 has been employed in that city. Mr. Pelkey served in the Pacific three years and was discharged from marine service in December.

Those from Tecumseh who attended the wedding were Mrs. Hazel Kruger , Mr. and Mrs. Lewis Kruger, Mr. and Mrs. Earl Kruger, Doris Kruger, Camilla O'Pravil, Mrs. Emma Brown, Mrs. Ina Goldsmith and J. L. Collier.

DYNAMIC WHEAT CROP HARVEST ON AUGUST 1

Preparations for the harvesting of the sixth and final crop of "Dynamic Kerneis"—the bibical wheat project started here by Perry Hayden, will take place at the Adrian Fair Grounds on August 1, Raymond Jeffries of Columbus, told members of the Rotary Club, when he addressed the group following dinner, Tuesday evening at Brees House. Mr. Jeffries is in charge of publicity for the project.

Both Mr. Hayden and Mr. Jeffries spoke briefly, the latter declaring that Tecumseh and Lenawee county have received more favorable publicity from Dynamic Kernels than any other project in history. Many state and national dignataries are expected to attend the August harvest and the value of the crop is expected to be $100,000.

Geo. E. Green, sr., was named as treasurer of the Rotary club, effective with the first meeting in July. Mr. Green succeeds Guy E. Belding, who tendered his resignation.

PYTHIANS TO MEET

The Lenawee County Pythian Sister Friendship Association will meet tonight at the K. of P. hall in Tipton for a potluck supper and program. The staff of the Tipton temple will exemplify a special drill. All Pythians are welcome to attend.

Vacation Bible School To Close on Friday With Demonstration

The Vacation Bible school which has been in session here since June 10 will close Friday evening with a public demonstration in the high school gymnasium.

Rev. Edward Escolme will be chairman of the meeting; Rev. Allan Ramsay will conduct the chapel service; Rev. B. O. Bashore will give a report of attendance and finances; Rev. J. C. Murdoch, dean of the school, will give a dramatization of the Good Samaritan and the Lost Sheep. There will be songs and drills by the various groups; a display of handwork and pictures of Jesus blessing the little children.

Parents and friends are especially invited to attend this demonstration which will open at 7:30.

A total of 210 children were enrolled for the school which has had an attendance of from 160 to 180 daily.

Mrs. Geo. Smith Is Buried Here

FUNERAL SERVICES HELD TUESDAY AFTERNOON FOR WELL-KNOWN RESIDENT

Mrs. George U. Smith, aged 83 years, a resident of Tecumseh for many years, died early Saturday morning at her home on North Union street. Mrs. Smith had been failing for some time and on March 1 fell in her home, fracturing her hip, from which she never recovered.

Mrs. Smith was formerly Jennie Fielder, daughter of the late Samuel and Sarah Fielder and was born in Queens, N. Y., August 21, 1863. She came to Michigan when a child with her parents who located near Ann Arbor. They later moved to Franklin township where she remained until her marriage to Mr. Smith when she came to Tecumseh to make her home. She was a member of the Methodist church.

Survivors are a daughter Mrs. Edna Cdoling, who made her home with her mother; a son S. Henry Smith also of Tecumseh; a brother Edward G. Fielder of Miami, Fla.; two sisters Mrs. Alice Baker and Mrs. Annette Martin of Emporia, Kansas; six grandchildren, G. Maxwell Smith of Clinton, Henry Karl Smith, Mrs. Mary Audrey Britton, Miss Beth Smith and Mrs. Donna Elliott, all of Tecumseh, and Jeannette Smith of Adrian, also several great grandchildren. Her husband and two sons Ralph and Donald preceded her in death.

Funeral services were held Tuesday afternoon at Green Funeral Home, the Rev. Norman MacNaughton officiating. Bearers were Messrs. P. C. Saltzthwaite, Lester Rogers, C. A. Barber, E. H. Vanvleet, J. F. Elliott and John R. Thompson, and burial was in Brookside cemetery.

Relatives and friends attended from Jackson, Norvell, Adrian, Manchester, Clinton, Monroe and Dundee.

Mrs. Grace E. Fairbanks Ends Life at Britton

Mrs. Grace E. Fairbanks, aged 64 years, widow of the late E. P. Fairbanks, hanged herself Thursday at her home in Britton. The body was found by her daughter, Phyllis, when she returned home from work at noon. Mrs. Fairbanks had been in poor health and Coroner Paul Mott was called and pronounced the death a suicide.

Mrs. Fairbanks was the daughter of the late Rev. and Mrs. Henry Houghtby of Ogden and was born in Ogden township. She was a member of the Dorcas class of the Britton Christian church and of the Britton Rebekah lodge.

She leaves two sons, St. Sgt. Charles Fairbanks who is stationed in Korea, Ellis, Elwood and Douglas of Britton; four daughters Mrs. Dorothy Mull of Sylvania, Mrs. Marjorie Hilgeneck of Dundee, Mrs. Marie Youngiove and Phyllis of Britton; two step-children, Myrlen T. Fairbanks of Holloway and Iva Marr of Onsted; a sister Mrs. Dana McComb of Blissfield and a number of grandchildren.

Funeral services were held Saturday afternoon at the Niblack Funeral Home in Britton. Rev. Gerald Hallauer officiated and burial was in Zion cemetery in Ogden township.

Electric Shop Razed by Fire

LOSS ON BUILDING AND CONTENTS IS EXPECTED TO WELL EXCEED $4,000

Fire, the origin of which has not been positively determined, shortly before noon Monday did damage estimated at more than $4,000 to the building and contents of the Tecumseh Electric Supply, 120 North Evans street. The building and business are owned by Forest Abner.

Mr. Abner had been in the shop a short time before the fire started and was repairing an electric hot plate, which was shorted. He said that it became hot and he disconnected it and left it while he went to a nearby plant to do some electrical work. He is of the opinion that the hot plate might have in some way set fire to a cardboard box on which it was resting. Firemen responded to the call and quickly brought the flames under control.

More than $1,000 worth of lighting fixtures are said to have been destroyed, as well as considerable other stock. The inside of the building was gutted.

Mr. Abner opened the shop last fall, after it had been completely rebuilt and remodeled. The building formerly housed Heidenreich's jewelry store.

Efforts will be made at once to repair the structure, but how quickly it can be done will depend upon the availability of materials. In the meantime, Abner said he would operate his business from his home at 314 West Logan street.

Miss Helen Schoonover Bride of Glenn Kohler

Miss Helen Schoonover, daughter of Mr. and Mrs. Kenneth Schoonover of Morenci, and Glenn Kohler, son of Mr. and Mrs. Harold Kohler, were married Wednesday afternoon, June 12, at the Kohler home in Tipton. The double ring ceremony was performed by the Rev. James Cameron Murdoch before an improvised altar of palms, peonies and other garden flowers. The couple were attended by Mr. and Mrs. Denver Cox, sister and brother-in-law of the bride. Only the immediate families attended.

A reception was held following the ceremony and the newlyweds left later on a trip to northern Michigan. On their return they will reside in an apartment at the Kohler home.

The bride is a graduate of Morenci high school and has been employed in Adrian. Mr. Kohler is a graduate of Tecumseh high school and was discharged in February from naval service after two and one-half years overses. He is now employed by Clinton Heights Realty Co.

DISCUSS PREPARATION OF FOOD FOR LOCKERS

The Indian Acres Extension Club announces that Miss Beatrice Franquist, county demonstration agent, will speak on "Preparation of Foods for Refrigeration Lockers" at the Presbyterian church parlors, Monday evening, June 24 at 8 o'clock. The meeting is open to the public and all interested persons are invited to attend.

DIES IN DETROIT

Robert Quackenbush was called to Detroit last week by the death of his son, Raynor, which occurred Wednesday at his home in that city. No particulars of the death were learned.

Survivors are the father and a sister, Mrs. Grace Powell of Pueblo, Colo. His wife and his mother had preceded him in death.

Funeral services were held in Detroit, Monday.

TO CONFER DEGREE

Maumee Valley I.O.O.F. Lodge from Toledo will be guests of Tecumseh Odd Fellow Lodge Tuesday evening, June 25, and will confer the third degree on a class of candidates. The degree work will start promptly at 8 o'clock.

Lincoln Park Lodge visited the local order Tuesday evening and conferred the first and second degrees.

TO GET DEGREE

Chicago, June 20—George Clayton Wilson, Tecumseh, will receive the degree of Bachelor of Science in medicine from the University of Illinois College of Medicine in commencement ceremonies in the Civic Opera House here tomorrow (Friday, June 21). University president Arthur Cutts Willard will confer a total of 340 degrees. Dr. Raymond B. Allen, executive dean of the Chicago colleges, will be the commencement speaker.

PRICE CHANGE

In the A. & P. advertisement on page 3, the price of Nectar tea should read ½ pound 33c, Our Own tea ½ pound, 31c. Whole watermelons should be priced at $1.39.

Mrs. Frank D. Miller Buried at Ridgeway

Mrs. Frank D. Miller, aged 69 years, died Thursday night at her home in Adrian after a long illness.

Mrs. Miller, formerly Lillian Mattis, was born near Tecumseh and later lived in Ridgeway for many years before moving to Adrian. She was married to Mr. Miller of Macon, November 24, 1892.

Survivors are the husband, one daughter, Mrs. James Underwood of Sylvania, two sons Lawrence of Howell and Elmer of Britton, and several grandchildren.

Funeral services were held Sunday in Adrian and burial was in the Ridgeway cemetery.

Vet Institute Gets Approval

LOCAL EMPLOYERS SHOW SOME INTEREST IN ON-THE-JOB TRAINING PLAN

Local employers, especially Tecumseh Products Company and the Meyers Aircraft Company, and some of the smaller shops, are showing interest in the government's on-the-job training program for veterans of World War II with the result that the government has approved the public's petition for the installation of a Veterans' Institute, to be operated in connection with the plan.

"In all probability the Institute will not open until fall, but that will in no way hinder the employment of veterans by local shops before that time," W. L. Berkhof, superintendent, said. "We understand that in connection with the on-the-job and apprentice training program, veterans are required to take 150 hours of school work each year. For that reason, veterans can start to work now and catch up with their school training after the opening of the fall term."

Veterans who avail themselves of the on-the-job or apprentice program receive in addition to the wages paid by their employer sums ranging up to $65 a month if they are single or $90 a month if they are married. Veterans who desire to work on farms also may receive a similar sustenance, it was pointed out. However, Mr. Berkhof said that thus far no applications for agricultural training had been received. In other parts of the county, in the Sank Creek area, for instance, more than 30 veterans have asked for farm training.

Under the government's plan, returned veterans may go into shops or on the farm and learn a trade and receive pay at the same time, both from the employer and the government.

"Veterans who are interested in the plan should contact the school at once, so that they may be enrolled," Mr. Berkhof pointed out.

FUNERAL SERVICES HELD FOR MARGARET KEHOE

Funeral services were held Friday morning at St. Dominics church in Clinton for Miss Margaret C. Kehoe, aged 71, who died June 11 at Mercy Hall in Detroit. Miss Kehoe formerly lived southeast of Clinton.

She leaves a brother Lewis Kehoe of near Saline and a sister, Sister M. Clementine of St. Mary's Convent in Monroe.

Burial was in the parish cemetery in Clinton.

OBSERVES BIRTHDAY

Mrs. Viola Poley, daughter of Mr. and Mrs. John Curtiss, celebrated her 18th birthday Thursday, June 13, with a family potluck supper at Adams Park. The supper featured a birthday cake presented by her parents. Relatives from Dundee and Tecumseh attended. Mrs. Poley received several gifts including a gift from her husband Pfc. Howard Poley who is in Germany. Pfc. Poley expects to leave there for the states in July.

STOCK CONTRACTED

The local chapter of Future Farmers of America have purchased a registered Berkshire sow, which has been let out on contract to James Rupert with the understanding it will be given the best approved practice and care as is recommended by the agricultural department. This is a means of introducing more good stock among F.F.A. members in the community.

DAUGHTERS TO MEET

The Daughters of St. Peter will meet Tuesday evening, June 25 at the home of Mrs. John McCaughen for potluck supper and regular meeting, having been postponed from June 18.

WELCOME CLASS

The Welcome class of the Friends church met Thursday evening with Mr. and Mrs. Ferris Cleveland for a potluck supper followed by a business session and social hour. Games were played and Waneta Cleveland played two piano solos.

Only 300 Votes Cast on Tuesday

TOWNSHIP HELPED IN NOMINATION OF SIGLER AS GOP CHOICE FOR GOVERNOR

Insofar as Tecumseh was concerned, it voted with the state for Kim Sigler, ousted grand jury prosecutor, as the Republican's choice in a four-way battle for the nomination as Michigan's governor, Tuesday. Only about one out of every seven eligible voters in the township cast their ballots, the total vote here amounting to 311. It also was a light vote throughout Lenawee, electors apparently taking but little interest in the campaign.

In this township, Sigler received 122 votes as compared with 59 for Vernon Brown, 29 for Edward Jeffries, and 59 for Raymond Kelly, the other candidates in the gubernatorial race. For lieutenant governor, Owen Cleary received 93 votes, George Higgins, 23, Eugene Keyes, 65, and Howard Nugent, 68.

In the Republican congressional

Kim Sigler

race, Earl C. Michener, incumbent, received 161 votes here against Henry VanderVelde's 94.

In the GOP race for sheriff, Elmer Bringman received 173 votes to Lloyd Van Etten's 74. The only other Republican contest was for register of deeds, Leonard Warner, incumbent, receiving 166 votes to Norman Trada's 73.

On the Democratic ticket, Murray Van Wagoner, former governor, was the favorite nominee receiving 22 votes against William Cody's 3. In the congressional race, William Kelley and Wayne Saari each received nine votes. There were no other Democratic contests.

In the Republican gubernatorial race, Brown ran second, Kelly third and Jeffries last in the statewide count.

Congressman Michener had a comfortable majority over his opponent as did Mr. Bringman and Mr. Warner.

Farmers Divided on OPA Values

BELIEVE CEILING PRICES ARE RESPONSIBLE FOR THE SHORTAGE OF PORK

The Raisin-Tecumseh Farm Bureau met June 10 at the home of Mr. and Mrs. Lawrence Boyd when the Horton Trespass Law and question of postponing the hunting season about two weeks were discussed, the members voting unanimously in favor of both.

The OPA was also discussed. Some believed that if it was disbanded there would be no reason to raise parity prices, while others were of the opinion that "supply and demand" on the farm would not work as long as factory prices were figured on a cost-plus basis. They agreed that the OPA has completely destroyed competition with its blunders. Most of the group felt that the ceiling price on pork was the cause for the shortage of the meat.

Other topics discussed were the benefits of lime, cost and scarcity of feed, soil conservation and the price of corn. The latter led to a discussion on the weight of a bushel of ear corn which they agreed was 70 pounds. The group voted to send a card to Marshall Wells of WJR, Detroit, complimenting him on his comments.

The next meeting will be held July 15 at the home of Mr. and Mrs. Raynor Van Valkenburg.

WE MUST DECIDE

One of the surest ways to destroy representative government in this country is to tie its future to our economic fortunes. Even now the American form of government is being distorted in an effort to control "inflation," to protect the people from possible economic hardships resulting from the war, and excessive government borrowing.

The truth is that there is no sure way to avoid a postwar upheaval. Material values will continue to undergo change. But continue the present trend of trying to soften the blow of what we are pleased to call inflation, by sacrificing institutions of government that alone stand between the people and ruthless political oppression of past ages, and there will never be an opportunity to build anew.

That is why the present controversy over the extension of OPA goes much deeper than the question of prices. OPA is a form of government. It rules by decree. It can spread through every strata of American life. It is beyond the courts of our land. The question, and the only question, is, Do the people want this kind of government?

The Habit of Thrift

* * *

Did you ever try to write with your other hand? At first you think in terms of each stroke of the letter. Gradually the entire letter becomes the unit, then a word until writing with your other hand becomes easy, and you pay no attention to the mechanics of each stroke.

SO WITH SAVING—Do you make regular deposits in your savings account, or have you gradually let the months slip by without adding to it?

If you plan your spending wisely, you can cultivate the habit of thrift by building up a savings account which will make possible many of the good things of life in the future.

We urge you to be thrifty by opening a savings account.

Insulate
For Summer COOLNESS and Against Winter's COLD

Make your home several degrees cooler this summer by having it insulated NOW. Insulation is not expensive to install and, next winter, when sub-zero temperatures come, it will begin to pay actual cash dividends through savings in fuel consumption.

It's true, insulation works for you twelve months out of every year. It pays cash returns in the cold months and cool satisfaction in the summer.

We'll be only too glad to estimate the cost of insulating your house. Insulation is available NOW.

Sidewall Shingles Help, Too!

Install sidewall shingles on your home and forget your painting troubles. Sidewalls, you know, help to insulate your home. They make it cooler in summer, warmer in winter. Like other insulation, they pay dividends as soon as they are installed.

MACON

The Woman's Society of Christian Service will meet at the home of Mr. and Mrs. Clayton Bigelow, Thursday afternoon, June 27. Tea will be served and a program presented.

Mr. and Mrs. David Bush entertained Sunday 15 members of their family with a picnic dinner celebrating the return from overseas of their grandson Pfc. Elwood Bush, son of Mr. and Mrs. Leland Bush. Elwood arrived home Thursday having received his honorable discharge at Fort Sheridan, Ill., after 2 years of service, 14 months of which he was stationed at several different points in Germany, including Ringstadt and Berlin.

Lynn House of St. Louis, Mich., was a guest Friday night and Saturday of Macon friends.

Mr. and Mrs. Carl McClue and Mr. and Mrs. Harold Hall attended the ball game at Detroit, Sunday.

Mrs. Ethel Fitzgerald of Grand Rapids called on Mrs. J. W. Sheward Saturday afternoon.

Mr. and Mrs. Richard Williams of Dimondale were weekend guests of her parents Mr. and Mrs. Ralph Halladay.

Miss Addie Crittenden was a guest Saturday and Sunday in Tecumseh of Mr. and Mrs. Ernest Robison and mother Mrs. Hattie Robison.

Clare Camburn left Wednesday evening for Harrisburg, Pa., to attend the Harmony school of piano tuners. He was accompanied by his son Robert and two boys from Tecumseh, Donald Goodacre and Daryl McClure. The three boys drove on to New York City and returned home Saturday morning. The meter registered 1400 miles for the round trip.

Mrs. R. A. Halladay entertained recently the members of her Sunday school class with a description of the recent trip she and her husband took through the western states. She showed views of the places they had visited. Refreshments of ice cream and cake were served.

Mrs. J. W. Sheward entertained at her home Wednesday evening with a six o'clock supper a group of 21 ladies complimenting Miss Marjorie Mowat of Adrian, a bride-elect. The table, attractively arrangged, was centered with a bowl filled with red, pink and white roses, placed between two candelabra, each holding three lighted tapers. Games were played and the prizes were presented to the honor guest who also was showered with many lovely gifts. Out of town guests were present from Adrian, Detroit, Maybee, Ionia, Benton Harbor and Tecumseh.

The Macon Woman's Club met Thursday at the home of Mrs. Carl Thomas. During the business session the following new officers were elected: Mrs. Effie Gibson, president; Mrs. Ella Swick, vice president; Mrs. Alice Gorton, secretary and Mrs. Wilma Pilbeam, treasurer.

There's Danger in Under-Insurance of Both Real and Personal Property

Would You Sell Your Property For It's Insured Value?

The average owner in this area today, is lulled into a sense of security by the fact that he has an insurance policy covering fire, theft or other losses.

He forgets that he established the amount of his insurance coverage back in 1940 or earlier and has failed to keep his insurance abreast of the steadily rising values and replacement costs.

Home owners should ask themselves this question: "Would I sell my home or belongings today for the amount of insurance I carry?"

Another way to visualize this danger of under-insurance is to consider the replacement costs in dollars and cents and not in percentages.

For example, a home that was worth $7,000 in 1939 is worth over $11,000 today in most cases. The 1939 insurance coverage no longer is adequate to do the job.

Don't delay increasing your coverage—tomorrow may be too late.

Natural Gas Is Year Away

SHORTAGE OF MATERIALS DELAYS PIPELINE CONSTRUCTION, CONSUMERS SAYS

Natural gas service in Tecumseh will be instituted as soon as materials are available for the construction of the necessary pipelines, mains, and service lines, according to Herman H. Koelbel, division manager of Consumers Power Company.

Shortages of materials will make it impossible to bring natural gas to Tecumseh this year, Mr. Koelbel said, but Consumers is hopeful that the work can be undertaken in 1947.

"We had hoped to do the job this year, he said, "but materials are much tighter than we had expected them to be."

Mr. Koelber announced that Consumers has just signed a contract with the Panhandle Eastern Pipe Line Company which assures a plentiful supply of natural gas to all communities served by Consumers. This includes 240 communities in 23 counties. Among the larger cities are Flint, Saginaw, Kalamazoo, Bay City, Pontiac, Midland, Royal Oak, Mt. Clemens, Jackson, Marshall, Ferndale, Hastings, Ionia, Lansing and Owosso.

The agreement provides for conversion of the Winterfield and Cranberry Lake natural gas fields in Clare, Missaukee and Osceola counties into one of the world's largest natural gas storage areas, where natural gas transported 1,500 miles from Texas and Oklahoma during the warmer months will be stored for use in helping to meet the peak demands of winter.

A 150-mile pipeline, 24 inches in diameter, will be built from a junction with Panhandle's pipeline five miles southeast of Chelsea to the storage fields. Construction of this pipeline, originally scheduled for this year, has been deferred until 1947 by the shortage of materials.

The storage project, Mr. Koelbel said, will offset the declining production of Michigan gas fields and give Consumers plenty of gas with which to meet the growing needs of Michigan users, including prospective customers in Tecumseh, for at least a quarter of a century.

It's Fun to Garden and It's NOT TO LATE!

, No, it's not too late to plant many things in your garden that will produce a crop that you'll be proud to harvest in a few weeks or early fall.

We still can supply you with choice quality pre-tested seeds—seeds that the producer guarantees to grow if given the proper care. And, it's true, too, that pre-tested seed costs no more than ordinary seed. That's why, years ago, we began selling this guaranteed seed. And, that's the reason we built up one of the largest seed businesses in Lenawee county.

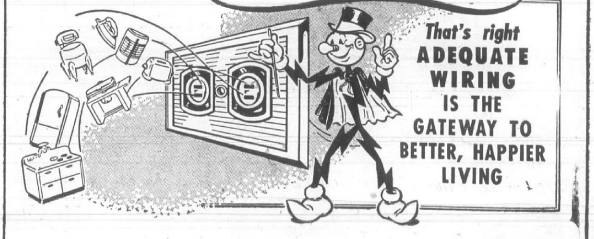
Say, REDDY WHAT'S THIS ABOUT ADEQUATE WIRING MAKING A HOME MORE MODERN...MORE COMFORTABLE?



That's right ADEQUATE WIRING IS THE GATEWAY TO BETTER, HAPPIER LIVING

Most of the labor-saving, time-saving features of the wonderful new home of tomorrow DEPEND on *adequate* electric service. Air conditioning, automatic heating, quick frozen foods, health-protecting germicidal lamps and bigger, better, more efficient electric home appliances, *all are dependent on adequate wiring.*

Many of today's homes, over 50 per cent of them, must improve their electrical wiring if they are to employ these wonderful new electric servants which will make living easier, better, more enjoyable.

Electrical wiring costs little, *less than three per cent of your building costs,* yet it spells the difference between a truly modern home and one that people are beginning to term "old fashioned."

Plan now to provide adequate wiring in your new home or to bring your present wiring up-to-date. It's wise to make sure your wiring will be ample for future as well as today's needs. For complete information about adequate wiring, inquire at our office. This service is free and you will not obligate yourself in any way.

IF YOU WOULD ENJOY YOUR HOME MORE, *Check* YOUR ELECTRIC WIRING. *Adequate Wiring* SERVES and SAVES

MINUTES OF THE BOARD OF EDUCATION June 11, 1946

The meeting was called to order by the Vice-President, Mr. Spafford. Members present were Mr. Touborg, Mr. Spafford, Mr. Satterthwaite, Mr. Lindsley, and Dr. Brown.

The minutes of the last meeting were read and approved.

The Board then gave audience to a committee of mothers including Mrs. Sam Sisson, Mrs. Carl Fosbender, Mrs. Frank Smith, Mrs. Paul Breitenwischer, Mrs. Clare Dickinson, and Mrs. Keith Barron, who appeared in support of a petition previously submitted to the Board requesting that separate school parties be provided for the Junior and Senior high school departments.

Following an informal discussion of the matter, it was moved by Dr. Brown and seconded by Mr. Spafford that special parties be provided for the seventh and eighth grade students in all future dances which are sponsored by the Board. The motion was carried.

The superintendent was then requested by Mr. Touborg to present the material which had been prepared relative to the possible expansion of the school facilities for the next school year. The matter of acquiring the Green Lane and Brownville buildings was discussed following which a motion was presented by Dr. Brown and seconded by Mr. Lindsley that the Board acquire the Brownville school and, that the necessary repairs to the East Branch building be authorized. The motion was carried.

It was moved by Mr. Spafford and seconded by Mr. Lindsley that the elementary tuition rates for rural students be raised from $60.00 per pupil to $80.00 per pupil for the next school year. The motion was carried.

The following resolution was then presented, and, upon motion made by Dr. Brown and seconded by Mr. Spafford, adopted.

LENAWEE COUNTY COOPERATIVE PURCHASING ASSOCIATION

Resolution to Participate in Co. operative Buying of Surplus War Materials

Whereas the War Assets Administration and other agencies controlling the disbursement of War materials or property, are making it available to tax supported educational institutions and tax exempt institutions engaged in education through direct purchase at 40% below list value, and

Whereas much of this property would be valuable to the Public Schools of the Tecumseh District and

Whereas this property is often sold in large quantities that are in excess of the needs of any one school of this area,

Now therefore be it agreed that the schools named herein by resolution of their respective boards of education do unite to form an association for such cooperative buying.

Be it further agreed that:

1. Mr. George Cantrick at Monroe, Michigan, be designated to act as the purchasing agent for this cooperative buying assiciation.

2. All orders sent to the designated cooperative purchasing agent shall be authorized by the Board of Education of the purchasing school for their agent. The purchasing agent shall set a time limit after which further orders will not be accepted.

3. The purchasing school district agrees that all supplies ordered as above and received will be paid for within 30 days of receipt. Except that if the entire cooperative group feels that any shipment of goods falls short of specifications, payment may be withheld by all participating schools until a satisfactory adjustment has been reached with the vendor.

4. Any expense incurred by the designated purchasing agent for the administration of the association shall be pro-rated every 90 days on the basis of the value of goods received.

5. There shall be established by the cooperative purchasing association an allocation committee of three members to be elected by the members of the association, whose duties it will be to set up and administer equitable standards for the pro-rating of purchases when the entire order is not received.

6. Nothing in this agreement shall be considered as preventing any school from ordering direct from any vendor such supplies as are sold in quantities which such school can handle direct.

Any school district of the County or immediate vicinity may become a member of this cooperative Purchasing Association when this resolution has been adopted by the Board of Education of such district and a copy signed by the President and Secretary of the Board deposited with the designated purchasing agent.

A motion was made by Mr. Spafford and seconded by Mr. Lindsley that the firm of Edward W. Smith be employed to make an audit of the school books and records. The motion was carried.

It was moved by Mr. Lindsley and seconded by Dr. Brown that an appropriation of $100.00 be authorized for the summer recreation program. The motion was carried.

A motion was made by Dr. Brown and seconded by Mr. Spafford that Mrs. Russell be paid $100.00 for taking the school census. The motion was carried

It was moved by Mr. Spafford and seconded by Dr. Brown that the erection of a chain link boundary fence be authorized on the line separating the property of Mr. Leon Maynard and the school playground provided the cost is borne jointly by the school and Mr. Maynard. The motion was carried.

A motion was made by Dr. Brown and seconded by Mr. Spafford that the necessary repair of the Central Building at a cost of approximately $150.00 be authorized and that bids be taken for presentation at the July meeting for the painting of the exterior trim of the West Branch and Library buildings and the interior of the Library building. The motion was carried.

Mr. Touborg then appointed the following committee to consult with the superintendent on the East Branch repair project and the Central Building electrical service maintenance project: Mr. Touborg and Mr. Satterthwaite.

A motion was made by Mr. Spafford and seconded by Mr. Lindsley that the bills as read be approved. The motion was carried.

Upon motion made by Dr. Brown and seconded by Mr. Spafford, the meeting was adjourned.

THE TECUMSEH HERALD

NINETY-SIXTH YEAR—NUMBER THIRTY-ONE | TECUMSEH, MICHIGAN, THURSDAY, JUNE 27, 1946 | FIVE CENTS PER COPY

An Editorial

Nero fiddled while Rome burned.

And, figuratively speaking, some 1,700 or 1,800 voters in Tecumseh township—about six out of every seven—had fiddling engagements that kept them away from the June 18th primary election. In Lenawee county and state-wide, the ratio was about the same. The vote was very light, **THERE WAS NO INTEREST.**

This was not the first election in the township or the county or in the state that has failed to attract voters. The trend toward vote failure has been growing year by year for several years. But in the primary just passed, only about 15 per cent of the voters cast their ballots. State-wide, the vote was 200,000 less than the politicians expected, and they had expected a light vote.

The next time, then, that we ask ourselves why democracy is failing, why grand jury investigations are necessary, why there is political corruption, most of us could get a very clear picture of the answer if we would but look in a mirror. **THE AMERICAN PUBLIC IS TO BLAME FOR THE CONDITION.**

Before the beginning of World War II we heard a very clear-thinking gentleman make the remark that he doubted the capability of self-government in America. He was not a radical or a Communist, but he was of the older school. Years of observation, he said, had led him to believe that in our complex social and economic system, folk were spending less and less time in an effort to solve their own problems. A majority of the people, he contended, were willing to let someone else do their thinking and their voting for them. Mentally and physically they were becoming lazy, he thought; lazy to the point where self-government was becoming dangerous.

We are not yet ready to concede that self-government and democracy has failed in America. It hasn't. But it will fail as surely as the sun sets in the west unless there is more interest in government.

GOVERNMENT IS THE PEOPLE. That's the way it works in a democracy. When only a few people vote, then we have **GOVERNMENT BY A FEW PEOPLE.** When **ALL PEOPLE** vote, then we have government by **ALL OF THE PEOPLE.** The type of government we have, then, is dependent upon the people themselves. In a democratic form of government it is assumed that **ALL PEOPLE** are interested and that through the ballot **ALL OF THE PEOPLE EXPRESS THEMSELVES.**

We still are supposedly enjoying a democratic form of government in Tecumseh, in Lenawee county and in Michigan. Let's analyze it. In the last village election, less than 60 persons cast their ballots. That means, then, that we have government in Tecumseh by 60 people. In last week's primary, 311 people in the township cast their ballots and in the county a few more than 4,000 votes were cast. That means, then, that in Lenawee, with a population of about 56,000, some 4,000 persons are running the show. The ratio in the state was about the same.

It is easy to see, then, why government—democratic government—is failing, if it is. It is the people's fault. No one else is to blame. Crooked politicians know that the people are apathetic, that they won't bother to vote. They know that they can get away with almost anything and the public will soon forget.

There is only one way to correct this condition and that is through the ballot box. When the public, generally, makes up its mind that it wants good government and is interested enough in good government to vote, then, and only then, will democracy work as it should.

Let's hope that the people realize how rapidly true democratic government is getting away from us before it is too late to do anything about it.

Karl R. Schneider Weds Galesburg, Ill., Girl

Mr. and Mrs. Ralph Lersch of Galesburg, Illinois, are announcing the marriage of their daughter, Marjorie Louise, to Karl Rankin Schneider, son of Mrs. Karl M. Schneider of Tecumseh, on March 8, 1946, at McKinley Chapel in Champaign, Illinois. The Rev. James R. Hine, pastor of the First Presbyterian church in Champaign performed the ceremony. Mr. and Mrs. James Leonard, the latter a sorority sister of the bride, attended the couple.

Mrs. Schneider graduated from the College of Liberal Arts and Sciences at the University of Illinois in June 1945, receiving her bachelor of science degree in prelaw. She is a member of Delta Delta Delta Sorority and Kappa Beta Pi, national law honorary fraternity. In February of this year, she completed law school at the university and was admitted to the bar by the state of Illinois.

Mr. Schneider graduated from Tecumseh high school in 1943. After attending Adrian College, he entered the Navy at Great Lakes. From there he was sent to signal school at the University of Illinois. At a later date he entered the V-12 Naval training program at this school. He served as president of his fraternity, Alpha Tau Omega, in his junior year. He received his commission as ensign in the Navy in June 1946 and is now an officer in the Naval Reserve. Upon receiving his bachelor of arts degree in June, Mr. Schneider was accepted in law school at the University of Illinois.

Mr. and Mrs. Schneider are planning to make their home in Champaign while the former continues in law school.

Marguerite C. Stuart and George Smith Wed

Marguerite C. Stuart, daughter of Mr. and Mrs. Earl Stuart, and James R. Smith, son of Mr. and Mrs. George Smith, all of Tecumseh, were married Saturday evening at the Baptist parsonage by the Rev. B. O. Bashore. Only the immediate families and a few friends attended. They were attended by Miss Isabel Gillin and Roger Smith.

Following the ceremony a reception for 50 guests was held at the Stuart home on Burt street.

The bride is a graduate of Tecumseh and Macon high schools. Mr. Smith recently was released from naval service and is now employed by Tecumseh Products Company.

RICHARDS—WILLIAMS

Cloyd Richards, Jr., son of Mr. and Mrs. C. L. Richards of Jasper, formerly of Tecumseh, and Berdean Williams, also of Jasper, were married Friday evening at the home of the bride's parents by the Rev. Howard Western of Palmyra. They will reside in Jasper where he is employed at the Standard Oil bulk station. Mr. Richards recently returned from overseas service.

HAPPY HOME BUILDERS

The Happy Home Builders class of he Baptist church will hold a weiner roast Monday evening, July 1 at Sutton's Crossing, with Mr. and Mrs. Carl Kempf as hosts.

Pork and Beef 'Food of Past'

FRESH MEAT OF ANY KIND IS MORE SCARCE NOW THAN AT ANY TIME

Although there is talk in Washington and some other political centers that soon there'll be "a cow around every corner," the question that most Tecumseh housewives would like answered NOW is just how long it will be before they will again be able to buy beef, pork, lamb or veal with which to feed their families.

Beef—in fact any kind of fresh meat—is more scarce at the present time in Tecumseh and Lenawee county than at any period since the beginning of World War II. Many markets are opening only two, three or four days a week, depending upon the supply of meat obtained. Some owners say that they could sell all of the meat they get in a week in a single day, if they didn't impose some form of rationing. Even so-called luncheon meats are becoming more difficult to find, and the heralded 11-cent increase in the price of butter has failed to return it to the retail market.

"It's very difficult to do business today," one merchant said. "Folk seem to doubt you when you tell them that you don't have meat, butter or oleo. I know, however, that we are out of butter for our own table, and we have been for a long time. I'm of the opinion that I'd be better off if I didn't handle meat."

Another butcher said that he didn't know when more meat would become available. He remarked that he had been told that it would be in July, but, he said with a twinkle in his eye, "I'll believe it when I get it."

As a result of the shortage, housewives are building their menus around eggs, fish or chicken as the main dish. Garden-fresh vegetables 'round out the meal.

MEN'S BIBLE CLASS NAME NEW OFFICERS

The Men's Bible class of the Friends church at its June meeting elected the following officers for the year: Oscar W. Meade, president; O. M. Powell, vice president; R .R. VanWinkle, secretary and treasurer; Ralph McCarbery, teacher; Russell Comfort and Roy Smith, assistant teachers. After the meeting they visited S. E. Lawrence, who is confined to his home by illness.

TIME CHANGE

Beginning Sunday, June 30, time of services at the Grace Ev. Lutheran church will change, with Sunday school at 9 o'clock and worship service at 10 a.m.

There will be no servies in this church July 7 as the pastor, Rev. J. de Ruiter and wife, will be vacationing at Indian River.

AT DELTA MEETING

Miss Dorothy Drewyor is one of a group who left Friday for Spring Lake, N. J., to attend the national convention of the Delta Delta Delta Sorority, as delegate from the Gamma chapter of Adrian College. The convention is in session from June 24-28. The group will also visit New York and Washington, D. C.

Mrs. Bashore To Serve as Counselor at Camp

The World Wide Guild and True Blue class of the Baptist Sunday school met Thursday evening at the home of Miss Erma Swain. Priscilla Sisson led devotions and Jenny Bird gave a review of the life of John from the book "The Lives of Great Men."

It was voted to give a sum of money to send several girls to a camp at Lake Louise at Boyne Falls, Michigan. The camp is in session from July 2 to 12 and the local girls to attend are Evelyn and Marlys Arnold, Shirley Fosbender and Jenny Bird. Mrs. B. O. Bashore will serve as a counselor during the same session.

Refreshments were served during the social hour after the business meeting.

Leon S. Wilson Dies Suddenly

FORMER LOCAL BUSINESS MAN SUCCUMBS IN NEW MEXICO; BURIAL IN ADRIAN

Leon S. Wilson, aged 56 years, of Gaylord, died Thursday evening at 8:30 in an Albuquerque, N. M., hospital, where he had been a patient for a short time. He had been in poor health for several years, and went to New Mexico last fall in the hope that a change of climate would benefit him. His wife, Iva, and his brother George, of Gaylord, were with him, the latter having made the trip to Albuquerque by plane when notified of Mr. Wilson's critical illness.

The deceased was well known in Tecumseh, having for years operated a gasoline service station at Chicago boulevard and Pearl street, before moving to Gaylord where, with his father, William, he owned a tourist cabin court. The service station here was taken over by George Wilson and was operated by him until last fall when, upon the death of Mr. Wilson, sr., he sold the business to Harold Easton and went to Gaylord to take over the court because of his brother's ill health.

Mr. Wilson is survived by his widow, his mother, Mrs. Jennie Wilson of Gaylord, the brother, George, and two grandchildren, Ann Elizabeth and Charles Wilson of Tecumseh, and two nieces, the daughters of Mr. and Mrs. Geo. Wilson. His only son, Charles, lost his life during World War II in the south Pacific theatre.

Funeral services were held Monday afternoon from the Everiss Funeral Home in Adrian, and the burial was in Oakwood cemetery.

CLUB MEETS

The B.P.C.P.S.C. held its June meeting at the home of Mrs. Clark Vincent with Mrs. Virgil Kash and Mrs. Sidney Wilson assisting. A short business session was followed by cards and refreshments.

The next meeting will be in the form of a picnic Saturday, July 20 at the cottage of Mr. and Mrs. Fred Whelan at Vineyard Lake Point. Supper will be at 6:30 and husbands of members will be guests.

MISCELLANEOUS SHOWER

Mrs. Marvin Watkins was hostess to 30 guests at a miscellaneous shower Thursday evening for her niece, Miss Myrna Sell, who was married last evening to Dorman Edwards. Games were played and prizes won were presented to the bride-elect who also received a shower of lovely gifts. In conclusion ice cream and cake were served.

HONORS DAUGHTER

Mrs. Franklin Rumler entertained a group of little folks Friday afternoon in honor of her daughter, Karen Ann, who was celebrating her second birthday. The little guests were Diane Roe, Virginia Ann Hodges; Jeanette Buehrer, Nancy Lee Beland and Marjorie VanValkenburg. After an afternoon of play refreshments, featuring a birthday cake, were served.

WARD DETWILER DIES

Word has been received here of the death of Ward A. Detwiler, which occurred suddenly last Wednesday at his home at 1009 Three Mile Drive, Grosse Pointe. Mrs. Detwiler was formerly Grace Albert of Tecumseh.

Besides Mrs. Detwiler he leaves four sons, two brothers and two sisters.

Funeral services were held Saturday morning at Christ church in Grosse Pointe.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. C. W. Howe are announcing the engagement of their daughter, Floris, to John E. Snyder, son of Mr. and Mrs. Oscar Snyder, the wedding to take place on September 1.

Britton placed fourth in the same event with a $25 prize. Fay Crane of Onsted, brother of Mrs. Irelan, placed first in the heavy stock horse class with a prize of $60 and on Sunday won the grand championship for $90 in the western stock horse stake.

Those from Tecumseh who attended the show were Dr. and Mrs. Britton, Mr. and Mrs. Irelan, Mr. and Mrs. Crane and Mr. and Mrs. Wyman Service of the Raisin River Riders, and Mr. and Mrs. Russell Thurlby.

The Irelan, Crane and Britton horses will be entered at the Ingham county Horse Show in Mason, July 2, 3 and 4 and at the Ionia Hospital Horse Show in Ionia, July 6 and 7.

The Raisin River Riders had breakfast Sunday morning at the Ken Kopke flats at Sutton's Crossing, followed by a two hour ride. There were 29 riders and several guests.

Mrs. R. W. Mead and Mrs. Ted LaBounty were general chairmen of the affair. Trailbreakers were Percy Bowen and Charles W. Howe with the John R. Thompson mounts.

Pythian Association In Memorial Service

The Pythian Friendship Association met Thursday evening with the Tipton temple of Pythian Sisters and with more than 100 Knights, Sisters and friends in attendance from Hillsdale, Adrian, Tipton and Tecumseh. Potluck supper preceded the meeting.

Mrs. Mary Ruesink of Tipton welcomed the guests and Mrs. Fred Whelan of Tecumseh responded. Mrs. Leo Burnor presided and during the business session it was voted to give $20 to Mrs. Anna Jonker, grand chief of the Pythian Sisters, for use in entertaining veterans in a hospital near Kalamazoo.

A candlelight memorial service was conducted for Emmett Brighton, Jr., Raynor E. Wilson, Maurice and Nelson Hoekstra and Gerald Kelley, servicemen who gave their lives. The service was conducted by Mrs. Neoma Wilson and Mrs. Jane Anderson of Tipton. Mrs. Jean Hall and Mrs. Ruth Vincent of Tecumseh, Mrs. Rosemary Godfrey and Mrs. Myra Townsend of Adrian, with Mrs. Charles Driffil as soloist and Mrs. Grace Simonds, pianist.

The program included a vocal solo by Mrs. Lottie Hardy, a reading by Mrs. Hazel Muckenstrum and a drill by the Tipton Pythian Sisters.

The next meeting will be held October 17 in Tecumseh with the local Pythian temple as host.

ENGAGEMENT ANNOUNCED

Mrs. Bertha Kimball of Tecumseh announces the engagement of her daughter, Jean E. Day, to Willard J. Arscott, son of Mr. and Mrs. James Arscott of Chester, Pa. Miss Day is a graduate of West Chester high school and is employed by the du Pont Company in Wilmington, Delaware. Mr. Arscott was recently discharged after overseas service with the 5th Army, and has returned to duties at the General Chemical Co. in Claymont, Del.

Saturday, June 29 is the date set for the wedding.

HUNT REUNION

Mr. and Mrs. Kenton Hunt were hosts to the Hunt reunion Sunday at their home on East Logan street. Eighty attended from Jackson, Coldwater, Manchetser, Onsted, Tipton and Clinton.

A picnic dinner was followed by a business meeting, program, social time and refreshments. Mrs. Woodrow Hunt was chosen corresponding secretary for the coming year and it was decided to hold the 1947 reunion at the home of Mr. and Mrs. Fred Blumhardt in Manchester.

TENT SHOW COMING

John Lair's original Renfro Valley Folks will play a one-night engagement here Tuesday evening, July 2, in a tent theatre in the park across from the high school. The show features the Renfro valley barn dance, originating from the hills of Kentucky. Stars of the show have been featured on nationwide radio networks.

Bible School Pays own Way

OFFERINGS AND COLLECTION MAKE 10-DAY PROJECT HERE SELF-SUSTAINING

The 10-day Daily Vacation Bible School, sponsored by the Tecumseh Ministerial Association with five churches cooperating, was a self-sustaining enterprise and this year enjoyed the largest enrollment in history, according to the Rev. James Cameron Murdoch, minister of the Presbyterian church and dean of the school. The cost of operating the school, which came to a close last Friday evening with a program and demonstration, was approximately $225. Daily offerings and a final collection amounted to $224.07.

Some 215 persons were enrolled at the school, the Rev. Mr. Murdoch declared, and he said that daily attendance was very regular and always high, the average being 172. Total attendance for the period was 1,727. All sessions were held at the high school building.

The personnel of the school included: Beginners' department, Mrs. W. L. Berkhof, Miss Joyce Sallows, Miss Betty Hayden and Miss Elnore McKenzie. Primary department, the Rev. Allan L. Ramsay, Mrs. Lynn Hubbard, Miss Barbara Dannells and David Green. Junior department, Mrs. Llewellyn Sisson, Mrs. Edward Beal, Mrs. Truman Rentschler and Miss Mary Jane Smith.

Mrs. James Murdoch headed the intermediate department, Mrs. Robert Gillespie was in charge of music, Mrs. Naomi Sallows was the pianist, the Rev. Edw. Escolme was in charge of visual education, and the Rev. B. O. Bashore was treasurer of the school.

At the final demonstration on Friday evening some 450 persons were in attendance. All departments of the school took part in the program, which brought the school to an official end.

Miss Dorothy J. Engel Bride of Jimmie Murphy

Saturday afternoon at three-thirty, before a fireplace beautifully decorated with garden flowers, in the home of Rev. and Mrs. Howard Western, in Palmyra, Miss Dorothy J. Engel, daughter of the late Mr. and Mrs. Walter Engel of Palmyra, became the bride of Jimmie Murphy, son of Mr. and Mrs. Merrill Murphy of Tecumseh. The double ring ceremony was performed by the Rev. Western in the presence of the immediate families.

The bride was attractive in a suit of biege gabardine with white carnations and red roses.

Her only attendant was her sister, Mrs. Leland Kayner, who wore a suit of light fushia with white accessories, and a corsage of white carnations. Jerry Murphy was his brother's best man.

Following the ceremony, refreshments were served by Mrs. Western assisted by their daughter, Nila Grace Western.

Mrs. Murphy is a graduate of Adrian high school with the class of 1945. She is now employed by the J. C. Penny Co. Mr. Murphy attended Tecumseh high school and graduated with the class of 1944. He received his honorable discharge from the Army Air Corps in October, 1945, and is now employed by the City Cartage Trucking Co. of Adrian.

In the evening, the wedding party enjoyed a chicken dinner at the Tecumseh Inn. The table was decorated with flowers and centered with a three-tiered wedding cake topped with a miniature bride and bridegroom.

After a short weddingg trip to the Upper Peninsula, the couple will reside in Adrian.

Mrs. Lottie Craig Dies In South Bend

Mrs. Lottie Craig, widow of the late Chas. R. Craig of Britton, died Monday at the home of her daughter, Mrs. Everett Ridge, in South Bend, Ind., where she had lived since leaving Britton six years ago. She was a member of the Britton Methodist church.

She leaves the daughter Mrs. Ridge, and a granddaughter in South Bend, also a brother Samuel Patterson of Britton. Mr. Craig died in December, 1944.

The body was brought to the Nihlock Funeral Home in Britton where funeral services were held Wednesday afternoon. Rev. A. B. Johns officiated and burial was in Brookside cemetery in Tecumseh.

VESTRY TO MEET

St. Peter's vestry will meet this evening at 7:45 at the rectory with the Rev. Allan L. Ramsay.

NOW IN BAVARIA

BLACK MARKETS SPREAD

While Congress discusses the future of the OPA, black markets nation-wide continue to spread. If black markets continue to spread the retail distribution industry cannot be expected to operate successfully. The threat is very serious.

The New York Times cites an instance of black marketing in beef. Says the Times: "With about 75% of the nation's beef at retail levels having passed to the control of black marketers, the time is at hand when definite steps should be taken to restore that essential product to legitimate channels of trade if one of the world's finest food distributing systems is not to be damaged irreparably."

It's time for action by Congress. Perhaps the country can live without OPA but it cannot live without orderly distribution.

How Mrs. Always-Broke Balanced Her Budget

* * *

This woman we speak about was always broke. She never knew where her money went. Who could blame her husband for getting cross once in a while? Household money? Well, it was just gone.

How different now! When hubby asks about the family finances, she confidently reaches for the old check book. There in the stubs is the whole story . . . a business-like record of the month's expenditures.

It is so simple to balance your budget when a checkbood record is kept of the expenses.

Think it over—open a checking account this very week.

COLD MONTHS COMING

ACT NOW TO REDUCE NEXT WINTER'S FUEL COSTS

You are hearing about coal shortages and the possibility of higher fuel costs next year, but what are you doing to reduce your next winter's fuel costs?

There is one thing that you can do NOW and that is to insulate your home. Actual tests show that insulation will pay for itself in from three to five years, through fuel savings. That, of course, is in addition to the comforts that it affords.

***Insulation* works 12 months in the year**

Insulation works for you 12 months out of every year. In the winter it makes your house warmer, and in summer it makes it cooler—many degrees cooler.

Why neglect insulating your home any longer? It can be done without any great expense—in fact you can do it yourself.

Call us for an estimate. Materials are available.

PLAY SAFE WITH GOOD BRAKES!

AVOID ACCIDENTS—

SAFETY CHECK YOUR CAR AT YOUR Ford DEALER

CHECK your driving—check accidents *now* and every time you get behind the wheel of your car. Unsafe cars are a major cause of accidents. Make sure your car is in tiptop shape. See your Ford Dealer today for a thorough Safety Check of these important items:

- **BRAKES:** Do they need adjustment? Do they need fluid? Are the linings worn? Do they have proper pedal pressure?
- **LIGHTS:** Do bulbs need replacing? Are your headlights properly focused? Is the wiring in tiptop shape—no loose connections?
- **HORN:** Are all horn connections tight? Is the horn in condition so give a signal when you need it?
- **TIRES:** Do they have sufficient tread to guard against skids? Cuts or excessive wear may cause a blow-out accident.
- **STEERING:** Is there too much "play" in the wheel? Do your steering controls operate easily? Is the wheel alignment correct?
- **WIPERS:** Do wiper blades need replacing? Is the mechanism in shape for satisfactory operation every time you need it?

SORRY-NO GAS THIS YEAR

Natural gas service in Tecumseh, will be instituted as soon as materials are available for the construction of the necessary pipelines, mains and service lines.

Shortages of materials will make it impossible to bring natural gas to Tecumseh this year, but we are hopeful that the work can be undertaken in 1947.

We had hoped to do the job this year, but materials are much tighter than we had expected them to be.

Consumers Power Company has just signed a contract with the Panhandle Eastern Pipe Line Company which assures a plentiful supply of natural gas to all communities served by Consumers Power Company. This includes 240 communities in 23 counties. Among the larger cities are Flint, Saginaw, Kalamazoo, Bay City, Pontiac, Midland, Royal Oak, Mt. Clemens, Jackson, Marshall, Ferndale, Hastings, Ionia, Lansing and Owosso.

The agreement provides for conversion of the Winterfield and Cranberry Lake natural gas fields in Clare, Missaukee and Osceola counties into one of the world's largest natural gas storage areas, where natural gas transported 1.500 miles from Texas and Oklahoma during the warmer months will be stored for use in helping to meet the peak demands for winter.

A 150-mile pipeline, 24 inches in diameter, will be built from a junction with Panhandle's pipeline five miles southeast of Chelsea to the storage fields. Construction of this pipeline, originally scheduled for this year, has been deferred until 1947 by the shortage of materials.

The shortage project will offset the declining production of Michigan gas fields and give Consumers plenty of gas with which to meet the growing needs of Michigan users, including prospective customers in Tecumseh for at least a quarter of a century.

There's Danger in Under-Insurance of Both Real and Personal Property

Would You Sell Your Property For It's Insured Value?

The average owner in this area today, is lulled into a sense of security by the fact that he has an insurance policy covering fire, theft or other losses.

He forgets that he established the amount of his insurance coverage back in 1940 or earlier and has failed to keep his insurance abreast of the steadily rising values and replacement costs.

Home owners should ask themselves this question: "Would I sell my home or belongings today for the amount of insurance I carry?"

Another way to visualize this danger of under-insurance is to consider the replacement costs in dollars and cents and not in percentages.

For example, a home that was worth $7,000 in 1939 is worth over $11,000 today in most cases. The 1939 insurance coverage no longer is adequate to do the job.

Don't delay increasing your coverage—tomorrow may be too late.

Electricity works for peanuts!

AND if you aren't up on today's expressive slang, *peanuts* means a very small amount of money. Like your electric bill. It really is *peanuts*, isn't it—compared to most other items in your family budget?

While the cost of most things climbed through the years—the price of electric service kept right on going down. Even in wartime, when practically *all* prices popped up, electricity actually became a few *peanuts* cheaper.

As a matter of fact, the average American family gets twice as much electricity for its money today as it did 20 years ago!

All of this goes to prove an important point. Sound *business* management—and experienced employees—together have given the American people dependable, low-priced electric service—the best and the most in the world! You'll enjoy that service even more in the electric years ahead.

NOTICE OF HEARING

A hearing on the proposed amendment to the Tecumseh Township Zoning Ordinance as recommended by the Township Zoning Board will be held at the Office of L. H. Titley, Township Supervisor, at 127 West Chicago Boulevard on Monday, the 22nd day of July, A. D., 1946, at 7:30 o'clock in the evening of said day, at which time all persons interested may appear and will be given an opportunity to be heard. It is proposed that the following described property be changed from Commercial use to Industrial use.

All that portion of the Southeast quarter (¼) of Section Thirty-three (33) described as beginning at the intersection of the South line of the Village of Tecumseh with the West line of Evans Street; thence South on the West side of Evans Street to the South line of said Section Thirty-three (33); thence West on the South line of said Section Thirty-three (33) Three Hundred twenty-eight (328) feet; thence North in a line parallel with the West line of Evans Street to the South line of Tecumseh Village; thence East along the South line of the Village to the place of beginning.

It is proposed that the following described property be changed from Commercial use to Residence "C" use.

All that portion of the southeast quarter of Section 33, bounded on the north by the Village Limits, on the east by a line drawn north and south, 328 feet west of and parallel with the west line of Evans street, on the south by the Section line, on the west by the west line of The Tecumseh Small Farms Subdivision.

A plan of the proposed change may be inspected during business hours at the office of the Tecumseh Township Supervisor.

L. W. LARSEN,
Chairman Tecumseh Township Zoning Board

Dated: June 24, A. D. 1946.

WINDSTORMS vs. PRESENT HIGH COSTS
Have YOU looked over your Windstorm Insurance Policies recently? It will take more money today to replace properly destroyed by windstorms than it did a few years ago!
That's because of the present high costs of materials and labor.
It will be smart on your part if you take care of this before the next windstorm!

Annual School Vote, Monday

ONLY ONE MEMBER OF THE BOARD TO BE ELECTED AT MEETING ON JULY 8

The annual meeting of the electors of the Tecumseh school district will be held at the high school next Monday evening at 8 o'clock, it was announced today. The term of only one member of the board of education will expire with the approaching election, that of Dr. Arthur Brown. Other members of the board are Jens Touborg, Perry Satterthwaite, Earl Lindsley and Jerry Spafford.

Aside from the election of one board member, it is expected that there will be little other than routine business. The reports of the secretary, treasurer and superintendent will be made, and the annual budget will be approved for the year 1946-47.

The school district today officially received possession of the Ford-Brownville school from the Edison Institute, the actual transfer having been made this morning by Paul Jones of Dearborn, director of the Institute, who met here with Mr. Touborg and W. L. Berkhof, superintendent. The Institute announced several weeks ago that it would discontinue the operation of all of its schools in this area with the ending of the June term.

Mr. Berkhof said that what grades would be operated in the Brownville school was entirely dependent upon the showing made when the school census has been completed. He said that it had been officially decided by the board not to operate Green Lane Academy, a pre-school age institution maintained here for many years by Henry Ford. This school is located southeast of Tecumseh.

Mr. Berkhof said that he expects next Fall's school enrollment locally to jump from 60 to 100 students, because of the Ford decision ot close all of its schools. Repairs to the East Branch building will enable the use of three rooms there, and the Brownville school will also take a part of the overflow.

Miss Mary F. Wilsey Bride of Ivan Bame

Miss Mary Frances Wilsey, daughter of Mr. and Mrs. Mervin Wilsey of Cone and Ivan Bame, son of Wm. Bame of Carleton, were married June 22 at the Beth El Tabernacle in Britton by the Rev. E. H. DuBois. Preceding the ceremony Mrs. Beal played a short prelude and Mrs. F. Weichner sang "Always" and "I Love You Truly."

The bride who was given in marriage by her father was attended by her sister Mrs. LeRoy Smith, as matron of honor, and Misses Helen Bame, Annabelle Bousman, Shirley Farrar and Eleanor Benedict as bridesmaids. Dianne and Gloria Jean Bame were flower girls. David Bame was his brother's best man and ushers were John DeVee, LeRoy Smith, Henry Bame and Myri Wilsey.

Following the ceremony a reception for 150 relatives and friends was held at the Azalia Grange hall, with guests present from Toledo, Milan, Britton, Saline, Ann Arbor, Lansing, Corunna, Tecumseh, Dundee, Monroe, Carleton, Willis, Ridgeway and Cone.

The bride is a graduate of Milan high school in 1943 and is employed in the office of the Cone Elevator. Mr. Bame returned recently from 4½ years service in the Aleutian Islands, Europe and the United States. He is employed at the Central Specialty in Ypsilanti.

FUNERAL SERVICES HELD FOR AUGUST DE VOLGER

Funeral services were held Saturday at the Hause Funeral Home in Clinton for August DeVolger, aged 81 years, who died last Wednesday at the home of E. A. Filsinger west of Clinton where he had lived for six years.

A daughter in Belgium is his only survivor.

Rev. C. E. Foltz officiated and burial was in Riverside cemetery, Clinton.

TRACTOR DAMAGED

Fire, which probably started from a backfire of the motor, badly damaged a tractor on the Lindsley Bros. farm, north of Macon, Thursday afternoon. Although the tractor was near a barn, no buildings were set afire. The Macon and Saline fire departments responded to the alarm.

W. S. C. S. TO MEET

Softball Game To Be Played Here, July 4th

The Tecumseh Products softball team will play a game here on Thursday afternoon, July 4, at 2:30 at Recreation Center, against Petersburg, it was announced today. Admission will be free but a silver collection will be taken.

The Products team is tied with Clinton for first place in the Lenawee Twilight League, having played six games and lost only one, Petersburg, while not a member of the league, has an enviable reputation on the diamond.

Don Frolich, Johnny Harris or Claud Sebring are scheduled to pitch the game for Tecumseh.

A large crowd of spectators is expected for the exhibition.

Detroit Buses Begin Service

MAKE THREE ROUND TRIPS DAILY BETWEEN MOTOR CITY AND TECUMSEH

From W. K. Commerson, traffic manager for the Short Way Lines, Inc., it was announced that effective yesterday, Short Way buses started operating between Tecumseh and Detroit. This is round-trip service with three trips daily to begin operations.

Buses leave Tecumseh for Detroit at 6:30 a.m., 11:20 a.m., and 4:20 p.m. For the return trips from Detroit, Short Way buses will arrive in Tecumseh at 10:20 a.m., 3:20 p.m., and 8:20 p.m. There will be two buses from Hillsdale that will make connections in Adrian to and from Detroit.

Buses will travel from Tecumseh via Clinton, Saline, the Ypsilanti State Hospital, over Rawsonville Road, and over the Willow Run Expressway into Detroit.

More detailed information can be obtained from the Short Way Agent, Ralph E. Hodges, 107 E. Chicago Street.

Ensign Dorothy Gove Weds Lt. Clarence Glover

Ensign Dorothy Gove, daughter of Irving Gove, of near Clinton, and Lt. Clarence Glover of Charleston, S. C., were married Wednesday, June 26 in the chapel at Great Lakes, Ill. The double ring service was read by Chaplain Roderick Smith.

The bride who was given in marriage by Captain Lee Harris, was attended by her sister Mrs. Mervyn Witherell as matron of honor, and Miss Eleanor VanDeusen and Mrs. Joel Clay, of Ann Arbor, as bridesmaids. Little Linda Witherell was flower girl and ring bearer. Lt. Comm. Clarke Reid was Lt. Glover's best man. Lt. John Bailey and Lt. Harold Reynolds were the ushers.

After a short honeymoon on Lake Michigan they will make their home at Great Lakes.

The bride is a graduate of Clinton high school and of St. Joseph Mercy College of Nursing. She has served in the Navy Nurses Corps the past year but will receive her discharge soon. Previous to enlistment she had been employed in Ann Arbor and at Bixby Hospital, Adrian. Lt. Glover has served four years in the Navy.

FORMER RESIDENT DIES

Funeral services were held in Addison Saturday for William Mathias, aged 87 years, who died last Wednesday night in a Hillsdale hospital.

Mr. Mathias was born in Tecumseh August 25, 1858 but had lived in Addison most of his life.

He leaves the widow, a daughter, Mrs. Pearl Marr of Hudson, and two grandchildren.

Three Brides From Abroad

Pictured above are three "brides from abroad," wives of employees of Tecumseh Products Company.

Lower, left, are Mr. and Mrs. Arthur R. Martiney, jr., of Clinton. Mrs. Martiney formerly was Catherine Wolff of Fontainebleau, France. With their 5-months-old daughter, Mary France, she crossed the Atlantic aboard the U.S.S. Brazil with 600 other brides and 60 babies. Mr. Martiny received his discharge Dec. 22, 1945, after four years and eight months of service in Italy, France and the Rhineland. He won the infantryman's combat badge, European ribbon with five stars, a bronze invasion arrowhead and the Presidential unit citation besides the good conduct medal.

Above, right, is Mrs. Geo. Derby and their 5-months-old daughter, Alison Jeane, who came from Dunstable, Bedford, England, aboard the U.S.S. Erickson, with 600 brides and 72 babies. Mrs. Derby was formerly Jeane Simpson and Mr. and Mrs. Derby were married December 15, 1943, in England. Mr. Derby was discharged October 18, 1945, after 25 months in England and 16 months in the states. He was shop chief in an electric shop in the Bomber Base in England. The Derbys live in Clinton.

The photo, top left, shows Mr. and Mrs. Willard Behm of Riga. Mrs. Behm is the former Marjorie Fenoulhet of London, and they were married in England, April 6, 1945. Mr. Behm received his discharge November 11, 1945, after service in England, France and Belgium. He was a member of the air force.

Miss Myrna Sell Is Wed To Dorman Edwards

Miss Myrna Sell, daughter of Mr. and Mrs. John Sell and Dorman Edwards, son of Mr. and Mrs. D. Edwards, were married last Wednesday afternoon by the bride's uncle Rev. E. J. Rinehart at his home in Adrian. They were attended by her sister and husband, Mr. and Mrs. Edward Solarski.

Following the ceremony a reception was held at the home of the bride's grandmother Mrs. Lena Loar in Adrian. They left later on a trip and on their return will live with his parents northeast of Tecumseh until their new home is completed.

The bride is a graduate of Lenawee County Normal and will teach in Franklin District No. 10 the coming year. Mr. Edwards is a graduate of Tecumseh high school and recently was discharged from the army after three years service.

MARRIED IN TOLEDO

Joan M. Price, daughter of Mr. and Mrs. Homer D. Price of Toledo, formerly of Tecumseh, and Earl L. Fleming, also of Toledo, were married Saturday evening at the Glenwood Lutheran church in that city by Dr. Alvin Bell. Dorothy Price was her sister's maid of honor.

Following the ceremony a reception was held in the Price home on Berdan Avenue. The couple left later for a honeymoon in Chicago and on their return will make their home in Toledo.

DAILY PLAY SCHOOL

Miss Elizabeth Dickinson, teacher at Green Lane, is conducting a play school daily for children from three to five years of age, at St. Peter's parish house. There are 31 children enrolled and the school will continue for a period of six weeks.

TO WED SOON

Mr. and Mrs. Samuel Clough are announcing the approaching marriage of their daughter, Betty, to T. H. Brooks, Jr., of Monroe which will take place Sunday, July 14 at 3 o'clock at the Baptist church.

Barbara H. Dannells Weds John T. Flint

At an impressive wedding ceremony performed Sunday afternoon at 4 o'clock at St. Peter's Spiscopal church, Barbara H. Dannells became the bride of John Truesdale Flint. The Rev. Allan L. Ramsay read the marriage service. Preceding the ceremony Jack Tonneberger gave a short recital of organ music and Mrs. Gordon Miller sang "The Lord's Prayer" and "Ave Maria." Mr. Tonneberger also played the wedding march.

The bride, who was given in marriage by her father, wore white satin with court train and fingertip veil and carried a prayer book and an orchid. Mary Wright, maid of honor, Lois Clark, Dorothy Hudson and Carol Alberzardt, bridesmaids, were in all white figured nylon with white flowers in their hair and carried colonial bouquets of red roses. Gordon Miller attended the groom as best man. Little Janet Lee Bowers, a cousin of the bride, was flower girl and ushers were Bert C., Robert and M. L. Dannells, Jr., brothers of the bride.

Following the ceremony a reception was held in the garden at the home of the brides parents, Mr. and Mrs. M. L. Dannells on North Union street, where Misses Virginia Fogle, Margaret Jane Sage, Mary Jean Wolters, Jean Marie Herrick and Elva Mae Dickinson assisted in serving 200 guests from Butler, Waterloo, Ft. Wayne and Auburn, Ind., Toledo, Napoleon, Grand Rapids, Albion, Marshall, Detroit and Tecumseh.

The bride is a graduate of Tecumseh high school and Albion College and is a member of Zeta Tau Alpha sorority. Mr. Flint was recently released from naval service after a year overseas and is now employed by the Philco organization at Tecumseh Products Company.

After their return from a short trip they will make their home in the Hadley apartment on North Pearl street.

New Drug Firm Is Organized

MAJOR HAROLD E. TREBY IS NOW ASSOCIATED IN CAMERON DRUG STORE

Harold E. Treby has announced the formation of a partnership with John C. Cameron of the Cameron Drug Co., Tecumseh, effective as of July 1. Mr. Treby joined Mr. Cameron on March 1, 1946, while on leave from the Army, and has been employed in the drug store as a registered pharmacist.

Mr. Treby, now a major in the Pharmacy Reserve Corps, USA., returned to the United States the latter part of January from the European theatre, where he had served as executive to the Third Infantry Division surgeon during all the combat missions of that unit from North Africa in 1942, through the assault landings and rugged combat in Sicily, Salerno, Anzio and Rome, Italy, Southern France, Alsace-Lorraine, Germany, and finishing up the Nazi resistance at Baertesgaden on May 8, 1945. Shortly thereafter he was called to the 7th Army Surgeon's office in a similar capacity during the reconversion of troops in other theatres.

He has been awarded the Legion of Merit, Bronze Star, Presidential Citation, French Fourragere, and other combat awards which totaled 175 points on VE Day, and included nearly five and a half years of army service.

Prior to entering the army, Mr. Treby was employed as laboratory manager at the Rupp & Bowman Co., Toledo, a manufacturing, wholesale and retail drug firm. He graduated from Ohio Northern University in 1928 with the degree of pharmaceutical chemist. He also was awarded the Doctor of Pharmacy degree from the University of Rome. Professionally, he is a registered pharmacist in both Ohio and Michigan.

Mr. Treby is married and has three daughters, Gwendolyn, 15, Nancy, 11, and Marcia, 9. At present the family is living in Toledo, until a home can be found in Tecumseh.

Mary L. Wickwire Weds Howard Dunlap of Adrian

Mr. and Mrs. Earl L. Wickwire have announced the marriage of their daughter, Mary Louise, to Howard L. Dunlap of Adrian. The wedding took place on Saturday, June 29, in Angola, Indiana.

The bride chose a gown of pink crepe with white accessories for the ceremony which was performed by the Rev. John W. Borders. Their attendants were Mr. and Mrs. Eugene Robinson of Wauseon, Ohio, the latter a sister of the groom.

Mrs. Dunlap attended the Tecumseh public schools, graduated from St. Joseph's Academy, Adrian, spent one year at Seina Heights College and received her Bachelor of Arts degree from Adrian College last June. She is a member of the Delta Delta Delta Sorority.

The newlyweds took a short wedding trip to Northern Michigan and then returned to their cottage at Devils Lake, where they will spend the summer, moving to Adrian in the Fall where Mr. Dunlap is associated with his brother in the garage business.

35TH REUNION

The 35th annual reunion of the Brown-Schreder families was held Sunday at the home of Mr. and Mrs. William Taylor in Adrian.

NOTICE

The annual school meeting of Tecumseh District Five electors will be held at the residence of Murray Day. A new director will be elected. Ice cream will be served. Ladies please bring cakes and teaspoons.

Village Requests Bids on Storm Water Sewer

The Village Council, in session Monday evening, authorized the advertisement for bids for the construction of a 42-inch storm water sewer on Patterson street, between Evans street and the River Raisin. Bids will be received up to July 22.

Land needed at the river upon which to dump the storm water is being purchased from the Ford Motor Company and the council approved the purchase of about 75 acres at a cost of $3,475.55. There is sufficient acreage here for a site for the construction of a sewage disposal plant, already ordered by the state but delayed because of the lack of building materials.

The council denied the request of Clayton Greenwald for a parking place in front of his laundry on East Chicago boulevard.

Current bills were audited and approved and reports of committee and department heads were read and placed on file.

Death of OPA Stuns Business

PRICES LOCALLY ARE UNCHANGED AND LITTLE DIFFERENCE IS SEEN

The official death of OPA last Sunday midnight will make little immediate change in the cost of living in this area, according to the opinion of local business men. While it is rumored that some rentals have been increased, the general over-all picture of prices in this locality remains the same as it did under price ceilings.

"I can't see any reason for increasing prices at this time," one merchant said. "I don't believe that merchants locally will make any attempt to boost their prices, unless the cost of merchandise offered for sale is increased to them by suppliers and wholesalers."

Another business man went on to say that under OPA he believed that there was very little chiseling, pointing out that all that the merchants are interested in is a fair profit. "The average dealer realizes that he is dependent upon repeat sales, and when goods and foods become more plentiful the law of supply and demand will become operative and take care of prices automatically," he believed.

Nation-wide, it was said that cost-of-living prices were for the most part remaining stable and while there were isolated cases of increases, by and large there were no drastic changes. The price of rents seemed to have been affected most seriously but officials warned that any attempt on the part of landlords to gouge tenants might react and bring about an even more rigid control.

Washington was discussing the passage of a more workable price ceiling bill but predictions there were that it might take weeks or months before legislation suitable to the President could be effected. In the meantime, business was hopeful that the country would demonstrate that control was unnecessary—other than the law of supply and demand.

Keyless Skate Plant is Ready

SHORTAGE OF MATERIALS IS ONLY THING THAT IS DELAYING PRODUCTION

Shortage of materials due to strikes is the only thing that is delaying the operation of the Keyless Roller Skate Company's new plant, just south of the Quaker Oats Company, Bruce W. Hoffman, vice-president, declared today. The company recently was incorporated for $25,000. Otto Meier is president and Mr. Hoffman is vice-president, secretary and treasurer.

"We hope to get going by the latter part of July and our first run of skates will be about 5,000 pairs. If materials are available when we complete that run we will make up several times the initial production," Mr. Hoffman said. He pointed out that there is a pent-up demand for the product, but that material shortages are holding up manufacture.

The company is housed in a new building that was recently completed. Considerable machinery has been installed and more will be placed soon. The shop will open by employing three or four men and will be enlarged as materials become more plentiful.

The Keyless skate is expected to revolutionize the skate market. It requires no key to tighten to the shoe.

YOUTH FELLOWSHIP

The Baptist Youth Fellowship met Sunday evening at the church with Priscilla Sisson in charge of the meeting. She gave a brief talk on the American and Christian flags which was followed by a group discussion.

There will be no meeting next week.

LOBBY FOR AMERICA

What the United States needs today is more individuals who feel that adherence to principle is more important than personal political prestige. Cynical realism and political expediency have brought this country to the very brink of chaos. As one American housewife asks in desperate earnestness, "Where are the lobbyists for America, for justice and for truth?" Millions are asking the same question.

There is no one lobbying effectively for solvent government; for the right of the individual to join or not to join a labor union; for an end to the strangling clutch of government bureaus on the activities of every private citizen. It is not popular to lobby for these things because too many people have the idea that in bureaucracy and organized compulsion lie sanctity from inflation.

Fear of these hazards of the post-war world has led to confused restrictions and suppression of natural forces which can only result in an explosion of some kind. When it comes, those millions who believe in this country and its form of government will have to "lobby for America" as they never lobbied before.

A LITTLE MONEY...is ENOUGH...if wisely spent, TOO MUCH...IF expended foolishly!

* * *

A "little money" regularly deposited in a checking account proves to be "enough" to take care of your running expenses. A "little money" uncontrolled in your billfold is vulnerable to "foolish" spending and leaves you "too much" in the red at the end of the month.

Follow the example of money-wise men and women. Protect yourself from careless spending by opening a checking account in this bank.

Drop in the next time you are downtown and open an account—then you, too, can spend wisely.

JULY SUNSHINE will be Only a Memory in January

You Can't Heat Your Home on Memories

Certainly, July is a warm summer month, a month when we like to think of the approach of cooler weather and greater comfort. . . .

But will your home be comfortable next winter? How comfortable were you this year. . . . were there drafty corners, certain rooms that were difficult to heat?

CUT FUEL COSTS, INCREASE COMFORT WITH INSULATION

You can reduce your fuel costs, perhaps as much as 30%, and you can increase home comfort 50% or more through the insulation of your present house. The work can be done NOW and it can be done with comparatively little expense.

Why dont you ask us for an estimate of the cost of insulating your home? Perhaps attic insulation would be sufficient in your case. Have the work done this summer and begin immediately to enjoy HOME COMFORT.

INSULATION, YOU KNOW, WORKS FOR YOU 12 MONTHS OUT OF EVERY YEAR. IT MAKES YOUR HOME COOLER IN SUMMER—WARMER IN WINTER.

OBITUARY

MRS. CHARLES R. CRAIG

Charlotte Patterson Craig, youngest daughter of Julia Hoagland Patterson and Alex Patterson, was born July 30, 1874 in Macon, Michigan, in the old homestead now occupied by her brother, Samuel Patterson, and died June 24 at the home of her daughter Mrs. Everett Ridge in South Bend, Ind. She had lived all of her life in this community with the exception of the last five years when she moved to South Bend to be near her daughter.

On March 31, 1897 she was united in marriage with Charles R. Craig. To this union was born one daughter, Julia, now Mrs. Everett L. Ridge of South Bend.

She was a member of the Britton Methodist church and as long as health permitted was a faithful worker.

Her husband died December 27, 1944. Besides the daughter, she leaves a granddaughter, Jo Ann Ridge; one brother, Samuel Patterson; three nieces and three nephews. Besides her husband, her parents and two sisters, Mrs. Jennie Linton and Mrs. Dolly Hindes have preceded her in death.

DIXIE GAS

And Our Service Is The Answer

The war may be over but it is as difficult—or more so—to get a new car today than it was even in the middle of the war.

THE CONCLUSION IS — YOUR CAR MUST SERVE YOU—not only this month and this summer, but maybe for another year or more.

KEEP IT IN CONDITION. Bring it to us for service—service that satisfies. And burn DIXIE GAS exclusively.

DIXIE GAS is jammed with power; it's free-burning, high octane, smooth running. It's just the gas for your old car, to make it operate more evenly.

TRY IT IN YOUR OWN CAR. A tank full will convince you as it has hundreds of others.

Don't Risk a '46 Fire with 1940 Insurance

It would cost you about 40% more now than in 1940 to replace your home. You can make up the difference in this replacement value by increasing your fire insurance coverage.

The cost of this added insurance is surprisingly low, in fact only a few pennies a month.

Why risk a 40% loss on your home in the event of fire? Call us today and let us write you an insurance policy that will give you complete and adequate coverage.

There's a Ford in your future!

HOW QUICK CAN YOU STOP?

A few inches are often the difference between a close call and a costly crash! Make sure your brakes are ready to give you quick stops every time!

SAVE TROUBLE WITH A Ford SAFETY CHECK

- BRAKES — Do they need adjustment — fluid added?
- HORN — Is it in good condition—sure to give a signal when you need it?
- TIRES — Are they safe? Cuts or excessive wear may cause a blow-out accident.
- LIGHTS — Do any bulbs need replacing? Are your headlights properly focused?
- STEERING — Is there too much "play" in the wheel? Do your steering controls operate easily?
- WIPERS — Do they operate positively and satisfactorily?

Simple Home Remedies
May Not Be Enough
We have scores of excellent home remedies that should be found in most every medicine cabinet to protect the health of your family. These things should be constantly kept on hand because illness or injury can strike at any time.
But sometimes home remedies are not sufficient. If they are not, if the patient does not readily respond to treatment, don't delay in calling your physician. He's the man who can prescribe effectively for your needs and our store is where you should bring his prescription to have it accurately compounded.

Irrigated Farm Project Begun

BLUE DIAMOND PRODUCE CO., NEAR CLINTON, LAUNCHES NEW PROJECT

The Blue Diamond Produce Co., recently incorporated, is planning intensive production of farm produce by aid of irrigated and 35 "trace" mineral elements as well as regular fertilizers on farm land owned by the company on the Braun Road, just northeast of Clinton.

Water from the Saline river is to provide irrigation and the mineral elements required for maximum production will be introduced in the water supplied to the growing crops, principally potatoes.

Hoyt G. Wilson of Saline is the president of the organization and associated with him are James C. Hendley and Jack Nichols of Manchester. The Blue Diamond Produce Co., recently incorporated, has an authorized capital stock of $50,000. According to Mr. Wilson similar projects are now producing as high as 600 bushels of potatoes per acre. The corporation will also operate another experimental project on sandy soil near Norvell.

One especially interesting experiment they will undertake is that of growing plants in screened tanks, wire being used to support a straw or similar mulch in which the plants are seeded, the water in the tank furnishing the moisture and plant food necessary for maximum growth.

GETS DEGREE

Everett Elwood received his master's degree in agricultural economics at the University of Illinois last week. His mother Mrs. Willis Elwood, was in Champaign for his graduation.

CLINTON

Clinton veterans of World War I and II are making plans for a free street dance to be held Thursday evening, July 4.

William Warner has received his discharge from the navy after 3½ years service.

Merlyn L. Kellogg is attending summer school at the U. of M. in Ann Arbor where she will receive her master's degree. She will teach music in the Adrian schools the coming year.

William Baird has returned from overseas after 18 months service in Korea and the Philippines and has received his discharge.

The Blue Star Mothers met Friday att he home of Mrs. Thomas Pence for potluck dinner and a sewing meeting. The group is planning to hold a tag day in July, the proceeds to be used toward wheel chairs for Percy Jones veteran hospital. They have already made 100 pairs of scuffies and have purchased eight bedside radios and are donating $5 each month to purchase victrola records for the hospital.

The Clinton Community Farm Bureau met Friday evening at the home of Mr. and Mrs. H. P. Vaughan. "Home Freezing is Canning" was the topic for discussion and Beatrice Frangquist, county home demonstration agent, was the speaker.

John Gilman will spend the summer at Bird Lake, where he will act as senior counselor at Camp Al-Gon-Quin.

The Clinton Woman's Club at its annual spring meeting voted to recess for one year. A special meeting will be held September 5.

There's Danger in Under-Insurance of Both Real and Personal Property

Would You Sell Your Property For It's Insured Value?

The average owner in this area today, is lulled into a sense of security by the fact that he has an insurance policy covering fire, theft or other losses.

He forgets that he established the amount of his insurance coverage back in 1940 or earlier and has failed to keep his insurance abreast of the steadily rising values and replacement costs.

Home owners should ask themselves this question: "Would I sell my home or belongings today for the amount of insurance I carry?"

Another way to visualize this danger of under-insurance is to consider the replacement costs in dollars and cents and not in percentages.

For example, a home that was worth $7,000 in 1939 is worth over $11,000 today in most cases. The 1939 insurance coverage no longer is adequate to do the job.

Don't delay increasing your coverage—tomorrow may be too late.

Finance Committee

Motion made by VanVleet supported by TurnBull that the Village Assessor be instructed to prepare a tax roll and levy a tax according to the assessed valuation and as recommended by the Finance Committee of the Village of Tecumseh for the year 1946-1947 and to report same to the Village Council in the same provided by law.

Ayes: VanVleet, TurnBull, Adamson, Truesdale.

Nays: None. Motion carried.

The following resolution was offered by Van Vleet, supported by TurnBull.

Whereas, it appears to this Council that the following named persons are in default in payment of Water Bills opposite their respective names:

Howard Matthews	$10.50
Dan Schultz	10.00
Mrs. John Marsh	10.50
Wm. Hagadorn	8.96

Therefore, Be It Resolved, that the Village Assessor be and hereby is authorized and instructed to levy the amounts as set forth as a tax against the propery for delinquent Water Bill, as a special assessment upon his tax roll for the year 1946-1947.

Be It Further Resolved, that the Village Treasurer be instructed and directed to proceed to collect such taxes so assessed in the same manner as other taxes are collected by him.

Ayes: VanVleet, TurnBull, Adamson, Truesdale.

Nays: None. Motion carried.

J. Floyd Elliott, President
Wade L. Jones, Clerk.

The petition signed by various property owners on Chippewa and Bidwell streets was referred to the Street Committee to report at next meeting.

The matter of repairs to jail was referred to the Building Committee.

Moved by TurnBull, supported by Rohweder, that motion to authorize construction of forty-two inch storm sewer from Evans Street to Bank of River Raisin be rescinded, and that Village Attorney and Clerk be instructed to write a letter to R. W. Herrick, President of Tecumseh Products Company, advising what steps and procedure are necessary to construct said sewer.

Ayes: VanVleet, TurnBull, Adamson, Truesdale, Rohweder.

Nays: None. Motion carried.

On motion, Council adjourned.

Where little children cry from hunger—

SOMEWHERE, halfway across the world, two little children cry bitterly from hunger. Children cannot understand the way of hunger—they know only the gnawing pain, the piteous weakness. A broken mother listens helplessly.

Their only hope—and the hope of millions like them—is that Americans will not be complacent in a starving world . . . that we will share the abundance that is ours.

The next time, then, that you go to your favorite grocery store or meat market for supplies, and you find that your merchant cannot give you exactly the food that you would like, think of the millions of youngsters "over there" who are starving. Think of the mental anguish their parents are suffering . . . watching their children meet a slow death because of a lack of food.

We, here in America, do not know what it means to be hungry. Always, we have had an abundance of everything. Nature has been kind to us, and a merciful Creator has made possible our enjoyment of luxuries known to no other nation on earth.

At this time we are asked to share our luxuries with those who are less fortunate. No one has asked us to give all . . . just a part. Perhaps a slice of bread less a day . . . a little less meat tomorrow.

Yes, we do notice a shortage in some things but there are so many, many other things to which to turn that we do not want, we do not hunger.

Let's remember this the next time we find supplies short in our favorite market. And, let's remember, too, that the supplying merchant will furnish his customers with everything just as quickly as conditions permit and the world crisis has been overcome. It won't be long, so please be patient.

Helzerman New Board Member

SUCCEEDS DR. ARTHUR BROWN AS TRUSTEE; PETITION PLAN APPROVED

An addition to the West Branch school building is being considered by the Board of Education, and a special meeting of voters for approval of such a program may be called yet this month, it was learned after the Board met for organization, Tuesday evening.

The Board seems to be of the opinion that it would be more profitable to enlarge the West Branch than to spend money for repairs at the East Branch, which building has been slated for abandonment. A permanent enlargement, rather than a temporary one, also was favored.

Money which might be used to meet the emergency is now in the building fund, but the Board wants voters' approval before authorizing construction. The addition probably would cost $10,000, and could be completed by January 1. Indications are that from 90 to 100 more students will be enrolled here this fall than a year ago.

At Tuesday's meeting, Jens Touborg, was re-elected president of the Board, Jerry Spafford, vice-president, Earl Lindsley, treasurer, and Perry Satterthwaite, secretary.

Dr. Ralph Helzerman, practicing physician and who recently returned from World War II where he served as a captain in the medical corps, was elected as a member of the Tecumseh board of education, at the annual meeting of the district, Monday evening. Dr. Helzerman succeeds Dr. Arthur Brown, whose term of office expired. Dr. Brown was not a candidate for re-election.

There were two nominations for the trusteeship, Dr. Helzerman and Fay Whelan, who for several years has served as treasurer of the Tecumseh Recreation Center. In the balloting, Mr. Whelan received 33 votes and Dr. Helzerman 56.

On motion of Dr. Brown, the electors unanimously approved a plan for the district to come under the new state law, requiring that candidates for school trusteeship file nominating petitions bearing at least 50 signatures, at least 20 days previous to the election. Balloting then would be done in the daytime, instead of at the annual meeting, the polls being open from about 3 to 8 p.m., in the afternoon. Under existing procedure, nominations are made from the floor and balloting is done at the meeting.

The motion is expected to serve as a guide to the board, which must approve the plan.

The report of the treasurer showed that the district last year spent $83,852.78, including $3,200 for the operation of the library. Receipts, including balances from a year ago, were $104,127.88, of which amount $13,863.02 was the balance in the building and site fund and $7,086.16 in the general fund. The balance of cash on hand as of July 1 amounted to $20,295.10, including the $13,863.02 in the building fund. This latter amount is raised by the special five mill tax, voted by electors a year ago.

Reports at Monday's meeting, aside from the treasurer's, included the secretary's, the librarian's and the superintendent's, W. L. Berkhof. The latter estimated the per day cost of pupil education here last year at 62.1 cents.

The board of education now is made up of Jens Touborg, president, who presided at the meeting, Earl Lindsley, treasurer, Perry Satterthwaite, secretary, Jerry Spafford and Dr. Helzerman.

RAISIN OPENS SCHOOL FOR SOCIAL MEETS

Howard Francis was elected director of Raisin Fractional School District No. 5, at the annual meeting held Monday night in the Colvin schoolhouse, with 32 voters present. Wallace G. Bryan, moderator, and Edward L. Mark, treasurer, are the other members of the board.

It was also voted to open the schoolhouse for appropriate social meetings of the district. The building has been cleaned and decorated and fences painted in preparation for the opening of school in September with Mrs. Lulu Waldron as teacher.

After the meeting Mr. and Mrs. Francis and Mr. and Mrs. Carl Gruber entertained in the Francis home in honor of D. W. Beck, who had served the district for 15 years as director, and he was presented with a gift. The hostesses served refreshments.

Dr. Brown's office will be open Monday, July 15, at the usual hours.—adv. J 11.

Ford Centennial School Given To Raisin Dist.

The Ford Centennial school southeast of Tecumseh, became the property of Raisin District No. 10 on Tuesday, July 2, when Paul H. Jones of the Edison Institute in Dearborn presented the deed to the building and all equipment to Mrs. Norris Dartt, director of the Comfort district board.

Twenty-seven pupils will attend the school this fall and Miss Ruth Springer of Wellsville has been engaged as teacher.

Green Lane Academy, southeast of Tecumseh, and the Macon high school buildings have not yet been disposed of.

Return of Rent Control Hinted

OPA OFFICE IS STANDING BY AWAITING ACTION BY OFFICIAL WASHINGTON

Gov. Kelly has asked a special session of the Michigan Legislature to freeze all rents until September 1, as a stop-gap while Congress considers a new OPA bill. The Senate is studying the Governor's proposal. The freeze would be effective only in communities where rent controls were in force during the war.

Charles H. Baker, area rent director-attorney of Jackson, Lenawee, and Hillsdale counties, stated today that his office is on a standby basis even though the present legal authority of OPA terminated last week. Mr. Baker said that even in the absence of federal rent controls this does not leave the tenant completely without protection, nor the landlord without obligations.

Baker stated that according to Michigan Law, tenancies at will or by sufferance may not be determined by either party without a notice given to the other party. When the rent reserved in the lease is payable at periods of less than three months the time of such notice is sufficient, if it be equal to the interval between the time of payment. Baker further stated, however, that if a tenant neglected or refused to pay the rent on a lease at will or otherwise only a seven-day notice to quit is required, and this notice must be given in writing.

Baker urged landlords to exercise self-restraint in increasing rents or in evicting tenants. He said that from all appearances there is every likelihood that Congress would act to reinstate controls on rent. However, during the interim period when controls are off, evictions will be governed solely by Michigan law and the validity of demands for increased rents during this period will depend solely on the terms of the tenant's lease or rental agreement and the local law.

The rent director stated that until further notice the OPA representatives will not be in attendance at the local office in Adrian.

Price of Flour Up $1.60 CWT

INCREASE IS DUE TO CANCELLATION OF SUBSIDY; PROFIT MARGIN SAME

Although the Hayden Flour Mills are running on a 24-hour schedule, producing flour for the government in connection with the war famine relief schedule, Perry Hayden, president, warned today that next month, when flour is again available for domestic consumption, prices will rise sharply.

"This is due to two things," Mr. Hayden said. "First, the government subsidy of $1.02 per hundred on flour has been cancelled, and wheat, in the last 60 days, has jumped about 30 cents a bushel in price. This means, then, that flour will be about $1.60 a hundred higher when it appears on the market, or about 40 cents more for a 24½ pound sack.

"Insofar as our profits at the mill are concerned, they will not increase. We intend to hold the line, but there is nothing that we can do about the removal of the subsidy or the price jump in grain. Flour would be about $1.85 a hundred higher, instead of $1.60, if it were not that feed prices have been increased, due to the lifting of the ceiling."

The local 100-year-old mill has been grinding wheat for the government for several weeks and the contract will continue for at least the remainder of the month.

"We intend to hold our margin of profit stable, and apparently the same position will be taken by mills all over the country," Hayden said. "When the law of supply and demand again becomes operative, it is possible that flour prices will drop. However, until there is more flour production, the higher price is likely to prevail."

Onsted Farmer Killed in Fall

EDWARD VALLAD, 48, DIES INSTANTLY WHEN THROWN FROM LOAD OF HAY

Edward Vallad, 48 year old farmer from near Onsted, was killed instantly Friday morning when thrown from a load of hay, when the whiffletree of the wagon broke. He was drawing hay on the farm of a neighbor Charles Dunbar when the accident occurred. His neck was broken in the fall.

Survivors are the widow Vera, a daughter Onalee, three sons Lynn, Marvin and Orris, and three grandchildren, all of Onsted; his father Wm. Vallad of Marion, a brother Arthur of Hazel Park, Mich., five sisters, Mrs. Jessie Friend of Lansing, Mrs. Carrie Blevens of Marion, Mrs. Vena Ball and Miss Vivian Vallad of Detroit, and Mrs. Amy McFall of Muskegon.

Funeral services were held Monday afternoon at the Dunn Funeral Home in Onsted. Rev. F. D. Hague officiated and burial was in Onsted cemetery.

MRS. ARTHUR STRAHLE, FORMER RESIDENT, DIES

Mrs. Arthur Strahle, aged 50 years, of Grass Lake, a resident of this vicinity until two years ago, died Monday at Osteopathic Hospital in Jackson. Mrs. Strahle was formerly Blanche L. Curtis.

Besides her husband she leaves three sons, Howard and Harold at home, and Leon of Clinton, a daughter Thelma at home, her father David Curtis of Grass Lake, five brothers and four sisters.

Funeral services will be held today at 2 o'clock at the Emanuel Lutheran church in Manchester and burial will be in Riverside cemetery at Clinton.

ENGAGEMENT ANNOUNCED

Announcement is made of the engagement of Patty Lou Underwood, daughter of Mr. and Mrs. Charles Underwood of Monterey, Calif., to Jack Curtiss, son of Mr. and Mrs. Lyman Curtiss of Tecumseh. The wedding is planned for December.

Mr. Curtiss received his discharge from the Navy in March after three years service in the Pacific. He returned to Monterey in May where he is learning photography at The Camera Shop.

HONOR BRIDE-TO-BE

Mrs. Paul Sheldon and Mrs. Albert Marks of Blissfield entertained Tuesday evening in the Sheldon home honoring their sister, Miss Betty Clough, whose marriage to T. H. Brooks of Monroe is an event of July 14. Miss Clough was showered with a variety of gifts. Refreshments were served.

Mr. and Mrs. M. D. Gillin announce the approaching marriage of their daughter, Isabel, to Lester Randolph on July 26.

Dearborn Darlings To Play Products, Saturday

Fred Garling's Class A Dearborn Darlings will play Chuck Warner's Tecumseh Products Ducks for the baseball championship of Brownville at Recreation Center here on Saturday, July 13, at 2:30 p.m.

Interest in the game is running very high, particularly at the Products, and a parade of the Dearborn team and boosters is scheduled through the business district at 1:30, Saturday. It will be headed by the Curbstone Boys' Little German Band from Detroit.

The Darlings have lost only one game this season and Warner's team is out to make it two, and it is expected that a large crowd will furnish plenty of support for the Tecumseh players.

World War Vet Drowns in Lake

RALPH MOBLEY, AGED 25, LOSSES LIFE AT WAMPLERS ON MONDAY EVENING

Ralph Mobley, aged 25 years, a returned veteran of World War II, drowned Monday night at 7 o'clock while swimming at Wamplers Lake.

Mr. Mobley was born April 23, 1921, at Manchester, Ky. He had been in Michigan for some time and served three years with the army in Europe receiving his discharge in November, 1945. Since his return he has been employed by Tecumseh Products Company.

Survivors are the widow formerly Nadine Marsh of Tecumseh, his parents, Mr. and Mrs. T. W. Mobley of Salem, Ind., four brothers, Basil, Willie, James Edward and Paul Wayne; nine sisters, Mrs. Virginia Gross, Marie, a twin, Ruby Cleo, Opal Fay, Pauline Elizabeth, Lois, Bonnie Jean, Hazel Lou and Thelma, all of Salem.

The body was brought to the Collins Funeral Home and Wednesday was removed to Salem for burial. The services are to be held at the Dawalt Funeral Home there.

Several Are Injured In Two Auto Mishaps

Mrs. Harry O'Neil of Grass Lake who formerly lived north of Tecumseh, suffered head injuries and fractured ribs last Wednesday afternoon when her car collided with one driven by Thaddeus Florek of near Clinton. The accident happened on the Sharon Hollow Road north of US-112 at Clinton. Mr. Florek suffered cuts on the head and elbow. Mrs. Mark Huck of Quincy, Ill., and her eight-year-old son were passengers in the O'Neil car. Mrs. Huck was injured about the chest and head and one ankle and her son was cut about the neck and head. All were brought to Tecumseh hospital.

Mrs. Fred Garling was brought to Tecumseh hospital Thursday afternoon with a broken right ankle received when their car driven by Mr. Garling and another car driven by Robert DeVee of Milan collided southwest of Saline. Both cars were damaged and had to be towed to Tecumseh for repairs. The Garlings own a farm near Macon.

COUNTY'S VALUE IS FIXED AT $73,000,000

Taxes throughout the townships of Lenawee county, collection of which starts this month, are based on an assessed and equalized valuation of $73,656,677. The figure represents an increase of $7,417,066 over that of a year ago when the valuation was fixed at $66,239,611. Of this amount, real estate was valued at $57,540,117 as compared to $63,648,890 this year, and personal at $8,699,494 as compared to the new figure of $10,077,697.

Wins Show Prizes

MRS. LEE IRELAN'S HORSES WIN SEVERAL AWARDS AT TWO MEETS

At the Ingham County Horse Show held July 3 and 4 at Mason, and at the Ionia Hospital Horse Show held July 6 and 7, Mrs. Lee Irelan's horses won several cash prizes and a trophy and enough points to make them eligible to enter the International Stock Show in Chicago in November.

At the Ingham county show Mrs. Irelan's entry placed first in the parade horse class; second in the palamino stock horse class and second in the western pair class, with Dude, a two-year-old colt shown for the first time. She also placed second in the working stock horse class; third in the stock horse stake; second in the ladies' western class and first in the model western class with her horse Coyote.

In Ionia she won first place in the working stock horse class and second in the western stock horse stake with Coyote.

In these events as many as 32 horses were entered.

Several from here attended the show in Mason.

Scouts' Cabin Fund Growing

GIFTS OF NEARLY $400 REPORTED BUT TOTAL HAS NOT YET HIT $1,000

Although the Tecumseh Boy Scouts' cabin fund is growing slowly, it still has a long way to go before it reaches the desired $5,000 mark, it was said today. Total contributions to date amount to less than $400, and the fund has a total of only $861.

When the Scouts began the drive for funds with which to erect a new log cabin in Elliott park, they had in their treasury about $500, obtained from a paper drive. Recently, a drive was launched to bring the amount to the needed $5,000, and letters explaining the campaign were sent out to many persons believed interested in the program.

To date, a survey shows, $361 has been contributed. Of this figure, $108 came from the Barber Shop Quartette parade, staged a few months ago, and E. M. Campbell, a former scoutmaster, contributed $100. Tecumseh Refrigeration Sales & Engineering gave $75 and there have been several other contributions ranging from $5 to $20.

"We hope that the campaign will pick up momentum and that we will be able to raise the desired amount so that we can ahead this fall with the building of the cabin," an interested Scout worker said.

The village council already has approved the site for the cabin in the park.

Junior League Game Friday

LEGION-SPONSORED JUNIOR PLAYERS TO MEET YPSILANTI IN FREE GAME

At 6 o'clock Friday evening, July 12, the Junior American Legion baseball team will play its first Legion League competition game here at the local Recreation Center. Strong opposition is expected from the team they play, which is the Ypsilanti Post team.

To date the team, sponsored by Tecumseh Post No. 34 and uniformed by the Butler Motor Sales, has won four games and lost one, being defeated by Jackson in the second district play off at Monroe last Saturday to the tune of a 6 to 0 score. At no time during the game was the Tecumseh team close to winning. In fact Jackson more or less outclassed the local lads, having a very much experienced team, and one that was well coordinated, being leaders of their Legion in Jackson for the entire summer so far.

However, considering the class of competition that was presented local lads have done real well and will continue to improve as the season goes along.

There is no admission for these games, and it is hoped there will be a good turn-out for Friday night's game with Ypsilanti.

MEETING POSTPONED

The Methodist W.S.C.S. meeting planned for yesterday at the lake cottage of Mrs. A. L. VanWinkle has been postponed until Wednesday, July 17, with luncheon at 12:30.

LEGION TO MEET

Underwood-Orr Post, American Legion will meet tonight at 7:30 for annual election of officers.

Voters Protest School Merger

SOME RESIDENTS OF MACON OPPOSED TO REORGANIZATION WITH CLINTON

The petition for the proposed reorganization of Macon School District 1 with the Clinton schools is lacking in signatures, and the merger election must be delayed, Mrs. E. T. Armstrong, county school commissioner, has ruled. There are 133 voters in the district and only 65 signatures on the petition, Mrs. Armstrong said. Unless more signatures are obtained, the proposed merger of six other school districts will be delayed, indefinitely.

Merger of seven school districts with the Clinton public schools, as proposed in petitions seeking an election to determine whether such reorganization shall prevail, is meeting some opposition from voters in Macon District 1, including Macon village, Mrs. E. T. Armstrong, county school commissioner, has announced.

Although the Macon district, along with the six other districts, filed a petition with the commissioner asking for the reorganization, it now is contended by some voters there that the paper does not contain the required 50 per cent of the signatures of the eligible electors. Mrs. Armstrong, as a result, must canvass the names and decide whether or not the petition is in order, and if it is, establish a date for the election. Other districts in the proposed reorganization include Clinton 1, 2, 3 and 5, fractional, two southern Washtenaw county districts, Bridgewater 7 and Manchester 3, fractional. Bridgewater, 6, also may take similar action, a straw vote has indicated.

The electors of Clinton 5, fractional, Monday evening voted to close the school there, regardless of reorganization. The district has some 10 children in school and Mrs. Purnell Osburn was the teacher. If the reorganization is realized, children will go to Clinton. If not, some may come to Tecumseh, it was said. Charles O'Neil was named as a director, succeeding Herbert Murphy, who was not a candidate. Agnes McWilliams resigned as treasurer and Mrs. R. J. Aebersold was elected. L. Van Giesen is moderator of the district.

Opponents of the reorganization plan in Macon are fighting the program because an approved petition virtually assures approval of the plan under the state regulations governing the election. The election is conducted in two units, Clinton, District 2, which maintains the high school, will vote as a separate unit. All of the primary districts will vote as the other unit. A majority vote in each of the two units is required for approval which means that even though the reorganization plan may not be approved in one of the districts, a favorable majority vote of all of the districts would put the plan into effect.

The reorganization program was launched after Ford's Edison Institute announced its intent to close all of its schools operating in Tecumseh and in this area, including Macon. The Brownville school has been turned over to Tecumseh, and Centennial has been deeded to Raisin township.

WHO IS GOVERNMENT?

Almost every day you hear more and more good honest folk ask the question: "Who runs the government?" And there is little reason why the question should not be asked when they see powerful labor leaders defying the government with impunity.

They see, for instance, the maritime unions asking that American merchant ships manned by United States sailors be considered "scab" ships so that union members will refuse to unload them. They see Mr. Petrillo, head of the musicians union, threaten the U. S. Supreme Court in these words: "If the Supreme Court rules the Lea Bill constitutional, the small stations (radio) won't get music. . ."

Is it any wonder, then, why folk are commencing to wonder "who is government?" Is it government by all of the people—a democracy—or is it government by a few?

Sooner or later we, as a nation, must decide "who is government" if we are to continue with the form of government we love and fight for.

A democracy is government by all, for all. It's not government for a few by a few.

There's a Ford in your future!

DO YOU REMEMBER?

1866

Tecumseh witnessed the quietest Fourth in years. 13 guns were set off at sunset on the public square and later a band of 50 boys, armed with horns, firecrackers and oyster cans filled with stones, woke up Chicago street. Others followed with skyrockets, Roman candles and torpedos and it all ended with a large bonfire near the town pump.

There's Danger in Under-Insurance of Both Real and Personal Property

Would You Sell Your Property For It's Insured Value?

The average owner in this area today, is lulled into a sense of security by the fact that he has an insurance policy covering fire, theft or other losses.

He forgets that he established the amount of his insurance coverage back in 1940 or earlier and has failed to keep his insurance abreast of the steadily rising values and replacement costs.

Home owners should ask themselves this question: "Would I sell my home or belongings today for the amount of insurance I carry?"

Another way to visualize this danger of under-insurance is to consider the replacement costs in dollars and cents and not in percentages.

For example, a home that was worth $7,000 in 1939 is worth over $11,000 today in most cases. The 1939 insurance coverage no longer is adequate to do the job.

Don't delay increasing your coverage—tomorrow may be too late.

Our Prices Are Stable
CEILINGS STILL HOLD
That the hundreds of customers of PALMAN'S may know our policy regarding prices, now that OPA is off, we make the following statement:
THERE WILL BE NO ADVANCE IN PRICES on merchandise now in our store. We do not believe in that form of merchandising.
OUR SELLING PRICES on all merchandise subsequently received will be determined by normal pre-war margins, regardless of any action taken by our government.
WE WILL DISCOURAGE PRICE INCREASES and encourage the production of quality merchandise that can be sold with confidence.
The Law of Supply and Demand Must Operate
We firmly believe in the law of supply and demand and we also believe that selling prices, as quickly as merchandise is again plentiful, will be governed by clean competition. We believe that under such a system, prices can be lowered materially, if government does not interfere.
NOW, we believe, is the time for everybody to think. Now is the time for production, for fair dealing, for fair profits.
We desire to assure our customers that they may shop in our store with CONFIDENCE. We are not interested in "longer profits"—we are interested in fair dealing.
And when this flurry about prices and profits has passed, you'll find Palman's still doing business in the good old American fashion.
PALMAN'S

Fire Loss $3,700
Insurance 2,500
Net Loss $1,200

It's a simple problem in arithmetic. You have $2,500 worth of insurance on your home. There's a fire. Your loss is $3,700. Your insurance company pays the amount of the policy and your net loss—loss out of your pocket, is $1,200.

Could you afford such a loss? You may find it facing you unless you are properly insured, because replacement costs today are up from 40 to 60 per cent over five years ago.

How to catch the ones that get away

Fishermen are funny . . . they always seem to brag a bit about the fish that get away. Maybe you've done it yourself.

But what about the dollars that get away?

What about the money you had marked for saving that somehow was spent before you could get it into the bank? We'll bet you don't brag about that . . . and you shouldn't!

But there is an easy way to catch and keep those all-important dollars!

Millions of Americans know the secret. They've learned that the safest, surest way to save is to buy U. S. Savings Bonds on the Payroll Savings Plan!

Then they've really got something worth boasting about. They're putting themselves on a sound financial basis—building security for their families, a cash reserve for emergencies, a nest egg for their future.

And whether you buy them on the Payroll Plan, or at any bank or post office, these Savings Bonds are more than a way to save money. They're a way to make money! In just 10 years you get $4 back for every $3 you put in.

So it's just common sense to buy, and hold, as many of these U. S. Savings Bonds as you can. If you're on the Payroll Plan, stay on! If you're not, get on!

And pretty soon you'll be bragging about the ones that didn't get away!

SAVE THE EASY WAY... BUY YOUR BONDS THROUGH PAYROLL SAVINGS

NINETY-SIXTH YEAR—NUMBER THIRTY-FOUR — TECUMSEH, MICHIGAN, THURSDAY, JULY 18, 1946 — FIVE CENTS PER COPY

Cost of Living Prices Advance

MERCHANTS, HOWEVER, SAY THAT GREATEST BOOSTS COME IN LOSS OF SUBSIDY

Although cost-of-living prices have advanced rather sharply since the death of the OPA, merchants declare that in a large measure increases are due to the discontinuance of the payment of subsidies by the government.

Meat, milk and dairy produce, flour and scores of other items purchased daily by housewives, all were subsidized by the government prior to the first of July, it was pointed out. When these subsidy payments were halted and OPA was discontinued, manufacturers and producers were forced to add the subsidy amount to the selling price if they were to continue in business without financial loss.

"We are told," one merchant said this week, "that increases we have received in wholesale prices just about cover the loss sustained by producers when the subsidies were lifted. The subsidy on flour, for instance, was about $1.60 a hundred, and flour in 24½ pound sacks has risen only about 30 cents." The same merchant, however, pointed out that there is very little flour on the market, and he predicted that the shortage would not be over until after the new wheat crop had been harvested and marketed.

This much, however, is certain. Meat, butter, lard and cheese are beginning to appear on the market, but prices have jumped. Lard, under OPA, sold at 19 cents a pound and in some stores in Tecumseh this week the selling price was 35c. Butter, formerly pegged at 53c, was selling at from 79 to 90 cents a pound. Hamburg was priced at 45 and 50 cents a pound as compared to a 28c OPA ceiling, and sirloin steak, priced by OPA at 46, had an asking price of 65. T-bones had a price tag of 75c against a former 56 and liver had jumped from 39 to 47. There was about a 17 cent increase in the price of beef roasts.

Cheese, over all, is up from eight to 10 cents a pound but evaporated milk was still holding close to the OPA line.

There seems to have been but little increase in the price of groceries, where subsidies were not involved. Produce is higher as are fruits.

"As quickly as production can pick up, and more merchandise—meats, milk products, foods of all kinds—can reach the market, it would seem that the law of supply and demand will become operative," one business man said today. "It is too soon yet to judge whether or not the higher prices are here to stay. We've noticed slight drops already in some things, and it is possible that others will come down."

In the meantime, housewives are buying cautiously, and keeping a sharp eye on price tags.

Vacation Bible School Sponsored By Friends

The Daily Vacation Bible School being conducted by the Tecumseh Friends church opened on Tuesday morning with a splendid attendance. The school is in charge of Miss Eva Clausen and Miss Celeste Richardson, both of whom are proficient workers in this field. They are quite well known to many Tecumseh children since they held a successful vacation school here last year. They have also held children's meetings in Tecumseh, and two years ago this spring they conducted a series of Children's Bible Story Hours. As in the community school, in which the Friends Sunday school participated, there is a balanced schedule of music, Bible stories, and handwork.

The school is in session each week-day morning excepting Saturday, from 9:30 a.m. to 11:30 a.m., and continues until Friday, July 26. All children are welcome to attend.

Beginning August 18 services will be held for four weeks in the Methodist church with Rev. B. O. Bashore, minister at the Baptist church in charge.

Lodge Observes 100th. Birthday

BANQUET AND PROGRAM HERE FRIDAY MARK CENTENNIAL FOR ODD FELLOWS

The 100th anniversary of Tecumseh Lodge No. 14, I.O.O.F., was celebrated Friday evening, July 12, with a banquet and program in their hall in Witherell building. Eighty-eight were seated for the banquet and program which followed.

The group included Earl F. Pfaff of Sandusky, acting grand master of the Grand Lodge of Michigan; Orla E. Frazier of Detroit, past grand master, Francis Dodge of Detroit, grand conductor, George Bain of Wyandotte, James Willford of Toledo, officer of Ohio Grand Lodge, and others from Blissfield, Adrian, Hudson, Morenci and Britton.

Tables were attractively decorated with flowers, gifts from the Rebekah lodge and the Past Noble Grand Club. The Rebekahs prepared and served the banquet.

Benjamin Beasley was master of ceremonies and Orla E. Frazier was the principal speaker giving an address on "Oddfellowship in Action." Music was furnished by the K. of P. Four and the Barberaires quartets. The invocation was given by Rev. Allan Ramsay and the benediction by Rev. Blair O. Bashore. Greetings from the Grand Lodge of Michigan were given by Earl F. Pfaff.

A social hour concluded the evening.

Series of Grass Fires Cause Loss at Britton

A series of grass fires started by sparks from a Wabash train caused quite a bit of excitement in Britton Sunday. The flames spread to Ben Beasley's wheat field and over a two acre area, endangering buildings nearby. The wheat had been removed from the field Friday. Volunteers with brooms, blankets and other articles suceeded in bringing the fire under control about 4 o'clock. At 5:30 the flames again broke out in a pile of used lumber and spread toward a barn on the Fred Hughes property which housed several steers, but was again extinguished before serious damage resulted.

TWO FROM TECUMSEH HURT IN CAR MISHAP

Miss Elizabeth Escolme suffered a fractured right arm at the wrist and painful bruises about her head, Miss Ardis Drewyor suffered a deep cut in one of her legs and body bruises, and Miss Mary Jane Hayden escaped serious injury, when the car driven by Miss Hayden and in which the two other young women were riding, collided with a car at Broad and Maumee streets, Adrian, Wednesday evening about 10 o'clock.

Officers reported that the accident happened when a car driven by John Kruse of Rt. 3, Morenci, attempted to make a left hand turn in front of the Hayden car. Both automobiles were damaged. Mr. Kruse was not hurt.

Aged Resident Is Buried Here

FUNERAL SERVICES HELD ON SATURDAY FOR J. NEWTON SATTERTHWAITE

J. N. Satterthwaite, aged nearly 91 years, a birthright member of the Society of Friends, and active on main street for 75 years, died Friday afternoon at his home on North Union street where he had lived for 38 years. He had been failing for some time but was seriously ill about two weeks. His death occurred on the 59th anniversary of his marriage.

Joseph Newton Satterthwaite, who was the son of Joseph C. and Elizabeth Comfort Satterthwaite, was born November 22, 1855 in the house which is still standing on Quaker Mill hill, southeast of Tecumseh in Raisin township, where his father operated the mill for several years. The family moved the following spring into Tecumseh where he spent most of his life. During the hard times following the Civil War, Newton was forced to leave school and begin working at the age of 14. He learned telegraphy and was operator at 15 in Norvell for the L. S. & M. S. Railway for one year. He later worked at the north station in Tecumseh where his father and brother Newberry were station agents for many years.

In 1873 he began work for the hardware firm of Sutton & Swan which he and his brother Boley later purchased and carried on under the name of Satterthwaite Bros. until their retirement in 1928. During those years he and his brother were members of the Michigan Hardware Retailers Association. After his retirement from the hardware where he was active for 52 years, Mr. Satterthwaite maintained an office on Chicago Boulevard, devoting his time to the collection of historical data in which he was keenly interested all his life. He was an active member of the Lenawee County Historical Society for many years.

On July 12, 1887 Mr. Satterthwaite was married to Eva Perry, daughter of the Rev. Gideon D. Perry of Franklin township. Mrs. Satterthwaite then joined the Friends Meeting and remained a faithful member until her death in 1940. Mr. Satterthwaite was a faithful member of the Tecumseh Friends meeting practically all his life. He was an elder for over 30 years and also served as treasurer and special treasurer when the present meeting house were erected in 1890 and again when the parsonage was built in 1927.

He leaves three daughters, Mrs. Alice Wood, Berkeley, Calif., Misses Elizabeth and Geneva Satterthwaite at home; two sons Perry C. of Tecumseh and Joseph C. of Washington, D. C., four grandchildren, and one great grandson One child died in infancy.

Funeral services were held Monday afternoon at the Green Funeral Home. Rev. Edward Escolme assisted by Rev. Howard Moore officiated and bearers were Harold Naser, Perry Hayden, Russell Comfort, Ralph Comfort, Leroy Titley and Fred Swan. Burial was in Brookside cemetery.

All downtown business places and the Hayden Flour Mills were closed during the service.

Mrs. Nellie G. Murrey Funeral This Afternoon

Mrs. Nellie G. Murrey, aged 61 years, died Monday morning at her apartment in the Wyrill home on East Chicago Blvd. Mrs. Murrey had been in failing health for several years and seriously sick since Christmas. She was born in Nelsonville, O., and spent her early life in and around Athens, O. She had lived for 13 years in Tipton before moving to Tecumseh six years ago.

Survivors are a daughter Mrs. Ruth Dwyer, a granddaughter Mrs. Virginia Dermyer and a great grandson Michael Lee Dermyer, her husband George R. Murrey, all of Tecumseh and her father M. Z. Bowers of Athens, O.

Funeral services will be held this afternoon at 2:30 at the Collins Funeral Home, Rev. B. O. Bashore will officiate and burial will be in Brookside cemetery.

12-Year-Old Boy Scout Drowns at Wamplers

Frank Miller of Detroit, 12-year-old Boy Scout, was drowned Monday afternoon at Wamplers Lake. The body was found in about six feet of water after he was missed during checking after a swimming period. He was the son of Mr. and Mrs. Joseph Miller of Detroit and had been at the camp since Sunday.

Artificial respiration was used and state police were called. Coroner Mott decided death was accidental. No inquest will be held.

The body was removed to Detroit.

Rent Hike Law OK'd by Kelly

PERMITS 15 PER CENT INCREASE OVER JUNE 30 LEVEL; ONLY A STOP-GAP

Gov. Harry Kelly has signed the Michigan rent control act, passed by the state legislature, freezing prices at 15% above the June 30 level, and making it impossible for the eviction of tenants who refuse to pay increases greater than the legal amount. The new law, intended only as a stop-gap until Congress enacts OPA legislation, expires on October 1 or earlier if Washington restores federal controls. Senator Elmer Porter of Blissfield, and Representative Rollo G. Conlin of Tipton voted against the rent control measure.

Gov. Kelly, in attaching his signature to the law, said that although it was "not what I asked for," he would give the legislation immediate effect, and that people generally should be guided accordingly.

The new law is applicable only in areas which had OPA rent controls, and permits landlords and their tenants to agree on higher rents or other modifications of their rental agreements. It exempts all resort property, farm tenant homes and dwelling on farms of more than 25 acres.

Quickly interpreted, the law apparently does this:

A tenant cannot be forced to pay more than 15% additional rent than he was paying last June 30, and the landlord cannot evict him for refusing to pay an increase greater than 15%.

Landlord and tenant may agree to any rent increase greater than 15 per cent without violating the law, or they may modify the terms of a rental contract during the period without violation.

Annual D.A.R. Picnic Held Here on Friday

The annual picnic of Abi Evans chapter, D.A.R., was held Friday at the country home of Mrs. William Pehman. Thirty-five members and guests were seated for dinner which was served by the social committee composed of Mrs. Leon Rosacrans, Miss Jennie Gillespie, Mrs. C. H. Williamson and Mrs. Penman.

A business session was conducted by the regent, Mrs. Arthur H. Brown. Excerpts from the address of the President General Mrs. J. Y. Talmadge, entitled, "Rebuilding for Security," which she gave at the opening session of Continental Congress held last May in Atlantic City, were read by Miss Ethelyn Garlinghouse who also reported that Thursday, July 11, was the 150th anniversary of the flag flying over Detroit.

Members and guests from away who attended the meeting were Mrs. Eugene Rosacrans of Los Angeles, Calif., Mrs. Galen T. Ford of Mountain Lakes, N. J., Mrs. Marcus C. Fisher of South Bend, Ind., and Miss Gertrude Turner of Saginaw.

The next meeting will be held the second Friday in September.

He leaves the widow and two children in Chicago where funeral services were held July 5.

Biblical Wheat Day Announced

GOV. KELLY AND OTHERS WILL ATTEND FAIR GROUNDS CELEBRATION, AUG. 1

Thursday, August 1, is "Biblical Wheat Day" in Lenawee county, and throughout Michigan, by proclamation of the Board of Supervisors, and Governor Kelly. On that day at the Adrian Fair Grounds will be celebrated the sixth and final harvest of Perry Hayden's famous Dynamic Kernels wheat tithing project, which has attracted not only state, but national and international attention as it has grown from one cubic inch of seed planted in 1940 to the 2,666 acres now being harvested in five states.

According to Mr. Hayden, a crop of at least 50,000 bushels is expected this year. Final announcement as to yield will be made August 1, or as close an estimate as is possible from the 275 cooperating farmers who have agreed to tithe their 1946 crop.

The program August 1 at the fair grounds will feature cutting by cradle, threshing by old steam threshers, milling on stone mills, and on an experimental flour mill being furnished by the F. W. Stock Co. at Hillsdale. Word has just been received that the army will approve the sending of a helicopter which will transport the first 100 pounds of ground wheat to the Lakeside Biscuit Co. plant at Toledo. There, the firm will convert the graham into 10,000 crackers all packed ready to fly back in about 60 minutes. These crackers then will be given out to the "multitude" by a group of 50 4-H Club girls.

Among the speakers expected during the program are Governor Kelly, Kim Sigler, Murray Van-Wagoner, Vernon Brown, State Grange Master W. G. Armstrong, "The American Mother" Mrs. Clement of Louisville, Ky., Dr. Walter A Maier, of St. Louis, Mo.

Charles Manley Reports on Boys' State Meeting

It is a genuine opportunity for any boy to be chosen as a representative to Boys' State, Charles Manley of Tecumseh, told members of the Rotary Club when he addressed the organization following luncheon at Brees House, Tuesday evening. Charles, a high school senior next year, was the club's representative to Boys' State at Lansing, last month.

"You get some excellent training in government and politics, and it's just loads of fun," the student told the group. "I enjoyed every minute I was there, and I want to thank the club for the opportunity."

Rotary has sponsored a boy at Boys' State for several years. Wade L. Jones, president, declared Charles' report to have been the best yet heard by the club. Young Manley proved that he learned quickly how to play politics, for he held several offices in the mythical state, including membership on the supreme court bench.

Two boys from Tecumseh attended the Lansing program, young Manley from Rotary and Jim Sisson as the American Legion's representative.

LAMKIN—VILES

Miss Shirley J. Viles, daughter of Mr. and Mrs. Lawrence Viles, and Orin C. Lamkin, son of Mr. and Mrs. Claude Lamkin, all of Dundee, were married Saturday evening, July 13, at 7:30 by Rev. B. O. Bashore at his home on South Union street. They were attended by Mrs. Maurice Tuckey of Tecumseh, sister of the bride and Peter Katona of Milan.

After the ceremony a reception was held at the home of the bride's parents in Dundee for 150 guests. Mr. and Mrs. Lamkin left later on a trip through northern Michigan and on their return will reside in Dundee.

TO TEACH IN CLINTON

Mrs. M. W. Wilson has been engaged to teach the third and fourth grades in the Clinton school for the coming year.

Scouts Launch Paper Pick-up

TO BE SATURDAY, JULY 27; PROCEEDS TO GO TOWARD NEW CABIN FUND

Tecumseh Boy Scouts, enthusiastic about the possibilities of owning a new cabin in Elliott Park, announced today that they would launch a waste paper pick-up on Saturday, July 27, in an effort to swell their treasury. The drive for funds for the cabin now has exceeded the $1,000 mark, but about $5,000 is needed to build and equip the new building.

The paper collection will begin about 8 o'clock on July 27, (next week Saturday) and it will continue throughout the day. All streets will be covered, and a truck has been made available. It has been announced that persons having large quantities of paper should call telephone 342-W in advance of the date, and boys will be sent to make the collection. Others who find it impossible to get their paper to the curb on the date requested also may call, it was said.

Persons desiring to donate paper should have it tied or in containers and set on the curb so that the boys will see it and pick it up as the truck tours the village.

The cabin fund drive has been extended to August 1, to permit individuals and organizations more time in which to make their contributions.

"Including the $500 that we had in the treasury when the campaign started, we are now well over the $1,000 mark in the cabin fund," an official of the organization said. "We believe that in the next week several hundred more dollars will be subscribed, and if we get public cooperation in the paper drive, that, too, will give us another boost."

Donations by individuals and business places last week ran well over the $100 mark, and the contributors in the stores were emptied Monday and they contained about $28.

To Organize Auxiliary of Hall-Slater Post

Mrs. Lucile J. Gee of Milford, a representative of the Ladies' Auxiliary to the Veterans of Foreign Wars, is in Tecumseh today for the purpose of organizing an auxiliary to the Hall-Slater Post.

A meeting will be held tonight at 8 o'clock in the home of Mrs. George Wittrup at 206 West Pottawatamie street. All mothers, sisters, daughters and wives of men who have seen foreign service, and who are citizens of the United States are eligible to membership in the auxiliary and are welcome to attend this meeting, when the aims and purposes of the auxiliary will be explained, and applications for charter memberships will be accepted.

Mrs. Eva O'Brath, 79, Dies at Will Home

Mrs. Eva O'Brath aged 79 years, widow of the late Matthew O'Brath, died Monday at the Will Home where she had been cared for recently.

A granddaughter Mrs. James Gibson of Indianapolis, Ind., is her only survivor.

Funeral services will be held this afternoon at 2 o'clock at the Green Funeral Home. Rev. Daniel Fish of Newport will conduct the services and burial will be Brookside cemetery.

Heavy Loss Sustained In Clinton Farm Fire

A large barn 30x40, two sheds, a granery and a milk house, with 15 tons of hay, four tons of straw, 300 bushels of oats, two calves, a number of chickens, some tools and a milk cooler were destroyed in a fire at the Floyd Odell farm northeast of Clinton, Tuesday morning.

The fire started from an oil barrell which exploded. The Clinton fire department worked for more than three hours to save the house and garage.

The loss was partially covered by insurance.

PAST CHIEFS CLUB

The Pythian Past Chiefs Club met last Wednesday evening at the home of Mrs. Jessie Manwaring with Mrs. Earl Betser as assistant hostess. Following the business session games were played and prizes won by Mrs. Lynn Hubbard, Miss Margaret Glasgow, Mrs. Frank Gray and Mrs. Claud Gray. Refreshments were served in conclusion.

Miss Glasgow of Los Angeles, Calif., was a guest.

The 18th annual reunion of the Illinois Club was held Sunday at the Britton Park with 110 in attendance. A basket dinner at noon was followed by a program and social time.

TIME FOR THOUGHT

The thoughtful merchant today realizes that sharp and abrupt price increases place ammunition in the hands of the "permanent control advocates" to extend their hold over production and sale of goods. In the normal course of events as production costs increase, the retail price of goods advance proportionately, step by step. But in order to justify price regulation, normal advances in retail prices based on production costs have been delayed by catch phrases such as "cost absorption" orders, etc.

When the prices of milk, butter, cheese and flour should have been rising, they were held stationary and the farmer was paid subsidies to make the people think that living costs were actually being held down. But adjustment in prices is as inevitable as is the fact that a flowing treami will eventually go over the highest dam. The longer the delay in price adjustments, the greater will be the increases when they come. That is why it finally was necessary for OPA to increase butter 11 cents a pound.

No one likes high prices but retail prices must follow wages, tax increases, and other costs of production as surely as night follows day. Long impounded prices are now going over the top of the price control dam. And no matter how much advocates of permanent price control try to blame industry and the retailer for any advances, they cannot stop the trend until the costs of production stop rising. Either we will pay what is costs to produce or we will not get production. You could put a price of 25 cents a pound on butter and 25 cents a pair on nylon hose, but you wouldn't get either.

The regulators cannot do the impossible any more than can the retailers and the producers.

Earnings -- and do it REGULARLY

* * *

Nine times out of ten, if you'll bother to inquire, you'll find that the family that does things, dresses well, and really enjoys life, is the family that spends wisey, lives within its income, and save a part of what it earns, REGULARLY.

There is no substitute for wise spending and wise saving. It's not how much money you make, or how much you spend, it's how much that you save that really counts.

Budget your spending and save a part of your earnings. Do it regularly.

ROOF AND SIDEWALL SHINGLES AVAILABLE

Don't Neglect Your Roof

There's an old saying, and a true one, that a building is no better than its roof. Remember, then, that you are penny wise and pound foolish to neglect a leaky roof. We realize that during the war years, when both materials and labor were scarce, things had to be neglected. But not so now. We can furnish you with almost any type of shingle you desire, and the labor is available for the work.

Sidewall shingles, too, are available for use and we would recommend that you streamline your home with them. They insulate your house, make it warmer in winter, cooler in summer.

Sidewall Shingles Not Expensive

If you will do a little figureing, you'll find that the application of sidewall shingles cost but little more than two coats of paint. Think of future savings—to say nothing of improved appearance and greater comfort.

Are You and Your Car Properly Insured?

When we ask that question we do not mean to be personal, we simply are interested in your welfare.

Motorists who are not properly insured can find themselves in serious trouble in the event of an accident. The Michigan Responsibility Law is very rigid.

Why take chances on damage suits, loss of license, judgments that may wipe away your home and your savings?

You can drive with safety if you'll let us cover your car and yourself with proper insurance. Drop in or call for an estimate of the cost.

There's Danger in Under-Insurance of Both Real and Personal Property

Would You Sell Your Property For It's Insured Value?

The average owner in this area today, is lulled into a sense of security by the fact that he has an insurance policy covering fire, theft or other losses.

He forgets that he established the amount of his insurance coverage back in 1940 or earlier and has failed to keep his insurance abreast of the steadily rising values and replacement costs.

Home owners should ask themselves this question: "Would I sell my home or belongings today for the amount of insurance I carry?"

Another way to visualize this danger of under-insurance is to consider the replacement costs in dollars and cents and not in percentages.

For example, a home that was worth $7,000 in 1939 is worth over $11,000 today in most cases. The 1939 insurance coverage no longer is adequate to do the job.

Don't delay increasing your coverage—tomorrow may be too late.

Is Your Stomach Upset? A Home Remedy May Aid

Often, at this season of the year with changing diets and temperatures, one's stomach gets upset. And, often the use of home remedies such as you can buy at our store are sufficient to overcome the ailment and put you "back on your feet."

However, don't take too many chances. If the illness continues, if it does not respond readily to treatment, call or go to your physician. Your doctor will be able to tell you what is wrong and to prescribe for you. And, if he gives you a prescription, bring it to us to be carefully compounded.

BRITTON

The Methodist Sunday school has elected the following officers: Ben Beasley, superintendant; Martin Keasal, assistant; Mrs. Edward Kanous, primary superintendant; Neal Jedkins, secretary; Merlyn Downing, treasurer; Tommy Judkins, librarian; Eloise Tubbs, pianist.

The Britton fire department was called to the Walter Tiede farm near Holloway last Wednesday night where children playing with matches had started a fire in a hay stack near a barn. The flames were prevented from spreading to the barn but a bull released from the building, chased the firemen and spectators, giving them more trouble than the fire. The haystack was destroyed.

Mrs. E. L. McCrate and daughter of Columbus Grove, O., were recent guests of Mrs. Walter Exelby and Mrs. Alice Robbins and son had been spending two weeks in the Exelby home, returned home with them.

Mr. and Mrs. Lee Brizendine of Vallejo, Calif., Mr. and Mrs. Joseph Richardson and son of Hawthorne, Calif., were recent guests of Mrs. Ruby Kniffen. Miss Margaret Glasgow of Los Angeles, Calif., is spending some time with Mrs. Kniffen and other friends and relatives.

Members of Tecumseh Grange and neighbors of Lawrence Hoagland, numbering 65, recently held a haying bee at the Hoagland farm, followed by a potluck supper on the lawn served by the women. Mr. Hoagland has been laid up with a back injury for several weeks.

The Clantz Fashion Shop has been sold to C. J. Newell of Milford. Mrs. Jane Meyer of Milford is in charge of the shop.

The Dorcas Class of the Christian Congregational church will meet today for a cooperative supper with Mrs. Eva Snoddy.

TIPTON

The July meeting of the Tipton Grange was held Friday evening, Lester Munger presiding. A memorial service was held for the late David Boyd and a letter from the national lecturer congratulating Alton Whelan, the Golden Sheaf member, was read. The next meeting will be held August 2 with Mr. and Mrs. Donald Whelan, Mr. and Mrs. Ned Kotts and Mrs. Dorothy Evans, the committee in charge.

Junior Logan has purchased a home in Onsted.

The July meeting of the Tipton Community Farm Bureau was held at the home of Mr. and Mrs. Howard Evans when the proposed co-operative store was discussed. The August meeting has been cancelled because of the County Farm Bureau picnic to be held August 1 at Island Park.

Mr. and Mrs. H. J. Mattis and Mr. and Mrs. Richard Mattis have returned from several days stay at Eight Point Lake, and George Mattis from Portland where he visited friends.

Mrs. Karl Listman returned last week from Stillman Valley, Ill., where she visited her son Maurice Greenwald and wife.

Miss Eva Langley and Miss Betty Driffill have been spending several days in Port Huron with relatives.

The Past Chiefs Club met last evening at the home of Mrs. Richard Vollmer with Miss Olive Smith assisting in entertaining. After the business meeting a social time was held and identity of "mystery sisters" were revealed.

It's the 18th HOLE for your old car

This New Engine Clean-up Program may be the one thing that will put power in the last long drive

It's done a wonderful job of serving you—that old car. And now, with new ones in the offing, it's nearing the close of its long assignment.

But this last stretch may be toughest of all. If there's a lot of dirt in the engine—and that's likely—sticky deposits may suddenly clog the oiling system—with disastrous results.

To meet the situation, your Standard Oil Dealer offers a new, economical, five-point Engine Clean-up Program. It includes the use of two remarkable new Standard Oil Products—Stano-Purge and Stano-Vim—which do an effective cleaning job without requiring expensive dismantling of the engine.

New, economical, 5 point Engine Clean-up Program

1. **Stano-Purge**—Purges crankcase and engine. Cleans oil screen. Removes deposits tending to clog oil lines and channels.
2. **Stano-Vim**—Introduced through carburetor air intake, it cleans out deposits in valve area. Restores pep, power, smooth engine operation.
3. **Oil Change**—Oil Filter Replacement. Fresh oil always helps keep an engine clean. A clean filter keeps the oil clean.
4. **Radiator Flushing**—Old engines need efficient cooling.
5. **Fan Belt Check-up**—A worn belt is an unwise risk.

Quality and Satisfaction Our First Concern-
More than anything else, the years that we have been serving the public have taught us that business is built upon customer satisfaction.
To satisfy customers we find that prices must be right and that the quality of the merchandise sold must be high and exactly as represented.
In all of our years in business we have adhered strictly to those fundamentals. We intend to continue the policy.
We believe our customers like such a policy because we have served several generations.

HOW'LL YOU HAVE YOUR EGGS?

This weather-beaten trouble-shooter isn't worrying about your eggs—or whether you want 'em soft boiled, fried, or scrambled.

But he *is* worrying about keeping your electric service flowing along as usual. If that means eggs for your breakfast, okay then, that's why he's up on a storm-lashed power pole.

And, he'll *stay* there till he gets your line repaired—in spite of hot wires sputtering around him. In spite of rain . . . lightning . . . thunder . . . and a high wind howling, "Watch out, fella, we're gonna hit it again!"

You don't have to send him a check for his trouble. You won't pay any more on your electric bill—to cover his hard, wet work and the materials he uses. Chances are you'll never even know a line went out.

This kind of service is routine stuff for the trouble-shooter and the electric company he works for. Storms—the repairs and cost—are all prepared for and handled in a businesslike way. But it isn't an easy job. Keeping your electric service dependable and cheap is the result of careful planning and sound *business* management.

The annual report of the Recreation Board was given by Mr. Fay Whelan and upon motion made by Mr. M. W. Wilson and seconded by Mr. J. V. Mullaney approved and ordered placed on file. (copy attached).

The term of office of Dr. Arthur H. Brown having expired the meeting then proceeded to the election of a trustee to fill the vacancy. A call for nominations was made and the names of Dr. R. F. Helzerman and Mr. Fay Whelan were presented by Mr. C. L. Dickinson and Mr. P. M. Hayden respectively. There being no further nominations, it was moved by Mrs. Ayesha Laird law and seconded by Mr. J. Saling that the nominations be closed. The motion was carried.

The President, Mr. Touborg, then appointed Reverend Edward Escolme, Reverend J. C. Murdoch and Mr. J. Saling to serve as tellers. A ballot was taken in which 89 votes were cast of which Dr. Helzerman received 56 and Mr. Fay Whelan 33. Dr. Helzerman having received a majority of the votes cast was declared elected as a trustee of the district for the ensuing three years.

It was next moved by Dr. Arthur H. Brown and seconded by Mr. Wade L. Jones that the Tecumseh School District be organized as a registration district as provided in Chapter 7 of Part II of the Michigan School Laws. The motion was carried.

There being no further business, the meeting was upon motion adjourned.

P. C. Satterthwaite, Secretary.

REPORT OF THE SECRETARY TO SCHOOL DISTRICT NO. 7 TECUMSEH, MICHIGAN

Your secretary is pleased to present at this time the following statement taken from the report of the auditor Mr. E. W. Smith, C. P. A. who was employed by the Board of Education to audit the school books and records.

"We have examined the books and records of your school district for the fiscal year ended June 30, 1946 and submit the following herewith:

Statement of Receipts and Disbursements for Fiscal Year ended June 30, 1946.

Statement of Receipts and Disbursements of Funds held in connection with Extra-Curricular Activities.

Recapitulation of Extra-Curricular Receipts and Disbursements.

In connection herewith, we have reviewed the system of internal control and accounting procedures, and without making a detailed audit of each transaction have examined or tested accounting records and supporting data to the extent to satisfy us that errors of magnitude had not occurred and the records were in proper order.

All recorded cash receipts were traced to the depository and the account reconciled with the bank.

The collection of taxes was verified by personal contact with the Township Supervisor and found to be properly recorded.

All liabilities of the school district have been paid except the regular current accounts and there is no indebtedness of any kind against the district.

The insurance policies were examined by us and in our opinion the property is fully covered. Perhaps some thought should be given to the high cost of replacement at this time, and the amounts increased accordingly. The Treasurer is under $10,000.00 bond, which is in order.

During the school year there has been collected in the Extra-Curricular activities of the school the sum of $8,546.76 and of this amount $7,803.62 was expended. These funds are handled under the direction of Mr. Berkhof. These receipts and disbursements were checked in detail, reconciled with the bank and found to be in order.

The books of the district are very well kept, correct in detail and any information desired is readily obtainable.

Respectfully submitted
Edward W. Smith and Co."

P. C. Satterthwaite, Secretary.

MINUTES OF THE BOARD OF EDUCATION
July 9, 1946.

The meeting was called to order by the President, Mr. Touborg. Members present were Mr. Touborg, Mr. Spafford, Mr. Satterthwaite, Mr. Lindsley and Dr. Helzerman.

The minutes of the last meeting were read and approved.

The constitutional oath of office was then administered to the members present by the secretary, Mr. Satterthwaite and the Treasurer, Mr. Lindsley.

In taking up the matter of the election of officers for the current year, it was moved by Mr. Satterthwaite and seconded by Mr. Spafford that Mr. Touborg be elected President. The motion was carried.

It was then moved by Dr. Helzerman and seconded by Mr. Satterthwaite that Mr. Spafford be elected Vice-President. The motion was carried.

A motion was made by Mr. Lindsley and seconded by Dr. Helzerman that Mr. Satterthwaite succeed himself as Secretary. The motion was carried.

It was next moved by Mr. Spafford and seconded by Dr. Helzerman that Mr. Lindsley succeed himself as Treasurer. The motion was carried.

Upon motion made by Mr. Satterthwaite and seconded by Mr. Spafford the bills as incorporated into the minutes amounting to $1,929.54 were approved and ordered paid.

The following resoultion was then presented and upon motion made by Mr. Spafford and seconded by Dr. Helzerman adopted:

WHEREAS, there may now be in and may hereafter from time to time come into the hands of Earl Lindsley, Treasurer of School District No. 7, Township of Tecumseh, Lenawee county, and

WHEREAS, under the laws of Michigan, the Board is required to provide by resolution for the deposit of all public moneys, including tax moneys, coming into the hands of said treasurer, in one or more banks or trust companies, to be designated in such resolution and in such manner as may be herewith provided:

NOW, THEREFORE, BE IT RESOLVED: That the United Savings Bank of Tecumseh be and it is hereby designated as depository in which the said Treasurer is hereby directed to deposit all public moneys coming into his hands as Treasurer in his name as Treasurer.

A motion was made by Mr. Spafford and seconded by Dr. Helzerman that the Board accept in the name of the district, the Brownville school property from the Edison Institute, and that a letter of acceptance and thanks be forwarded to Mr. Paul Jones, Educational Consultant to the Edison Institute. The motion was carried.

It was moved by Mr. Lindsley and seconded by Mr. Spafford that the Quit Claim Deed of the above property be examined by Attorney John Zeigler and that the necessary steps for determining the boundaries and registering the Deed be authorized.

A motion was made by Mr. Spafford and seconded by Mr. Lindsley that the Brownville school building be insured for $10,000 under present co-insurance provisions with the L. H. Titley Insurance Agency. The motion was carried.

It was next moved by Dr. Helzerman and seconded by Mr. Spafford that a general meeting of the school district be called to discuss the question of whether funds from the Building and Site Fund should be expended at this time to finance the construction of an additional room at the West Branch building. The motion was carried.

It was moved by Mr. Lindsley and seconded by Dr. Helzerman that a circulating oil burner be purchased for heating the Brownville School. The motion was carried.

It was moved by Dr. Helzerman and seconded by Mr. Lindsley that fuel for the schools and library be purchased equally from the R. S. Moore and Son Company and the Hayden Fuel and Supply Co. The motion was carried.

It was moved by Mr. Lindsley and seconded by Dr. Helzerman that the next regular meeting of the Board be held in September. The motion was carried.

A motion was made by Dr. Helzerman and seconded by Mr. Spafford that the bids which had been submitted for painting the West Branch and Library buildings be rejected. The motion was carried.

It was moved by Mr. Lindsley and seconded by Dr. Helzerman that the closing of the Public Library on Thursday during the summer months be authorized. The motion was carried.

A motion was made by Dr. Helzerman and seconded by Mr. Lindsley that the question of organizing the school district as a registration district, in compliance with the mandate expressed by the electors, be postponed unfil the September meeting. The motion was carried.

It was moved by Mr. Lindsley and seconded by Mr. Spafford that the superintendent be authorized to request the state for an advance payment of State Aid for the district. The motion was carried.

A motion was made by Mr. Spafford and seconded by Dr. Helzerman that the Treasurer be bonded for $10,000. The motion was carried.

Upon motion made and seconded, the meeting was adjourned.

P. C. Satterthwaite, Secretary.

Order of Publication

Jira Fayn, Abraham W. Payne and wife Mary Payne, Reed Payne and Reed Payn, Catherine Updike, Hattie Hall, Reed Updike, James Updike, Floyd L. Updike, Simeon Davidson, Joseph M. Gilbert and James Case, or their unknown heirs, devisees, legatees and assigns,
Defendants.

At a session of said court held at the Court House in the City of Adrian, in said county, on the 15th day of July A. D. 1946.

Present: Honorable G. Arthur Rathbun, Circuit Judge.

On reading and filing the Bill of Complaint in said cause and the Affidavit of Robert L. French attached thereto, from which it satisfactorily appears to the Court that the defendants above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause; and

It further appearing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said defendants are living or dead, or where any of them may reside, and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry:

On motion of Robert L. French, attorney for plaintiff, it is ordered that said defendants and their unknown heirs, devisees, legatees and assigns, cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said Bill of Complaint be taken as confessed by the said defendants, their unknown heirs, devisees, legatees and assigns.

It is further ordered that this order be published or served according to law.

G. Arthur Rathbun,
Circuit Judge

Countersigned:
V. C. KING
Deputy Clerk of the Court

School Addition Is Up To Voters

BOARDS ASKS $14,000 FOR WEST BRANCH ENLARGEMENT; ELECTION AUGUST 1

The anticipated increase in the enrollment in the local public schools resulting from the closing of the Ford schools in Tecumseh area has prompted the local board of education to place into operation the legal machinery necessary to build an addition to the West Branch building. The addition, for which approval will be sought, consists of one classroom which will be purposely planned for kindergarten purposes. The addition of this classroom will make possible the housing of another early elementary grade in the West Branch building, thus relieving, somewhat, the badly crowded conditions in the Central building.

In order to place this matter before the public, the board of education met in special session last Thursday evening to adopt a resolution that a special meeting of the qualified electors be called for the first day of August to submit the proposition of whether or not the board of education shall be authorized to expend money from the building and site fund for the purpose of erecting an addition to the West Branch school building to be used for classroom purposes.

Sketches which have been prepared by a firm of architects for the project indicate that the new addition can quite easily be incorporated into the present building. Special consideration has also been given to the possibility of making the new unit the first step in a remodeling program which may eventually be desirable to modernize the complete West Branch facilities. The cost of the project which is being contemplated at the present time will be approximately $14,000.

The special meeting of the electors, which will be held in the high school auditorium on Thursday evening, August 1, at 8 p.m., is being called to acquaint school electors with a complete picture of the need for the proposed project and to seek public approval for the erection of such a unit through an expenditure of building and site funds. The proposition as it will appear on the ballot is: "Shall the Board of Education of District No. 7, Tecumseh, be authorized to expend money from the Building and Site Fund for the purpose of erecting an addition to the West Branch school building." Qualifications for voting on the proposition are that the elector must be a citizen of the United States, must have resided in the state six months and in the district 20 days, and must have property assessed for taxation in the district or be the husband or wife of such a property holder.

The pressing need for an expansion of school facilities is the result of the anticipated enrollment of an additional 75 students in the local schools which will overtax the already crowded facilities. The board of education plans to meet the problem partly through the operation of the Brownville school building which has been acquired from the Edison Institute. This will not, however, provide the necessary facilities for all additional students and a further solution to the problem must, therefore, be found.

Further information concerning the building project which is being planned will be made available to citizens through a brief publication which will include a sketch of the plan and a description of the entire project. It is hoped that this will assist electors in reaching a decision concerning the matter.

MISS EMILY TODD RECEIVES DISCHARGE

Mr. and Mrs. Albert J. Todd, 209 East Pottawatamie street, have been notified that their daughter, Chief Storekeeper Emily Todd has received her honorable discharge from the WAVES at San Francisco, Calif.

Miss Todd was inducted March 12, 1943; received her training at the University of Indiana, and has since served over three years at the Naval Air Station, at Alameda, Calif.

Miss Todd and Miss Eleanor Burns of Brookline, Mass., will visit friends in western Texas and enjoy a tour of the Grand Canyon before returning to their respective homes.

GRANGE TO MEET

Tecumseh Grange will meet tonight in regular session when final arrangements will be made for their annual picnic to be held August 15. Members are to bring wafers or cake for refreshments.

The committee in charge of refreshments includes Mr. and Mrs. Harry Craig, Mr. and Mrs. George Green, Jr., Mr. and Mrs. Leroy Heilman, Mr. and Mrs. W. S. Niblack and Mr. and Mrs. Carroll Culbertson.

Waste Paper Collection By Scouts on Saturday

A village-wide waste paper collection, sponsored by the Boy Scouts of Tecumseh, will take place here on Saturday, July 27, beginning about 8 a.m. Persons having old paper to contribute are asked to have it tied or in boxes and at the curb in front of their home. In instances where there are large quantities of paper, or for persons who find it difficult to move it to the curb, a call to telephone 342-W will bring a crew to do the work.

Funds obtained through the sale of the paper will be added to the Scouts new cabin fund, which already has exceeded the $1,000 mark. However, $5,000 is needed to build and equip the cabin. The drive for funds has been extended to August 1, to permit further contributions.

The Tecumseh Rotary Club, last week voted $100 toward the fund.

John J. Orr, 91 Is Buried Here

FUNERAL SERVICES HELD TUESDAY AFTERNOON FOR RETIRED DURGGIST

John J. Orr, nearly 91 years of age, local retired druggist, died Sunday morning at his home on North Oneida street. He had been confined to his home the past year and a half, gradually growing weaker and for a week previous to his death had been unable to take nourishment as usual.

Mr. Orr was born December 4, 1855, in Tecumseh and was a son of John and Hessie Cupples Orr, natives of Ballymena County, Ireland. All his life was spent in this community. He operated a drug store here for many years and later was employed by local druggists until he retired in 1927. He then continued making the well known Orr remedies at his home until his health failed two years ago.

Mr. Orr was the oldest member of the Tecumseh Presbyterian church and a life member of Tecumseh Lodge, F. & A. M., and O. E. S., also of the I.O.O.F. lodge and the Knights Templar.

Survivors are a daughter Mrs. Josephine Barritt with whom he made his home, two sons Ralph H. Orr of Ivanpah, Calif., and Seymour Orr of Detroit; eight grandchildren and one great grandson. Mrs. Orr who was the former Elsie Fowler, died in 1933.

Funeral services were held Tuesday afternoon at Collins Funeral Home, Rev. Alvin Brazee officiating. Masonic services were conducted by Tecumseh Lodge and burial was in Brookside cemetery.

Dr. Charles Slaght, 86, Macon Resident, Dies

Dr. Charles C. Slaght, aged 86 years, a practicing veterinary of Macon township for 40 years, died early Sunday morning at his home east of Macon. He had been in failing health for several years.

Dr. Slaght was born October 23, 1859 in Grand Blanc, Michigan. He had lived in Macon for 58 years and retired from his profession 20 years ago.

He leaves a sister Mrs. Lillian Summers and a sister-in-law Mrs. Alice Slaght, both of Grand Blanc. Mrs. Slaght who was formerly Alice Camburn of Macon, died 22 years ago.

Funeral services were held yesterday afternoon at his home in Macon and burial was in Macon cemetery. Rev. Alvin Brazee officiated.

Martin Frayer Dies; Buried In Ridgeway

Martin Frayer, aged 83 years, died Saturday afternoon at his home on West Kilbuck street after a year's illness. Mr. Frayer was born May 10, 1863, in Fulton County, Ohio. He lived in Franklin township for some time, selling his farm there and moving to Tecumseh in 1906.

He leaves a sister Mrs. Hattie Brown of Toledo and a brother John Frayer of Ridgeway. Mrs. Frayer died August 12, 1944.

Funeral services were held Tuesday afternoon at the Collins Funeral Home. Rev. Norman MacNaughton officiated and burial was in Ridgeway cemetery.

MRS. OSCAR FRAYER INJURED IN ACCIDENT

Mrs. Oscar Frayer of Deerfield, was taken to Tecumseh hospital Friday afternoon for treatment of leg and head injuries received when their car collided with one driven by Frank Mason at the Kilbuck-Ottawa street intersection. The Frayer car struck a tree headon, smashing the front. The Mason car was also damaged. Oscar Frayer, driver of the other car, was not hurt.

$25,000 Storm Sewer Approved

SPECIAL ASSESSMENT DISTRICT TO BEAR COST; TO BE LAID IN 90 DAYS

The contract for the building of a 42-inch storm water sewer on Patterson street, from Evans street east of the brow of the hill at the River Raisin, a dstance of 2,383 feet, was awarded to the Roy L. Carr Excavating Co., Adrian, by the village council, Monday evening. Mr. Carr's bid was $14,059 for the work involved in laying the sewer. The cost of the 42-inch pipe is $11,319.25, making the total cost of the project $25,378.25.

The new sewer, long needed, according to village engineers, will serve the south, southwest and southeast section of the village. It will be paid for through special assessment, according to needs and benefits. The legal machinery for setting up the assessment district now is in operation and probably will be finished yet this week.

Title needed for the project has been purchased by the village and is ready for shipment, Wade L. Jones, village clerk, said. The contractor agrees to complete the sewer within 90 days, and work is expected to start within two weeks.

The village received two other bids for the construction of the sewer. One was from the Barney Massa Construction Co., Detroit, in the amount of $27,204.05 and the other from Jesse Storrer of Archbold, O., for $28,307.50. Carr's bid was the lowest.

Except for listening to routine reports of committee and department heads, and the auditing of current bills, there was no other business to come before the trustees.

Miss Elsie Jones Is Bride of Warren Filter

Miss Elsie Jones, daughter of Mrs. William Cundiff and Warren Filter, son of Mr. and Mrs. Henry Filter, all of Britton, were married Tuesday evening, July 16 at the North Blissfield Lutheran church, the Rev. William Weinlander performing the double ring ceremony.

Preceding the ceremony Mrs. Warren Benham of Ridgeway sang "Always," "Because" and "I Love You Truly." Miss Arlene Weinlander was organist.

The bride who was given in marriage by her grandfather Samuel Goldfine of Highland Park was attended by Mrs. Chester Godzina of Inkster, Rosella Meyers of Detroit, Dorothy Gerdan of Ferndale, Margaret Atkinson of Sault Ste. Marie, Alice Ann Prielipp of Milan and Marie Cundiff of Britton. The flower girls were Kay Kapnick and Judy Breningstall of Deerfield and Robert Foreman of Detroit was the ring bearer. Wayne Filter and Chester Godzina attended the bridegroom and ushers were Glenn Prielipp of Britton and August Maska of Tecumseh.

Following the ceremony a reception was held at the Filter home for 150 guests from New York, Niles, Detroit, Highland Park, Inkster, Jackson, Adrian, Blissfield, Deerfield, Britton, Saline, Ridgeway and Tecumseh. The couple left later on a trip to Niagara Falls and on their return will live in Adrian.

Mrs. Filter is a graduate nurse of Grace hospital, Detroit. Mr. Filter who served overseas for three years in the Pacific area recently received his discharge and is now employed at Tecumseh Products Company.

DISCUSSION MEETING

Twenty-three members and guests attended the meeting of the Tecumseh-Raisin Farm Bureau held last Monday evening at the home of Mr. and Mrs. Raynor Vanvalkenburg. James Feight was discussion leader and distributed forms in regard to the proposed cooperative store for Lenawee county. During the social hour Marian Elizabeth Titley and Josephine Powell sang solos and ice cream and cookies were served by the hostess.

The next meeting will be held August 12 at the home of Mr. and Mrs. Robert Bryan.

HONORED AT DINNER

Local operators of the Michigan Associated Telephone Company entertained at dinner at Tecumseh Inn, Friday evening, honoring Miss Nina McKail who has been transferred to Three Rivers.

Miss McKail was presented with a gift from the group.

There has been an average attendance of 86 at the school. A hearty invitation is extended to the public to this service.

Gen. Mac Arthur Is God To Japs

DEAN JONES, RECENTLY RETURNED FROM TOKYO, TALKS TO ROTARY CLUB

Gen. Douglas MacArthur is held in high esteem by the Japanese, he is thought of by the rank-and-file of the Japs as "something like a god," and, insofar as the masses are concerned he "sits on the right of the emperor," Dean W. Jones, recently returned from Tokyo where he served as a censor attached to the United States Navy, told members of the Tecumseh Rotary Club, Tuesday evening, when he addressed the group following dinner at Brees House. Mr. Jones received his discharge from the Navy about 10 days ago. He is the son of Wade L. Jones.

"Gen. MacArthur needs no protection from the Japs," the speaker declared. "He moves about unguarded, except when he is entertaining dignataries."

Jones described Tokyo as a city with much western atmosphere, and with many beautiful buildings and parks. However, a large portion of Tokyo has been reduced to rubble, he said, but it is being cleaned up as rapidly as possible.

Jones described Japanese homes in which he and other members of the armed forces were entertained. Although food there is scarce, a delicious meal was always served, even though the hosts knew that their own rations would be shorted later as a result of their hospitality.

Several Japanese dolls, a sword nearly 1200 years old, and other interesting souvenirs of the country were shown to the club by the speaker. Each section of Japan, he said, makes dolls a bit differently, and great pride is taken in the workmanship. Dolls are handed down through generations of family, sometimes being a most priceless heirloom.

Mrs. Ruth Boegel Dies Result of Gunshot Wound

Mrs. Ruth Boegel, 62, died early Monday in her house trailer on the Fred Ernst farm east of Clinton, of a gunshot wound in her head. Mrs. Boegel, who was a cousin of Mrs. Ernst, had lived in the trailer for several weeks, coming there from Toledo. She was formerly Ruth Nogar of Dundee.

Mrs. Ernst discovered the body, a bullet wound in the head and a revolver nearby. She notified state police at Clinton, and the Washtenaw county coroner decided death was the result of suicide. The body was removed to the Collins Funeral Home here, and later was taken to Ann Arbor for an autopsy.

Her husband, Eric Boegel of Toledo, and several cousins are her only survivors.

Funeral services will be Friday afternoon at 1 o'clock from Collins Funeral Home, Dr. Grant Spear, Toledo, officiating. Burial will be in Woodmere cemetery, Detroit.

FINDS IT DIFFICULT TO "HOLD THE LINE"

"Credit for taking the lead in holding the line on food prices following lapses of OPA legislation is given Joseph B. Hall, president of the Kroger Company. In the current issue of TIME Magazine. TIME said that Kroger changed its prices on meat and butter "only the amount of the lost government subsidies: seven cents on beef and fifteen cents on butter" adding that "Kroger's able friendly President Hall sadly admitted that the company had taken hefty losses on these items to hold the line even this much. It was also having a hard time replacing its depleted stocks at ceiling prices. Unless there was overall OPA legislation soon, said Grocer Hall, Kroger would have to abandon its policy or have no foods in many lines to sell."

Free Harvest Celebration to Climax Wheat Project Aug. 1

BIBLICAL GRAIN TO BE CUT, THRESHED AND GROUND AT COUNTY FAIR GROUNDS

The now world-famous Biblical Wheat Tithing" demonstration conducted by Perry Hayden, president of the Hayden Flour Mills, Inc., of Tecumseh, which has attracted international attention during the past six years, will be brought to a conclusion at the Lenawee County Fair Grounds, Adrian, next Thursday, August 1, with a huge free celebration, beginning at 1 o'clock.

A representative field of the famous wheat has been planted inside the race track at the fair grounds, where the celebration will be held. This year, 275 farmers throughout Michigan, Ohio and Indiana are harvesting 2,666 acres originating from the one cubic inch of wheat, planted at the old Hayden Mill here in 1940. This year, the 275 farmers will pay their tithes, in the names of 175 churches affiliated with 30 different organizations, to the American Friends Service Committee. The tithe wheat will be brought to the fair grounds next Thursday and piled in front of the grand stand, later to be processed into relief cereal for overseas famine relief.

The representative field at the fair grounds will be cut with sickles, cradles, horse-drawn reapers and modern combines, as a demonstration of harvesting from the Biblical days down to the present. The wheat then will be threshed and ground into flour, baked into biscuits and "fed to the multitudes," right before their very eyes.

Previous harvests of the Biblical Wheat in Tecumseh and vicinity have attracted personages of state and national fame. Among the prominent personalities to take part in this year's ceremonies are: General Tom Campbell, the "Wheat King" of Montana; Dr. Walter A. Maier, famous radio evangelist of the Lutheran Hour; Floyd Starr, founder of the Starr Commonwealth; Clarence Pickett, executive secretary of the American Friends Service Committee; Gil Dodds, world's champion indoor mile runner, who will race with a horse; Maj. Date Jensen, who will land a helicoptor in front of the grand stand; W. G. Armstrong, master of the Michigan State Grange; Kim Sigler and Murray D. Van Wagoner, candidates for governor of Michigan; Lt. Gov. Vernon Brown of Lansing; Charles Figy, Michigan Commissioner of Agriculture; Mrs. Emme Clarissa Clement, "the American Mother," and many others.

Miss Ruby J. Anglemyer Weds Arthur J. Schuler

Miss Ruby Jean Anglemyer, daughter of Samuel Anglemyer, and Arthur J. Schuler, son of Mr. and Mrs. Harold Schuler, all of Clinton, were married Saturday afternoon at the Clinton Congregational church by the Rev. O. E. Priest.

Preceding the ceremony Mrs. Burton Stadler played an organ recital and Miss Janice Allen sang "Because" and "Till the End of Time." Mrs. Stadler also played the wedding march.

Mrs. Marvin Breitenwischer was matron of honor and Mrs. Frank Polke, Miss Nola Anglemyer and Miss Marguerite Kehoe were the bridesmaids. Ted Greenfield was Mr. Schuler's best man and Marvin Breitenwischer and Frank Bo ike were the ushers.

Following the ceremony a reception for 100 guests was held at the home of the bride's sister near Manchester.

Mr. and Mrs. Schuler left later on a trip in northern Michigan and on their return will make their home with her father.

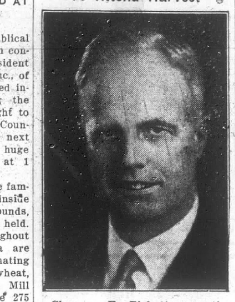
Both are graduates of Clinton high school in 1944. Mrs. Schuler has recently been employed by Meyers Aircraft Co. here. The groom recently returned from two years naval service, with 21 months in the Pacific.

Ford Motor Announces Increase In Farm Pay

A Ford spokesman has announced a wage adjustment of 18c an hour retroactive to January 1, 1946, for all employees of the Ford Macon Farms. This is in keeping with the new company wage policy announced some time ago.

The retroactive adjustment was made with the payday of July 13 and affected about 60 men and 15 schoolboys on the local payroll. It is understood that former employees who have terminated their service since January 1 will be eligible for the retroactive pay in accordance with their hours of employment with the Ford organization since that date.

To Attend Harvest



Clarence E. Pickett, executive secretary of the American Friends Service Committee of Philadelphia, will bring last minute accounts of the actual conditions in famine ridden Europe and Asia, at the Biblical Wheat Day exercises at the Adrian Fair Grounds Thursday afternoon, August 1.

John Nicholson, also of Philadelphia, representing the committee, is assisting Perry Hayden in securing contributions of wheat for the loading out of Adrian the first part of August. Mr. Nicholson is available for speaking engagements to groups desiring first hand accounts. He recently returned from Poland.

Thieves Get 50 Chickens

PROWLERS ARE ACTIVE IN THE VICINITY OF BRITTON, RIDGEWAY, POLICE SAY

State police are keeping a close check on the Ridgeway-Britton area for chicken thieves, who are reported to have been active in that vicinity during the past few days.

Monday night, police at Clinton received a call from the Douglas Baker farm, north of Ridgeway, where 50 chickens had been stolen. On Sunday night, state police and sheriff's deputies made a hurried run to the William Miller farm, south and west of Britton, where Mr. Miller reported prowlers in his chicken coop. Miller fired in the direction from which the noise came, and if thieves were operating they fled before officers arrived. No chickens were stolen.

Police say that scattered reports of chicken stealing have come from all sections of the county during the past few weeks but lately the trouble seems to have become localized in the Ridgeway-Britton area. Farmers, too, are keeping a close watch on the flocks, some owners keeping a gun nearby in case they hear a disturbance in the poultry sheds.

Van Valkenburg Family Holds Annual Reunion

The VanValkenburg family held its annual reunion July 20 at Hayes state park where dinner was served at noon to 55 members from Belleville, Albion, Dearborn, Willow Run Village, Adrian, Fairfield, Wamplers Lake, Tipton and Tecumseh.

During the business meeting Cecil VanValkenburg presided and the following officers were elected for the coming year: Charles McNeil, president; Ronald VanValkenburg, vice president; Dalton VanValkenburg, secretary and treasurer; Mr. and Mrs. Roger VanValkenburg, entertainment.

Several returned service men told of their experiences overseas and games under the direction of Mr. and Mrs. Percy VanValkenburg were enjoyed.

Next year's reunion will be held the third Saturday in July at the same place.

DIES IN IONIA

Word has been received here of the death of Mrs. Vincent Boody, which occurred Friday at her home in Ionia. Mrs. Boody was formerly Mrs. Gladys Bronson of Tecumseh.

She leaves her husband and two sons, Richard and Ray Bronson.

The funeral and burial were held Monday in Ionia.

ASHES BURIED

The ashes of Edward Olin Wood who died October 19 and those of his wife Helen Conklin Wood who died December 9, in Urbana, Ill. were brought to Tecumseh and buried in Brookside cemetery Friday afternoon, July 19.

Collins Heads Exchange Club

NEWLY-FORMED SERVICE ORGANIZATION TO HAVE CHARTER NIGHT AUGUST 8

Ellsworth A. Collins was elected president of the newly-formed Exchange Club of Tecumseh, at a permanent organization dinner-meeting, held Monday evening at Brees House. Other officers chosen are Ned Rosacrans, vice president, and Robert J. Robison, secretary and treasurer. The board of directors is made up of the officers and Richard F. Roe, William A. Wright, Halsey C. Eggleston, James Freckelton, Earl Lindsley and Marvin J. Watkins.

The club's charter banquet-meeting, at which some national officer of Exchange will be the speaker and to which members of other organizations of Tecumseh will be invited, will be held on August 8, at 7:30 in the high school gymnasium. It is expected that 250 persons will attend. The club meets regularly each Monday evening at 6:30 at Brees House for dinner, the next meeting being July 29.

The Exchange Club, by birth, in its philosophy, and in its objectives is an American institution. The first local Exchange Club was formed in Detroit, March 27, 1911, by Charles A. Berkey and a number of his friends and business associates. Prior to that date, some of these men had been meeting regularly and informally during the luncheon-hour for exchange of ideas. These meetings dated as far back as 1896.

Exchange is non-political, non-sectarian, non-commercial, and non-legislative.

The National Exchange Club, which is organized and operated exclusively for an educational purpose, is the fountain-head of functional source material for local Exchange clubs.

To assure the perpetuation of American ideals and traditions, and the privilege of citizenship, Exchange clubs everywhere in America participate in all forms of patriotic endeavor. During war-time, as well as in peacetime, they were especially active.

The educational program of Exchange includes in its broad scope such projects as promotion of traffic safety; advancement of free enterprise; educational assistance for les fortunate boys and girls; advancement of the well being—health, protection, living conditions, recreational opportunities and religious activities—of citizens. Exchange fosters and supports community building, industrial development and good will promotion, as well as agricultural projects in the communities in which it is represented.

Nurses Aides Are Disbanded

The Red Cross Nurses Aides Corps of Lenawee County which so faithfully assisted trained nurses at hospitals in care of patients during the war emergency and scarcity of nurses, officially disbanded in June. The Red Cross now requests that Aides consider themselves an emergency aid in case of local disaster.

Locally four classes were formed in Tecumseh, the first in December 1942, with Mrs. Dorothy O'Reilly and Miss Elizabeth Blohm as instructors. Fifty-four completed the course, and 1131¼ hours of service were given in four years. Three Aides gave more than 500 hours and one gave over 1000 hours. All work was volunteer and unpaid and the local corps worked entirely at Tecumseh Hospital under the chairmanship of Mrs. G. A. Rathbun and Mrs. Frank K. Smith.

In the entire county, 152 members gave 37,627 hours of service in Adrian, Addison, Morenci and Tecumseh hospitals.

FILTER REUNION

The 10th annual reunion of the Filter family was held at Island Park in Adrian with 80 in attendance. Following dinner officers were elected: Warren Filter, president; Everett Netcher, vice president; Mrs. Ruth Collender, secretary and treasurer. Next year's reunion will be held in the same place.

FACE INJURED

Arthur B. Harding narrowly escaped an eye injury, Tuesday, when he ran into a pipe while working for the village. His face around the eye was badly cut but the eye was unharmed. He was treated at Dr. Heiterman's office and later taken to Tecumseh hospital.

Tecumseh Music Club will meet Friday, July 26, at the cottage of Mrs. R. S. Moore at Sand Lake for a potluck dinner at 1 o'clock. Members are to bring table service, sandwiches and a dish to pass.

IT DON'T ADD UP

"It is useless to talk of labor's purchasing power encouraging business if business is asked to produce goods at a loss," said the New York Times recently, editorially. "We cannot have full employment if people are discouraged from becoming employers."

When business can no longer employ and produce, government will step in—and the state bureaucrat will be the economic dictator. Then we'll have exactly the essentials of fascism, here at home, that we fought the most destructive war in history to destroy.

The war has been over for a year. When it ended we were told that consumer goods would be plentiful. We'd be treated to a flood of merchandise ranging from nylons to automobiles. That was from the government planners.

The truth has turned out to be the exact opposite. There are less quality goods on merchants shelves today than there were in the midst of a two-ocean war, when we were supplying two fronts and an armed force of 12 million men, to say nothing about lend lease.

So long as business remains the slave to politics we will have an economy of scarcity instead of an economy of abundance.

Insulate for *Comfort!* Winter and Summer

There is no Substitute!

For genuine home comfort—SUMMER AND WINTER—there is no substitute for INSULATION!

In weather such as this area experiences in mid-summer—JULY AND AUGUST—you'll find that your home will be 10 or more degrees cooler if it is properly insulated. Upstairs bedrooms will become "sleepable" that before were unbearable. Your whole house will have that inviting feeing.

In winter—December through March—you'll find that your house is warmer, that it takes less fuel to make it comfortable. that every room is a "useable" room. Bedrooms that before were too cold for comfort are just like other rooms in the house.

What is more, insulation pays for itself in a very short time. Some folk say that fuel savings in two years offset the cost of attic insulation. It is safe to say that from three to five years fuel savings will offset the cost.

Ask the family that lives in an insulated home. They'll tell you about its comfort and economy.

The Cost of Fire Keeps Going Higher---

Rising costs of property values and furnishings are causing fire losses to soar higher and higher.

Fire losses in the U. S. were $259,000,000 in 19335 . . . in 1945 the losses amounted to $455,000,000 . . . an increase of 75%.

Are you carrying more insurance today than you did 10 years ago on your property and your furnishings? If you are not, and fire should strike, what would your loss be?

Check your insurance policies with us . . . we'll help you to get the coverage you need.

There's Danger in Under-Insurance of Both Real and Personal Property

Would You Sell Your Property For It's Insured Value?

The average owner in this area today, is lulled into a sense of security by the fact that he has an insurance policy covering fire, theft or other losses.

He forgets that he established the amount of his insurance coverage back in 1940 or earlier and has failed to keep his insurance abreast of the steadily rising values and replacement costs.

Home owners should ask themselves this question: "Would I sell my home or belongings today for the amount of insurance I carry?"

Another way to visualize this danger of under-insurance is to consider the replacement costs in dollars and cents and not in percentages.

For example, a home that was worth $7,000 in 1939 is worth over $11,000 today in most cases. The 1939 insurance coverage no longer is adequate to do the job.

Don't delay increasing your coverage—tomorrow may be too late.

To Keep Well—

Illness, Sometimes, Strikes in the Night

Quite often, especially if there are children in the home, illness strikes in the night—suddenly and without warning.

That is one of the reasons why you should have in your medicine chest, simple home remedies such as you can buy with confidence in our store. Often you can relieve pain and suffering in a jiffy.

However, if the patient does not respond quickly to home treatment, summon your doctor. When he gives you a prescription to be compounded, bring it to us for careful service.

What a
HEADACHE!

. . . *And* WE WERE ALL SET TO DO A BIG JOB ON RURAL LINES

Yep, if it were not for those "circumstances beyond our control" which you have been reading about in the papers, maybe by now we would have the materials and manpower to extend our service to you folks who have asked for it.

Of course, we are building lines but our progress is nowhere near the goal we had set. Poles, transformers, wire and almost every other item entering into a line construction job are still mighty hard to get. We know you understand but we want to thank you for the patience you have shown and to assure you that we are doing out best to rush our rural extension program toward completion.

ANNUAL SCHOOL MEETING, DISTRICT NO. 7 TECUMSEH HIGH SCHOOL

JULY 8, 1946

The meeting was called to order by the President of the Board of Education, Mr. J. Touborg.

The minutes of the last meeting were read and approved.

The report of the Secretary, Mr. P. C. Satterthwaite was read and upon motion made by Mr. C. L. Dickinson and seconded by Mr. J. Saling approved. (copy attached).

The report of the Treasurer, Mr. E. Lindsley, was read and upon motion made by Mr. J. Saling and seconded by Mr. Fay Whelan approved. (copy attached).

Superintendent Berkhof presented his annual report which emphasized the activities of our schools during the past year. This report was upon motion made by Reverend J. C. Murdoch and seconded by Mr. C. L. Dickinson approved and ordered placed on file.

The report of the librarian, Miss Ruth Harding, was read by Reverend J. C. Murdoch and upon motion made by Mr. J. Saling and seconded by Mr. P. M. Hayden approved and ordered placed on file. (copy attached).

The annual report of the Recreation Board was given by Mr. Fay Whelan and upon motion made by Mr. M. W. Wilson and seconded by Mr. J. V. Mullaney approved and ordered placed on file. (copy attached).

The term of office of Dr. Arthur H. Brown having expired the meeting then proceeded to the election of a trustee to fill the vacancy. A call for nominations was made and the names of Dr. R. F. Helzerman and Mr. Fay Whelan were presented by Mr. C. L. Dickinson and Mr. P. M. Hayden respectively. There being no further nominations, it was moved by Mrs. Ayesha Ladd law and seconded by Mr. J. Saling that the nominations be closed. The motion was carried.

The President, Mr. Touborg, then appointed Reverend Edward Escolme, Reverend J. C. Murdoch and Mr. J. Saling to serve as tellers. A ballot was taken in which 89 votes were cast of which Dr. Helzerman received 56 and Mr. Fay Whelan 33. Dr. Helzerman having received a majority of the votes cast was declared elected as a trustee of the district for the ensuing three years.

It was next moved by Dr. Arthur H. Brown and seconded by Mr. Wade L. Jones that the Tecumseh School District be organized as a registration district as provided in Chapter 7 of Part II of the Michigan School Law. The motion was carried.

There being no further business, the meeting was upon motion adjourned.

P. C. Satterthwaite, Secretary.

REPORT OF THE SECRETARY TO SCHOOL DISTRICT NO. 7 TECUMSEH, MICHIGAN

Your secretary is pleased to present at this time the following statement taken from the report of the auditor Mr. E. W. Smith, C. P. A. who was employed by the Board of Education to audit the school books and records.

"We have examined the books and records of your school district for the fiscal year ended June 30, 1946 and submit the following herewith:

Statement of Receipts and Disbursements for Fiscal Year ended June 30, 1946.

Statement of Receipts and Disbursements of Funds held in connection with Extra-Curricular Activities.

Recapitulation of Extra-Curricular Receipts and Disbursements.

In connection herewith, we have reviewed the system of internal control and accounting procedures, and without making a detailed audit of each transaction have examined or tested accounting records and supporting data to the extent to satisfy us that errors of magnitude had not occurred and the records were in proper order.

All recorded cash receipts were traced to the depository and the account reconciled with the bank.

The collection of taxes was verified by personal contact with the Township Supervisor and found to be properly recorded.

All liabilities of the school district have been paid except the regular current accounts and there is no indebtedness of any kind against the district.

The insurance policies were examined by us and in our opinion the property is fully covered. Perhaps some thought should be given to the high cost of replacement at this time, and the amounts increased accordingly. The Treasurer is under $10,000.00 bond, which is in order.

During the school year there has been collected in the Extra-Curricular activities of the school the sum of $8,546.75 and of this amount $7,803.62 was expended. These funds are handled under the direction of Mr. Berkhof. These receipts and disbursements were checked in detail, reconciled with the bank and found to be in order.

The books of the district are very well kept, correct in detail and any information desired is readily obtainable.

Respectfully submitted
Edward W. Smith and Co."
P. C. Satterthwaite, Secretary.

Vote Tonight on School Addition

ENLARGEMENT OF WEST BRANCH PROPOSED TO MEET CROWDED ENROLLMENT

Enlargement of the West Branch school building through the construction of a $14,000 addition, proposed by the board of education as a means of relieving the congested condition of present school facilities, will be decided by voters at a special meeting tonight at 8 o'clock in the high school auditorium. Any person who owns property assessed for school purposes, or the husband or wife of such property holder, who is a citizen, has resided six months in the state and 20 days in the district, is eligible to vote.

The money necessary to build the addition would be taken from the building and site fund, established by the district a year ago and in which there is now about $14,000. It was pointed out that no special tax is necessary to make the enlargement possible. The building fund was set up last year when it became evident that Tecumseh faced an expansion program, and each year for five years a five mill tax is levied for building purposes. The amount raised each year is approximately $14,000, and the money proposed to be spent for the West Branch addition was raised last year and is now in the treasury.

The new addition at West Branch would house the kindergarten department, thus relieving one room at that building for other class purposes. In all probability some elementary grade, now housed in the Central Building, would be transferred to West Branch when the building is ready, thus relieving a congested condition there.

At the meeting tonight, the board plans to explain to voters how important it is that some steps be taken to relieve the crowded condition of existing buildngs. Because of the closing of the Ford schools in this area, between 75 and 90 more students will be enrolled here in September than were a year ago. The district already has acquired the Brownville school from the Edison Institute, but the use of this building will not be sufficient to meet the demand for classroom space.

Sketches of the proposed addition to the West Branch have been completed by architects and will be shown to the voters. The sketches indicate that the new addition can quite easily be incorporated into the present building. Special consideration has also been given to the possibility of making the new unit the first step in a remodeling program which may eventually be desirable to modernize the complete West Branch facilities.

Clarence E. Lent Dies In St. Joseph's Hospital

Clarence E. Lent, aged 70 years, father of Lewis Lent of N. Maiden Lane, died Saturday night at St. Joseph's hospital in Ann Arbor where he had been since Thursday. He had been failing for some time and had been with his son here about a year. He was a member of Hillsdale Lodge, F. & A. M., and the Knights of Pythias.

Survivors are the widow, one daughter, Mrs. Harry Davis of Los Angeles, Calif., and six sons, Lewis of Tecumseh, Lavain of Chicago, Harold of Hancock, Warren, Wendell and Robert of Plymouth.

Funeral services were held Tuesday afternoon at Green Funeral Home. Dr. Norman MacNaughton officiated and Masonic services were held at the grave in Brookside cemetery. Bearers were E. M. Proctor, H. J. Farnsworth, A. J. Scammon, F. E. Peny, C. A. Bacon and T. H. Midgley, all of Hillsdale Lodge, F. & A. M. Relatives and friends attended from Ann Arbor, Jackson, Hillsdale, Plymouth, Hancock, Chicago and Los Angeles.

SOCIAL EVENING

Mrs. Herbert Murphy and Mrs. C. W. Allen were co-hostesses Friday evening at a social evening in honor of Mrs. Willard Wedemeyer. Eighteen guests enjoyed progressive games and prizes were won by Mrs. Robert Alonzo and Miss Mary McWilliams, who in turn presented them to the guest of honor who also received a shower of gifts. Lunch was served in conclusion.

Out of town guests were Mrs. Robert Lowry of Ann Arbor, Mrs. A. Wedemeyer and Mrs. Douglas Milhan of Saline, Mrs. John Hull, Mrs. Robt. Alonzo and Mrs. Wm. Larmour of Clinton.

A special school meeting of Raisin District No. 10 is being called by the Board for Monday, August 5th, at 8:00 o'clock at the Centennial schoolhouse. The purpose is for discussing of the disposal of the Comfort school and property and furnishing transportation for the District.—adv.

Two-County Normal Seeking More Students

The Lenawee-Monroe Normal school in Blissfield, has already approved 16 applications for fall entrance and will continue to accept applications until the term opens September 5.

Monroe county is joining Lenawee county in the Normal school this year replacing Hillsdale county which withdrew because many rural schools had consolidated, reducing the number of rural teachers needed.

High school graduates who have not made preparation for college courses may enroll at the Normal. Last year 16 students graduated and all have contracts at monthly salaries ranging from $155 to $180. This county is still lacking 12 teachers for the fall term, according to Mrs. E. T. Armstrong, Lenawee county school commissioner.

Clinton School Merger Delayed

ORIGINAL REORGANIZATION PETITIONS SENT BACK; TWO MORE FILED

The proposed merger of five school districts with the Clinton village district, permitting a consolidation of rural schools, some of them in areas where Ford schools had operated, is marking time, awaiting additional signatures to a petition, asking for an election.

The consolidation petitions were filed with Mrs. E. T. Armstrong, county school commissioner, a couple of weeks ago and they have been returned to the Clinton officials. Mrs. Armstrong held that there were insufficient signatures on the petitions.

Recently, two counter petitions were filed with the commissioner, asking that names be removed from the original petitions. The counter petition in District No. 1, Clinton, carries 44 names, and the one from Macon 1 carries eight names.

Mrs. Armstrong said that no action could now be taken on the counter petitions, inasmuch as the original petitions were not in her office. She said that if the original petitions were returned, all of the petitions would be sent to Lansing, to the state commissioner.

About a month remains before the opening of school for the fall term and if the proposed consolidation becomes effective by September, speedy action must be taken. Otherwise, it was said, districts in the suggested merger areas would have to decide whether schools would be operated in those districts or to what points children would be sent for their education.

FIVE TONS OF PAPER COLLECTED BY SCOUTS

The Boy Scout waste paper drive, conducted here last Saturday, netted some five tons of paper which, when sold, is expected to add $60 to the Scouts' cabin fund. Gifts reported during the past week in the drive for money to build the new cabin amounted to about $50, bringing the total in the fund to some $1,350. It is hoped that the cabin can be built this fall in Elliott park, where the council has granted approval for construction.

INFANT DIES

Michael Dave Frost, 10 days old son of Mr. and Mrs. Carroll Frost, died Tuesday night at Tecumseh hospital where he was born July 20.

Besides the parents he leaves four brothers, Lester, Stanley, Kenneth and Gary, and three sisters, Esther, Janet and Barbara, and his grandparents, Mr. and Mrs. Charles Frost of Tecumseh.

Funeral services will be held at Collins Funeral Home this (Thursday) afternoon. Rev. Edward Escolme will officiate and burial will be in Brookside cemetery.

Biblical Wheat Harvest Today

PARADE AND DAY-LONG PROGRAM TO MARK FINAL HARVEST OF DYNAMIC KERNELS

The program is completed and the city of Adrian is gayly decorated for one of the most colorful events ever held in Lenawee county, as the citizens anxiously await the huge parade at 10 a.m., today, which starts the free celebration of the final harvest of the world-famous Biblical Tithing Wheat demonstration, started six years ago in Tecumseh when Perry Hayden planted a cubic inch of wheat and replanted the harvest each year, after deducting a 10 percent tithe for the church.

Hundreds of farmers are responding to Gov. Kelly's request for gifts of wheat, from farmers not included in the Biblical Wheat project. Each farmer bringing wheat will meet on W. Maumee street and be included in the parade. The wheat gifts go to war-starved areas.

All of the wheat brought in on Thursday will be unloaded in front of the grandstand and piled into a great mountain of wheat, which will later be moved to the Adrian Grain co., where it will be shipped to the American Friends Service Committee. This wheat will be processed into a relief cereal and shipped overseas for famine relief.

A call has been issued for old-fashioned wheat cradles and old-time cradlers. The wheat in front of the grand stand will be cut in several ways, to demonstrate the process of harvesting. It will start with cutting by cycle, as they did in the Biblical days, followed with the cradle, the self-rake reaper, the binder, the combine and self-propelled combine. Then the wheat will be threshed by various forms, from the old flail, steam threshers and down to the modern combine. It will then be ground into flour by an old time stone mill which has been erected on the grounds in the center of the track. The flour will be baked into biscuits and fed to the "multitude" . . . all this right before the very eyes of the crowd in the grandstands.

A government helicopter will drop down in front of the grand stand and pick up a load of the Biblical Wheat, and carry it to Toledo, where a biscuit company will bake it into graham crackers and return it to the field within a few hours.

Hundreds of notables and famous people from every part of the country will appear on the program which continues throughout the day and evening. Among the headliners are Dr. Walter A. Maier of the "Lutheran Hour;" Clarence Pickett, ex. sec., American Friends Service Committee of Philadelphia; Kim Sigler and Murray D. Van-Wagoner, candidates for governor; Mayor Edward J. Jeffries, Jr., of Detroit; Gen. Thomas Campbell of Hardin, Montana, the "Wheat King;" "The American Mother and the Michigan Mother;" Chas. Vickrey, pres., Golden Rule Foundation, N.Y.C.; Floyd Starr, founder of Starr Commonwealth, Albion, and many others.

Rent Control Now in Effect

QUESTIONS AND ANSWERS ABOUT NEW LAW ARE ISSUED BY DIRECTOR

Restoration of OPA ceiling rents in effect June 30, 1946, and eviction controls in the Jackson Rent Control Area were announced today by Charles H. Baker, area rent director, who released the following answers to questions most frequently asked.

1. Is there now a rent ceiling on my home?

If you live in a rent control area, effective July 25, 1946, your home is under the same rent controls it was on June 30, 1946. Tecumseh is in the rent control area.

2. The ceiling rent for my apartment on June 30 was $60, on July 1 my landlord raised my rent to $75 a month. Now that rent control has been reestablished must I continue to pay $75 a month?

No, effective August 1, 1946, your rent goes back to rent of $60.

3. I signed a new lease on July 1 calling for $75 a month instead of $50, the ceiling rent on June 30, 1946. Must I continue to pay $75?

No. After July 25, 1946 the landlord may collect no more than the ceiling rent in effect on June 30, 1946 regardless of the terms of the new lease.

4. I live in a rooming house, in June my ceiling rent was $48 a month. On July 1, my landlord changed the rent to $5 a day. Must I now continue to pay the daily rate?

No, effective July 25, 1946 your rent will be on the June monthly rental of $45 a month. Landlords who changed their rental basis contrary to the rent regulations, such as from a monthly or weekly to a daily basis during the interim period when federal controls were off, must return to the rental period in effect for the unit on June 30, 1946.

5. On July 1, my landlord raised my rental from $30 to $45 a month, I paid $45 for July. Can I get a refund for the $15 difference?

Landlords who charged more than their ceiling rents for the interim period, when penalties for violations of OPA controls were nesecarily suspended, are not required by OPA to refund the amount collected in excess of ceiling rents for that period.

6. I was evicted in July. A new tenant now occupies the premises. Can I now regain possession?

No. Tenants who were actually evicted during the interim period when penalties for violations of OPA Regulations did not apply cannot regain possession.

7. My landlord has given me an eviction notice but has not notified OPA. Can he proceed to evict me?

Landlords are now prohibited from proceeding with eviction actions without complying first with all OPA requirements covering evictions. The requirements are the same as those in effect on June 30, 1946. Any incomplete eviction proceeding contrary to the Regulations may not now be completed. Consult your nearest OPA rent office for advice.

8. In July the local court issued a judgment permitting my eviction but I have not been put out. Can I now be evicted?

No, unless your landlord complied with OPA Regulations. Landlords who complied with OPA eviction requirements and then were given an eviction judgment in the local court during the interim, may proceed to evict legally.

9. I rented my apartment to a tenant for the first time on July 15. How soon must I register the apartment with OPA?

You will have 20 days after July 25, 1946 in which to register your property.

10. I first rented my apartment to a tenant on June 15, 1946. How long will I have to register with OPA?

You must register within 15 days after July 25, 1946. A landlord who first rented a dwelling unit during June, 1946, must register within 30 days of first renting not counting the number of days between July 1, 1946, and July 25, 1946, inclusive.

11. I rented an apartment on July 1, 1946, and was required to give my landlord a security deposit of $100. Is this legal?

Your landlord must return this deposit to you within 30 days after July 25, 1946. Otherwise, he is in violation of OPA regulations and subject to penalties.

IS WAR INEVITABLE?

Sixty-two per cent of the American people now believe that we will have another war within 25 years. Twenty-four per cent believe that we will have a lasting peace. Those were the figures obtained in a recent nation-wide survey. By comparison, three years ago, when the last war was at its height, 47 per cent of the people of the nation believed that a lasting peace was probable, and only 43 per cen were convinced of the inevitability of another war.

The diminishing faith of the American people in man's ability to prevent war is a terrible commentary on the state of the world. The challenge it offers to all of the nations of the world is the greatest they have ever faced. For, should war come again, it could very well end only in the death of civilization as we know it. The atomic bomb is in its infancy, and the "improved" bombs of the future compared to those of today, will be like a 1947 car beside the primitive vehicles of 40-odd years ago. The ruination of all mankind is entirely possible.

What nation wants this? What government, no matter how greatly it distrusts its neighbors, will assume the awful responsibility for another war? What differences are so important that they cannot be reconciled in the interest of a lasting peace? The very existence of every being, whether he be Russian or American, Pole or Greek, Indian or Britton, depends upon the answers given to these tremendous questions.

Let SIDEWALL Shingles Give Your Home That Modern, Streamlined Appearance

There is no easier, more inexpensive way of permanently improving your home than to install the new sidewall shingles.

Sidewalls, you know, cost but very little more than two coats of paint, now so difficult to buy. Sidewalls, when installed, are there permanently, for the years to come. Not only do they dress up your home, add dollars and dollars to its valuation, they also make it warmer in winter, cooler in summer, because of the added insulation.

Why delay longer the modernization of your home? S-T-R-E-A-M-L-I-N-E it with new sidewall shingles. And, after you commence to enjoy its improved appearance, it's added comfort, you'll wonder why you didn't do it before.

There's Danger in Under-Insurance of Both Real and Personal Property

Would You Sell Your Property For It's Insured Value?

The average owner in this area today, is lulled into a sense of security by the fact that he has an insurance policy covering fire, theft or other losses.

He forgets that he established the amount of his insurance coverage back in 1940 or earlier and has failed to keep his insurance abreast of the steadily rising values and replacement costs.

Home owners should ask themselves this question: "Would I sell my home or belongings today for the amount of insurance I carry?"

Another way to visualize this danger of under-insurance is to consider the replacement costs in dollars and cents and not in percentages.

For example, a home that was worth $7,000 in 1939 is worth over $11,000 today in most cases. The 1939 insurance coverage no longer is adequate to do the job.

Don't delay increasing your coverage—tomorrow may be too late.

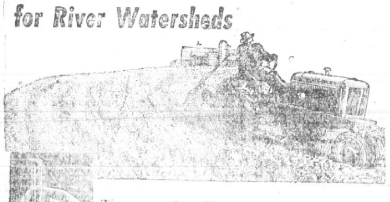
TERRACES.. "Eaves troughs" for River Watersheds



The tell-tale of river water pictured here is evidence that erosion may be stealing your farm from under your feet. Notice the layer of fertile silt which has settled to the bottom — a tiny sample of 100 million tons one river carries away every year from bordering farms.

Erosion means more than gullies scarring hillsides. Much of your soil loss comes from the gentle creeping of top-soil down the slope to lower levels where it is floated away by runoff surface water.

You can anchor your soil safely in your fields by building "eaves troughs" — terraces and contour strips to control runoff water. These operations can be done with regular home-owned farm equipment, such as moldboard plows, disc plows or tiller discs. Allis-Chalmers is cooperating with soil conservation engineers in demonstrating tractor methods of terracing, strip cropping, constructing ponds, reservoirs and waterways.

Ask us for the Allis-Chalmers handbook "You Have What It Takes To Contour and Terrace."

PALMAN'S

An Open Letter To Our Present and Prospective Customers in Tecumseh

You want and are entitled to prompt, courteous and efficient local and long distance telephone service, and that is our goal.

We realize your telephone service, particularly toll service, has not been up to standard for many months, and we know there have been long delays in making new installations. Telephone instruments, poles, cable, copper wire, line hardware and other items required to construct additional telephone facilities are not yet available in sufficient quantities to meet your demand.

Tecumseh has enjoyed a phenomenal wartime growth, and we have been deeply concerned over the steady increase in the volume of local and toll telephone traffic, originating and terminating in Tecumseh.

A good picture of what is happening can be readily obtained from the records maintained at our local office. Here are the facts:

AVERAGE NUMBER OF TOLL CALLS HANDLED DAILY DURING THE MONTH OF JULY SINCE 1940. (OUTWARD ONLY)

Year	1940	1941	1942	1943	1944	1945	1946
Calls	165	198	231	218	241	286	344*

*First four weeks in July.

The connecting telephone companies who furnish a part of the 15 toll circuits in use at our Tecumseh exchange also realize what is going on at Tecumseh and they have assured us that additional circuits will be provided at the earliest possible date.

The volume of local calls has also climbed up and up during the same period. The average daily load for the first four weeks in July of 1946 was 2,774 local calls as compared to 2,402 local calls in July of 1940.

Contrary to popular belief and our expectations, the volume of local and toll traffic at our Tecumseh exchange has increased steadily since VJ-Day, and we now find Michigan Associated Telephone company in the same position as many other business enterprises in this community, with a long queue at "our door" awaiting attention. The only difference is that our customers cannot see the "line-up." Therefore, they do not understand that many others might be trying frantically to use our facilities at the same moment.

"The war is over" has become a rather popular phrase of late and we hear it with increasing frequency from people who are waiting for us to install a telephone or complete their toll call, because they do not understand that many items of materials are harder to obtain now than at any time during the war. And this condition is typical generally throughout the telephone industry. The simple truth is, people have learned to use the telephone to advantage during the wartime period, and telephone service is considered a necessity by the present generation. Furthermore, there is no telling how large the potential market for toll service might be until the telephone industry (it isn't only the Tecumseh exchange) is able to furnish sufficient toll circuits, toll operators, and toll switching equipment to provide a normal, satisfactory grade of service.

Yes, we know our service is unsatisfactory, and we don't like it either, but it will take some time to create enough facilities to serve all those who are waiting, and improve our toll service. We are working at it every day, however, and we do not intend to rest until the job is done.

Believing that most people are willing to help in an emergency, and that our customers at Tecumseh will cooperate, we offer the following suggestions:

1. Answer your telephone promptly.
2. Please be brief.
3. Call by number.
4. Avoid the busy hours, which are 9 to 11 a.m., 2 to 4 and 7 to 9 p.m.
5. Eliminate all unnecessary local and toll calls.

We have done business with the people of Tecumseh for a great many years, and we sincerely hope that after reading the foregoing statements we will have your continued cooperation until the materials and supplies required to provide relief are again available.

Our Cleaning Shop
Reopens Monday Morning

Yes, after a week's so-called vacation—we've been repairing our equipment, getting it ready for another year's service—our cleaning shop will reopen for business next Monday morning, August 5.

As a result of this brief pause in business, you'll find that the repairs that we have made will better serve you, that your dry cleaning from our establishment will be of a little higher quality because of improvements.

We appreciate your waiting for our reopening, and promise you another year of careful, courteous service.

O.K. Addition to West Branch

ENLARGEMENT OF BUILDING TO MAKE ROOM FOR GROWING ENROLLMENT

By a vote of forty-one to one, electors of the Tecumseh village school district, Thursday evening, approved a $14,000 addition to the West Branch school building. Construction work, it is hoped, will start within a month, and the completed addition will be ready to move into not later than the first of the year.

The enlargement plan calls for the building of a 44 by 31 wing of brick, one story in height, on the northwest corner of the present building. This will provide the large room which will house the now-crowded kindergarten department. This will free one room in the present West Branch and into this will be moved some elementary grade from the Central building, thus relieving a congested condition there.

The board of education has accepted ownership of the Ford-Brownville school from Edison Institute and at least one elementary grade will attend school there beginning in September, it was said. However, until the West Branch addition is completed, school officials are worrying as to how to accommodate the enlarged enrollment this fall. It is expected that between 75 and 90 more students will attend school here this year than did a year ago, due to the closing of the Ford schools in this area.

Funds for building the new addition already are on hand in the school's treasury. The money will be taken from the building and site fund, authorized by voters a year ago. Five mills in taxes are to be raised annually over a five year period to provide new school facilities and last year's tax, the first, amounted to about $14,000. Another $14,000 will be collected this year.

At the special meeting of voters last week, Jens Touborg, president, presided, and the proposed branch enlargement was explained by W. L. Berkhof, superintendent. Tellers for the voting were Robert Fuller, LeRoy Titley and Wade L. Jones.

Phone Company Needs Material

ROTARY CLUB IS TOLD THAT SERVICE WILL IMPROVE NEXT YEAR

Toll telephone service out of Tecumseh, especially to Detroit, Toledo and points beyond those cities, will definitely improve in the coming year, when more lines and cables are made available," H. R. Christianson of Muskegon, vice-president of the Michigan Associated Telephone Co., told members of the Rotary Club here, Tuesday evening, when he addressed the group, following dinner at Brees House.

"Your telephone company is now in much the same position as the manufacturer of white shirts, automobiles and other products. We do not have necessary materials for expansion and we are told that we cannot expect delivery for six months, or until next year," The speaker declared, however, that certain toll lines are now in process of construction, assuring definite relief in the coming months.

The demand for phone service, the company's officer said, has jumped sharply, especially since V-J Day. "We had expected a letdown but to the contrary, the use of the telephone, especially for long distance, keeps moving upward. Seven hour delays between Chicago and Washington are not uncommon," he said.

The speaker promised that the company is and will do all in its power to step up the quality of the service locally. Six more persons are now employed at the local exchange than were five years ago, and he said that switchboards here are ample to carry the load. He asked for patience and tolerance until such time as materials are available to carry on a further expansion program.

Other officials of the telephone company present at the meeting were R. E. Putnam of Muskegon, commercial superintendent, W. G. Treloar, district manager, Coldwater, and Ernest Green, commercial manager, Tecumseh.

SPECIAL SERVICE

The Michigan Christian Fellowship, a group of young men and women from the University of Michigan will conduct the service Sunday evening at 7:30 o'clock at the Tecumseh Friends church. On Saturday evening at 8:30 o'clock a group of men from the Toledo Gospel Tabernacle will take part in the street meeting.

Three Doctors Robbed While Doing Operations

STATE AND COUNTY OFFICERS SEARCH FOR SLICK THIEF IN COUNTY

State and county officers have thrown out a drag net for a slick thief, of the "salesman type" who, Tuesday, robbed two Tecumseh doctors and an Adrian doctor of about $800 while they were operating on patients in Tecumseh and Bixby Hospitals.

The thief entered Tecumseh hospital early yesterday morning and spent some time in the waiting room. He was questioned by Mrs. Maynard Mulvany, receptionist, and told her he was "waiting." Later he asked for change to use the pay telephone but Mrs. Mulvany was unable to work the combination on the safe. Later in the morning he asked that he be permitted to go through the hospital to the ambulance entrance where his car was parked, and did so.

Doctors Hammel and Marsh were in the operating room at the hospital, and their street clothes were in the "doctors' room," where they had changed before beginning the operations. It is believed that the thief, familiar with hospitals, entered the locker room and rifled their pockets. He obtained between $300 and $400 from them, state police say.

About an hour later the same man appeared at Bixby hospital, being admitted through the ambulance entrance. In the doctors' room there he rifled the pockets of Dr. Hinshaw, obtaining about $500 in cash.

The man was described to officers as "in his 40's", of medium height and about 180 pounds in weight. He had all of the appearances of being a salesman who might have been waiting to see a doctor, or a patient.

Mrs. Bertha Henke, 81, Dies at Holloway Home

Mrs. Bertha Henke, aged 81 years, died Friday at the home of her daughter, Mrs. John Marine, in Holloway after a long illness.

Mrs. Henke was born in Germany and came to the United States when 17 years of age. In 1886 she married Robert Riebe of near Blissfield who died in 1932. She married Christian Henke of Holloway in 1938.

She leaves her husband and six children of her first marriage, Mrs. Marine and Mrs. Lydia Mitchell of Holloway, Mrs. Josephine Marine of Britton, Mrs. Minnie Clegg and Robert Riebe of Adrian and Mrs. Bertha Bellmer of Detroit, and a number of grandchildren.

Funeral services were held Monday afternoon in the Marine home and later at the Immanuel Lutheran church at North Blissfield. Rev. William Weinlander officiated and burial was in Pleasant View cemetery in Blissfield.

SERVICE CLUB PICNIC

The Lenawee County 4-H Service Club, recently reorganized, will hold a picnic Sunday evening, August 18 at Hidden Lake Gardens near Tipton.

New officers of the club are Margaret Wilt of Jasper, president; J ames Woodward of Clinton, vice-president; Dorothy Bailey of Adrian, secretary and treasurer and Donald Murphy of Britton, social chairman.

TO WED SEPT. 1

Invitations are being issued for the wedding of Floris E. Howe, daughter of Mr. and Mrs. Charles W. Howe, and John E. Snyder, son of Mr. and Mrs. Oscar Snyder, on Sunday afternoon, September 1 at 4 o'clock in the Presbyterian church.

MARRIED IN ADRIAN

Earl Opel of Britton and Barbara Kleczinki of Adrian were married July 27 in Adrian by Rev. John P. Emig at the Presbyterian manse. After a trip to Ohio they will make their home in Adrian.

VISIT AGED MEMBER

Several members of the Tecumseh Odd Fellow and Rebekah lodges enjoyed a picnic dinner and visited Herbert Richart at the I.O.O.F. Home in Jackson, Sunday. Mr. Richart, a former resident of Tecumseh and a member of the lodges, will celebrate his 82nd birthday anniversary this month.

PAINFULLY BURNED

Christopher Coffer, an employee of Quaker Oats Company, was painfully burned, Tuesday, by hot steam and oil when he removed a boiler cap at the plant. He received first and second degree burns on the face and neck and after treatment at Tecumseh hospital was released.

Exchange Gets Club Charter

PRESENTATION WILL BE MADE AT DINNER-MEETING HERE THIS EVENING

The newly formed Exchange Club of Tecumseh will receive its charter from the National Exchange at a dinner-meeting, to be held at 7:30 this evening in the gymnasium of the high school, according to an announcement made by Harold M. Harter of Toledo, national secretary.

Representing the National Exchange in the presentation will be F. William Liddle of Wyandotte, chairman of the extension committee of the national organization. Acceptance will be by Ellsworth A. Collins, president of the local club.

Members of Exchange clubs of contiguous areas have been invited to attend the meeting, which will be informal and will be open to the ladies of Exchangeites and invited guests. It is expected that some 250 persons will attend.

The Exchange Club of Adrian is the sponsoring organization of the new group, and Douglas H. Hurlbut is sponsoring committeeman. Appropriate awards will be presented to the sponsors by Frank M. Ayers of Dundee, governor, Michigan district No. 4.

The chairman of the charter meeting is Richard F. Roe. Officers of the new club are Mr. Collins, president; Ned Rosacrans, vice-president; Bobby J. Robison, secretary-treasurer. Members of the board of control are Mr. Roe, William A. Wright, Halsey C. Eggleston, James Freckelton, Louis Earl Lindsley and Marvin J. Watkins.

Jeannette Louise Horn Weds Fred H. Westfall

Jeannette Louise Horn, daughter of Mr. and Mrs. C. J. Horn of Irish Hills, and Fred H. Westfall, son of Mr. and Mrs. F. H. Westfall of Adrian were married Thursday morning at St. Joseph's chapel in the Irish Hills, by the Rev. Fr. William McGoldrick. They were attended by Marjorie Horn as maid of honor, Arlene and Eileen Westfall as bridesmaids and Richard Westfall as best man. Glenn and Richard Horn were ushers.

Following the ceremony a reception for 175 guests from Butler, Ind., Cleveland, Antwerp and Amherst, Ohio, Adrian, Jackson, Tecumseh, Brooklyn, Onsted and Lansing, was held at the Horn Cafe where buffet luncheon was served.

The couple left later for a trip through northern Michigan and on their return will make their home in Adrian where he is a salesman for the Adrian Wholesale Co. Mrs. Westfall graduated from Brooklyn high school in 1944 and attended Ann Arbor Secretarial School. She is now employed at the Automobile Club in Adrian. Mr. Westfall is a graduate of Adrian high school and served in the South Pacific with the Marine Corps during the war.

SWIFT REUNION

The family of Billings and Diane Swift met Sunday at Adams Park for their annual reunion with 22 members present. Lunch was served at noon and Russell Hall presided at the business meeting where the following officers were elected: Milton Royal, president; Douglas Hall, vice president; Bonnie Jean Ernst, secretary; Cecil Royal, treasurer.

The group went to the home of Mr. and Mrs. Russell Hall for a social afternoon.

Mrs. Fred Davis will be hostess for next year's reunion.

LANNING REUNION

The sixth annual reunion of the Lanning school, Raisin No. 1, fr., will be held at the schoolhouse, Sunday, August 25.

Potluck dinner will be served at one o'clock and those attending are to bring their own table service, cold drink and sugar.

Barns Destroyed In Rural Fires

GARAGE AND CONTENTS ALSO BURNED IN MACON FIRE ON MONDAY

Two barns and their contents and a garage, filled with hay or straw, were destroyed in this area during the past few days, by fire.

During Sunday's electrical storm a barn on the Fred Schaffer farm northwest of Clinton was struck by lightning. The barn with hay, grain and straw stack were destroyed in the blaze. Clinton and Manchester fire departments responded to the alarm.

Fred Tirb who lives north of Clinton was in his welding shop during the storm and was slightly shocked. Miss Mildred Casterline who was in the Tirb home turned on the electric range and a ball of fire shot through the room. No one was injured.

Several transformers in the area were burned out disrupting service for a time.

About 3 o'clock Sunday morning a 40 x 50 foot barn, filled with hay and some farm tools were destroyed at a loss of $5,000, on the Thenon Spangle farm, five miles northwest of Onsted. A passing motorist discovered the blaze, the origin of which is not known. The loss is partly covered by insurance.

The Tecumseh fire department was called to one of the Ford farms north of Macon, Monday at 11 o'clock where a garage, filled with hay or straw, was destroyed by fire. Departments from Macon and Saline departments also answered the alarm.

Saturday afternoon, the Tecumseh department also answered a call to a field north of the Brownville ice house where grass was on fire. The blaze was quickly extinguished without loss.

Mrs. Libbie Nivison Dies; Is Buried at Ridgeway

Mrs. Libbie Nivison, aged 80 years, widow of the late William E. Nivison, former residents of Britton, died Thursday afternoon at the home of her son Robert Loree Nivison in Detroit where she had lived since the death of her husband in July, 1931.

Mrs. Nivison was formerly Sarah Elizabeth Thackery, a daughter of Joseph and Charlotte Thackery, and was born in Britton, June 28, 1866. She was married to Mr. Nivison July 27, 1884. She was a member of the Britton Methodist church.

Survivors are the son, two grandsons, a great grandson of Detroit and a niece Mrs. Reuben Tucker of Britton. A son Joseph died when six years old.

The body was brought to Britton where funeral services were held at the Niblack Funeral Home Monday afternoon. Rev. A. B. Johns officiated and burial was in Ridgeway cemetery.

CLASS PICNIC

The Happy Home Builders class held a potluck supper Monday evening at the Fred'k Bryan cottage at Wamplers Lake with 34 in attendance. During the business meeting the following officers were elected: Paul Sheldon, president; Herbert Hoag, vice president; Syble McConnell, secretary; Helen Bryan, treasurer.

The next meeting will be held at the home of Mr. and Mrs. Herbert Hoag.

GRANGE PICNIC

Tecumseh Grange annual picnic will be held Thursday, August 15, at Lentz Grove, Wamplers Lake with potluck dinner at 1 o'clock in charge of the home ec. committee. Hqward Matthews, Floyd Barret and Robret Stewart will have charge of sports.

A regular meeting of Tecumseh Grange will be held this evening. Those attending are to bring cake or cookies for refreshments.

QUITS MINISTRY

Rev. S. H. Berry, a former pastor of the Clinton Methodist church, retired from the ministry at the recent annual conference in Port Huron. Rev. and Mrs. Berry have moved to Ann Arbor from Lincoln Park where he had served as pastor of the Dix Avenue church since leaving Clinton in 1944.

"Victory Day" To Be Observed

CEREMONY AND BALL GAME WILL BE HELD AT RECREATION CENTER

Victory Day, next Wednesday, August 14, will be observed in Tecumseh with a ceremony and ball game at Recreation Center, it was announced today by Donald Goddard, commander of Underwood-Orr Post, American Legion. J. Floyd Elliott, mayor, has issued a proclamation asking for observance.

The program announced by the Legion includes an assembly at the high school at 5 o'clock on Wednesday, a parade and march to the field at 5:15, the raising of the flag by Boy Scouts while the band plays the national anthem, and a prayer. The softball game will start at 5:30. Following the game a salute will be fired, taps will be sounded and the flag lowered.

In the evening, beginning at 8 o'clock, there will be a public dance at the high school gymnasium. The entire program is in charge of a Legion committee of which Kenneth Herrick is chairman.

Mayor Elliott today issued this proclamation:

"Whereas, the governor of this state has proclaimed Wednesday, August 14, as "Victory Day" of World War II; and

"Whereas, this day is the anniversary of one of the greatest dates in the history of this nation and of all mankind, marking, as it does, world victories of right over might and of freedom from slavery;

"Now, therefore, I, J. Floyd Elliott, president of the Village of Tecuseh, do hereby call upon all patriotic citizens and organizations of this community to join with The American Legion in observing "Victory Day" of World War II, in fitting ceremonies and exercises to honor the memory of all those who gave their lives on far-flung battlefields that we might remain free, and to pay tribute to the heroism and devotion of our fighting men and women.

"I urge all citizens and business establishments to display the American flag and those of our allies, and to participate in our local ceremonies."

Ambulance Hit Patient Unhurt

EDWARD GOTTSCHALK, 27, OF HOLLOWAY HURLED FROM COT BY IMPACT

Edward Gottschalk, 27, of Holloway, may be wondering today just which is the safest to drive, a motorcycle or an ambulance.

And the reason he may be wondering is because he was hurled from an ambulance cot, last Thursday evening, as he was being removed from Bixby Hospital Adrian, to University Hospital, Ann Arbor, when the conveyance became involved in a triangular accident near the Girls Training School on M-50.

Mr. Gottschalk suffered severe leg injuries last Wednesday night when his motorcycle collided with a truck and semi-trailer at a road intersection east of Blissfield. He also received cuts on the knee and chin. Jerry Hebb, 17, of Blissfield, who was riding with Gottschalk, suffered a leg injury and possible pelvic injury. Both were taken to Bixby hospital in Adrian.

The motorcycle burst into flames and was destroyed and the semi-trailer was badly damaged.

After X-ray examination the next day Mr. Gottschalk was being moved by ambulance to the University hospital in Ann Arbor Thursday evening, when the ambulance driven by Parker Tagsold of Blissfield, and a car driven by Weldon Sharp of Adrian, collided near the Training School. The patient was thrown from the hospital cot by the impact. He was transferred to another ambulance and taken to Ann Arbor.

The accident occurred when Sharp drove off on the berm to avoid a collision with a car in front of the ambulance, which attempted to pass a truck. The driver of the car, who did not stop, was not identified. He was blamed for the accident.

Barber Shop Quartettes Plan Open Air Meet

An open air meeting of Barber Shop quartettes will be held Friday evening, August 16, in Adams Park with a potluck supper at 6:30 preceding the songfest at 8 o'clock. Those planning to attend the supper are to furnish sandwiches, a dish to pass and their table service.

Quartettes from neighboring S.P.E.B.S.Q.S.A. chapters, including Milan, Adrian and Toledo and possibly one or two from Detroit will take part in the program and three local quartettes will also be there.

Village Water Demand Doubles

OVER 23,000,000 GALLONS USED IN JULY; PUMPS TO BE REPAIRED

Tecumseh's demand for water is growing steadily and materially, Wade L. Jones, clerk, said today when he announced that the council had approved a plan for the repair of the two pumps at the village wells, at a cost of about $1,000. The work is to be done within six weeks, and will take one "long day" to complete.

In the month of July just past, Mr. Jones said, Tecumseh consumed about 23,000,000 gallons of water. In July of 1945, the water demand here was about 11,000,000. Nearly half of all of the water used here last month went to the Products company.

The reason for repairing the pumps, it was pointed out, is because their efficiency has been reduced from 1,000 gallons a minute to 750 gallons a minute. There is ample water in the wells, Jones said, to meet Tecumseh's present needs. However, the council felt that it should be looking to the future and authorized a firm of Toledo engineers to survey the well's area for another source. Jones also said that "an oil condition" which has been noticed recently in the water in some localities will be corrected when the pumps are repaired.

The council also authorized the loaning of one of the old fire trucks, not now used by the village, to Meyers Aircraft Co. the truck is to be honsed there, and manned and cared for by Meyers employees.

Purchase of three new drinking fountains also was approved. They will replace fountains now at Chicago boulevard and Evans and Ottawa, and in Adams park. The old fountains will be repaired and placed in some other sections of town.

There was no other business before the council except for routine reports and the approval of bills.

Service Mothers Club Has Enviable Record

Tecumseh Service Mothers, recently disbanded, were active for only one year but really lived up to the "service" part of their name during that time. The group organized in April 1945 with 44 members and during the year gave an electric record player and radio to the Veterans Hospital in Dearborn; six bedside radios, three record players, $90 worth of records in albums and four electric razors to Percy Jones Hospital at Battle Creek; $50 to the American Legion Children's Billet at Otter Lake; and made 18 pairs of scuffs for Veterans Hospital in Dearborn, at a total cost of $700. The gifts to Percy Jones Hospital were delivered Friday by Mrs. Glenn Driscoll, Mrs. Thos Boyd and Mrs. E. T. Drake.

PRE-NUPTIAL SHOWER

Mrs. B. C. Dannells and Mrs. John T. Flint were co-hostesses Thursday evening in the M. L. Dannells home on N. Union street, at a pre-nuptial shower for Floris Howe. Eighteen guests attended and the prizes awarded at games were presented to the bride-elect who also received a shower of gifts arranged under a blue flowered umbrella. Refreshments were served.

POULTRY SCHOOL

A school for 4-H Poultry Club members will be held Thursday morning, August 15, from 9 to 11:30 in the Britton high school. This is for all members living in the eastern part of the county.

The program will include instruction and practice in the selection of birds for exhibits, poultry judging and culling.

89TH BIRTHDAY

Biblical Wheat Crop 75,000 bu.

ONE-TENTH OF YIELD IS DONATED TO FEED STARVING IN WAR AREAS

From a cubic inch of wheat, planted in 1940 and tithed and replanted each year for six successive years, a crop of more than 75,000 bushels was harvested last Thursday marking the end of Perry Hayden's Dynamic Kernels project, the most unusual demonstration in grain growing in world history.

The Biblical experiment started in Tecumseh six years ago by the president of the Hayden Flour Mills, Inc., after he had listened to a sermon preached in the Friends church here by the Rev. Clifton J. Robinson of Cleveland, began with the planting of 360 kernels of grain on a small plot contributed by Henry Ford. For five years afterward, and on Ford land, the harvest was replanted after a tithe had been given to the church. This year, 276 farmers participated and the wheat was grown on 2,566 acres of their own land, scattered over the states of Michigan, Ohio, Indiana, Tennessee and Wisconsin.

For the final harvest, a large proportion of the wheat growers and the churches to which the tithes were pledged agreed to donate the entire tithe to the starving of Europe. And it was estimated that about 5,000 bushels of wheat were brought to the Lenawee Fair Grounds, Adrian, to aid this project, Thursday. It was at the fair grounds that the program for the final harvest was held, and the at fair was attended by some 15,000 persons.

For the fair ground's ceremony, about a tenth of an acre of grain, planted inside the race track, was left standing and this was harvested and shocked by primitive and modern methods. C. D. Finkbeiner of Saline, who donated the original wheat, B. F. Allen of Cement City, and LeRoy Matthews of Tecumseh, participated in this part of the program.

The affair at Adrian got under way in the morning with a unique parade and in the afternoon there were state and national celebreties on the platform. These included Mayor Edward Jeffries of Detroit, Kim Sigler and Murray Van Wagoner, Michigan's candidates for governor, Edgar Guest, jr., of Detroit, and Mrs. Emma Clement of Louiseville, Ky., and Mrs. Edith Rockwell of Three Rivers, national and state mothers. Climaxing the day's program, Walter A. Maier, famed broadcaster of the gospel over the "Lutheran Hour," told the crowds that Biblical Wheat Day probably "would go down in history as the beginning of the upbuilding of the Christian cause in America."

The program was broadcast over national networks, and three national news picture companies were on the grounds.

One of the most interesting features of the day was the operation of two old-fashioned stone mills. The larger of the two, a 42-inch buhr mill, was loaned by J. W. Russell of Pioneer, O., and taken from his mill at Bryan, O. It was set up and operated by E. T. Drake, superintendent of the Hayden mills. A smaller mill, loaned by Geo. Gilmore of Genesee Mills, near Jonesville, was also operated during the day. The first 100 pounds of flour milled was flown to Toledo by helicopter and returned an hour and 56 minutes later, in cracker form and distributed to the crowd. The remaining flour was packed in 2-pound bags and sold by members of the Grange, receipts going to famine relief. Over $200 was realized in this way. Mr. Drake was assisted in the operation of the mills by his two sons, Austin, of Tecumseh, and Harold, of Mt. Vernon, Ill.

Mr. Hayden has been asked to preserve the record of Dynamic Kernels in book form, and many advance orders for the book have been received. Ralph Comfort, "official photographer" for Dynamic Kernels, took some 600 feet of colored film during the program.

Jersey Breeders To Hold Show and Picnic, Saturday

The Lenawee County Jersey Breeders Association will hold its annual show and picnic Saturday, August 10, at the county fair grounds in Adrian. Judging will begin immediately after the picnic lunch at noon and animals should be on the grounds by 10 o'clock. H. E. Dennison of East Lansing will act as judge.

A dairy judging contest for Future Farmers and 4-H Club members will also be held.

GUILD TO MEET

The Florence Weld Mission Guild will meet Monday evening, August 12, at the home of Mrs. W. J. Penman. Potluck supper will be served at 6:30. Please bring table service.

PREPARE FOR PEACE

On August first, one week ago today, thirty-two years ago, the Kaiser started his legions marching to begin the First World War which finally engulfed the United States.

We were woefully unprepared for the conflict that we entered but, thanks to Allied nations, which had been fighting the foe for nearly three years, we managed to get the necessary equipment and American soldiers, under Gen. John Pershing, and we showed the world that Americans know how to fight.

After the close of the struggle the United States, together with Great Britain and France, succumbed to the dangerous delusion that war would be no more. We put into effect a disarmament program that heavily penalized the victorious nations but had no restrictive effect upon former enemy nations or upon Japan.

While the people of the democracies lulled themselves to sleep in a dream of pacifism, believing that they were safely behind a non-belligerent nationalism, the enemies of mankind, under the leadership of dictators, plotted to conquer the earth, enslave free peoples and master all mankind.

Once more, when the great storm broke, in 1939, we were inadequately prepared for the warfare. In fact, up to the very eve of the attack upon Pearl Harbor, and the resulting declarations of war against us that issued from Berlin and Rome, we were ill-prepared to defend our own soil from modern attacks.

Let us not make the same mistake a second time, now that something like peace exists. Let this nation resolutely resolve to turn a deaf ear to selfish nationalism and to improvident pacifism. Let us keep armed forces strong enough for any possible task because in preparedness there is security, if there is no guarantee of peace.

It's Not Difficult to Figure Savings in an Insulated Home

You don't need paper and pencil to figure the saving in fuel costs when you live in an insulated home. Just subtract fuel costs after your home has been insulated from the pre-insulated year and you'll find a great difference, usually 15 to 20 per cent.

Why not have your home INSULATED NOW and begin immediately to enjoy its comfort? Cooler in warm weather, warmer in cold weather. It works for you the year round—winter and summer.

ATTIC INSULATION Can be done quickly

Attic insulation is very inexpensive and very easily and quickly done. Telephone us for an estimate of the cost. We'll be happy to be of service, and we'll help you to find the labor to do the work.

How Much Would You Lose If Fire Destroyed Your Home?

Maybe you hadn't thought about it in just that way but, honestly, how much would you lose if your home was razed by fire?

The way to determine what the loss would be is to carefully estimate replacement cost and then subtract from that figure the amount of insurance you now carry.

Nine out of every ten homes are under-insured! HOW DO YOU STAND?

Don't neglect buying insurance today. Tomorrow may be too late.

There's Danger in Under-Insurance of Both Real and Personal Property

Would You Sell Your Property For It's Insured Value?

The average owner in this area today, is lulled into a sense of security by the fact that he has an insurance policy covering fire, theft or other losses.

He forgets that he established the amount of his insurance coverage back in 1940 or earlier and has failed to keep his insurance abreast of the steadily rising values and replacement costs.

Home owners should ask themselves this question: "Would I sell my home or belongings today for the amount of insurance I carry?"

Another way to visualize this danger of under-insurance is to consider the replacement costs in dollars and cents and not in percentages.

For example, a home that was worth $7,000 in 1939 is worth over $11,000 today in most cases. The 1939 insurance coverage no longer is adequate to do the job.

Don't delay increasing your coverage—tomorrow may be too late.

Light Summer Garments Show Soil Quickly

Perspiration and dust soon soil light summer garments and the heat makes them lose their pressing.

Our cleaning process is inexpensive and it keeps your garments clean and fresh and gives them longer life by removing the embedded gritty particles and the acid damage that is present in perspiration.

Make a practice of sending us your clothing regularly for service. You'll find that clothes cleaned Campbell's way wear much longer.

A Thank You With a Capital "T"

The 6th and Final Harvest of DYNAMIC KERNELS is now history. With growing interest, the members of this community have watched the progress of this Biblical Demonstration.

Not only have they watched, but they have worked to make it a success.

As a native and citizen of Tecumseh it was our hope that the final harvest be held in Tecumseh, especially for the advertising it would give the town throughout the world. The fact that it was not held here was due to lack of facilities for handling what we felt at the outset would be a tremendous crowd.

But that is neither here nor there. Many farmers, and business men and others have been keenly interested in this project from its inception. They have worked to make it a success, and we do appreciate it. What a thrill it is to hear the sincere words of congratulations that have been coming our way.

But after all, it was more than human aid that has made Dynamic Kernels a living story for eternity. We feel from the bottom of our heart that God, Himself, was interested, in the success of this demonstration. And, so along with a genuine "Thanks" to our friends in Tecumseh goes up a deep prayer of gratitude for an abundant crop, splendid weather, and a receptive heart by the world to receive the great truths that Dynamic Kernels exemplifies.

COOKING Is Truly an Art-

Yes, cooking is an art, and without an artist in the kitchen foods that otherwise might have been delicious sometimes are not too tempting.

But don't always blame the "artist" for a poor meal. Remember, no cook can prepare tempting, tasteful, delicious meals without good food at her command.

And that is why, housewives tell us, that they so enjoy shopping with us. We sell only nationally advertised brands; foods that can be relied upon for uniformity.

We invite you to shop with us, too.

THESE are the hospitals that jointly share in the operation of Michigan Hospital Service—the Blue Cross Plan for hospital care—as another means of furnishing better service to their communities.

Each of the indicated communities on the map contains one or more of the 128 "Blue Cross Hospitals."

These hospitals recognize that payment for needed hospital care presents a serious problem to the great majority of individuals and families. Through Michigan Hospital Service, their own non-profit organization, they provide a convenient, low-cost method of meeting this problem.

Hospitals are "bright spots on the map" for many reasons. Throughout history they have furnished refuge for the sick and suffering. Today they are centers of incomparable scientific skills and facilities—all dedicated to the service of the people.

And now they have reached out still further to develope the Blue Cross as their own means of enabling the people to dismiss worry over the problem of payment for the humanitarian services they provide.

These, indeed, are "bright spots on the map."

800 Men Needed In County Jobs

LENAWEE INDUSTRIAL PLANTS REPORT UPSWING IN FUTURE EMPLOYMENT

The 13 larger industrial plants in Lenawee county will be needing 800 additional employees within the next 60 days, despite the fact that these plants gained 200 workers during the month of July, Clifford J. Rice, manager of the United States Employment Service, Adrian, announced today. With the exception of the month of February, Mr. Rice said that industrial employment has expanded each month since V-J Day.

The USES has completed its survey for August and reports that there are 348 job openings on file in their offices, of which 282 are for male help. Practically all sizeable employing units in the county have need for additional unskilled workers.

The total number of all non-agricultural workers employed in the county is now estimated at 12,500, Mr. Rice said.

During the month of July, 431 work applicants were sent to jobs by the USES and employers hired 183 of this number. Seventy-two were veterans and four were handicapped individuals.

In the month of July, 2,559 persons visited the USES offices seeking some type of service, many of them jobs.

"The housing shortage in every section of Lenawee county continue to be public enemy No. 1 in our labor supply," Mr. Rice declared in making the survey public.

Mrs. Carrie E. Bryan Buried In Brookside

Mrs. Carrie E. Bryan, aged 84 years, widow of the late Alvin C. Bryan, died Saturday morning at Tecumseh hospital where she was taken on Friday. Mrs. Bryan had been ill for several years and bedridden for three years. She was formerly Carrie Elizabeth Osburn daughter of John and Anna Osborn and was born in Tecumseh where she spent most of her life. She was a member of the Baptist church, and would have celebrated her 85th birthday August 30.

Survivors are a twin brother William Osborn of Mt. Pleasant, a sister-in-law Mrs. Floyd Osborn of Seattle, Wash., and several nieces and nephews, among them Floyd Bryan with whom she made her home the past eight years and Mrs. Florence Kerr of Durand.

Funeral services were held Monday afternoon at the Green Funeral Home. Rev. B. O. Bashore officiated and bearers were Messrs. Fred Sheldon, W. J. Morse, N. C. McConnell, E. H. McConnell, Frederick Bryan and J. K. Osborn. Burial was in Brookside cemetery.

Those from away attending were Will Osborn and family of Mt. Pleasant, Mr. and Mrs. Robert Kerr and son of Durand, and others from Toledo, Temperance and LaSalle.

BARBARA JEAN KNAPP WEDS MAURICE C. EVANS

Barbara Jean Knapp, daughter of Mr. and Mrs. Elwood Knapp of Sand Creek and Maurice C. Evans, son of Mr. and Mrs. Howard Evans of Tipton, were married Friday evening, August 9 in the home of the bride's parents. The Rev. G. Arthur Valentine of Adrian performed the service and the couple was attended by Miss Florence Knapp, and Ralph Miller.

Mr. and Mrs. Evans are on a trip to upper Michigan and Wisconsin and on their return will reside in Adrian where both are employed.

Mrs. Evans is a graduate of Adrian high school and Mr. Evans graduated from Tecumseh high school.

ADVERTISING PAYS

Fred N. Millette, local insurance man, says you can't beat Herald newspaper advertising to get folks to talking about your wares. Mr. Millette, who is a "top club" man with his firm, says that wherever he goes in this area, folk tell him they've seen his advertisement in The Herald. And, what's more, he declared, one and all in the Britton area is clipping his advertisement regularly and including it in his scrap book.

L. A. S. TO MEET

The Presbyterian Ladies Aid Society will meet Wednesday afternoon, August 21, at the home of Mrs. James Barton, 515 West Pottawatamie street. Mrs. Frederick Dickinson will have charge of the program.

LOS ANGELES PICNIC

The California-Michigan Society will hold its annual picnic, Saturday, August 17, at Sycamore Grove in Los Angeles, California.

V-J Day Is Observed With Ball Game, Dance

Tecumseh observed V-J Day, proclaimed a state holiday by Gov. Kelly, yesterday, with a parade and softball game at Recreation Center, and a dance at the high school gymnasium in the evening.

The assembly at the school was at 5 p.m., and there was a parade to the Center, at 5:15 the flag raising, music by the high school band and at the conclusion taps were fired. The softball game was between the American Legion Junior League team and a colored team from Ypsilanti.

For dancing last evening at the school, Driscoll's orchestra furnished the music.

In the downtown district, flags were displayed throughout the day but stores did not close.

Kenneth Herrick was general chairman of the local celebration, which was sponsored by Underwood-Orr Post, American Legion.

Pastors Speak To Rotary Club

NEED FOR SELF-RESPONSIBILITY TO WORLD ORDER IS STRESSED

Talk about making the world a better place in which to live, of genuine world peace and the brotherhood of man will not be accomplished until all of us become more conscious of our own responsibility to such a new order, the Rev. Blair O. Bashore, pastor of the Baptist church here, told members of the Rotary Club on Tuesday evening, when he addressed the group after dinner at Brees House. The Rev. Mr. Bashore recently returned from a visit to his home state, Pennsylvania, where he visited other Rotary clubs.

Mr. Bashore, a member of Tecumseh Rotary, told of things that clubs in Pennsylvania are doing for the improvement of youth training in world society. He pointed out that unless something more than "worrying" is done to eliminate child delinquency the problem never will be solved. He made several suggestions that might be carried out in future club programs here.

The Rev. E. Thomas Rodda, former pastor of St. Peter's Episcopal church here and now of Louisville, Ky., was a guest at the meeting and spoke briefly. The Rev. Mr. Rodda was a member of Rotary when he resided here.

"The South does have its problems, but one thing that I have noticed," he declared, "is that people attend church more regularly in the South than they do in the North. In Louisville, a city of about 400,000, there are 12 Episcopal churches and all of them enjoy large congregations each Sunday. That is something to think about when one considers that a city the size of Lansing has only one Episcopal church."

Mr. Rodda and his family are enjoying a month's vacation at Wamplers Lake.

Billingtons and Whelans Hold Annual Reunion

The 26th annual reunion of the Whelan-Billington families was held Sunday at Hayes state park at Wamplers Lake with 35 in attendance for the potluck dinner at noon. Others arrived later for games and a social afternoon after which ice cream and cake were served.

Officers elected for the coming year are Howard Skeese, of Manitou Beach, president; Fred Whelan of Tecumseh, vice president; Eilileen Hunt of Tipton, recording secretary; Margaret Kempf, secretary and treasurer. It was decided to hold next year's reunion at the same place on the second Sunday in July.

HOSTS TO REUNION

Mr. and Mrs. H. A. Everhart were hosts to the Gilbert reunion Sunday at their cottage at Sand Lake with 31 in attendance. It was also the 40th wedding anniversary of Mr. and Mrs. B. C. Gilbert of Grayling who received many gifts.

Chicken dinner was followed by a social afternoon and evening with music. Guests attended from Detroit, Flint, Escanaba, Hillsdale, Jackson, Monroe, Grayling, Toledo, Chicago and Norfolk, Va.

Receives $500 for College

In the photo above, Miss Lucille Murdoch, Tecumseh, (center) is receiving a check for $500 from Mrs. Ina H. Butler, Chicago, as the Michigan winner of the Butler Scholarship Award. Left to right in the photo are Doris Anderson, Blair, Wis.; Miss Murdoch, Lois Parish, Decatur, Ill., and Juanita Oswalt, Logansport, Ind. The awards were given to girls from high schools with an enrollment under 300, who wrote the story of their life, and were judged on scholarship, leadership, personality, community activities, sports and church activities.

Miss Murdoch graduated from high school last June and in September she will go to Blackburn College, Carlinville, Ind., where she will major in psychology and religious education. This summer she is working in the offices at Tecumseh Products.

The scholarship winner is the daughter of the Rev. and Mrs. James Cameron Murdoch and this year, four of their children will be in college. James, jr., is in his second year at McGill University, Montreal, majoring in history and literature. George is in his third year as a pre-medical student at the U. of M. Douglas will be in his first year at Western Michigan College, Kalamazoo, majoring in physical education. Another son, John, is in training in the Navy at Great Lakes.

Historical Society To Hold Summer Picnic

The Lenawee County Historical Society will hold its annual summer meeting and picnic Thursday, August 22, at the parish house at St. Peter's Episcopal church, with potluck dinner at 12:30. Those attending are to bring table service, sandwiches, sugar and a dish to pass. Tea and coffee will be furnished.

Dinner will be followed by a program and a short business meeting and election of officers.

Anyone interested in the history of Lenawee county is invited to attend.

Plan To Organize Model Airplane Club

Plans are being made to organize a model airplane club in Tecumseh. Don Goddard and W. D. Hite are sponsors of the club which will be known as the Tecumseh Cloud Clippers. Anyone over 13 years is eligible to membership and if interested may notify Floyd Guy, Jr., at 404 N. Union street, giving their name, address, and telephone number.

LOCAL FOLK ATTEND GOLDEN CLUB PICNIC

Mr. and Mrs. Guy Belding and Mr. and Mrs. Wm. Powell and Mrs. Alta Lidke were in Jackson Wednesday to attend the annual picnic of the Golden Anniversary Club at Ella Sharp Park. Mr. and Mrs. Powell were awarded prizes for being the longest married and also the oldest couple present. They have been married 69 years and are 87 and 85 years of age.

PICNIC AT PARK

The Baptist Ladies Union met Thursday at Adams Park for a picnic luncheon at noon followed by the regular business meeting. Mrs. Norman McConnell and Miss Ellen Snedecor gave reports of the recent Baptist Women's Work Conference which they attended at Kalamazoo College.

GRASS FIRE

The fire department was called to the south part of town Saturday just before noon to extinguish a grass fire near Tecumseh Products Co. No damage resulted.

Rural Women's Camp Announced

WILL BE HELD AT WASHINGTON LAKE FROM AUGUST 25 TO AUGUST 28

The Lenawee County Rural Women's Camp will be held at Washington Lake, August 25 to 28, and is open to all members of Lenawee county home economics extension clubs. Guests from neighboring county clubs will also be present at the camp and on the closing night husbands of those present will be entertained.

High lights of the camp will be craft classes and stenciling taught by Roy Williams of the American Crayon Company, and metal work by Irving Wyeth, 4-H club agent. On Tuesday a picnic will be held for all extension club members and friends. Dale Faunce, field consultant in adult education from Michigan State College, will lead a discussion on family counciling. Mrs. Aileen Lindbert, county librarian, will conduct a book study and members of the East Ogden Garden Club will demonstrate "Flower Arrangements."

The camp committee in charge of arrangements includes Mrs. Wilbur Riley of Manitou Beach, Mrs. Leland Downing of Britton, Mrs. Bertram Stout of Clayton, Mrs. G. O. Ziss of Blissfield, Mrs. George Hahn, Mrs. Arthur Carnahan and Mrs. Frank Ehinger of Adrian.

REV. RODDA TO PREACH AT ST. PETER'S CHURCH

The Rev. Thomas Rodda of Lexington, Ky., former pastor of St. Peter's Episcopal church, will preach in St. Peter's on Sunday at 11:15, it was announced today. The Rev. Mr. Rodda and Mrs. Rodda and their family are spending a month's vacation at Wamplers Lake. Mr. Rodda left Tecumseh for his Kentucky church about two years ago.

"HOLLYWOOD BREAKFAST"

Mrs. Thos. Gallant, Jr., entertained at a "Hollywood Breakfast" Thursday morning at her home on W. Pottawatamie street. "Crazy" hats were worn, Mrs. Leo Stoll receiving the prize for the craziest. Mrs. E. C. Brandt received the wishing ring and Mrs. Gallant the prize for being the best neighbor.

Mrs. Marian Vanderpool was hostess at a "Hollywood Breakfast" last Tuesday morning at her home on West Brown street. The twelve guests wore "crazy hats" and Mrs. Jean Partee was awarded the prize for the funniest hat. Mrs. L. A. Carlson was awarded the attendance prize, Marian Vanderpool the wishing ring and Mrs. Kelley of Onsted the prize for being the oldest lady present.

HONOR BRIDE-TO-BE

Mrs. James Gabler was hostess at a dessert party and shower last Wednesday evening honoring Miss Floris Howe whose wedding to John E. Snyder is scheduled for September 1. Dessert was served at small tables centered with crystal vases of snap-dragons and places were marked with small umbrellas. Later games were played and prizes won were presented to the bride-elect who also received a shower of gifts.

Exchange Club Given Charter

SOME 250 PERSONS ATTEND CEREMONY AND PROGRAM AT HIGH SCHOOL

Some 250 persons, members of the newly organized Tecumseh Exchange Club, visiting Exchangeites and guests, attended the charter presentation banquet meeting of the local organization, Thursday evening at the high school. The new club has 58 members and meets for dinner and program on Monday evening of each week at Brees House.

William Liddle of Wyandotte, representing national Exchange, made the charter presentation to Ellsworth A. Collins, president of the Tecumseh club. Other officers who have been installed are Ned Rosacrans, vice-president, and Bobby Robison, secretary-treasurer.

Mr. Collins presided at the dinner meeting and after a salute to the flag and the singing of "America," the Rev. Edward Escolme asked the invocation. Visiting club members and guests were welcomed by the new president, who introduced Hubert Dailey of Adrian, Michigan president of Exchange, who presided as toastmaster. Frank M. Ayers of Dundee, regent district governor, presented a service award to the Adrian club, which sponsored Tecumseh, and this was accepted by Clifford J. Miller, president of Adrian Exchange. Mr. Ayers also presented Douglas Hurlbut of Adrian with an emblem award. Mr. Hurlbut was the club's sponsoring representative. James H. Baker of Adrian, president of the county's first service club, spoke briefly. Community singing was directed by James Freckelton and music was by Driscoll's Orchestra.

Visiting Exchangeites were present from Adrian, Dundee, Manchester, Detroit, Monroe, Jackson, Toledo, Wyandotte, and many other cities.

Richard F. Roe was chairman of the charter committee and his committee was made up of William Wright, Mr. Robison, Theodore Ehinger and Mr. Rosacrans. Members of the club's board of control are Mr. Roe, Mr. Wright, Halsey Eggleston, Mr. Freckelton, Earl Lindsley and Marvin Watkins. Mr. Freckelton heads the publicity committee assisted by Rhea Henkel and Ray Weatherman.

Charter members of the club are: M. T. Thielan, Mr. Collins, J. W. Spafford, Glenn Driscoll, Mr. Wright, C. W. Hanna, L. P. Williamson, R. T. Weatherman, E. C. Heilman, Halsey Eggleston, T. F. 36 Deaths From TB Are Reported In County In '45

Tuberculosis killed 1,145 men and 613 women in Michigan during 1945 according to the records of the Michigan Department of Health. During the year [illegible] cases of the disease were reported.

In Lenawee county there were 11 tuberculosis deaths and 36 new cases reported in 1945.

In Michigan two thirds of the females who died from tuberculosis were younger than 35 while two-thirds of the males who died from the disease were older than 40.

To assist in the discovery of tuberculosis in the early stages when it can be cured the Michigan Department of Health is operating three x-ray units each of which can x-ray 50,000 persons a year. Among large groups of supposedly healthy persons the x-rays show that about one in each 100 has tuberculosis.

Price of Milk Is Up 2 Cents

RAW MILK PRICE JUMPS DUE TO DISCONTINUANCE OF FEDERAL SUBSIDY

The price of delivered milk jumped two cents a quart here this week, due to increased feed prices, discontinuance of government subsidy to farmers and other all-along-the-line advances.

"We have attempted to hold our price down and we have until now charged only 15 cents a quart for delivered milk, but due to the discontinuance of subsidy and the increase in the price of raw milk, we have been forced to add two cents a quart," was the way Clarence Gilman of Tecumseh Dairy, summed up the situation.

Mr. Gilman pointed out that farmers have been receiving from 40 to 60 cents a hundredweight government subsidy, which now has been discontinued. He also said that the price of feed for stock has been advanced, and farmers declare that they cannot produce milk at former prices without a direct loss.

"If we are to hold our source of raw milk supply," the dairy operator pointed out, "then we must advance our prices to the farmer and to the customer, too."

Milk bottles also are a source of headache for the dairyman, Gilman said. Not only are they hard to buy but they also are costing about eight cents each. When one milk man gets another man's bottles and they go to a bottle exchange, it costs the bottle owner three cents to get each bottle back. That means some bottles cost 11 cents each. Breakage, too, is high, not only at the dairy but with customers.

Tri-County Picnic of Maccabees on August 18

Maccabees of Lenawee, Jackson and Washtenaw counties will hold their 16th annual Tri-County picnic on Sunday, August 18 at Carr Memorial Park in Manchester with dinner at noon for members and their families.

Supreme and Great Camp officers, district managers and assistants are among the special guests. A short, peppy program and a good sports program have been arranged with prizes for Maccabees only and a special prize for the county with the largest attendance.

BUY BEAUTY SHOP

William and Gertrude Gorsuch of Jackson have purchased the Tecumseh Beauty Shop from Mrs. Ted Golat. The shop is closed this week for remodeling and redecorating and will reopen Monday noon, August 19. The operators are Gertrude Gorsuch, cold wave specialist, and Anna Marie Brosamer.

VECELIUS—EVANS

Dorothy I. Evans of Tecumseh, and Dorman Vecellus of Tipton were married Saturday, August 3, at the Congregational church in Lakeview. The Rev. A. R. Gold, a former pastor of the Clinton church performed the ceremony.

HAND INJURED

Ray White suffered severe injury to his left hand Friday at Tecumseh Products Co., when it became caught in a drill press. He was taken to Tecumseh hospital.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Maurice Malady of Tecumseh announce the engagement of their daughter Donna Jean to John Krzyzaniak, son of Mr. and Mrs. Anthony Krzyzaniak of Manchester.

SCHOOL REUNION

The 15th reunion of the Lindsley district school will be held at the schoolhouse on Sunday, August 25 at 1 o'clock. A good program is planned.

School Merger Is Under Fire

MACON R[illegible] ASK FOR INJUNCTION TO KEEP THEM OUT OF PLAN

The proposed reorganization of six school districts and the Village of Clinton into a rural agricultural area went under fire this week when three residents of Macon district No. 1 filed a petition in the circuit court, asking that their district not be included in any proceedings relative to the reorganization, Mrs. E. T. Armstrong, county school commissioner, was made defendant in the law suit, which was started by Richard C. Pennington, May B. Howell and Clare H. Camburn through their attorney, John C. Howell.

The Macon petition asks for a hearing to show cause why an injunction should not be issued against Mrs. Armstrong, restraining her from including Macon District No. 1 in the consolidation program. A hearing before Judge G. Arthur Rathbun has been scheduled for August 26 at 9:30 a.m.

The three plaintiffs, in their bill of complaint to the court, say that Mrs. Armstrong was "opening the door to the exercise of pressure and undue influence" in returning a petition to the Macon district No. 1 because it did not contain the required signatures of 50-per cent of the voters in the district. The original petition, when filed, lacked two signatures of the required number, the commissioner held. When it was returned the second time there were nine additional signatures.

Some voters in both Macon No. 1 and Clinton No. 1 previously had filed petitions with Mrs. Armstrong asking that their names be removed from the original petitions which had requested elections looking toward a merger. When these were filed, Mrs. Armstrong held that she was without authority to remove any signatures and forwarded all of the petitions to the Michigan Department of Public Instruction at Lansing.

At Lansing, it was announced that a group of voters from the reorganization area had held a conference with the commissioner and that in the near future the state will send its representatives into the seven districts to conduct an independent investigation into the proposed program.

Injuries Fatal to Fred C. Ernst

CLINTON FARMER DIES IN HOSPITAL AFTER BEING THROWN FROM RAKE

Fred C. Ernst, aged 63 years, farmer on US-112, four miles east of Clinton, died in St. Joseph's Hospital, Ann Arbor, Monday evening at 8:45, from injuries suffered last week Wednesday when his team ran away and he was thrown from a hay rake, while at work on his farm. He suffered a broken shoulder and internal injuries and was taken to the hospital. It was believed that he was recovering, and death came suddenly.

Mr. Ernst, who was a member of St. James Ev. Reformed Church on US-112, is survived by his wife, Henrietta, two sons, Clifford and Archie at home, two step daughters, Mrs. Hazel Watson of Adrian and Mrs. Esther Westover of Detroit, a brother, Andrew of Saline, four sisters, Mrs. Rose Maurer, Mrs. Elizabeth Seeger, Mrs. Matilda Lutz and Mrs. Louise Geisel, all of Ann Arbor, and a grandson, Pfc. James Thompson, U. S. Army. A sister, Mrs. Anna Frey, died in 1938.

The body was removed to the Collins Funeral Home here where a prayer service will be held at 1:30 o'clock this afternoon. Funeral services will be at 2:30 today in St. James' church, the Rev. C. A. Haneberg officiating. Burial will be in the Saline cemetery.

Escolme Is Speaker at Church Dedication

Rev. Edward Escolme was at Iron Creek Sunday afternoon where he gave the dedicatory sermon at the laying of the cornerstone for the new basement at the Iron Creek Baptist church of which Alvin Brazee is pastor. The church was built originally in 1868.

Bert Kanouse, formerly of Tecumseh, and the oldest member of the church, laid the stone on Sunday.

A GOOD SIGN

Since last Thursday evening, Tecumseh has been the home of a nationally-charted Exchange Club, a community-minded service organization having among its top objectives the furtherance of good citizenship, control of child delinquency and many others. The newly chartered club has about 60 members, all of them residents of Tecumseh, who are banded together for the purpose of service.

The organization of Exchange in Tecumseh is, as we see it, a good sign. The fact that men are willing to join together for community good is, in itself, a wholesome signal. And an organization as well - intentioned as Exchange, which is national in scope, with years of service to its credit, cannot but be a benefit to any community in which it functions.

Tecumseh now can boast of two service organizations for men, the new Exchange Club and the Rotary Club, which was founded here in 1928. The Rotary Club has 50 members, meets, as does Exchange, once each week, and enjoys an educational program after each dinner. The two clubs, both working for Tecumseh's interests, should accomplish many things of benefit to the entire community.

There is, however, as we see it, one type of organization lacking in Tecumseh and that is a Chamber of Commerce, Commerce Club or similar organization. There are many community problems that rightfully belong to a Chamber of Commerce that are being neglected because no such organization exists. The community cannot and should not expect service clubs to perform Chamber of Commerce functions.

We congratulate the new Exchange Club in Tecumseh, its officers and its members, and wish them every success.

And now, while the iron is hot, why dont' someone reorganize the dormant Chamber of Commerce?

This new Engine Clean-up Program may be the one thing that will give it stamina for the final spurt

You're probably seeing some new cars, these days. And they're mighty welcome to the eye. For their arrival means your old one can be replaced in the reasonably near future.

But this last stretch may be the hardest one of all. Chances are the engine is dirty. Sticky deposits, long accumulating in that old engine, may suddenly clog the oiling system—with disastrous results.

To meet the situation, your Standard Oil Dealer offers a new, economical, five-point Engine Clean-up Program. It includes the use of two remarkable new Standard Oil Products—Stano-Purge and Stano-Vim—which do an effective cleaning job without requiring expensive dismantling of the engine.

New, Economical, 5 Point Engine Clean-up Program

1 STANO-PURGE—Purges crankcase and engine. Cleans oil screen. Removes deposits tending to clog oil lines and channels.

2 STANO-VIM—Introduced through carburetor air intake, it cleans out deposits in valve area. Restores pep, power, smooth engine operation. Treatment includes cleaning the air cleaner.

3 OIL CHANGE—Oil Filter Replacement. Fresh oil always helps keep an engine clean. A clean filter keeps the oil clean.

4 RADIATOR FLUSHING — Old engines need efficient cooling.

5 FAN BELT CHECK-UP—A worn belt is an unwise risk—if your car is old, chances are you need a new belt.

THANK YOU

for waiting for delivery of your

NEW CHEVROLET

We are doing our best to see that you get your new car as quickly as possible

We want to thank our customers and prospective customers for your friendly patience while awaiting your new Chevrolets.

We know it is a hardship to wait for needed transportation; but we believe you will understand that we, and Chevrolet, are as eager to deliver cars as you are to obtain them. Unfortunately, production so far this year is far under expectations. Chevrolet Motor Division sums up the situation thus:

"Even though our rate of production normally exceeds that of any other manufacturer, we have been able to build, up to July 1, only 12.4 per cent as many cars as we had built up to that date in 1941. Production is still far below normal, because of frequent shortages of essential materials and parts. Strike after strike at the plants of our suppliers has seriously impeded our progress toward full production, and the cumulative effect severely hampers every manufacturing and assembly plant. In June we were able to build only 29.2 per cent as many cars as we produced in the same month in 1941."

While production is restricted, so—in proportion—are shipments of cars to us. As production increases, we are assured of getting our proportionate share of the total—and as quickly as cars are received, we will speed deliveries to our customers.

Remember—Our CAR-SERVICE is your best CAR-SAVER. Keep your present car "alive" until you get delivery of your new Chevrolet by bringing it to us for skilled service now and at regular intervals.

Future Farmers Enjoy Excursion To Canada

Ten boys from Tecumser chapter, Future Farmers of America, recently enjoyed a combined educational and pleasure trip to various parts of Canada and Michigan, one of their goals for the past year.

The group left Tecumseh and went to Detroit where they crossed Ambassador Bridge into Canada, the first time for many of the boys to be on foreign soil. From Windsor they drove south about 20 miles to Hadley's cottage on Lake Erie, crossing the tornado area were the remains of many wrecked buildings were seen. They also passed many fields of tobacco which is one of Canada's main crops. While at Hadley's cottage the boys enjoyed a swim in Lake Erie and a speed boat ride which was followed by supper and a trip to the Colchester resort. They spent the night at the cottage and the rain descended in torrents outside.

The next morning after a swim and breakfast the boys packed their kits and drove back to Detroit by way of the tunnel. In Detroit they visited the observation tower on the Penobscot Building, one of the highest in the city; attended a ball game at Briggs Stadium, visited Vernors Ginger Ale plant, Belle Isle, the municipal airport and Eastwood Gardens, then returning to Tecumseh.

The boys are very grateful to Jack Hadley for the use of the cottage and to Wayland Kahle and David Locke, drivers, and are looking forward to making a trip to some part of the state an annual affair.

A man went into a butcher shop and, finding the owner's wife in attendance in the absence of her husband, thought he would play a joke on her. He said: "Madam, can you supply me with a yard of pork?"

"Yes, sir," she replied. And then turning to a boy, she added: "James, give that man three pigs' feet!"

To Keep Well—
Your Medicine Chest is Mighty Important

A sudden pain in the night . . . children at play, cuts and bruises . . . a hot dish or a sharp knife, a cut or a burn.

Just ordinary, every day happenings in the average household—but are you prepared for these emergencies? Your medicine chest, does it contain the things you need?

If it doesn't, see us for the first aid things that should be found in every medicine chest in town. And, after you have given first aid, if there is doubt as to the seriousness of the injury, call your physician. If he gives you a prescription, bring it to us for careful compounding.

There's Danger in Under-Insurance of Both Real and Personal Property

Would You Sell Your Property For It's Insured Value?

The average owner in this area today, is lulled into a sense of security by the fact that he has an insurance policy covering fire, theft or other losses.

He forgets that he established the amount of his insurance coverage back in 1940 or earlier and has failed to keep his insurance abreast of the steadily rising values and replacement costs.

Home owners should ask themselves this question: "Would I sell my home or belongings today for the amount of insurance I carry?"

Another way to visualize this danger of under-insurance is to consider the replacement costs in dollars and cents and not in percentages.

For example, a home that was worth $7,000 in 1939 is worth over $11,000 today in most cases. The 1939 insurance coverage no longer is adequate to do the job.

Don't delay increasing your coverage—tomorrow may be too late.

House Shortage Growing Worse

LACK OF LIVING QUARTERS DECLARED NO. 1 PUBLIC ENEMY BY USES

While industry, county-wide, is crying for more employees, anticipating 800 new job openings in Lenawee plants within the next two months, the shortage of houses is still the most serious drawback in the employment problem, Clifford J. Rice, manager of the United States Employment Service, Adrian, declares.

Men who are attracted from other parts of the state or midwest to Lenawee industry are finding it even more difficult today than a year ago to find adequate housing facilities, it was pointed out.

"There was a time," one employer said, "when it was difficult to find proper housing for folk with children, or others who wanted to rent a furnished apartment. Today, children or furniture are beside the point. It seems that there are no apartments or houses for anybody. Someone tells someone else a week or two before they intend to vacate a place, and it is snapped up, sometimes before the owner realizes it."

The same employer also pointed out that there was a time when, in desperation, industry would step out and purchase a house in order to accommodate one or two employees. Today, however, that procedure is almost out of the question because houses for sale are almost as scarce as houses to rent.

There also is another serious side to the housing stortage, insofar as industry is concerned. Many employees are driving from 10 to 75 miles daily to their work and the cars they are using are daily becoming older and needing more and more repair. Repair parts for automobiles, old and new models alike, are becoming more and more difficult to obtain and many workmen are finding out that their cars, unless major repairs are possible, will not afford them transportation during the colder months. It was with the hope that more repair parts would immediately become available that OPA this week granted price increases to manufacturers.

"It is a very difficult problem," one man said today. "We are satisfied with our work and with our wages, but we'd like to live near our work. If we can't, the next best thing to do is to drive from ourp resent home, maybe an hour away. However, now that new tires are almost impossible to buy, and our old ones are rapidly getting beyond the recapping stage, it's difficult to know the answers."

From the automobile industry and from tire manufacturers comes the reply that what is needed is increased production, abandonment of strikes and work stoppages, and a genuine effort to get more goods on the market for consumers. Until production can be increased, it seems that there is little hope for improvement.

Walkinshaw-Richardson Reunion Held Here Aug. 18

Mr. and Mrs. Neil DePuy were hosts to the Walkinshaw-Richardson families for their annual reunion, Sunday, August 18, at their home on South Pearl street. Forty members attended from Bellevue, Charlotte, Battle Creek, Marshall and Albion.

Potluck dinner was served on the lawn and at the business meeting Mrs. DePuy was chosen president, and Mrs. Carl Hart of Albion, secretary and treasurer for the coming year.

Dr. Lawrence Walkinshaw of Battle Creek, gave some high lights of his recent trip through Alaska and Mona DePuy, who was experiencing her first family reunion here told of her impressions of this country and its customs which differ from those of her native Australia. Neil DePuy, by aid of recordings, presented several Barber Shop selections.

The two living children of James Walkinshaw who came from Glasgow, Scotland, in the early '80s are Charles Walkinshaw, 92, of Battle Creek and Bessie Walkinshaw, 90, of Marshall. Their advanced ages have prevented them from attending the last two reunions.

Next year's reunion will be held at Bennett Park in Charlotte.

MARRIAGE ANNOUNCED

Announcement is being made of the marriage of Eleanor Ann Campbell, daughter of Mr. and Mrs. J. C. Campbell and Robert J. Pardee, son of Mr. and Mrs. Melvin J. Pardee, all of Clinton, which took place August 5 at the Methodist parsonage in Lapeer. They are now living at Wamplers Lake.

MILITARY RATES on Readers Digest, Coronet and Esquire will be withdrawn September 1.
adv. Margaret Kidman.

Vance Ogden Is Awarded Congress Service Medal

Vance Ogden of Clinton, has been granted the Congressional award of the Selective Service Medal, in recognition of his outstanding work during the three years that he has served as service officer for the Second Congressional District, American Legion, and as service officer for the F. E. Pieper Post, American Legion, Clinton. The award was recommended by the Michigan Selective Service Board.

Mr. Ogden is widely known throughout the state in American Legion circles, and he has helped hundreds of returning veterans of World War II to meet their verying problems. He is recognized as an authority in connection with service work,

Mr. Ogden is in the offices at Tecumseh Products Company. He is a member of the Tecumseh Rotary Club.

Farmers Worry About Strikes

LOCAL GROUP WONDERS WHY IMPLEMENT FIRMS SHOULD NOT BE GOV'T OPERATED

The August meeting of the Tecumseh Raisin Farm Bureau was held at the home of Mr. and Mrs. Robert Bryan when the farmer's stake in labor-management relations was discussed.

The general opinion of the group was that so long as the government had taken over and operated Montgomery Ward & Co., it should do the same with the strike-bound implement plants to insure delivery of parts and machines for farm production. The group would like to see labor have a fair income, because the farmers are dependant upon them to use their products, but as the same time when jobs are plentiful farmers cannot afford to pay the wages demanded.

During the discussion it was brought out that Britain is using the loan granted by Congress, to buy goods in other countries. It was the general idea of the meeting that Britain should buy in the American market.

The next meeting will be held September 9 at the home of Mr. and Mrs. Lawrence Boyd and all members are urged to attend.

Baker Family Reunion Is Held at Adrian

The second annual reunion of the Daniel Baker family was held at Riverside Park, Adrian, August 15. A potluck dinner was served to 36 members.

The president, Gertrude Baker, presided at the afternoon business meeting. Officers were electd as follows: president, Gertrude Baker; vice president, Lester Baker; secretary, Dorothy Baker; treasurer, Garrett Baker. The president appointed Jennie Baker and Henry Baker to write a family history to be read at next year's meeting.

It was decided to meet at the same place inthe third Thursday in August, 1947.

PRODUCTS NAMES NEW PLANT SUPERINTENDENT

V. K. Ogle, formerly of Greenville, has been named as plant superintendent of the Tecumseh Products Company, and has assumed his new office.

Mr. Ogle, before coming to Tecumseh, was plant superintendent of the Gibson Refrigeration Co., for five years. He holds a degree in mechanical engineering from Purdue University, '12.

Mr. Ogle and his family are now residing at Manitou Beach, Devils Lake. They plan to move to Tecumseh as quickly as housing becomes available.

EASTON—RUMPF

Miss Alice Rumpf, daughter of Mr. and Mrs. W. J. Rumpf of Tecumseh, and Ralph Easton, son of Mrs. Francis Easton of Britton, were married Saturday evening, August 17, by Rev. Paul Wengel at his home in Adrian. They were attended by her brother and wife, Mr. and Mrs. Robert Rumpf.

The groom recently returned from two years service in the Philippines. They will make their home in Britton.

CO-HOSTESS AT PARTY

Miss Nerissa Fosdick and Mrs. Hubert VanCamp were co-hostesses Friday evening at a party in the home of the former, honoring Mrs. Maurice Tuckey. Cards were the diversion and prizes won were presented to the honor guest who also received a shower of gifts. Refreshments were served.

The Tecumseh Dairy and Ice Cream Bar will reopen for business on Friday, August 23. Aug. 22

Public Schools in Tecumseh Will Reopen September 4-5

PROGRAM FOR REGISTRATION OF ALL STUDENTS ANNOUNCED BY SUPERINTENDENT

The new school year for Tecumseh elementary school children will commence on Wednesday morning, September 4, at 9 o'clock when all children who will attend grades kindergarten through six will be enrolled. The opening session will be limited to enrollment and orientation procedures. Regular classes will not start until Monday morning, September 9. This delay in the commencement of the regular school program has been approved by the local Board of Education to give the grade school teachers an opportunity to visit the homes of the children enrolled in their grades. Such a visit will, it is hoped, serve as a basis for a closer cooperation between home and school throughout the year, and will also provide an opportunity at the beginning of the year for parents to discuss with teachers and specific problems which may have some bearing upon the education of their children.

Junior and senior high school students will enroll in the high school assembly room on Thursday morning, September 5, at 9 o'clock. Classes will meet in brief session on the opening morning and all students will then be expected to participate in a special testing and orientation program which is being planned for Thursday afternoon and Friday. This program is designed to furnish both the student and the teacher with valuable information concerning the interests, aptitudes, and abilities of the student. This information will make possible a more effective guidance program by the counselors and will, it is hoped, give the student greater assurance in the selection of a course of study. Regular classes for all junior and senior high school students will commence on Monday morning, September 9.

The West Branch building will again house the kindergarten with Mrs. Bertram Updyke as teacher, a section of the first grade with Mrs. Leon VanValkenburg as teacher, and a section of the second grade with Miss Bertha LaPointe in charge. Parents living west of Evans street are requested to enroll their children for grades one and two at the West Branch building. Only children who will be five years old before the first day of January, 1947, will be accepted for enrollment in the kindergarten. The enforcement of this regulation is again made necessary by an anticipated large kindergarten enrollment.

Two rooms at the East Branch building will be used for children in grades one and two who live east of Evans street. Miss Alice Seeger will again serve as teacher of the first grade and Miss Margaret Roberts will be in charge of the second grade section.

Although definite decision concerning the grade to be housed in the Brownville school building will not be made until after the enrollments are made, the building will be used on enrollment day to enroll all third grade children who live in the section of the town bounded by Union street on the west, Maumee street on the east, Chicago Boulevard on the south, and the district limits on the north. All third grade children coming from outlying districts by bus should also enroll at the Brownville school. Third grade children living in the remaining sections of town should enroll at the Central building where they will be housed until the addition of the new kindergarten room at the West Branch makes it possible to transfer this section to the West Branch.

Children in grades four, five and six must enroll at the Central building. Teachers in charge of these grades and the third grade sections mentioned above will be Mrs. C. O. Bailey, Mrs. Wallace Whiting, Mrs. Purnell Osburn, Mrs. Mervyn Boltz, and Miss Bernice Parker. Mrs. Whiting, Mrs. Osburn and Mrs. Boltz have recently been employed to replace staff members who have resigned their positions with the local schools. These include Mrs. Walter Pfaus who is retiring from teaching and Miss Marian Martin who has accepted a position elsewhere. It is hoped that Mrs. Homer Colson will also again serve as a grade school teacher during the coming school year.

Other staff members who will again serve in the Tecumseh Public Schools are: Mrs. Orville Laidlaw, Mrs. Wyman Service, Mrs. Fred Dickinson, Miss Agnes Hansen, Miss Bessie Bortner, Mrs. Hugh H. Hanna, Aden Mead, Delmar Crisp, David Dick, Neville Hart, David Locke, Clare Camburn and Paul Johnson who will serve as a part time high school instructor and grade school principal. James McDowell will again serve as high school principal and W. L. Berkhof as superintendent of schools. Miss Arlene Peugeot, a recent graduate of the University of Michigan, has been employed to replace Mrs. Dorothy McColl who has resigned her position as instructor of music. No appointment has as yet been made to fill the vacancy created by the recent resignation of Fred Raizk who plans to enter medical school in September.

Following the opening session the following time schedule will be observed. The morning session for all children in the Central building will begin at 8:15 a.m. The elementary grades in this building will be dismissed at 11:30 for the noon recess and the junior and senior high school classes will be dismissed at 11:45. The afternoon session for the same groups will begin at 1:00 o'clock and the dismissal times will be 3:30 for the elementary grades and 4:00 p.m. for the junor and senior high school classes. The school day for the children at the branch buildings, including the Brownville school if used for third grade purposes, will extend from 8:45 in the morning to 3:30 in the afternoon with the period from 11:30 to 1:00 o'clock for the noon recess. The kindergarten class will again be divided into two sections with half day attendance for each section.

Parents are urged to enroll their children promptly to avoid delays which often prove costly to the child. Prompt and regular attendance throughout the year is also considered absolutely essential if maximum educational benefits are to be received from the schools. The Board of Education is also urging and recommending strongly that parents who are enrolling their children in the Tecumseh schools for the first time have them immunized for smallpox and diphtheria by their family physicians previous to the time of enrollment. This step will not only protect such children during this period of shifting population but will also enable our schools to maintain the present high percentage of protection.

The Tecumseh staff members will meet in a pre-school conference which is being planned for Tuesday, September 3, and Wednesday, September 4. Special consideration will be given at the conference to the orientation and testing procedures which are to be followed in the opening sessions of school. Techniques to be used for the home visits will also be discussed to assure a uniform pattern which, it is hoped, will result in better results.

Barber Shop Quartettes In Open Air Meeting

Barber Shop quartettes from Toledo, Adrian and Milan joined with three Tecumseh quartettes in an open air meet at Adams Park, Friday evening with an audience of 175 persons in the park and a number of cars parked outside. The program also included recordings of The Elastic Four from Chicago, national champions of 1942, and of The Flat Foot Four of Oklahoma City, national champions of 1940.

A picnic supper for chapter members and their families preceded the concert.

MARRIED 54 YEARS

Mr. and Mrs. Wm. J. Pentecost observed their 54th wedding anniversary August 13 at their home near Onsted. Mrs. Pentecost was formerly Dora Scott of Jasper. They have two sons, Leo and Charles, one daughter Mrs. Wm. Raesch and five grandchildren. Mr. Pentecost is 76 and his wife is 72 years old. They have lived for 27 years on a farm east of Wolf Creek which they sold recently and will soon move to Onsted where they and their son and wife have purchased a home.

EXCHANGE CLUB MEETS

The regular meeting of the Exchange Club was held Monday evening at Brees House with Ellsworth A. Collins, president, presiding. The program time was given over to a discussion of club policies, and the appointment of various committees. The club was newly organized, and next week's meeting also will be devoted to organization work, it was said.

HOSTESS AT BREAKFAST

Mrs. D. F. Wright was hostess at breakfast Sunday honoring Miss Floris Howe whose marriage will take place September 1. Following breakfast the bride-to-be was presented with a shower of gifts.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Lawrence Boyd are announcing the engagement of their daughter, Mary Lou, to James R. Feight of Tecumseh.

OPA Car Prices Confuse Public

DEALERS ARE PERMITTED TO DISCOUNT USED CAR CEILINGS FOR REPAIRS

Although the OPA ceiling prices for all automobiles—new and used alike—are supposedly in black and white, the fact that the public, generally, is not familiar with all of the "ifs, ands and buts" of the regulation is causing some confusion among car buyers some of whom, it seems, are of the opinion that dealers are offering too low trade in allowances.

It is true, the price of all new cars is established by the OPA and dealers must conform to these prices if they are to stay within the law. Also, it is true that the ceiling price of all used cars is established by law. A Ford, Cadillac or Packard are worth so much money. Us more. A car dealer dare not offer his customer more for his car than the ceiling allows, neither dare he offer him less—unless.

And there's where the shoe seems to bind. The law provides that the dealer, when he sells a used car at his high ceiling, must guarantee it for 30 days, aside from tires, battery, and a few other incidentals. If, in the dealer's opinion, it would take $200 to repair the car so that he would be willing to guarantee it, he then may deduct $200 from the ceiling price allowed to the customer for his old car, and offer the customer $200 under his top ceiling. However, the law also provides that if the dealer does deduct a given amount for repairs, he then must do a similar amount of work on the car before it is offered for resale.

Once the dealer has made the repairs, he then may add 25% to the top ceiling price of the used car as his profit and offer it for sale to another customer. For example: The top ceiling on a car might be $500. To repair the car would cost $100. The trade-in value then would be $400. The dealer then may do the $100 worth of repairs to the car and offer it for sale at his OPA ceiling of $625, or 25% more than the ceiling price he allowed to the original owner. Under the 30-day guarantee to the new buyer, however, in the event that added repairs are necessary, the dealer and the purchaser agree in writing to share the cost equally.

Mrs. Hattie M. Robison Is Buried at Macon

Mrs. Hattie M. Robison, aged 79 years, widow of the late Fred A. Robison, died Thursday morning at her home north of Macon after a long illness. Mrs. Robison underwent a major operation several months ago and soon after her release from the hospital fell and broke her hip.

Mrs. Robison was born November 1, 1866 in Jerseytown, Pa., and came to Michigan with her parents Mr. and Mrs. Joseph Smith when two years of age. She was married to Mr. Robison December 15, 1887 and spent the remainder of her life on the farm where her death occurred. She was a member of the Macon Presbyterian church and Woman's Club.

Survivors are two daughters Mrs. Marietta Jeffries of South Bend, Ind., and Mrs. Lora B. Hasted at home; two sons Ernest of Tecumseh and Samuel of Clinton; a brother William T. Smith of Long Beach, Calif., 10 grandchildren and one great grandson. Her husband and a daughter Linna R. Herrington preceded her in death.

Funeral services were held Sunday afternoon at the Macon Methodist church, Rev. O. E. Priest and Rev. C. E. Foltz officiating. Bearers were Glenn, Elmer, Roscoe and Lloyd Hendershot, Theodore and Ellsworth Robison and burial was in Macon cemetery.

Among those from away who attended the services were William T. Smith and son LaVerne of Long Beach, Calif., Mr. and Mrs. Harold Peterson of Millgrove, Mo., Mrs. Irene Stimpson and Mr. and Mrs. Flave Stimpson of Saginaw, and others from Muncie and South Bend, Ind., Detroit, Ypsilanti, Royal Oak, Ann Arbor, Lansing, Jackson, Redford, Petoskey, Port Huron, Saline, Adrian, Milan and Tecumseh.

CONDITION CRITICAL

Claud Amyx, Jr., of Waldron who is a patient at Tecumseh hospital for injuries received August 18 in an automobile accident on US-112, is in a critical condition. His injuries include a broken arm, dislocated hip, leg injuries and possible brain concussion. Mr. Amyx, 28, a veteran of World War II, was enroute to Detroit to get his wife, when the accident occurred.

PRICE CORRECTION

In the A. & P. adv., page 3, Peaches 5 lbs. 39c, bushel $2.98; Cantaloupe 19c; Lemons 35c dozen; Silverbrook Butter 71c lb.

Clinton Public Schools Will Reopen September 4

Clinton school will open September 4 when the shop and agricultural courses discontinued during the war, will be resumed with Ira E. Jump, a graduate of Ohio State University, as the teacher.

The teaching staff includes two other new teachers, Mrs. Irene Wilson of Tecumseh, who will teach third and fourth grades, and Mrs. Leva Gillespie Brown, who will be homemaking teacher. The other members of the staff are W. D. Moats, superintendent; J. S. Damage is Heavy In 3 Local Fires

LOSS AROUND $50,000 IN BARN BLAZE NEAR CLINTON; ONE HOUSE RAZED

Losses that will run between $50,000 and $60,000 were suffered during the past week in three fires, two of them in the Clinton area, the third in Tecumseh and which, state police say, was of incendiary origin.

The heaviest damage was done at the Charles Carlton farm, three miles northeast of Clinton, on the night of August 14, when a modern barn and its contents were destroyed with a loss that was estimated at nearly $50,000. The building, 80 by 100 feet, and completed only a few days ago, cost more than $40,000. It was strictly modern, with basement, and had room for 40 cattle.

The Carlton fire started in a hay mow and presumably was from spontaneous combustion. The Clinton fire department responded and succeeded in saving a tool shed that was nearby. Included in the loss was a threshing separator, 1,800 bushels of oats, 250 bushels of wheat, 250 tons of hay, a large quantity of straw, and a cow, calf and hog. All other livestock was moved to safety.

The Carlton farm was formerly the John Van Tuyle farm and was purchased by Mr. Carlton about three years ago. The barn had been under construction for nearly two years.

Another serious fire occurred last Friday evening when the John Kennedy home on Sheridan Road, two and a half miles east of Clinton, was destroyed. The building was a one-story, four room, frame structure. The Kennedys were not at home when the blaze started. There was no insurance.

The fire which state police declare to have been of an incendiary origin occurred about 9 o'clock on the night of August 14, at the home of Dr. and Mrs. R. G. B. Marsh on West Logan street.

Dr. and Mrs. Marsh and their family were out of town on vacation and someone had filled the space between the rear screen door and the house door with grass or straw and ignited it. Harry Duncan, who lives across the street, discovered the blaze as he was driving to his home and called the fire department. The screen door was destroyed, as was the house door, some of the siding on the house was damaged and the dwelling was filled with smoke. The damage, it was said, will amount to $300 or more. The fact that the fire was quickly discovered averted a more serious loss.

Raymond Hicks and Wife Take New College Posts

Mr. and Mrs. G. Raymond Hicks, formerly of Tecumseh, have accepted attractive positions at Madison State College in Harrisonburg, Va. Mrs. Hicks has taken an assistant professorship in English and Mr. Hicks an associate professorship in Music, also in charge of the organ department in the same college.

Mrs. Hicks, who was the former Eleanor E. Reed, daughter of the late Dr. and Mrs. W. D. Reed, has a Master's degree from the University of Michigan and for the past 10 years has taught in Dearborn. Mr. Hicks, a son of the late Rev. G. G. Hicks, a former pastor of Tecumseh Methodist church, has a Master's degree from Harvard and has done considerable work toward his doctorate. He has studied abroad extensively and recently has been head of the music department at St. George's Private School in Newport, Rhode Island.

Mr. and Mrs. Hicks who were married December 22, 1945, are spending the summer in Newport, R. I., and will leave in September for their new location.

FREEDOM

Some of the clearer thinking labor leaders should be getting definitely worried over the federal government's increasing dominance in labor relations throughout all major industry.

Collective bargaining as we used to know it—which meant that representatives of labor and management met, thrashed out their difficulties, appointed mutually agreeable umpires, and reached a fair and reasonable agreement—is practically a thing of the past. Now, when an important labor dispute occurs, all of the power of government is eventually used to force a settlement. If the strike lasts long enough, the government formally takes over the industry on the theory that no one can strike against it.

Short-sighted labor leaders may favor this, in the belief that it makes possible larger immediate gains for them. In the coal strike, to take a typical example, the owners and operators had almost nothing to say when the showdown came. The government simply adopted a formula satisfactory to the unions, and management could do nothing but accept it.

In the long run, however, this sort of thing is going to cost labor a great deal more than it can gain. For government-dominated labor—like government-dominated industry—can not long remain free. It becomes the creature of the state. It is used for the purposes of the state. Hitler's Germany shows what eventually happens. Hitler came into power backed by many labor groups, and it was Hitler who destroyed organized labor in Germany, completely.

If we accept super, all powerful government, we must be prepared to accept dictatorship. We must run the risk of slowly losing our greatest liberties. And when that happens, we will simply go the way Europe has gone.

If You've Had Trouble Keeping a Budget. . . .

The main purpose of a budget is to see that outgo does not exceed income, that a certain amount is saved regularly. There's a simple way to accomplish this.

Here's how: First, deposit a decided-upon amount of each income check in a savings account at this bank; deposit the rest in a checking account; then write checks for all cash and payment needs.

Your check stubs provide a bookkeeping system as simple as ABC. By saving FIRST, you feel more free to enjoy spending what is left.

The plan works. How about it?

COLD MONTHS COMING

Insulate Your Home

For Comfort and Economy

Sixty days from now it will be mid-October. Nights will be chilly . . . frost will be in the air.

Then is when you will wish that you had insulated your home . . . as you planned to do, this summer.

Insulation, you know, can save you up to 30 per cent in heating costs, to say nothing of the added comfort for yourself and your family.

A 30 per cent fuel saving is a big dividend. It means that insulation pays for itself in a very few years.

Why don't you insulate NOW and begin enjoying the comforts. Insulation works for you 12 months out of every year. It makes your home cooler in summer, warmer in winter.

There's Danger in Under-Insurance of Both Real and Personal Property

Would You Sell Your Property For It's Insured Value?

The average owner in this area today, is lulled into a sense of security by the fact that he has an insurance policy covering fire, theft or other losses.

He forgets that he established the amount of his insurance coverage back in 1940 or earlier and has failed to keep his insurance abreast of the steadily rising values and replacement costs.

Home owners should ask themselves this question: "Would I sell my home or belongings today for the amount of insurance I carry?"

Another way to visualize this danger of under-insurance is to consider the replacement costs in dollars and cents and not in percentages.

For example, a home that was worth $7,000 in 1939 is worth over $11,000 today in most cases. The 1939 insurance coverage no longer is adequate to do the job.

Don't delay increasing your coverage—tomorrow may be too late.

Clean Clothes Make You Feel Cooler, Look Fresher.....

It's true, experience proves it, that clean clothes—clothes that have been carefully dry cleaned and pressed—make you feel cooler and look much fresher, these warm, sultry days.

And, it is also true that clothes that are kept free from dirt and perspiration wear much longer . . . and that is mighty important in these days of scarcity and higher prices.

For satisfying service—in appearance and on the pocketbook—send the family wardrobe to us for all of your cleaning needs. We'll do the work carefully, and promptly, too.

NINETY-SIXTH YEAR—NUMBER FORTY | TECUMSEH, MICHIGAN, THURSDAY, AUGUST 29, 1946 | FIVE CENTS PER COPY

$500,000 BUILDING PROGRAM

70 NEW HOMES NOW UNDER CONSTRUCTION; 30 MORE BY CHRISTMAS

Tecumseh is experiencing a half-million dollar home building boom.

Seventy new houses are now under construction in the greater Tecumseh area and, according to Robert H. Moore, head of R. S. Moore & Son Co., lumber dealers, no less than 100 homes will be the goal by Christmas.

"Tecumseh is doing far more building than any other community in Lanewee county," Mr. Moore declared. "Here, we need new houses and we need them badly. Tentatively, I've set my sights at 150 new houses a year for three years. We may fall a bit short of the number this year, but if materials loosen up as we expect them to, we should be able to catch up in 1947-48."

The 70 new houses now under construction have an estimated value of about $500,000.

Tecumseh is leading the nation in house-building, if the ratio of new homes to total population is considered, Harry Steffey, assistant director of the Federal Housing Administration, Detroit advised Mr. Moore in a conference, Tuesday. Nowhere else in the country, the director said, is a community the size of this building as many new dwellings.

In Moore's addition to Indian Acres on North Union street, 11 new houses are under construction. Six of these are being built by the Fred Garling Construction Co., another by Raymond Kempf for Eugene Skinner. Medford Palmer and Elmer Spreeman each are building houses for themselves and Clifford Riley is building two houses, one for Paul Anders and another for Jack Osborn.

The new subdivision has 42 lots now available with sewer, water and electricity. There are a total of 300 lots inside the village limits. Outside the village, some 30 acres are available for subdividing. The smallest lots are 66 by 132 feet and sell at $250 each, but they will not be sold for speculation. Sidewalks soon will be built in the area, and Mr. Moore expects at least six more houses to be built in the addition this fall.

The Indian Acres subdivision, of which the new development is a part, was launched by Moore in 1937 and some 35 houses were built at that time.

Another builder who is active is Hubert VanCamp who has constructed a house on East Logan street for himself, three others on North Mill street, two on West Patterson street, and he probably will build five or six others yet this fall.

Howard Matthews has a new home under construction on the Clinton road with Andrew Kempf doing the work. Arthur Brady is building a house on the Clinton road for a Mr. Gunn and a Mr. Cousino is building a house in that area for himself.

Two pre-fabricated houses also are under construction about one and a half miles north of here on the Clinton road by the Kaiser Construction Co. One of these houses is the home of Don Kaiser, the other is to be sold. The Kaisers plan to build eight more houses here soon.

In Brownville, on Burt street Kenneth Hunter is building a house to be sold to a GI, and basement construction has been started on the Ernest Harris farm for another dwelling.

Willis Porter and Philip Colgrove are building new homes in the Beland subdivision.

Howard Truesdale is remodeling and building six new homes on West Cummins street. Benford Cox also is building on Cummins street, as is Floyd Woodcox.

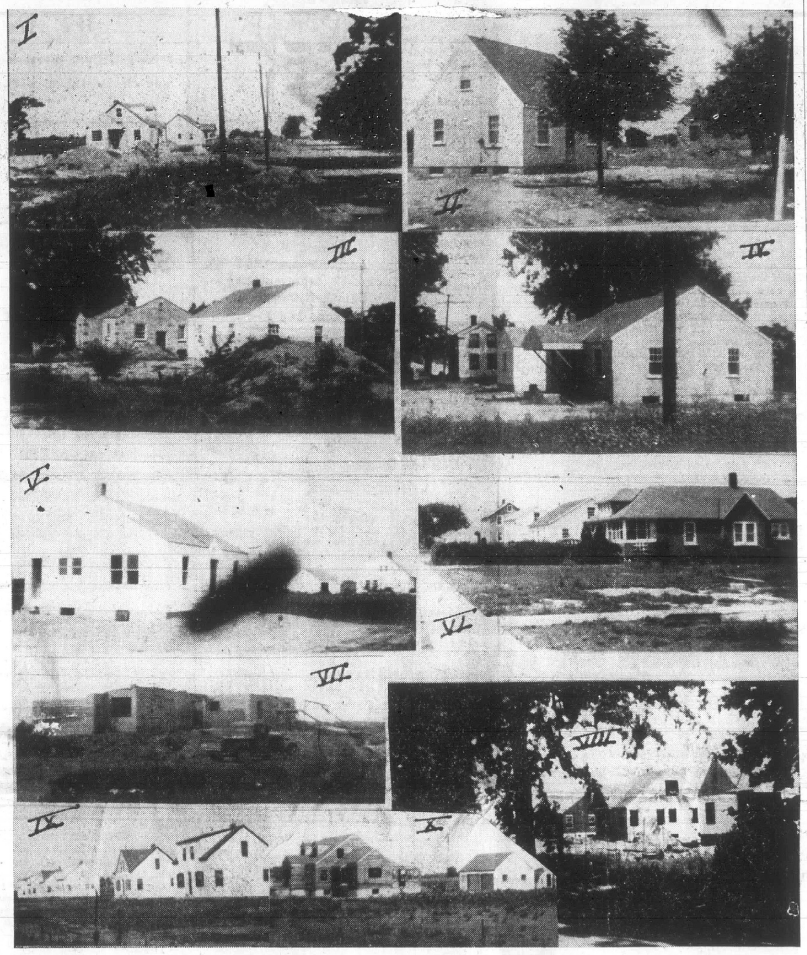
In the old baseball park subdivision at the south end of Union street, Arthur Brady is building two houses to be sold to GI's, Clifford Riley is building two houses, one for Richard Butler, another for Harold Richardson, and Lynn Vallad is building a house for himself. The balance of this property is owned by Mr. VanCamp and there are four more lots available.

Union street is to be extended south through this subdivision to tie into another new development south of the Quaker Oats Company's plant on the townline road, where the Country Home Builders, Detroit, are erecting 25 new houses at the present time. It is understood that the company plans to build 25 more housese here, as soon as possible.

In the Bailey subdivision east of Birdsall, three new homes are going up at the present and six more are to be built there this fall. Nell DePuy is building a new home west of Tecumseh on M-50 and Dorman Vecelius is building a home about a mile east of Mr. DePuy's. Bruce Hoffman is building a house on the Ives road.

"Materials are becoming available a bit faster, and there is a ray of hope that we will be able to get into production on building," Mr. Moore said. "Dry lumber for finish is not yet available because of the high price of green timber. Costs are up about $500 per house, compared to four or five months ago, but we think and hope that the ceiling has been reached. However, it is going to be a long time before supply catches up with the demand and that means that building prices are going to remain high for an indefinite time. I doubt," Mr. Moore said, summing up the building picture generally, "if there is any drop in building costs for the next two or three years, and then when and if a drop comes, it will be gradual. Prices, of course, will depend upon demand, and there is a terrific demand for housing, nation-wide."

Tecumseh's Answer to the Housing Shortage



Pictured above are a few of the 70 houses being built in this area as Tecumseh's answer to the dwelling shortage. No. 1 shows two houses in Moore's addition to Indian Acres. No. 2, two of the houses being built in the old ball park subdivision. No. 3, new houses going up on W. Cummins street. No. 4, two of the houses being built by Mr. Van Camp in Brownville. No. 5, the new Gunn house north of Tecumseh. No. 6, more new homes on W. Cummins street. No. 7, the Willis Porter home in the Beland subdivision. No. 8, more of the new houses in the addition to Indian Acres, and No. 9, four or five of the 25 homes being built south of the Quaker Oats Co., plant. No. 10 shows the Howard Matthews house, being built on the Clinton-Tecumseh road, north of here.

MONDAY CLUB PICNIC AT SAND LAKE, SEPT. 5

Tecumseh Monday Club picnic will be held Thursday, September 5 at the cottage of Mrs. R. S. Moore at Sand Lake. Picnic luncheon will be at 1 o'clock and those attending are to bring table service, sandwiches and a dish to pass. Mrs. Hoyt Whelan, Mrs. Dan Goddard and Mrs. Perry Hayden are in charge of transportation.

McAFEE SPEAKS

Russell McAfee of Adrian, was the guest speaker at the regular meeting of the Exchange Club at Brees House, Monday evening. He discussed "American Resources." Other guests included Clifford Miller, president of Adrian Exchange, Douglas Hurlbut and John and Tom Nixon, also of Adrian. The Nixons furnished musical entertainment. Some 50 members attended.

Mrs. Grace Baldwin Dies Suddenly, Tuesday

Mrs. Mary Grace Baldwin, aged 72 years, died suddenly Tuesday morning at the home of her sister Mrs. Mildred Russell on South Maiden Lane, where she had made her home for several months. Mrs. Baldwin was formerly Grace Heesen, a daughter of the late Henry Heesen and wife and was born in Tecumseh where she spent her early life.

Survivors are one brother H. Lavern Heesen of Beaver Falls, Pa., Mrs. Nellie H. Hall of Seattle, Wash., Mrs. Chas. E. Yates of Los Angeles, Calif., and Mrs. Russell of Tecumseh.

Private funeral services will be held this afternoon at 3 o'clock at the Green Funeral Home with a Christian Science Reader, Mrs. Vivian Baxter of Toledo, in charge of services. Burial will be in Brookside cemetery.

MARRIAGE ANNOUNCED

Mrs. Anna Robinett of Holloway is announcing the marriage of her daughter, Marie, to Fred Hurlburt of Adrian, which took place Thursday, August 22. They were unattended.

Immediately after the ceremony the couple left on a trip to northern Michigan and after September 1 will make their home on Dennis street in Adrian. The bride will continue her teaching duties this year.

COVELL—JENNINGS

Miss Beverly Jennings and Clayton Leroy Covell, both of Tecumseh were married Saturday evening by Justice of the Peace Florence Howe. They were attended by George Holmes Brady and Gretta Lou Jennings.

They will make their home here.

New Auxiliary Is Instituted

SERVICE AND PROGRAM HELD LAST WEEK IN THE METHODIST CHURCH HERE

Institution of the new auxiliary to Hall-Slater Post 4187, Veterans of Foreign Wars, was held last week in the Methodist church with the Graf-O'Hara Auxiliary from Ann Arbor as the participating team and Mrs. Velma Kidd of Ferndale as acting president. Marie Proctor, deputy president, instituted the new auxiliary and members present took their obligation. Past Deputy President Clyda Trangmarr then installed the officers and Ben Hammack, commander of the V.F.W. post was introduced and presented with the new auxiliary.

Lunch was served at the close of the meeting.

The first meeting of the newly organized auxiliary was held Thursday evening in the home of Mrs. Glyde Wittrup, president, when chairmen were appointed and plans made for future meetings. Mrs. Lucile Gee of Milford was present. Refreshments were served.

Regular meetings of the group will be held on the second and fourth Thursday evenings of each month, the next meeting to be held September 12.

SPEAKER FROM OHIO

French Jenkins of Archibold, Ohio, was the guest speaker at the regular dinner-meeting of the Tecumseh Rotary Club, Tuesday evening at Brees House. Mr. Jenkins, who heads a food manufacturing company, told of his product and of the difficulties surrounding production during the war period.

FLORIDA REUNION

The annual Florida reunion will be held Saturday, September 7 at the Presbyterian church in Ridgeway.

Veterans' Institute To Organize, Sept. 10

The Tecumseh High School Veterans' Institute, which is being organized specifically for veterans as a separate department of the high school instructional program, will commence its work on Tuesday, September 10, at 7:00 P.M. The institute will be under the direction of Mr. Neville Hart, local commercial studies instructor. Mr. Hart will be assisted by a number of staff members who will be appointed following the organizational meeting on the 10th, at which time a survey will be made concerning the number and types of classes which are desired.

All veterans who desire either to complete their work for a high school diploma or to participate in the On-the-Job Training and Apprenticeship Programs are requested to report at the organizational meeting.

VACATION SERVICE

In the absence of the pastor, Rev. J. de Ruiter, who is on vacation, candidate E. Schulz of Ann Arbor will preach Sunday morning at the Grace Ev. Lutheran church. There will be no Sunday school.

The pastor will resume services September 8 at 11 o'clock, when Holy Communion will be observed. Sunday school will also be resumed.

TO SPEAK SUNDAY

Edson Ehinger, superintendent of the quarterly meeting of Friends, will preach Sunday morning at the Friends church in the absence of Rev. Edward Escolme. Mrs. Perry Hayden will preside at the evening meeting when Mrs. Pearl Powers of Adrian will be the speaker.

BEG YOUR PARDON

School Merger Gets State O.K.

The proposed consolidation of six rural school districts with the Clinton village district, the unit to be operated as a rural-agricultural project, has been given the approval of Dr. Eugene Elliott, state superintendent of public instruction, Lansing. Dr. Elliott conveyed his approval to Mrs. E. T. Armstrong, county commissioner of schools, Monday.

As a result of the commissioner's approval, it now becomes the duty of Mrs. Armstrong to name a date for an election on the proposed merger in the several interested districts. The program is meeting stiff opposition in two areas, Macon District 1 and Clinton District 1. Some signers of the original petition for the merger have asked that their names be removed from the paper, and have filed counter petitions.

Three residents of the Macon district also have instituted suit against the county commissioner, asking that the district be removed from the proposed merger. A hearing on the proposed injunction in the circuit court, scheduled for Monday, was indefinitely postponed because of the absence of the plaintiff's attorney, John C. Howell.

The state department of education last week sent an investigator into the area in an effort to feel out public sentiment, but his finding have not been made public. Seven residents of Macon also conferred personally a few days ago at Lansing with Dr. Elliott, opposing the consolidation plan.

1 Dead, 10 Hurt In Auto Mishaps

One man was killed and 10 persons were hurt, some of them seriously, in three traffic accidents in this vicinity during the past few days.

Ezra Rich, 82, a resident of Lansing, died last Wednesday evening at Tecumseh hospital from injuries received in an automobile accident a few hours earlier.

Mr. Rich and a niece, Mrs. Vida Seyfried, were driving near Springville when a tire blew out causing the car to strike a guard post. The door flew open and Mr. Rich fell from the car striking on his head.

The body was taken to Lansing.

Ten persons were injured in two accidents Friday on the same curve on the Pentecost road in the lake resort district.

The first group of three occurred at 5 o'clock Friday morning when the car driven by Benjamin Lukomski, 20, of Brooklyn, missed a curve in the road, jumped a ditch and turned over after skidding about 100 feet. The car was a complete wreck.

Those injured were Edward Lukomski, 26, of Brooklyn, brother of the driver; Jean Swartz, 21, and Nadine Miller, 31, both of Adrian. Mrs. Miller suffered a possible hip fracture and is a patient in Bixby hospital where Miss Swartz was treated for knee lacerations and released. Edward Lukomski suffered minor cuts and bruises and was held for investigation. The driver was also held on a charge of reckless driving.

Seven young people were involved in the second accident which occurred on the same curve at midnight Friday, as they were returning from a roller skating party at Sand Lake. Robert Prichard, 19, driver, told officers he failed to see the curve and the car skidded in gravel on the berm before overturning. The group included Prichard, George Holloway, 16, Florence Holloway, 20, Mary Gezelnan, 16, Jack Schuyler 15, Frances Armstrong 18, all of Adrian, and Louise Fate 15, of Ogden. All were treated for minor cuts and bruises at Bixby hospital and were released.

Miss Mary E. Hewlett Bride of Austin Drake

Miss Mary E. Hewlett, daughter of Mr. and Mrs. Roscoe Hewlett and Austin T. Drake, son of Mr. and Mrs. E. T. Drake were married Saturday evening, August 24, at 8 o'clock at the Methodist chapel in Jackson. The Rev. John O. Hagans read the marriage service and their attendants were Mrs. Fred Davey and Robert Retter, both of Jackson.

After a trip through northern Michigan and a week's stay at Glen Lake they will make their home with his parents on North Oneida street.

Mr. Drake who is a graduate of Fostoria high school, returned recently after nearly four years overseas service and is employed in the office at the Hayden Flour Mills. Mrs. Drake graduated from Tecumseh high school and has been employed for some time at the Wright Drug store.

Local School Staff Complete

M. E. RUNK, GRAND HAVEN, NEW COACH; SCHOOL OPENS SEPT. 4-5

The Tecumseh public schools will reopen on Wednesday and Thursday, September 4 and 5 with a complete teaching staff, W. L. Berkhof, superintendent, said today. Mr. Berkhof announced that the last job had been filled, the coaching position made vacant by the resignation of Fred Raizk, who is entering medical school. The new coach is Myles E. Runk of Grand Haven.

Mr. Runk has had four-and-a-half years of teaching and coaching experience and has recently been released from the Navy where he served as an instructor in the Gene Tunney physical fitness program for more than two years. In the local job he will serve as industrial arts and physical education instructor. He will also assume the position of athletic director and coach of the major sports.

The new coach has issued a call for all football players to report at the high school locker rooms on Tuesday, September 3, at 7 p.m., for initial instructions and the issuing of uniforms and equipment.

The new school year for Tecumseh children in elementary grades will begin on Wednesday morning at 9 o'clock, when all those attending in grades from kindergarten through sixth will be enrolled. Regular classes will not start, however, until Monday, September 9. Junior and senior high school students, grades seven through twelve, will enroll at the Central high school on Thursday, September 5, at 9 o'clock, and a special testing program will continue for two days. Regular classwork will be started on September 9.

The West Branch building will again house the kindergarten, the first grade and a section of the second grade. Parents living west of Evans street are requested to send their children for grades one and two to the West Branch. Only children who will be five years old before January 1, 1947, may be enrolled in kindergarten.

Two rooms at the East Branch will be used for children in grades one and two who live east of Evans street. Children living in the section of town bounded by Union street on the west, Maumee on the east, Chicago on the south and the district limits on the north should enroll at the Brownville school for the third grade. All other third grade children, coming to Tecumseh by bus from outlying districts, also should enroll at Brownville. Third grade children living in the remaining sections of town should enroll at the Central Building, where they will be housed until the new addition is completed to the West Branch.

Children in grades four, five and six also must enroll at the Central Building.

Following the sessions on the opening day, this time schedule will be observed on subsequent days: The morning session for all children in the Central Building will begin at 8:15. The elementary grades in this building will be dismissed at 11:30 for the noon recess and the junior and senior high school classes will be dismissed at 11:45. The afternoon session for the same groups will begin at 1 o'clock and the dismissal times will be 3:30 for the elementary grades and 4 o'clock for the upper grades.

The school day for children in the branch buildings, including Brownville school, if used for the third grade, will be from 8:45 in the morning to 3:30 in the afternoon, with the period from 11:30 to 1 o'clock for the noon recess. The kindergarten class will again be divided into two sections with half day attendance for each section.

Parents are asked to enroll their children promptly, and in the buildings suggested, eliminating as much confusion as possible for registering officers on the opening day of school.

WILSON—KANOUS

Gertrude E. Wilson of Manitou Beach and Kenneth L. Kanous of Britton were married August 17 by Rev. A. B. Johns at the Methodist parsonage in Ridgeway. They were attended by Mr. and Mrs. Edward Kanous. The groom has received his discharge from army service after three years overseas and is now employed by Tecumseh Products Co.

They will make their home in Britton.

TO WED SOON

Mr. and Mrs. Halsey Eggleston are announcing the engagement and approaching marriage of their daughter, Theyone M. Eggleston, to Silas N. Kring, also of Tecumseh. The wedding will take place Sunday afternoon, September 8 at the Tecumseh Baptist church.

WAGES AND COSTS

"American labor has a natural interest in the relationship of wages and costs," says the New York Times editorially. "'It has a right to set its sights on a steadily higher standard of living, and it will be a bad day for the country if it ever loses sight of that objective. But the shortest road to this goal does not lie through sharp wage increases, if unaccompanied by an increase in output, for this merely brings higher prices to consumers, and wage-earners are themselves consumers. The right method is increased production, through higher skill, better work and the aid of modern industrial science."

The Times' editorial was occasioned by a report from Detroit that the CIO and the United Automobile Workers "have abandoned any thought of new wage increases in favor of an all-out effort to preserve the present purchasing power of the dollar . . . The UAW has decided, in concert with CIO, that to make a fresh wage demand at this time might set an inflationary spiral in motion."

This is the very heart of the labor-wage controversy. Ever-increasing wages without a relative increase in productivity can benefit no one in the long run. Every general rise in prices further reduces labor's "take home" pay.

It is good to know that some important labor groups are apparently recognizing this. It is time that all labor understood it as well.

You Can Forget SUB-ZERO Temperatures

Your Home Will Be Cozy And Warm With Insulation

The family living in an insulated home can truthfully forget outside temperatures because heating is so easy and economical.

In the average home, insulation saves up to one-third in fuel costs, annually. Think how quickly insulation pays for itself—how fuel bills drop.

And think, too, how comfortable cool, drafty rooms can be—how you can enjoy every room in the house, when heat loss is eliminated.

You can insulate your home NOW and begin enjoying its comfort and convenience this fall and winter. Why put it off longer? You're paying for the cost of insulating your home through heat loss, without enjoying its benefits.

THE ARMY HAS A GOOD JOB FOR YOU!

NON-COMMISSIONED GRADES NOW OFFERED TO FORMER ARMY OCCUPATIONAL SPECIALISTS

GOOD jobs in *non-commissioned grades* are being offered *now* by the Regular Army to qualified former servicemen!

Veterans discharged on or after May 12, 1945, who enlist or reenlist for 3 years may be enlisted in the non-commissioned grade for which qualified, provided this grade is not higher than that held at time of discharge, and provided that at least 6 months of former service was in one of 400 designated military occupational specialties in which enlistment is now desired.

Important, interesting jobs are open in hundreds of skills and trades in the Army, with splendid training and educational advantages! These are in addition to free food, housing, clothing, medical and dental care, low-cost insurance.

There's adventure, travel, education, a secure and profitable future in this vital, realistic profession. Get full details at your nearest Army Recruiting Station.

★

Highlights of Regular Army Enlistments

1. Enlistments for 1½, 2 or 3 years. (1-year enlistments permitted for men now in the Army with 6 or more months of service.)

2. Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in the Army, who may reenlist at any age, and former service men depending on length of service.

3. A reenlistment bonus of $50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.

4. A furlough for men who reenlist within 20 days. Full details of other furlough privileges can be obtained from Recruiting Officers.

5. Mustering-out pay (based upon length of service) to all men who are discharged to reenlist.

6. Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.

7. GI Bill of Rights benefits assured for men who enlist on or before October 5, 1946.

8. Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.

B. Y. F. MEETS

The Baptist Youth Fellowship met Sunday evening at the church. Miss Dorothy Schumm was in charge of the meeting and spoke on the topic "Are You True?"

There's Danger in Under-Insurance of Both Real and Personal Property

Would You Sell Your Property For It's Insured Value?

The average owner in this area today, is lulled into a sense of security by the fact that he has an insurance policy covering fire, theft or other losses.

He forgets that he established the amount of his insurance coverage back in 1940 or earlier and has failed to keep his insurance abreast of the steadily rising values and replacement costs.

Home owners should ask themselves this question: "Would I sell my home or belongings today for the amount of insurance I carry?"

Another way to visualize this danger of under-insurance is to consider the replacement costs in dollars and cents and not in percentages.

For example, a home that was worth $7,000 in 1939 is worth over $11,000 today in most cases. The 1939 insurance coverage no longer is adequate to do the job.

Don't delay increasing your coverage—tomorrow may be too late.

Your Gift to the World

Every blast of the whistle which calls you to work is a signal to the merchandise-hungry populace of the world that American men and women are on the job rolling out everything from hairpins to hosiery . . . from hardware to whole houses . . . from toddler bikes to giant tractors. You, yourself, as an American workmen and homemaker want a hundred items to refurnish household and wardrobe: others such as farmers need a hundred more of a different kind: and millions of distressed neighbors in foreign lands look to this country for their very sustenance during the next several years. So, however small the part you play in producing American goods, you give to the world when you do your job!

Mary E. Whitelock,
Plaintiff,
vs. Order of Publication
Turner Sitison; Caleb N. Ormsby; Mrs. Stephen Gargo; Mrs. Austin Wing; Garry Beneway; Birdsey J. Bidwell; Charles Butler; William P. Waring; George Underhill; David Comstock; Stephen Fargo; George H. Tansley; or their unknown heirs, devisees, legatees and assigns.
Defendants.

At a session of said Court held at the Court House in the City of Adrian, in said County, on the 7th day of August, A. D. 1946.

Present: Honorable G. Arthur Rathbun, Circuit Judge.

On reading and filing the Bill of Complaint in said cause and the Affidavit of Robert L. French attached thereto, from which it satisfactorily appears to the Court that the defendants above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause; and

It further appearing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said defendants are living or where they or some of them may reside, and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry:

On motion of Robert L. French, attorney for plaintiff, it is ordered that said defendants and their unknown heirs, devisees, legatees and assigns, cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said Bill of Complaint be taken as confessed by the said defendants, their unknown heirs, devisees, legatees and assigns.

It is further ordered that this order be published or served according to law.

G. Arthur Rathbun
Circuit Judge

Countersigned:
Alice M. Welch
Dep. Clerk of the Court.

TAKE NOTICE, that this suit, in which the foregoing order was duly made, involves and is brought to quiet title to the following described piece or parcel of land situate and being in the Village of Tecumseh, County of Lenawee and State of Michigan, described as follows, to-wit:

Commencing at a point in the North line of Shawnee Street, at the Southwest (SW) corner of land now or formerly owned by Clara Wightman, being about Eight (8) rods West of the West line of Maiden Lane; thence North along the West line of said Wightman land and the same line continued, Twelve (12) rods; thence West Four (4) rods; thence South parallel with first course Twelve (12) rods to the North line of said Shawnee Street; Thence East along the North line of said Shawnee Street, Four (4) rods to the place of beginning. Said Lot being a part of the East Half (E½) of the South East Quarter (SE¼) of Section (28) in Town Five (5) South of Range Four (4) East.

ONE HUNDRED PER CENT ELECTRIFICATION has always been Consumers Power Company's goal. Today more than 80,000 farms already enjoy Consumers electric service . . . about 85 per cent of all the farms in areas where we operate.

Of course, up until a short time ago wartime restrictions prevented the building of additional lines. Even now, the progress is slow because of the scarcity of essential materials and skilled manpower.

You may be one of the hundreds of farmers who have applied for service and have had to wait during the war period. We want you to know that everything possible is being done to secure the necessary materials and manpower to speed line construction now that the war is over. But with conditions as they are it will still take quite a while to build all the lines that we plan to build. We want to thank you for the patience you have shown and to assure you that we are doing our best. We'll get to your farm just as soon as possible.

NINETY-SIXTH YEAR—NUMBER FORTY-ONE | TECUMSEH, MICHIGAN, THURSDAY, SEPTEMBER 5, 1946 | FIVE CENTS PER COPY

Voters Must Re-register

NEW LAW MAKES IT IMPOSSIBLE TO VOTE IN NOVEMBER UNLESS YOU REGISTER NOW

If you would vote in the November elections, you must re-register with the township clerk on or before October 16, next, according to the Michigan law, passed at a recent session of the legislature. Persons who do not register—regardless of how many times they have voted in previous elections—will be denied the privilege of voting November 5, under the law.

The new statute affects all communities not now operating under the so-called "permanent system," and in Lenawee county, practically all localities are affected, except the City of Adrian.

In Tecumseh township, H. H. Hanna, clerk, has announced that his office in the Strand theatre building, (the office of LeRoy Titley, supervisor), will be open on the following hours for re-registration, or for the registration of persons who will vote for the first time in November:

Saturday, September 7, from 1 p.m., to 8 p.m. Monday, September 9, 10 a.m., to 6 p.m. Tuesday, September 10, 10 a.m. to 6 p.m. Wednesday, September 11, 10 a.m. to 6 p.m. Thursday, September 12, 10 a.m. to 6 p.m. Friday, September 13, 10 a.m. to 6 p.m. Saturday, September 14, from 10 a.m. to 8 pm.

On the final day of registration, Wednesday, October 16, his office will be open from 8 a.m. to 8 p.m.

A few persons in this township re-registered at the last primary election, June 18, and all those persons who did re-register at that time need not do so again. However, the number re-registering was very small, it was said.

In townships in this area other than Tecumseh, the registration law is the same and voters should contact their clerk before October 16 and make sure that they are registered if they desire to vote in the November election, it was pointed out.

"Many voters are going to forget that re-registration is necessary at this time and they are going to find that they will be unable to vote in November," one authority said today. "There is nothing that can be done about it either, except to say to un-registered voters that they cannot cast their ballot. The law is very clear, and persons who neglect registration, and who want to vote in November, will be disappointed."

This is the first general re-registration of voters ordered in this state in many years.

Reception For Teachers Is Planned By P.T.A.

Tecumseh Parent-Teacher Association will meet Thursday evening, September 12 at the high school when a reception for the teachers will be held.

At a meeting held recently in the home of Mrs. R. H. Moore, work for the coming year was planned. Meetings will be held the second Thursday evening of each month and Mrs. Thomas O'Hara is program chairman. A membership drive is scheduled to begin September 12.

The association voted last year to become a member of the state and national organizations and the programs are under the direction of those organizations.

Year books will be distributed upon payment of dues.

D.A.R. TO RESUME MEETINGS NEXT WEEK

Regular meetings of Abi Evans chapter, D.A.R., will be resumed Friday, September 13 when the opening meeting will be held at 2:30 p.m., in the home of Mrs. J. Floyd Elliott. Constitution Day will be observed and Mrs. F. S. Turner is program leader.

Veterans Are Urged To Attend Institute, Sept. 10

The Tecumseh High School Veterans' Institute will hold an organization meeting at the high school on Tuesday evening, September 10, at 7 p.m., W. L. Berkhof, superintendent, said today. The Institute will be under the direction of Neville Hart, commercial instructor, and he will be assisted by other members of the high school staff.

Veterans who desire either to complete their work for a high school diploma or to participate in the on-the-job training and apprenticeship programs are requested to report at the meeting on Tuesday. At that time it will be decided as to the number and type of classes that will be operated.

The Institute is a part of the regular high school program, and is operated specifically for veterans, as a special department of the school.

Hazing Mishap Fatal to Youth

ROBERT HOLMES, 16-YEAR-OLD CLINTON BOY, IS FATALLY INJURED IN FALL

Robert Holmes, 16-year-old son of Mr. and Mrs. Lamont Holmes of Evans Lake, died Sunday morning at University hospital, Ann Arbor, from injuries received Thursday night during a pre-school hazing in Clinton.

During the hazing, Holmes fell, striking his head on the pavement. He returned home and became ill during the night and was taken to the hospital in Ann Arbor. He was a member of the senior class of Clinton high school and is the third son in the Holmes family to meet death by accident, one having been killed in a motorcycle mishap and anothed was drowned.

Besides his parents he leaves a sister, Mrs. Dale Whelan of Tecumseh and a brother, Donald Holmes who operates the Standard service station on East Chicago Blvd.

Funeral services will be held this (Thursday) afternoon at 2 o'clock at the Hause Funeral Home in Clinton. The Rev. Alvin Brazee will officiate and burial will be in Reynolds Corners cemetery.

Funeral Here Today For Mrs. W. C. VanAntwerp

Mrs. W. C. VanAntwerp, lifelong resident of Tecumseh, died Monday evening at her home on West Kilbuck street. She had been in failing health for some time but confined to her bed only a few weeks.

Mrs. VanAntwerp was formerly Francis Cummings, daughter of Ralph and Lydia A. Liscomb Cummings and was born in Tecumseh April 19, 1865. On September 5, 1889 she was married to William C. VanAntwerp, who was a harness maker for many years until ill health forced him to retire. She was a member of the Baptist church and Maccabee lodge.

Survivors are the husband, one sister Mrs. Gertrude L. Sherman, a brother Ralph Cummings of Tecumseh and several nieces and nephews.

Funeral services will be held this (Thursday) afternoon at 4 o'clock at the Green Funeral Home with burial in Brookside cemetery.

BURT ANGLEMYRE DIES

Burt Anglemyre, aged 71 years, of Clinton, died Sunday at Tecumseh hospital where he was a patient only a few days. He had been failing for some time.

He leaves the widow Alice, and a sister Mrs. Jennie Young of Clinton.

Funeral services were held Wednesday at Hause Funeral Home in Clinton with burial in Riverside cemetery.

BIRTHDAY SURPRISE

Former schoolmates of Mrs. Lepon and their children were the guests. Mrs. Lepon was presented with a gift from the group.

WED IN ANGOLA

Mrs. Aileen Swift of Chelsea and Elmer L. Powers of Adrian were married Thursday, August 29 in Angola, Ind., and will make their home on a farm near Tecumseh. Mrs. Powers was the former Aileen Roff of Tecumseh.

Gravel Pit Fire Loss $35,000

DIESEL ENGINES, GENERATOR DESTROYED; $250 LOSS IN RURAL APARTMENT FIRE

Fire which started from burning grass, about 5 o'clock Tuesday afternoon destroyed the power house at the Lenawee Sand & Gravel Company's plant south of Tecumseh with a loss, estimated by firemen, at from $30,000 to $35,000.

Housed in the power house, a frame building, were two diesel engines, a large generator, and other equipment. Some 7,000 or 8,000 gallons of fuel oil also burned. The loss, firemen said, is partly covered by insurance. The plant has not been in operation for about a year and a half. Principal owners of the company are Christopher Gradolph of Petersburg and L. G. Garrison of Tecumseh.

Firemen also answered an alarm about 6 o'clock Tuesday morning to the Marion Bills apartment house on Waldron's Hill, west of here, where fire started in a store room on the second floor and burned through the roof. The loss here was estimated at about $250.

Firemen experienced difficulty in fighting the Gravel company fire because of a lack of water. Only 400 gallons of water is carried on the rural truck, and the distance from the water in the gravel pit to the fire was too great to make that source available.

Lee Purkey, president of the Fireman's Association, said yesterday that he had discussed with township officers the advisability to adding a water tank truck to the rural fire fighting equipment, believing that it would be of untold advantage in battling country blazes. Added chemical equipment, he said, also would be very valuable.

New Short Way Bus Schedule Is In Effect

The new bus service to Detroit inaugurated by The Short Way Lines in July, has been improved by a schedule change that went into effect August 30. W. K. Commerson, traffic manager for Short Way has announced the schedule change and summarizes the main improvements as follows: The departure times have been altered to provide better service for the workers at the Ypsilanti State Hospital and for visitors at the hospital. There will also be four round trips between Adrian, Tecumseh, Clinton, Saline and Ann Arbor. A fifth trip leaving Adrian at 9:45 a.m., will make connections at Willis Road and U. S. Highway 23 for Ypsilanti and Ann Arbor.

On the new schedule, Short Way buses will leave Tecumseh for Detroit at 7:05 a.m., 10:05 a.m., and 3:35 p.m. In Detroit, buses will leave the Bus Terminal at Washington Blvd. and Grand River at 9:05 a.m., 12:30 p.m., and 7:30 p.m. Buses will leave for Ann Arbor at 7:05 a.m., 12:20 p.m., 4:35 p.m. and 7:05 p.m.

TWO NEW MEMBERS ACCEPTED BY ROTARY

Two new members were accepted by the Tecumseh Rotary Club at its regular dinner meeting Tuesday evening at Brees House. The new members are Ernest G. Green, commercial manager of the Michigan Associated Telephone Co., and Frank Purcell of the Tecumseh Products Co. The program time following dinner was given over to a discussion of club affairs. Guests included Myles E. Runk, new high school athletic coach, M. M. Mercier of Bowling Green, Ohio, and Wm. Mitchell of Tecumseh, formerly of Elkhart, Ind.

CHILD DROWNS

Relatives here were notified Monday that the two-year-old son of Mr. and Mrs. Maurice Boltz of Swanton, O., had drowned in a water tank at their home, Monday afternoon. The father is the son of Mr. and Mrs. Henry Boltz and the family formerly lived near Tecumseh.

Mr. and Mrs. I. W. Boltz and Mr. and Mrs. Mervyn Boltz were in Swanton Tuesday evening.

Miss Floris Howe Is Bride of John E. Snyder

At an impressive service held Sunday afternoon at 4 o'clock in the First Presbyterian church, Miss Floris E. Howe, only daughter of Mr. and Mrs. Charles W. Howe, and John E. Snyder, son of Mr. and Mrs. Oscar Snyder, all of Tecumseh, were united in marriage. Their vows were spoken before an altar banked with palms and hampers of fall flowers and candleabra, the tapers being lighted by Millard Snyder and Victor Voorhees, Jr., just preceding the ceremony. The double ring service was read by the Rev. James Cameron Murdoch.

While the guests were being seated by Paul Snyder, Harold Easton and Richard Eggleston, Jack Tonneberger presented an organ recital of pre-nuptial numbers and Miss Joyce Ziegler sang "Ave Maria" accompanied by Mr. Tonneberger.

The bride was attended by her cousin, Mrs. Hugh Simpson of Big Rapids as matron of honor, Miss Jacquelyn Costigan as maid of honor, both in yellow; and the bridesmaids, Misses Nancy Eaton of Swampscott, Mass., and Marjorie Colson of Clinton, in brown, each with half hats of contrasting colors and with colonial bouquets of Talisman roses. Little Jamey Sue Gabler, in yellow and white, was flower girl and was accompanied by Allen Voorhees, Jr., of Battle Creek, the ring bearer. Leonard Hunt of Montague attended Mr. Snyder as best man. Mrs. Howe for her daughter's wedding wore lime green with black accessories and Mrs. Snyder, mother of the groom, was in black sheer over black and white, both with shoulder corsages of gardenias.

Immediately following the ceremony a reception for 200 guests was held in the church parlors, several ladies of the church assisted by Mrs. B. C. Dannells, Misses Jocelyn Anderson, Catherine Gray, Jean Clark, Donna Jean Caulkins, Alma White and Mrs. Harold Easton serving the refreshments.

After a family dinner at Brees House the couple left for a trip in New York and Canada and on their return will make their home in an apartment at the home of her parents on West Pottawatamie street.

Mrs. Snyder graduated from Tecumseh high school in 1944 and is a student at Siena Heights College. Mr. Snyder attended Tecumseh high school before his enlistment in the army where he served three years in the United States and Italy. Both plan to resume their studies.

Among those who attended the wedding and reception were Mr. and Mrs. A. V. Voorhees, Alan Jr. and David, Mr. and Mrs. C. E. Voorhees, Mr. and Mrs. Milburn Pawson and Keith Pawson, all of Battle Creek; Mr and Mrs. Hugh Simpson of Big Rapids; D. E. Voorhees, Mrs. Ruth Shields and Mrs. Amber Muck of Toledo; Mr. and Mrs. Edward Priebe and Miss Joyce Richmond of Detroit; Mr. and Mrs. Vernon Shotwell of Ionia; Mr. and Mrs. E. J. Nelsen of Greensburg, Ind.; Mr. and Mrs. Milo Webster and Mrs. Marie Schrumpf of Niles; Miss Florence Holland of Three Rivers.

BIRTHDAY CLUB

Mrs. Harold E. Wilson was hostess to her Birthday Club Thursday at a dessert party in honor of theb irthday of Mrs. Ray Schaeffer of Jackson. Ten guests enjoyed an afternoon of visiting and the honor guest received a shower of gifts. Mrs. Marion Alderdyce of Milan and Mrs. Schaeffer were the out-of-towners.

MARRIED IN INDIANA

GUILD TO MEET

The Methodist Guild will meet Tuesday evening, September 10, at the home of Mrs. Ray Krempel, 311 North Pearl street when plans for the fall programs will be made. All members are requested to be present.

Application of the Golden Rule Seen as Solution to Shortages

LOCAL IMPLEMENT DEALER SAYS SEIZURE OF PLANTS IS NOT PRACTICAL

Fay Whelan, local farm implement dealer who has for many months given careful study to the problems surrounding the shortage of agricultural tools, today replied to questions raised at a recent meeting of the Tecumseh-Raisin Farm Bureau. Bureau members were wondering whether or not it might be practical for the government to seize strike-bound plants of farm tool makers, that farmers might obtain faster delivery of needed implements.

Mr. Whelan's communication to The Herald, in answer to an article printed on August 22 in this newspaper, is as follows:

In the issue of the August 22 Tecumseh Herald there was an article on a discussion held by a local farm group on "government operation" of farm equipment manufacturers in order to guarantee delivery of needed machines and parts. It seems to me that the manufacturers were being blamed for things that are not entirely within their control in the operation of a private enterprise in a free country.

First, I believe one of the companies being criticised was Allis Chalmers. The union management here is notably communistic. The company has attempted to meet reasonable demands. I believe that one of the main obstacles keeping this plant closed today is the demand by the union that shop stewards be made shop foremen. It is not possible for a company to get the most efficient and experienced operation from men who are responsible to the men under them. Shop stewards are the representatives of labor, not management. If unions are to control manufacturing operations they must be made financially responsible for their ability and judgement. When this comes about., they are no longer a union. They would have to be at least an incorporated cooperative.

Suppose the company were to be taken over by the government. There is no guarantee they would be able to produce any more any faster. Production is limited by power and materials must be had in an even balance. To insure this would mean that every link in the nation's manufacturing chain would have to be carefully regulated. Enough steel, fabric, castings and other items would have to be in the right place at the right time. I do not believe there is any individual in the United States or even the world smart enough to do this. If there is such an individual, he would have to be a total dictator, with power to tell each and everyone of us just what we could do and we would have to do it unquestionably. We just fought a war in order not to have to do this.

Next, suppose we could get this production. Who is going to look out for yours and my interest. I happen to know that implement manufacturers spend much time in Washington fighting for materials to build needed supplies for our home consumption. The government is taking 25% of the implement production and as recently as this month a conference was held with manufacturers to see why government should not take 75% of the production for foreign countries. Competition has been keen under private ownership. It will be again in the future if restrictions are removed. It can not be as long as we have the present monopoly operated by government regulation telling us the amount to be produced, the places where it can be sold and the prices to be charged.

In the past few weeks, farmers have tried to buy wire and bailing twine with limited success. I have a letter in my files from one twine manufacturer saying that he has all the man-power and facilities for making the needed twine but the government will not allot him the raw materials to make it with. Certainly, we should not believe the government sponsors this shortage to make the seller's market of prosperity. The only other reason that raw materials could not be alloted would be because there are none. If the latter is true, then all we can do is WORK and make some. I do not believe there are any laws that can be passed to do the job. I do not believe that government operation of the farms will make the goods available because man-power and machines are not yet SLAVES to a presidential order. THEY PRODUCE ONLY UNDER EQUITABLE AND REASONABLE OPERATION BY COMPETENT AND INTELLIGENT MANAGEMENT WITH YEARS OF EXPERIENCE AND COOPERATION.

No group can be more greedy than the next. All must put their shoulder to the wheel. Attention is called to the loans to foreign countries being spent outside the United States. The reason for this is that our standard of living is being pushed higher and items needed by Europeans are more expensive here. We get more money for items sold on a world market than other countries with lower standards of labor and subsequent lower cost of living. Our farmers compete with items like Argentine beef, hides, and wool. Now our manufacturers have moved manufacturing plants to other countries to try and do a job without so much interference. One large cooperative group, operating in this country on funds furnished by ourselves thru our government and with the blessing of being tax exempt, imports many of the farm machines it sells from our good Canadian neighbors.

For a solution to the problems of today, I believe that all of us need to give more effort to the job of understanding the other fellow's problem. Try and understand that a manufacturer can not make an article in six months if it takes nine months to get the materials with which to make it. They have to plan months and even years ahead, just like a farmer has to plant a hundred acres of wheat in order to harvest that amount. Nor can they change production at a moment's notice any more than a man that plants wheat can harvest corn or sugar beets. They must also be able to balance the cost with the selling price. Butter that costs eighty cents a pound to produce on the farm can not long be sold for fifty-seven cents in the stores. Two plus two still adds up to four. No part of it can be taken away and still get the same results.

Instead of more rules and regulations, let us recognize—and practice—those old ones known as the Ten Commandments. Let us stop and think about—DO UNTO OTHERS AS YOU WOULD HAVE THEM DO UNTO YOU.

Public Schools Now in Session

ELEMENTARY GRADES ENROLLS YESTERDAY, JUNIOR-SENIOR GRADES TODAY

The Tecumseh Public Schools began sessions yesterday and today, elementary grade students reporting for registration yesterday and students in the junior-senior high schools, grades seven to twelve, reporting for registration this morning. All junior-senior students attend classes in the Central building.

It is still too early to predict the increase in the enrollment this year over a year ago, W. L. Berkhof, superintendent, said, but he is expecting a gain of between 75 and 100 students, due to the closing of the Ford-operated schools in this area, and the normal increase in population. The Ford-Brownville school, formerly operated by Edison Institute, this year will be operated as a part of the public school system, the property having been turned over to the district by the Institute.

Children in elementary grades will not report for regular class work until next Monday, the remaining days of this week being given over to teacher visitation in homes and other preliminary work. Junior-senior students, however, will report for classes during the remaining days of this week.

Unlike many other schools throughout the state, Tecumseh is indeed fortunate in having a complete staff of teachers as the school year opens. The last vacancy was filled last week when Mr. Berkhof announced the appointment of Myles E. Runk of Grand Haven, as the new athletic coach, succeeding Fred Raizk, who resigned to enter medical school.

The district also plans to begin a building program as quickly as possible, constructing a $14,000 addition to the West Branch to house overflow classes in elementary grades. It is hoped that this addition may be completed and ready for occupancy by the first of the year.

TREATED AT HOSPITAL

Ronald Barrett and Meredith Smith of Britton, were treated at Tecumseh hospital early Sunday morning for bruises received when their car overturned, while driving through Hayes state park at Wamplers lake.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. C. C. Richard announce the engagement and approaching marriage of their daughter Audrey Joyce to Robert William Lemke of Sand Creek. The wedding will take place October 6 in the Martha-Mary chapel at Macon.

New Grid Coach Meets THS Squad

FOUR HOME GAMES ON LOCAL SCHEDULE; TO PLAY MILAN HERE, SEPT. 20

By Jim Sisson

Nine lettermen and a host of other promising material greeted Coach Myles Runk when he called an assembly of the Tecumseh High School football squad on Tuesday, and issued uniforms and rules for preliminary practice. Coach Runk, a newcomer to Tecumseh, captained the Grand Haven basketball squad when that city grabbed the state championship in 1931. Since that time he has had four-and-a-half years of coaching experience, assisting in the football category and was the head man in the training of the "crack" basketballers from Comstock Park in Grand Rapids. He also has a long service record in the Navy.

Coach Runk seemed pleased at the response to his assembly call, some 45 candidates turning out for instructions. He seemed optimistic, too, because Tecumseh won the championship last year, and with nine letter winners back, the future appears bright again this season for the Orange and Black.

The Indians will get the real "feel" of the pigskin this year when they meet Milan high school under the lights at Recreation Park here on Friday evening, September 20. There are four home games on the seven-game schedule.

Ben Hammack, (co-captain), seems slated for his center position again while Tom Judd, (also a co-captain, and Bill Tilton are the leading candidates for the guard posts. Returning in conquest of their tackle berths are Bob Dinse and Roger Williams. Bill Hayden, all-county end, is the only letter winner returning to an anchor position on the Braves forward wall. In the backfield, Bill Brown, converted from his all-county guard position, is the chief contender for the fullback job. Marvin Barber is the only halfback with a "T" that will return to the gridiron. The ninth is Jim Sisson, who is back to capture the quarterback post in the strategy department.

Returning lettermen always appear to be the main contenders for the starting positions in the line-up but when the first eleven takes the field the tale is told and many a time some newcomer replaces the veteran.

There may be a "cup" in their future, but that championship award won't be polished in old Tecumseh High unless a few sturdy obstacles and some tough competition are overcome. This competition includes the seven games on the schedule, as follows:

Milan, here, September 20.
Hudson, there, September 27.
Adrian, here, October 4.
Clinton, there, October 11.
Monroe, there, October 18.
Morenci, here, November 1.
Blissfield, here, November 8.

Beaver Boys Use Cash To Aid Local Hospital

The Beaver Boys held a hobby show last week at the home of Mrs. Vernon Rupp and made $7.00 which will be used to buy something for the children's ward at Tecumseh hospital.

The group was organized a year ago by Mrs. Rupp and will be eligible this fall for Cub Scout membership.

The members are Donald Partridge, Gary Lykken, Ronald Rupp, Eddy Hodges, Robert Manley, Ross Hadley, Vere Hart and Roger Bush.

BRIDAL SHOWER

Mrs. George Schumm was hostess Wednesday afternoon at a bridal shower honoring her niece, Helen Leutheuser of Somerset. Games were played and prizes awarded were presented to the bride-to-be. Little Mary Wing and Andrea Thompson, dressed as cupids, brought in the gifts on a small wagon. Guests attended from Somerset, Saline, Addison, Manchester and North Adams.

CULBERTSON P. T. A.

The Culbertson P. T. A. will meet Friday evening at the home of Mr. and Mrs. Wilbur Boyce. Those attending are to bring cake, cookies and gelatine desserts to pass.

BURIAL SPOT LOCATED

Relatives have received word that Pfc. Melvin Flager, who was killed in France in July 1944, is buried in the St. Laurent Cemetery in St. Lo, France.

K. OF P. MEETING

The Southeastern Area Association, Knights of Pythias, will meet in Tecumseh, Tuesday evening, September 10, with the local lodge as hosts.

UNCONSCIOUS ARSONISTS

Arson is one of the most detested of all crimes. The law imposes severe sentences on convicted firebugs. For, when a man deliberately starts a fire, he is imperiling lives, to say nothing of causing great loss in property values.

There is another group which the law can't touch. These are the people who might be called "unconscious arsonists." That group includes a high proportion of the population.

The sin of the "unconscious arsonist" is that of omission, not commission. He doesn't purposely set a fire. He just fails to do the things that will prevent fire.

Have you, for example, ever put off "until tomorrow" fixing a frayed lamp cord? Have you let slightly defective heating plant go, figuring it would last another month or so? Have you been careless in handling inflammables like gasoline, cleaning fluids, on the grounds that probably nothing will happen? Have you let old papers and other trash accumulate in closets and basements and attics because you don't feel like carting it down to the junkman?

These are typical examples of "unconscious arson." And the man who can answer "No" to all of the questions is a rarity indeed. The hundreds of millions of dollars of property destroyed annually by fire are a dubious tribute to the indifference of otherwise good citizens. So is the fact that fire loss is showing an alarming increase at the present time.

Do your part, in your home and business, and fire can be licked—and the lives and dollars it destroys will be saved.

DO YOU REMEMBER?

Plan Now To Build Your New Home Next Year

It now seemms entirely probable that you will be able next year to begin the building of the home that you and your family have dreamed about since before the War.

With some 70 new dwellings now under construction in Tecumseh, and with a potential need for some 500 more, NOW IS THE TIME for you to begin planning for the home that you want.

During the coming months, select your building site. If you should choose the new addition to Indian Acres, we have lots that are immediately available. Then, too, there are others in other sections of Tecumseh.

MAKE THE START THIS YEAR and realize on your plans in 1947. It's not too early to start, if you intend to build, and we'll be only too happy to discuss plans and building costs with you.

To Keep Well—

Sniffles Are Nature's Warning to Trouble Ahead

It's wise to heed it. That pesky sniffle may be nature's warning that you are going to be sick . . . maybe seriously.

Never give a prospective cold a break. Fight it from the first sniffle if you would avoid a threat of dangerous illness.

In our store you will find effective remedies to relieve colds and give your system a chance to fight on better than even terms. But if your cold does not respond, see your doctor. And, if he gives you a prescription, bring it to us to be compounded.

Tecumseh Schools Now in Session

Many a small body's been broken—a mother's heart torn with grief because a little child darted into the path of an on-rushing car. With our schools now in session, each motorist will be burdened with the responsibility of preserving the life and well-being of our school children. Yes, these children know the rules of safety—but often, in the excitement of a game of tag—in response to a playmate's call, they'll dash unthinkingly, into the path of your car. Each time you slide behind the wheel, the life or death of a child rests upon the alertness of your mind—the instant performance of your car. The responsibility is great but you can shoulder it. Drive carefully . . . . observe common sense safety rules.

Make Sure Your Car Is In The Best Condition

Protect the kiddies. Let us check your car. Drive in today. We'll test your brakes, put them in "stop on a dime" order; look over the tread on your tires; check your engine. When we finish with your car, you know it's in perfect running condition—you know you can drive safely — with confidence!

It won't be long now!

"It won't be long now," said the Monkey, as he caught his tail in the lawn mower.

And that's the situation with respect to that good old snow white "1900" Flour.

The government, facing a large wheat crop in this country, and some increases in the world supply of wheat, has removed the 80% restriction on milling. This will permit us to return to milling "WHITE" flour again. We have been doing a little studying and although we have been making "1900" Flour a good uniform quality flour for many years, we have decided to make it a real "super duper" flour, even whiter than it was before. It's going to make cakes almost as light and fluffy as regular cake flour. At the same time it will produce bread and biscuits that will win prizes at any baking contest.

Now that the emergency is over we want to thank all of our grocer friends, and in turn the thousands of home folk consumers who have patiently stood by while the wheat emergency was on.

Although the demand for flour is simply terrific, and we could sell our output several times over, without seeking the family flour business, we are proud of our record here, and want to keep the name "HAYDEN" synonymous with good baking. Therefore we shall soon have the new and white "1900" Flour in your favorite food store.

KROGER was hatched as one small store in Cincinnati in 1882.

It grew into 2,600 stores in 18 states because B. H. Kroger, the founder, was an unusually good, economical storekeeper, and he saw that with many stores he could buy and sell things for less money than with one little store.

In America, any little store can become a big store or a group of stores, if it finds ways to give folks better things for less money.

How to catch the ones that get away

Fishermen are funny . . . they always seem to brag a bit about the fish that get away. Maybe you've done it yourself.

But what about the dollars that get away?

What about the money you had marked for saving that somehow was spent before you could get it into the bank? We'll bet you don't brag about that . . . and you shouldn't!

But there is an easy way to catch and keep those all-important dollars!

Millions of Americans know the secret. They've learned that the safest, surest way to save is to buy U. S. Savings Bonds on the Payroll Savings Plan!

Then they've really got something worth boasting about. They're putting themselves on a sound financial basis—building security for their families, a cash reserve for emergencies, a nest egg for their future.

And whether you buy them on the Payroll Plan, or at any bank or post office, these Savings Bonds are more than a way to save money. They're a way to make money! In just 10 years you get $4 back for every $3 you put in.

So it's just common sense to buy, and hold, as many of these U. S. Savings Bonds as you can. If you're on the Payroll Plan, stay on! If you're not, get on!

And pretty soon you'll be bragging about the ones that didn't get away!

SAVE THE EASY WAY... BUY YOUR BONDS THROUGH PAYROLL SAVINGS

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Township Clerk, will, upon any day, except Sunday, and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township not already registered who may Apply To Me Personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Twentieth Day before any regular, special, or official primary election and the day of such election.

Notice is hereby given that I will be at The Supervisor's Office WEDNESDAY, OCT. 16, 1946, the Twentieth Day Preceding Said Election from 8 o'clock a.m. until 8 o'clock p.m. on said day for the purpose of Reviewing the Registration and Registering such of the qualified electors in said Township as shall Properly Apply therefor. This is the last you can register for the November election.

In any Township or City in which the Clerk does not maintain regular daily office hours, the Township Board or legislative body of such Township or City may require that the Clerk of such Township or City shall be at his office or other designated place for the purpose of receiving applications for registration, on such other days as it shall designate prior to the last day for registration, not exceeding five days in all.

Notice is hereby further given that I will be at The Supervisor's Office Saturday, Sept. 7, 1946, from 1 o'clock p.m., to 8 o'clock p.m.; Monday, Sept. 9, 1946, from 10 o'clock a.m., to 6 o'clock p.m.; Tuesday, Sept 10, 1946, from 10 o'clock a.m., to 6 o'clock p.m.; Wednesday, Sept. 11, 1946, from 10 o'clock a.m., to 6 o'clock, p.m.; Thursday, Sept. 12, 1946, from 10 o'clock a.m., to 6 o'clock p.m.; Friday, Sept. 13, 1946, from 10 o'clock a.m., to 6 o'clock p.m., and from 10 o'clock a.m., until 8 o'clock p.m., on Saturday, Sept. 14, 1946.

The name of no person but an ACTUAL Resident of the precinct at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

There's Danger in Under-Insurance of Both Real and Personal Property
Would You Sell Your Property For It's Insured Value?

The average owner in this area today, is lulled into a sense of security by the fact that he has an insurance policy covering fire, theft or other losses.

He forgets that he established the amount of his insurance coverage back in 1940 or earlier and has failed to keep his insurance abreast of the steadily rising values and replacement costs.

Home owners should ask themselves this question: "Would I sell my home or belongings today for the amount of insurance I carry?"

Another way to visualize this danger of under-insurance is to consider the replacement costs in dollars and cents and not in percentages.

For example, a home that was worth $7,000 in 1939 is worth over $11,000 today in most cases. The 1939 insurance coverage no longer is adequate to do the job.

Don't delay increasing your coverage—tomorrow may be too late.

Liquor by Glass Is Up To Voters

SPECIAL ELECTION TO BE HELD IN TECUMSEH ON WEDNESDAY, OCTOBER 22

A special election, to decide whether or not liquor may be sold by the glass in the Village of Tecumseh, will be held here on Wednesday, October 22. Petitions, bearing more than 300 signatures, asking that the proposal be submitted to electors, have been filed with the village council and that body, in session on Monday evening, ordered the special election. Similar petitions have been circulating in Adrian, Hudson, Onsted, Clinton and other towns and special elections may be held there, it was indicated, today.

As the law stands at the present time, liquor-by-the-glass cannot be sold in the Village of Tecumseh. Taverns may sell only beer or wine and spirits may be sold only in bottle by state dealers.

Wade L. Jones, village clerk, said that while he had not received an official ruling in Tecumseh's case, he was of the opinion that the State Liquor Control Commission would hold that each village is entitled to one by-the-glass liquor retail outlet to every 1,500 population. If the commission bases its findings on the last national census of 1940, Tecumseh is listed as having slightly less than 3,000 population. That would permit the opening of only one by-the-glass store in the village. Permits for the operation of the store would be approved by the SLCC and by the village council, in a procedure similar to that now used for obtaining beer tavern licenses.

The council, Monday, ordered that a special election be held here next October 22, that voting be done in the customary manner at the Council Building on South Pearl street. Only residents of the Village of Tecumseh, who are eligible voters, may cast their ballots.

Persons desiring to vote in this election must conform to the new state registration law and re-register with the village clerk not later than Wednesday, October 16. The new law require a general re-registration of all voters before they may ballot in any election. Persons who will cast their ballots for the first time, also must register.

Otto Bach Dies Suddenly At His Home In Britton

Otto Henry Bach, aged 69, died at 6 p.m., Tuesday evening, at his home in Britton, after an hour's serious illness.

Mr. Bach was born in Hillsdale county and was an orphan at the age of 12 years when he went to live with his uncle, Leonard Miller, on the Ridge. For many years he was a farmer, living about two-and-a-half miles north of Britton. He retired in 1944 and moved to the village.

Mr. Bach was a faithful member of the Immanuel Lutheran church on the Ridge, and he was vitally interested in community affairs. At the time of his death he was a member of the Britton village council, and worked tirelessly toward civic improvements.

Surviving are the widow, Emma, three daughters, Mrs. Margaret Panke of Lincoln Park, Mrs. Florence Nacker of Gibraltar, and Mrs. Louise Peterson of Ann Arbor; three grandchildren, a sister, Miss Carrie Bach of Britton, and a brother, Henry, of Farmington.

Funeral serices will be held Saturday at 2 o'clock from the Niblack Funeral Home, Britton, and at 2:30 from the Immanuel Lutheran Church on the Ridge, the Rev. Theodore Iben officiating. Burial will be in Lake Ridge cemetery. Friends may call at the Niblack Funeral Home.

BURIED IN RIDGEWAY

Burial services were held in the Ridgeway cemetery yesterday afternoon for Warren S. Bryant, 53, of Fort Wayne, Ind., who died there Sunday. Surviving is his wife, Rena, his parents, Mr. and Mrs. Frank Bryant, Morenci, and a sister, Mrs. Gertrude Allen, Sand Creek. Underwood-Orr Post, American Legion, Tecumseh, sounded taps at the grave.

LODGE TO CELEBRATE

The Britton I.O.O.F. Lodge, at its regular meeting Friday evening, conferred the degree on Raymond Auten and Granville Knifften and last night initiated a class of candidates at Dundee.

The lodge is planning to celebrate its 39th anniversary October 7.

NOTICE

My office will be closed from 8 September to 15 September inclusive, while I am attending the International Congress of Anesthetists and clinics at Bellvue hospital in New York City.

S-12 — Dr. Arthur H. Brown.

End of September Is Last Day To Pay Taxes

Although local taxpayers have until the end of this month to pay village taxes without penalty, K. D. Hall, treasurer, said today that there remains only about $8,000 in unpaid taxes in the village. The total to be collected amounted to $39,507.

Mr. Hall will be at the United Savings Bank each Saturday afternoon and evening, during the remainder of September, for the purpose of receiving taxes.

After the end of this month, he will close his books and prepare to turn unpaid taxes over to the county for collection.

Elliott Warns of Fast Driving

ASKS MOTORISTS TO "WATCH THEIR STEP" NOW THAT SCHOOL IS IN SESSION

With the public schools now in session, and with more than 800 children from kindergarten to high school age now adding to traffic dangers, J. Floyd Elliott, mayor Tecumseh, today asked motorists to cooperate in an effort to hold down traffic accidents in this village.

"We have set a remarkable record in Tecumseh, insofar as traffic accidents are concerned, for several years, and I don't want anything to happen now to mar that record," Mayor Elliott said. "With more than 800 school children going to and from their homes two and four times daily, there is an added responsibility on the shoulders of every driver. Cars must be operated more carefully, motorists should know that their cars are under control at all times, and that brakes, lights, horns, etc., are in excellent working condition.

Intersections in the vicinity of public school buildings are the most dangerous and the mayor asked drivers to use extra care in the operation of their cars in those areas.

"Children know the safety rules, but sometimes they forget, and dash into the street during a game of tag or after a ball," the mayor said. "Then is when the driver must be alert and on his toes, because the responsibility is his."

Mayor Elliott has asked the local police to be on the alert for all fast drivers, drivers who fail to stop at stop streets, and for any form of reckless driving.

"There is too much fast driving in Tecumseh at the present time," he said, "and it must stop. I imagine after one or two have paid fines for speeding, it will stop. I have asked the police department to rigidly enforce all traffic rules."

W. L. Berkhof, superintendent of schools, has conferred with village officials on the traffic problem, and has been assured of complete cooperation on the part of the police department.

Past Matrons, Patrons Are Honored by O. E. S.

Past Matrons and Past Patrons were honored at the opening meeting of Tecumseh chapter, O. E. S., held Thursday evening and 20 honor guests were presented with flowers by Mrs. Dwight Hodges, worthy matron. The group of honor guests were in charge of the dedication of the new electric signet.

Memorial services were conducted for the late J. J. Orr, a member for 58 years and the last charter member. Mrs. Henry F. Kempf was made a member by transfer. In conclusion refreshments were served.

The chapter will hold a special meeting September 26 preceded by dinner at Brees House and reservations must be made before September 20 by notifying Mrs. Hodges.

An invitation was received to attend a friendship meeting in Adrian September 16 when John H. Smith, associate patron of the local chapter, will assist with the initiatory work.

The chapter was also invited to attend the Golden Anniversary of Lenawee Chapter 174 at Hudson on September 20.

PLAN RECEPTION FOR TEACHERS AT BRITTON

The Parent-Teacher Association of the Britton Public Schools is planning a reception for the teachers of the school, to be held on Monday evening, September 23, in the school gymnasium. All parents of school children there are urged to attend.

BRIDAY SHOWER

A bridal shower honoring Mrs. Lester Randolph was held Sunday at the home of Mrs. J. R. Smith, Kilbuck street, with Mrs. Smith as hostess and Mrs. Clarence Randolph as co-hostess. Games were played and prizes awarded and the honored guest received many gifts.

If you live in Tecumseh Village YOU MUST RE-REGISTER *Twice* If you would vote, Oct. 22 - Nov. 5

Under the new Michigan Election Law, a general re-registration of voters is mandatory.

Voters who fail to re-register will be denied the privilege of voting at the Special Election in the Village of Tecumseh on Tuesday, October 22, and the General Election on Tuesday, November 5.

One re-registration is not sufficient. You MUST re-register twice, once with the Village Clerk, again with the Township Clerk.

To become eligible to vote at the Special Election in the village, October 22, you must re-register with Wade L. Jones, clerk, not later than Wednesday, October 2.

To become eligible to vote at the General Election, Tuesday, November 5, you must re-register with H. H. Hanna, township clerk, (in Le Roy Titley's office, Strand Theatre building), not later than Wednesday, October 16.

Regardless of how many times or how lately you have voted, YOU MUST RE-REGISTER if you would vote in the coming elections. Voters who fail to re-register will be denied voting privileges.

Voters who will cast their ballots for the first time in these elections also must register in a similar manner.

Over 800 Students Enrolled In Tecumseh Public Schools

REGISTRATION HERE THIS YEAR IS THE HEAVIEST IN HISTORY, RECORDS SHOW

One of the heaviest enrollments in the history of the public schools of Tecumseh was forecast today by W. L. Berkhof, superintendent, when he announced that more than 800 children already had registered for regular classes, an increase of 116 over a year ago.

"Of course," Mr. Berkhof said, "it still is too early to know the exact figure, but I would not be at all surprised if the number exceeded last year's enrollment by 125. Already, we have 801 enrolled and more children are reporting almost every day from the rural areas."

One of the reasons for the heavy enrollment, Berkhof said, is the fact that the Ford-Edison Institute operated schools in this area are now closed and a number of these students are coming here. There are several high school enrollments from Macon and from the Comfort district, and the Waring district is sending all of its students here, about 20 in number.

The Tecumseh district has taken over the operation of the Ford-Brownville school and this building now houses one section of the third grade. Some 30 children go there to school and Mrs. Homer Colson is the teacher. The other branch of the third grade is housed at the Central building and classes there will continue until the addition to the West Branch building has been completed, probably after the Christmas season.

The kindergarten division of the school is probably the heaviest loaded of all departments. There are some 78 children enrolled and the classes are divided, one section meeting in the morning, another in the afternoon. When the addition to the West Branch has been finished, (it is at the West Branch that kindergarten classes meet), some of this congestion will be elminated, it is hoped.

The school enrollment as of Monday of this week was announced as follows: (First figure is this year's enrollment, the second figure last year's that comparison may be drawn).
